CRAZY PLEASURE

Chapter 451 EP75: Little Sister Big Bu

Apparently, Rob and Eddie must have been affected pretty intensely by the situation too, because it wasn't too long before they hoarsely warned their cock-gobbling cousin about their imminent orgasms.

"Shit, you're gonna make me cum, Gabs! Fuck! You suck dick so fucking good!"

"Oh yeah, take that cock deep in your throat! Yeahhh, here it cums, cuz!"

Chapter 452 EP76: Little Sister Big Bu

Given the crazy build up he had accumulated during the previous hours of work (which unsurprisingly he had spent fantasizing about sodomizing his sister), and electrified by the awesome thrill of having just buttfucked Michelle to a screaming gushing assgasm, Tyler was already on the very verge of a monumental ejaculation, and all it took for him t

Chapter 453 EP77: Little Sister Big Bu

Unable to put his love and lust and adoration for his amazing little sister into words, Tyler just smiled at Michelle, who held his gaze for a long emotional moment before turning to look straight into the camera and concluding in a bright, chirpy tone: "Hey, Gabby! So, that was us taking a lunch break and, boy, did I get a nice dessert! Okay, gotta go now! Byeeee!"

Chapter 454 EP78: Little Sister Big Bu

At the end of their daily lunch break quickies, once Tyler was done pumping his little sister's ass full of cum and painting her rippling anal walls white with a huge creamy load of brotherly cum, Michelle was always so thoroughly sated and her smiling mouth was so blissfully slack that the buttplug tended to slip out past her gorgeous lips all on its own. At that point, Tyler would gently remove the plastic toy so that they could trade a deep loving post-assfuck kiss, and then, as their panting moans filled the storage room, he would withdraw his imposing schlong from Michelle's ass and swiftly replace it with the buttplug once more. With Michelle's pink, well-fucked butt-ring wrapped snugly around the thick toy and Tyler's rectum-soothing load safely trapped inside her backdoor, the siblings would then compose themselves and share a final tender smooch and a tight hug before parting ways and going back to work, already counting the minutes until they'd be together again.

Chapter 455 EP79:Little Sister Big Bu

It had been four days since Michelle and Tyler's unlimited buttfuckfest had begun when Ellie called them to announce that finally, after one last business lunch the next day, she would be free to jump on the first plane headed home.

Despite the unavoidable dampening effect on their lust-induced high spirits, the news of their mother's imminent retu

Chapter 456 EP80:Little Sister Big Bu

After days of seclusion at home without even her beefy cousins to take care of her needs, forced to rely just on her fingers and her dildos to get off, made even hornier by the vids and pics and live streams that Michelle and Tyler provided her with every now and then in the midst of their busy round-the-clock schedule consisting solely of fucking each other's brains out, Gabby was just about ready to explode with pent-up arousal when she showed up at the siblings' house.

The sound of the doorbell ringing reached Michelle and Tyler as they chuckled and moaned outside in the backyard. Naked and giggling, Michelle was kneeling between Tyler's leg as he sat in a patio chair, just as naked as her but with a much more vacant and pleasure-dazed expression painted on his grinning face.

Chapter 457 EP81:Little Sister Big Bu

"Jesus!" was all that Tyler managed to exclaim when the storm of words that had gathered around Gabby and detonated in a crackling verbal downpour finally seemed to abate. Already shell-shocked by the brunette's entrance and the fierce monologue that came with it, Tyler was completely unprepared for that final mental image: Gabby as a nun, using a

Chapter 458 EP82:Little Sister Big Bu

Those words were barely out of her smirking mouth when Gabby kicked off her shoes and deftly took off her summer dress, remaining naked except for a pair of skimpy black panties which she promptly got rid of too.

"There we go," the brunette smiled genially once she was fully naked, just like the siblings, "now that I'm all caught up, why don't you

Chapter 459 EP83: Little Sister Big Bu

Overwhelmed by the sudden clash of pleasurable stimuli hitting her all at the same time and against all her expectations, Michelle found herself cumming like crazy before Tyler's meaty truncheon was even halfway crammed inside her juice-slick pussy. The sheer thickness of his perfect dick widening her vaginal walls to the limit, combined with the sizzling shocks of clitoral delight that Gabby's fingers triggered from her engorged nub, not to mention the debauched perfection of her sperm-slurping rimjob, coalesced into a burst of unexpected ecstasy that shook Michelle to her very core and sent rivulets of gushing girlcum flowing all along her brother's slit-stuffing shaft and dribbling down her taint to drench Gabby's ass-smooching lips, much to the brunette's lecherous joy.

Chapter 460 EP84: Little Sister Big Bu

Savoring the sight of Tyler's monstercock disappearing inside Michelle's usually extra tiny but now obscenely overstretched bootyhole while glorying in the mingled sounds tumbling from the siblings' panting mouths as they became joined yet again in the sinful yet ultimately intimate oneness of their umpteenth anal coupling, Gabby grinned broadly and decided to settle in and watch that awesome show by snuggling up with Michelle and resting her raven-haired head on her petite friend's huge heaving boobs, her dark eyes all the while focused greedily on Tyler's girthy girlcum-slick schlong fluidly disappearing inside Michelle's indecently willing orifice.
