"As far as I'm concerned, you're welcome to get as graphic as you like," added Christine.

"Patrick? Are you good?" Tori added.

"So long as you're good with a tent in an additional guy's pants, I am."

"Okay then, I'm hearing everyone's pe

"Clearly I do," Tori agreed, again looking directly at Patrick, who looked so fucking hot tonight with so much of his muscular chest and abs on display.

"I need some more wine," Christine said, and looked around to see that everyone's glasses were empty. "Looks like we all do."

She went to her kitchen to grab another bottle, then came back to pour

"Good to know," he said, and he continued.

"Such a nice big cock," Erica said, as her ebony black feet encased in her mocha-coloured nylons moved up and down on my eight-inch cock that had a nice left-hand swerve to it.

"Eight inches?" Tracy gasped, that being almost double the size of her ex-asshole's.

"No way," Tori said, imagining eight inches i

Maggie, the branch manager of the bank where I work, and thus my boss, called me into her office. The terse wording of her email told me she wasn't happy, and as I entered her office several minutes after the official end of the day it was obvious she wasn't... although she never seemed happy. She was always all business, and you shouldn't waste

Her snatch was like fireworks on my tongue, and I knew in an instant I was no longer straight. The taste was amazing, and I couldn't get enough of it.

Maggie moaned, "I knew you'd be the perfect replacement for Daisy."

I couldn't fathom how she'd known I had these fantasies, or that I was a natural submissive, but as I licked and explored, I knew I
