Chapter 991 Daddy Alone::Ep1

Introduction: Daughter & her friends think Daddy's been alone long enough!

"Daddy?"

I looked up from where I was working at the computer. It was pretty much all I did most evenings. "Yes, sweetie?"

"You know how you said I could take one friend on vacation, and I invited Tina, and her mother said she couldn't go?"

Yes, I wa

Shit. That's all I needed to hear. Three 18 year old beauties, in an all-adult super premium resort. Alongside half-a-dozen more resorts. "Please take care of each other, and don't get too carried away."

"Don't worry Mr. Z.," Donna said. "We'll be good, and careful. Just make sure you do like Wendy said. While we're being good, we expect you to be

While the girls were off dancing, I stopped into the casino. Unfortunately I can't say I won a million dollars. I managed to keep my losses under my self-imposed limit, and ended up at the bar, chatting with a few strangers, and partaking of the premium drinks, perhaps a little more than I should have.

My sweet Eve was coming in waves. I sat up and jabbed my cock home in mid squeal, and she screamed. Even in my lust shrouded mind, I heard the giggling. I looked to the side and saw Tina and my rotten daughter watching from the balcony. When they realized they'd been caught, they started clapping, and

walked into the room.

I was too far gone to speak, and groaned as I erupted in darling Tina's mouth. She took it all, and was gentle with me afterward. When she was done, she sat up grinning, wiping her mouth. "How was it?" she asked.

Chuckling, I pulled her up beside me for a wet kiss. "That was beyond amazing. You two were spectacular." I looked over at Donna, and pul

I needed it at least as much, and when her last orgasm had her screaming loud enough to wake the dead, it pushed me over the edge, and I came as hard as I ever had in my life. It felt beyond incredible, whether it was the situation, how long it had taken to get there, or something in those pills, it was sublime.

I collapsed on the bed, my heart rac

I had tipped our server, and took Tina by the hand. "What did she say?"

"She ... she said I looked scrumptious."

"You do, beautiful. You really do."

Back in the room, Tina seemed a little shy. I pulled her into my arms. "We don't have to do anything, if you're not comfortable."

She shook her head. "You could have had that woman, couldn't you?"

She chuckled. "Not like you and them. But he's nice. The first couple of times were nothing to write home about, but he got the hang of it. He doesn't last that long, but he can get it up and up, and up."

"TMI, TMI."

She smacked my chest. "Don't be a prude. Be happy for me. It took a while, but he learned how to get me off. A few times."

They hadn't been gone an hour, when who should show up but the stunning redhead from the night before. She was wearing a bikini that showed off her fabulous body, and a mostly see through wrap. She had a huge hat on that provided some cover from the sun. She didn't even ask, she put her bag down, scooted her lounge chair over until it touched mine,

Wendy was still sitting behind me, while Fiona was stretched out on the opposite side, her hand still tugging away at my unresponsive cock. "Would it freak you out?" my surprising daughter asked.

"You and Tina?"

"No, silly. Me and your girlfriend. Or, well, any of us and her."

I looked over and saw the other two staring at the centerfold beside me.
