A whimper from the couch turned both of our heads as Mandy sucked on the fingers she had just pulled from her bare pussy and rubbed her clit to an orgasm. She had a look of pure lust on her face as she came HARD and squirted in our direction. Wow! I had never seen that before. Lisa laughed softly and stood up, walking over and kissing her friend on

We took my car and went to a little bistro just off campus. It had great food and a nice view of the park on what was a perfect sunny afternoon. We talked and laughed. I swear anyone else seeing us would have thought it was a date, and that I was on my way to getting lucky later on. She touched my hand often and flirted innocently, safe with her bi

Lisa was right? What? My eyes widened. Heather giggled and collapsed on my chest. She peered up and me and rubbed her sexy, perfect body along mine. "Lisa said she had given you a blow job a while back and that your cock was so very nice. She said that you tasted so very good." She said softly. I gulped.

"Mandy told me that when you cum, you cum a

A few years later, I was almost 21, and a couple of friends and I were going to go tubing down the river a few hours away. Somehow, Heather had gotten wind of my plans and thought it sounded like fun. I remember dad convincing me to let them follow us out and tag along. And by convinced, I mean he gave me a couple hundred bucks for gas and 'whatnot

"When we came back in, we weren't as drunk as it seemed. Well, at least I wasn't anyway, I think Lisa may have been. But we really did have our bags here and my car parked outside. And then you answered the door in just your boxers. Whoa buddy!" She kissed me on the cheek. "I tried not to let it show, but after all the dancing and flirting, that ju

Lisa and Mandy stripped off their remaining garments and started to kiss. I could see their tongues dancing between each other's lips. Hands caressed breasts. Lisa's small boob disappearing under Mandy's touch, and Lisa pawing at her friend's large, soft tits, roughly pinching her nipples.

Heather watched them too, and I leaned down and took her ha

"Yeah, they've been arguing about selling this house. Mom wants to keep it, and Dad wants to sell it and move on from this place." Lisa said dejectedly. You could tell she wasn't excited about the prospect. "I tried to convince him to let me live here next year and save the room & board fees at school, but he shot me down. He didn't want the liabil

"Mr. Robertson, I understand your viewpoint. I'd probably feel the same way in your shoes. I've kept the same apartment for three years now. I've got a good rapport with the complex manager. I would gladly take charge of the minor repairs and maintenance on the house." I paused to take a sip, reading his face. "Lisa and the girls hung out at my pla

Heather and Mandy appeared at my side, pressing their soft tits into my sides and running their hands along my chest and midsection. Lisa kept sucking, fucking me with her skilled mouth. Her tongue did aerobics along my dick as she continued. I could feel the pressure in my balls boiling up, and I put my hand on top of her head as a warning. Shocking
