"I want you so badly, Mom," Mike murmured into Julia's ear as he sawed his digits in and out of her holes, his voice shaking with desire. "I need to be inside you."

Shivering from the intense pleasure he had just given her, her mind reeling, her pussy leaking rivulets of girl-cum on her son's digits and down her thighs while her tight asshole twitch

Naked, her skin smooth and soft and glistening with the lotion she had rubbed all over her voluptuous body, Julia sat on the edge of her bed, fidgeting nervously. Tingly and excited, she laughed at her own silliness. There was no reason why she should be tense, it wasn't like this was her first time after all, not by a long shot! Still, she had to

Mike groaned in pleasure as his mom held his cock at the base, jacking him off slowly while she lovingly licked and kissed his meat all over. As always, her cocksucking skills amazed him. This was different from any other blowjob she had given him, it was so soft and sexy, all about wet kisses and long, languid tongue strokes. She hadn't even taken

As soon as she landed with her back on the bed, Julia spread her legs as far apart as possible, offering herself to whatever her son had in mind for her. Glancing at his big young cock standing once again fully erect, the horny MILF bit her lips with anticipation, wanting to feel her boy inside her as soon as possible. Mike had other ideas though,

A wave of emotion washed over him as Mike felt his cock twitch and start to regain its hardness, nestled as it was in the outer folds of his mother's warm, wet pussy. Nobody could ever love him as selflessly as she did, he knew that without a doubt. Even more that her beauty and the hotness of her gorgeous curves, the power of his mother's true lov

"Should we call him again? I'm gonna call him again. That idiot!" Lori seethed, exhaling slowly while gritting her teeth. "Like, seriously, what's the point of getting an early morning flight if then he leaves us waiting at the airport all day?!"

Rolling her eyes, Lyla tucked a strand of her dark blonde tresses behind her ear and pushed her nerdy g
