"Are you thinking of doing something that would be really stupid on a professional level?"

"Yep."

"Me too."

There was a minute of silence.

Normally, Tara wouldn't mind rainy days. She liked sitting inside, staring out the window and drinking hot chocolate while the waters cascaded down the glass. In more recent days, she would have gotten one of her warm-bodied friends and taken them for a roll between the sheets. But no one else was around that day.

Keira grabbed the young woman's head and held it against her crotch as Tara's tongue went into high-speed mode. "That's what I like," she growled. She ground her pussy against Tara's face, making her young lover chase after her pussy opening with that delightful tongue. She would let Tara catch up and do some deep-tongue action, then she would grin

Tara was lying on a huge bed, with the glow of the moon trickling in around the cracks in the curtains. Her eyes had adjusted to the dim light. The bed was littered with exhausted and sated flesh. Keira was curled up in Nick's arms on one side of the bed. Sam and Karen

Several hours later . . .

“Just let me get the door open you horny, horny man!” Keira giggled as she struggled to get her keys from her purse. The two of them had been enjoying a wonderful evening, and Keira was more than just a bit tipsy. The two of them had left their movie early to

“There we go baby,” Keira said as she lapped up Tara’s girl-cum. “Just what you ordered.” She buried her face between Tara’s thighs, rubbing her face over the girl’s opening until her face glistened. Nick pulled out so Tara could see Keira’s shiny face down between her legs. “Am I pretty? Do I look pretty with your slut-cum on my face?” Keira licked

As she walked in, everyone was gone. It didn’t surprise her. Most of them would come staggering in late in the evening after hours of errands and assorted debaucheries. Tara smiled. Her friends were weird, but she loved them for it. She heard some noise in the bedroom and went to investigate. Keira and Paul were sitting on the bed, talking much as

The crowd erupted in laughter. Tara giggled, blushed, then wrapped her legs around Paul’s waist and kissed him deeply.
