I wasn't easy on her, and fucked her face pretty aggressively, but couldn't get Beth's admonition out of my mind. I looked around and saw that Jim was seated on the bed behind me, and Karen was hidden from my view. I had a pretty good idea what she was up to. I pulled my cock out of Robin's warm and willing mouth and helped her stand, then took her

That was all Amie had to hear, and she leaned over and took me in her mouth. It was pretty wonderful. I was becoming more and more surprised by Beth and her willingness to bend her own rules so easily. Especially after the bedroom scene with Robin. Go figure.

I let go of her hips and she sighed. Then she rolled over, still on my chest, and pulled her legs back almost to her full tits. She held me firmly and I gave a thrust, pushing hard against the tight opening, feeling resistance before popping through. Beth gasped, an

"I'd love to, given half-a-chance," I admitted freely.

Beth giggled. "I guess we'll have to schedule a play date."

I watched the two stunning teenagers hug, and already felt myself responding to the idea of burying

myself in Amie's butt. I sat up and looked for some napkins on the end-table to clean myself up a bit. I watched Beth waddle off to the

Beth was cuddling up to Debbie, while I leaned down and kissed first one, and then the other. The verbal teasing had stopped, and the girls turned toward each other, bringing their mouths closer and closer together as I continued my alternate kissing. I smiled, reached out and touched her cheek. "I know. It's hard to not think about it. I've been acting a standoffish myself, but it's an act. I loved every moment I spent with you over there. Every time I look at you now, I get hard just thinking about it."

"Don't worry baby, you'll get yours."

Jim was going at Robin doggy-style, and looked to be having a good time of it. Karen drew me to the bed, and I was a bit surprised when she positioned me in front of her sister's face. Robin was less surprised, or responded to it better, and sucked my cock down like a pro. At least like the very talented amateu

I stopped and rubbed her ass, feeling the warmth. "Say you're perfect for me. You know it's the truth. Tell me."

She looked up at me, her eyes moist, her face flushed. She smiled for me. "Ok," she pulled herself out of my grip, giving a wry grin as she reached down and stroked my hardness. "That thing was hurting my side."

The girls switched places, and Debbie gave us grief for moving so much and being too noisy. Beth tried to keep the movement down but Debbie still reached over and poked us when Beth came the first time. My voluptuous sex-pot started giggling, then slid off of me and dragged me to the floor with her. Beth leaned over the chair, presenting her rear a

I looked over and Amie looked like she was sleeping on her side. I released Beth, kissed her sweet ass, and let her climb into our bed. Going back to Amie, I picked her up to put her on the bed too.

"I'm so sore," Amie mumbled, half asleep.

"I know, go to sleep now." I stretched her out beside Beth, taking a last taste of her perky little tits. I m
