The aroma of fresh coffee tempted me to rise from my in-laws bed. I lay back and stared at my wife recalling the lewd frenzy we'd enjoyed during the night. Julie sat on the edge of the bed looking though the window. She was thinking and choosing her words.

She suddenly got up and stretched in front of the mirror and tossed her hair from side to side

He knew how to fuck and he knew how to make love. From the very beginning it seemed we were doing both. He knew exactly how to make me comfortable on his lap and when I needed another kiss or a nibble. His tongue felt wonderful swirling around my nipples. He could feel my body tensing and he knew just how to make me relax and breathe as he worked

A few nights later she announced we were going to have a gourmet dinner at home. She enjoyed doing things in the kitchen and had taken cooking classes when we lived in France. She asked that we all get

dressed up just to make it special and fun.

The dinner was incredible and it lasted most of the evening. Several courses were served and an endless

Lisa woke alone in her hotel room bed. The morning light filled the window and a sliver of daylight glowed on her pretty face. Stretching an arm across the empty bed, she wished there was more than cool wrinkled sheets for her fingers to touch and grasp. Morning was her favorite time when thoughts were filled with desire. She caressed each nipple u

### Chapter 2457 Their Forbidden Pleasures:>>2

Beth and David were twins that shared similar interests most of their lives. Those shared interests kept them close even before they started on a forbidden journey. They knew each others friends, went to the same parties, and heard the same rumors about each other. Their sibling rivalry with the usual teasing and taunting was amplified from being t

Her thoughts were suddenly flooded with an urge to wrap her fingers around his cock and stroke it until he erupted spraying cum like a geyser. She imagined leaning down and sucking his cock and leaving him blindfolded never knowing her identity. Her finger slid along the length of his cock once more and she circled the head. Her finger was soaked w
