Chapter 751 Spring Break Wife: Ep4

That was true. She was a stacked, fit babe and her little black dress didn't hide much. The men in the club were itching for a shot at her. "I'm sorry, Mom," I sighed. "It's kind of confusing being your date."

"I know, honey," she cooed and quickly kissed me. "But try to relax and go with the flow, okay? I promise you'll enjoy yourself."

"I'll try."

"I'll try."

I was getting pissed at her and this whole show. In a twisted attempt to get her back for the embarrassment I felt, I pushed down hard on every stroke to make sure her clit got a good rubbing. Her head thrashed from side to side and her fingernails clawed my back. "Cumming again!" she yelped.

The orgasmic shaking of her body pushed me over the peak

Considering what we'd been doing, I felt justified in giving my Mom's naked body a good long look while she turned on the shower and adjusted the temperature. Her fake tits drew the eyes, but damned if her natural perky ass wasn't her best feature. It was round and firm like an idealized sculpture. Mom saw me looking and asked, "Does it look good?"

I kept sucking and fingering her right through her orgasm. No sooner did that one pass but she began to shake and tremble again. "Gary! Gary!" she called out. I pushed her over the peak again. "Aiiiii!" she squealed. She thrashed like a bucking bronco and I think she tried to get away from me. But I held one hand on her ass and the other had a

She giggled. "I kind of like it, but remember you have to protect me. Don't give in to every stupid idea I have. Be a man, honey." She kissed me sweetly and returned to eating her lunch.

On our walk back to the hotel after lunch, I kept Mom right by my side, and thank goodness Brad stayed right with us too. His bulk certainly helped keep away the s

Tears rolled down her cheeks and she cried pitifully. Damn it. I'm a sucker for a woman's tears. I hugged her and caressed her back. Her arms clung around my neck. "I don't see why we can't, Gary," she sobbed. "I just want to have a fun spring break."

"It's wrong, Mom. It's incest and you shouldn't be cheating on Dad."

She stared at me and blinked,

"You promised you'd never say no to me again."

"I didn't. You agreed to go to breakfast and to the beach," I reminded her.

"You know I didn't want to. I don't think you like it as much as I do."

"I love it. You know I do." I held her in my arms.

"Then why did you want to go to the beach?"

It took an hour for Jess and Amy to find dresses for the clubs that they liked, which was faster than I feared. Jess chose a sequined red tube dress that seemed to vacuum-form to her little body. Mom picked a metallic gold mini-dress made of stretchy lycra. It had spaghetti straps, showed lots of cleavage, and left the top half of her back bare. Sh

I ignored her jibe. Her panties were already off, so I began by unfastening her stockings from the garter straps. The sheer stockings looked just as sexy coming off as they did going on. The sight of Mom in that bustier was too much to resist. I backed her against the wall and lifted her by putting my hands under her ass.

"No problem," Jess replied. "I kind of like the smell. It makes me horny. Hey, we are still going to the club tonight, aren't we?"

I wanted to stay in bed, but I wisely looked to Mom before I answered. "You promised to take me back to that great slow-dancing club, Gary," she reminded me.

I sighed. "Yeah. I did."
