A chuckle escaped Tyler's lips as he exhaled in satisfaction and mused: "Why

Michelle had just smooched her brother deeper in response and wiggled her big booty excitedly as she wrapped her legs tighter around his waist, quickly dissipating his concerns with a purring giggle.

"Already taken care of, Ty. I'm all lubed up for you. Go ahead, push your big fat cock all the way up my ass!"

Chapter 417 EP41: Little Sister Big Bu

Equally ecstatic, Tyler himself had almost been undone by his own climax, his muscular legs shaking from the sheer intensity of his release, his enormous schlong all the while flexing and spewing more and more creamy sperm into the deepest, snuggest depths of his sister's buttery bowels. "And yeah, Ty, I wanna do it right now!" she stated as she stood up straight,

It was really cool for Tyler to see Michelle acting even hornie

Chapter 420 EP44: Little Sister Big Bu

Beads of nervous sweat appeared on Tyler's forehead as Michelle's sensuous mewls of anticipation started morphing into tenser and distinctly less delighted vocalizations. An unbidden and quite bitter flash of irony struck Tyler as he realized that all the double anal porn he and Michelle had watched lately was now turning out to be perfectly useless
