They were wearing matching camisole and panty sets, one red and one black. I wanted to fuck both of them at once right then and there. I stood up as they turned the corner and put an arm around each of them.

"You girls look amazing. I think I got an instant erection when I saw you," I said, not taking my eyes off of their bodies.

"To be fair, that

"What a sight that must have been. "I'm sorry I missed it," I said as I ran my hand over Karina's round ass.

As I pinched her buttocks, she squealed. "We could recreate the scene for you."

And with that, they fell into each other's arms and onto my bed. Tongues connected, hands roaming all over the other's body. Carly broke the kiss to look over at

Brian was more ready for it this time. Their lips pressed together, softer this time and more tender. Victoria parted her lips slightly and touched his lips with the tip of her tongue. Brian kissed her a little firmer and did the same. He felt an internal shock as their tongues touched ever-so lightly. He knew it was coming yet was not ready for th

"They lower blood pressure, relieve stress, Mmmm." She rubbed her thighs together as she spoke. "And they feel so good," she purred.

"True." Brian's eyes were wide as Victoria writhed around in anticipation there beside him.

"So, you wanna make out for a while?" Victoria asked, sliding her hand further up his knee. "If you're in the mood, of course

Surprisingly, his dick slid all the way in on the first thrust. Kim's eyes bulged out immediately. She looked up at Victoria, who was in the middle of cumming again. She turned to look behind her, but the shadows obscured the face. The dick inside her felt really good. It had been a long time since she had sex with a man, and although Victoria and

I woke up Monday morning in a cold sweat. I had just suffered through another fitful night of sleep. I had been experiencing a recurring nightmare, one where I heard my ex-wife's shrill voice over and over, telling me that she hated my guts, and that she was leaving me for good.

I sat upright in my brand-new bed, staring at the four empty walls in

I couldn't believe what she was saying, but I didn't argue. I kept fucking her adorable face, pounding away with my hard shaft into her throat, making her gag and moan in what I assumed was ecstasy. I felt my balls tighten, and then, I tensed up. I was cumming.

As instructed, I pushed her face down on my cock as hard as I dared as the first three b

I shook my head and thanked her again. I slid her another tip and headed out the door to my car. I was trying not to think about Bella. However, recounting the tale to the hot bartender had gotten my dick stirred up. The bartender had an exotic and erotic look, one that wasn't usually my type, but very sexy. Her pale breasts jiggled nicely in that

"I was thinking, maybe she could watch you work for a day or two. Nothing big, you know, just going through the diagrams and analyzing details. Maybe point out some things that she might not learn in class, that kind of thing."

I was floored. I wasn't sure I wanted to do this, but also felt like saying no was a bad idea. "Sure thing. Whatever you
