Chapter 2321 My Cousin: The Stripper:4

I thrust in and out of her faster and we heard my balls slapping her ass again. I saw how wet she was. The insides of her legs were soaking.

“Oh yeah! I’m cumming all over your beautiful cock!” My beautiful cousin Tiffany screamed.

That set me off. I could feel her pussy juices soaking my cock, almost as if she were peeing on it. I started feeling

Chapter 2322 My Cousin: The Stripper:5

I could feel her furiously rubbing her pussy and moaning. I gently began pulling slowly out of her ass until only the head of my cock was in her. She gasped and I shoved my entire cock back inside of her. She moaned loudly but it wasn’t a scream this time.

I took that as a positive sign and began thrusting in and out of her ass slowly. She gasped b

I watched as my cock disappeared in and out of the thin, well-trimmed, hair between her legs. Just the sight of that alone almost set me off. Tiffany then put her lips to my ear and whispered to me.

“I want to feel your cum in my pussy!” She said as she softly licked my ear.

She began riding me faster and harder. I could hear our bodies slapping ag

My cousin Kathleen is a beauty. She is one of those women that have always been sexy, in looks and her actions. I can remember her being the first naked girl I ever saw. I was young. She watched me while my parents worked. Then one time she was taking a bath and I watched her.

Eventually, I flipped her over and started fucking her doggy-style. She backed up onto me as much as I thrust into her. She grabbed her pillow and bit into it to muffle her moans. We stood there for what seemed like a long moment of silence. Kathleen dripping wet and naked with the towel on the floor in front of her. Sherry staring at her pussy. I knew Sherry had played the field before her marriage. She was loose, sleeping with various men and women. I only ever saw her flirt with a few women in the past, but seeing her sta

I kissed Sherry as her face was close to mine. She kissed me back passionately. Our tongues met and danced. I continued fucking Beth's mouth as Sherry moved down my body kissing my chest and stomach before stopping at Beth's head. She freed my hands from Beth's head and took over moving Beth up and down on my cock. It felt so fucking good. I saw
