"Oh yeah," said Keira as she rolled her eyes. "I'm sure the GUY here has NO ulterior motives for wanting to see two girls get it on." Then she turned to Tara. "Want to put on one more show?"

Tara nodded. Keira swung around until her pussy was in front of Tara's face and vice versa. Tara was so nervous. This was another thing she had never done, but

Tara was sitting in the office of Dr. Sam Anderson, plastic surgeon extraordinaire. The young woman, only eighteen years old, had always hated being flat. She had met and become sexually involved with Dr. Anderson and his wife Dr. Karen Spencer-Anderson on Tara's first voyage as a maid with Deep Blue Cruises. She had confessed her distress with her

Paul had released his nipple lip-lock, got off the bed and maneuvered himself around behind Tara. He grabbed her ass cheeks, spread them and started licking at her smooth pussy. He was just going for speed and power, licking right down the middle. But it was getting the job done, as Tara was moaning straight into Keira's tit flesh. She let loose of

"Give it to me," Keira said warmly. "Give momma a pearl necklace!"

Paul lost it and let loose his load. It wasn't as powerful as his first orgasm had been, but it was enough to leave a generous helping of cum on Keira's chest and neck. Tara withdrew her fingers, much to Paul's surprising disappointment. But when she started licking his man-juice of

The final straw was when Keira had to make a shot close to the rail. Karen wandered over and offered to help steady the shot. She smiled, then bent over and grabbed her ankles with her perfect ass pointing up in the air. She had removed her hip-wrap, so Keira had placed her cue in the valley between Karen's ass cheeks. She had taken a series of lon

Paul's pleasure centers lit up immediately. Girlfriends had rimmed him before, but this was the first time anyone had used their tongue like this. He was glad he kept himself clean down there. Karen's slimy tongue was probing everywhere, then her thumbs slid in and started stretching his backdoor.

While Karen was pleasuring Paul, Keira slid down th

Tara flirts with friends, bosses and finally with danger.

"All Ashore . . ."

Tara was miffed as she stowed her luggage in the cabin. It wasn't that she didn't get the roommate she had requested; Keira had already finished unpacking and was lying on the bed watching her young friend. Ta

The gang looked around at each other, not sure what to say. No one wanted to say anything negative, regardless of the call for honesty. Tara was studying Mr. Mason's face, trying to figure out if he was the kind of guy who wanted you to kiss his ass or tell him the truth. 'What the hell?' she thought. 'I'm a maid. How could I be demoted?'

"You are incorrigible," she said to Tara. Paul also received a kiss, then he and Tara locked lips.

"I'd love to stay, but I have to get up way early in the morning," Paul said grumpily. He liked waking up with these two women.

"I'm sorry," Tara said, giving him a hug. Then they kissed again as Tara slid her hands down and grabbed his ass. "And we d

The last day of the voyage . . .

The lost doy of the voyoge . . .

It had been a strange week for Tara. She had taken the day off, and she and Keira had spent some time up sunning themselves on the deck. But Tara wore a slightly more conservative swimsuit than she had been previously. Later on, Mr.
