"I think she'll be alright," whispered Michelle. "Let me worry about her. You two worry about gettin' those other two together."

"I wish it were that simple. This might have to be one of those things they have to work through on their own. Not that I don't plan on giving them a little nudge . . ."

"Dear, you need to stand up for yourself. The only way people can walk all over you is if you lie down for them. I mean that in a figurative sense. How do you expect people to see you for who you really are if you don't show them? Didn't you have a nice conversation with her earlier? Heather I mean?"

"Yeah," said Laurie who was flushed with pride.

Breakfast was strangely subdued. Michelle and Alice finished up so they could get out to check the whole fence line before it got too hot outside. Freddie went and got the 'other car' out of the garage. It turned out that these women's back-up vehicle was a full decked-out luxury SUV produced by Mercury.

"Why don't you drive this thing more often?"

"Because I got tired of them kissing my ass," Laurie said quietly. "I'm not saying that they are all bad people. But most of them hung out because of who my father is. And the ones that didn't care about my father weren't exactly interested in my conversation. They would agree with anything I said just for a chance to get into my pants. I realize t

"That feels so good," she muttered. Her skin was on fire everywhere that it touched that of her lover's. Heather leaned in and sucked on one of Laurie's large nipples while cupping both huge breasts from underneath. "But didn't Freddie say that it would take too long this way?"

Heather kissed her. "Right now, 'too long' seems just right." The two o

"Oh fuck!" Heather's back started to arch and suddenly Laurie was no longer able to move the cock buried in the girl's backside. She was able to extract her fingers as Heather's orgasm ran through her like a herd of bison. Laurie licked Heather's juices off her fingers as Heather came. Heather's hand shot out and grabbed Laurie's arm, bring it clos

Freddie started rummaging through the nightstand and brought out that same strap-on that Alice had seen Michelle wear two nights earlier. Alice had a thought.

"Jane?"

"Yes?"

"Would you mind if I . . . God, I feel so silly asking this, but . . . could I use it?"

"Absolutely child."

Michelle reluctantly dismounted the young woman's face so that the t
