Chapter 811 Heather Is Very Bad:32

Heather leaned over, still pressing her bare crotch against her father's new and very hard erection. She pressed her lips against her mother's and kissed her deeply, relentlessly, until Janice relented and returned the ardor. "C'mon Karen, I'll be nice to her. Hell she's a beautiful girl; you know my weaknesses for pretty blondes. I'll be nice," I told her, as I climbed into my 924. The poor man's Porsche.

Karen already knew where this was going. She took me by the hand, and led me to the bedroom. "Get out of those clothes. We'll dress you in something comfortable afterwards. In the meantime, will a blowjob do for now, or do you want something else?"

"No, I think a blowjob will do just fine." I laughed, removing my shirt and stepping out of my pants.

"The kids can sleep in the living room, and we can share the bedroom, to start." Karen volunteered.

"I don't mind going to a laundromat, I'm used to it," Debbie interjected.

"I think we can do better than that. The workshop on the back of the property has power and is in pretty good shape. It even has a 220 feed. I can put a washer and dryer back

One fell, landing on her lips. She captured it with a flick of her tongue.

I collapsed against her, my head buried in her neck, tasting her sweat, caressing her skin, breathing in my own breath, mixed with her scent.

When my heaving breath slowed I placed my face back in front of hers again.

"When I need you, will you lay with me, sleep with me,

Karen and I showered; she kicked me out when I tried to join her, so we bathed separately. By the time I was cleaned up and dressed, the apartment was once again immaculate, and Debbie was pulling shirts from my closet. For ironing she told me.

My 924 might look nice, but it was never meant to hold three people. The back seat has zero, repe

"A bigger question is where do we stand. We must be committed. I'm on a month to month lease, and I'm giving my notice. I'll be out next month. I'm also putting up my life savings, including a loan on my 401K. I'm all in. Karen, how about you, are you still in?"

"My lease is gone next month. I have to stay someplace. Do you really think it will be
