Mom shook her head. "Mark is no innocent. Don't forget that he knocked me up when I was 16 and he was 20. 16! It's nice that he married me but it wasn't exactly a hardship since I came with money from my inheritance and half the boys in Memphis were hot for me. He got a good deal, but now it's time for me to move on."

I smiled. She was right. He di

"Harold, this is crazy! We're never going to fit all that in the car."

I had to agree with Mom on this one. We were shutting down the summer cabin early, and as usual, it meant bringing home lots of gear that had migrated there during our multiple 'mini-vacations'. Unfortunately, Dad's workload had exploded with a new contract, and it was unlikely

Mom's bikini on the other hand, while nicely encasing her more-than-worthy breasts, emphasized her amazing hips and ass. It was small in the back, showing a lot of cheek, which some might have considered overdoing it a bit, with only family around. I personally thought it was a generous gift to all of mankind, to keep those bodacious cheeks on full
