

Crazy Leveling System

Chapter 6: Snow Wolf King

After killing one after another, powerful aura emitted by Yi Tianyun scared these snow wolves. They are definitely not smart, but in exchange their instinct is honed. Human in front of them keep fending their attacks and killing their kin, and at this rate they are just rushing toward their death.

“Oh, getting a cold feet are’t we?” Yi Tianyun looked at the snow wolf who was scared of him. He smiled, this is the power he needs.

“Awoo!”

A wolf howled from the top of the mountain, Yi Tianyun looked up, illuminated by the moonlight, standing at the peak of the snowy mountain, it is Snow Wolf King!

“As expected of boss monster, even the name is golden!”

His eyes were focused on Yi Tianyun, and the name on the top of its head were all golden, which symbolizes the boss!

He has been killing every snow wolf that’s coming here in order to lure out Snow Wolf King, this is first-level intermediate monster, probably somewhere around eighth level of Body Refinement Realm, which is a quite a challenge for him.

『Ding!』

The sound of the system sounded in his mind.

『Quest: Kill Snow Wolf King!』

『Reward: 5,000 exp and can summon Snow Wolf King as mount!』

Yi Tianyun’s eyes lit up, the reward of this mission was amazing. Can summon this Snow Wolf King ?as mount, and think of it as a prestige! Can normal people out there mount this wild beast? These beast preferred to die rather than becoming mount for human.

Now as long as he kill this snow wolf king, he can summon it to as mount!

“This is so awesome, ?hurry come down and killed by me, so that you can become my mount!”, his eyes filled with excitement, the best advantage of killing big boss is the reward, now additionally he accepted the mission, even more exciting reward is waiting.

Snow Wolf King on the top of the mountain, observing Yi Tianyun with a cold look, other snow wolves around have backed off, clearing the road, but they remain alerted. Although they are weaker than Yi Tianyun, they will not submit.

“Awoo!”

Snow Wolf King rushed from the sky, and the silvery furs of his body were bristled like a thorn. He rushed down to him, and the snow was washed away to the side. Like a silver light, rushing down here, only a few breathing time, ?Snow Wolf King ?has ran down from the top of the mountain, with Snow Wolf King ?approaching, the size is simply shocking.

Snow Wolf King’s body is two meters high, higher than the normal person. It can flatten him simply using his huge body, not to mention its sharp claws.

“Awoo!”

Snow Wolf King is initiating, he swing his giant claws. Silver light flashes in the darkness, piercing the silence of the night, trying to tear Yi Tianyun into pieces!

Yi Tianyun haven’t moved a single step ever since the beginning of the fight, he is forced to move the moment Snow Wolf King rushed.

Yi Tianyun uses Eagle Claw Art shaping his hand into claws, and two claws clashed against each other!

Under this fierce grasp, a silvery light and a pale blue light were drawn in the air, and the two quickly collided together.

“Dang!”

Frost Fist and the claws collided together, like the two metal weapons colliding together, and made a loud sound, like a thousand silver needles, piercing into the eardrum.

After the two major violent contacts, both of them were bounced off, but Yi Tianyun was bounced farther, after stopping he saw the ground was marked with deep marks. In contrary, Snow Wolf King was bounced only a few steps back from the impact, clearly indicating superiority of Snow Wolf King in terms of power.

The biggest advantage of this beast is the body, even simply by relying on this power ?is enough to crush people into mince!

“Such tremendous power, I almost couldn’t block it.” Yi Tianyun’s palm trembled slightly, his hand was a little numb. “you are a perfect opponent to warm up before my duel...”

He won’t fight if his victory is not guaranteed.

“Awoo!”

In the huge eyes of Snow Wolf King, his disdainful gaze, completely underestimating the power of the human in front of him, he is so fragile in its eyes. It did not give Yi Tianyun time to rest, once again rushed toward Yi Tianyun with amazing speed, it is becoming one sided.

“But it’s time to end, otherwise exp card bonus will expire!”

Yi Tianyun laughed, and then emit frosting wave from his hand spread out surrounding him in 100 meters radius, all the wolf nearby including Snow Wolf King is frozen solid!

However, they did not die, simply frozen. He feels reluctant to spend 30 Crazy Points in order to use Frost Fist’s special effect..

Killing a snow wolf, only grant him 5 Crazy Points, it’s not worth to use it like this but he got no choice!

Immediately afterwards, Yi Tianyun rushed up, his hands clutch Snow Wolf King , then using Absorbing Stars Great Technique, stream of spiritual power materialized from within his body striking down all the wolf, exp increased crazily.

『Got 100 exp, 80 exp, 120 exp...』

This number is constantly rising. Because of ten times exp card, he got a bunch of exp, which is quite amazing. At this time, he finally realize that it was worth spending 30 Crazy Points he got this much exp after all.

“Go into Crazy Mode!”

After entering Crazy Mode, the exp multiplied even more!

『Got 120 exp, 96 exp...』

Crazy Mode doubles the exp, since he already used ten times exp card it doesn’t become twelve times but twenty times instead. Imagine how much exp he got.

And the main dish is of course this Snow Wolf King, he needs to kill it before ten times exp card duration expired.

“Let me end your suffering!”

Then Yi Tianyun, aiming a heavy punch at Snow Wolf King, Snow Wolf King cried, but it was unable to move, was completely frozen.

“Not dead just yet, i see...”

Yi Tianyun is quite surprised. he didn't expect all that didn't manage to finish Snow Wolf King off. It seems that this skin is quite tough.

“Activate double damage!”

Crazy Mode adds another effect, double the damage!

This means that his consumption has been increased from one Crazy Point per minute to two! However, it doesn't matter, this won't take long, so he doesn't have to worry about consuming too much.

“Just die already!”

Yi Tianyun shouted and strike again with his fists. He was twice as powerful as before, and he pierces its skin completely.

“Puchi!”

Snow Wolf King's body was pierced by this punch, blood splattered! lying down on the ground, twitching for a while before finally dying.

“Awoo...”

Snow Wolf Kingstruggled a few times in pain. After a moment, the ferocious Snow Wolf King cried and completely lost his life.

The hard skin is pierced through, the crazy mode is easy to use, the consumption is quite a lot, but the power is greatly improved.

“Awoo!”

After the snow wolf saw his wolf king being killed, they quickly turned around and ran away, no longer dared to approach Yi Tianyun.

“This feeling!”

In the eyes of Yi Tianyun, the battle is reaching the climax for today, showing a confident smile, and he did not hesitate to put an effort as long as he got equivalent result.

『Quest Completed.』

『Reward: 5,000 exp and can summon Snow Wolf King as mount!』

『Ding! killing Snow Wolf King, got 1,000 exp, 100 Crazy Point, a pair of snow wolf boots, and 500 gold!』

『Ding! Host level up to ninth level of Body Refinement Realm!』

He finally decided to call it a day, he managed to gain another level too. Killing Snow Wolf King, there are not as many rewards as he thought there would be, but he can get such items from small bosses, which is quite good.

Immediately, he opened the status window, and the detailed data was shown.

Chapter 7: Instant Kill

Afterwards, Yi Tianyun hunt the monsters at night regularly, by riding his snow wolf king of course to the snowy mountains. But since he got no more ten times exp card, so the exp he gained is relatively small, plus there are not that many monsters here to begin with, so he can't level up that fast.

Time passed quickly, and half a month was over.

Today is the day for the duel, it was already crowded, but Yi Tianyun is nowhere to be found.

“Palace Lord Shi, is Yi Tianyun coming?” When Zhao Hualong did not see Yi Tianyun anywhere near the stage, he makes fun of him.

Fang Yun’s face is kind of disappointed. If Yi Tianyun ran away, he’ll miss his chance for revenge.

“He’s preparing himself, he will be here soon.” Said Shi Xueyun contradicting herself because she preferred Yi Tianyun to run away instead of coming here.

“Glad to hear it. If he actually ran away, you will be held responsible! You can start by giving us quota for entering ancient ruin, Otherwise, Spirit Sect will not just let this matter go!” Zhao Hualong said.

“Why should I run away? Jade Palace is my home. Why should i bother to escape? I already said i will participate! I will do it!”

Yi Tianyun came over from a distance. He walks calmly showing no signs of panicking, and people have not yet realized the true power hidden within him. But They do somehow sense he was not the same as half a month ago.

When Yi Tianyun killed Fang Chen, they all think that it was a coincidence or maybe Yi Tianyun used some kind of dirty trick, because they simply don’t think that Yi Tiangyun is strong enough to kill Fang Chen.

“I appreciate you don’t run away with tail between your legs!” Fang Yun’s eyes are cold.

Shi Xueyun sighed heavily, and even though Yi Tianyun didn’t run away, no one is rooting for him or expect him to win, neither Jade Palace nor Spirit Sect.

Spirit Sect thinks that he is bragging, and Jade Palace thinks that he desperately tries to protect his dignity and forcing himself to come here regardless the result of the duel!

“Since everyone is already here, Palace Lord Shi, shall we begin?” Zhao Hualong sneered, and now that Yi Tianyun is here, their victory is already guaranteed before it even begin.

“That’s good, then it will be a best of five, the faction that win three times will be the winner and earned the right to enter ancient ruin.” Shi Xueyun said solemnly.

“Yes, it is five games and three wins. Who is the first one?” Zhao Hualong squinted his eyes toward Yi Tianyun, as if challenging Yi Tianyun to go first.

“Then I will go first!” Yi Tianyun volunteered to go first, then walk toward the stage.

When Yi Tianyun almost enter the stage, he was stopped by Shi Xueyun and whispered to him: "Go admit defeat, even if you this is a duel of life and death, you can admit defeat!" Her expression is very serious.

"If I admit defeat, I am not worthy of your protection, aunt." Yi Tianyun smiled at her and went up to the martial arts stage, leaving the Shi Xueyun.

The distinguished Shi Xueyun, has no problem showing everyone how precious Yi Tianyun is for her, and Yi Tianyun is not afraid to make enemies out of Spirit Sect!

Shi Xueyun is not even his actual aunt, but that's not the point, to protect Yi Tianyun, she would even go as far as slapping Zhao Hualong, endangering the relationship between two factions, he is once again reminded how much she meant for him!

"Very good, then without further ado let's begin!"

When Yi Tianyun came to stage, Zhao Hualong waved to his disciple Fang Yun, solemnly said: "This is a life or death duel, you can't admit defeat unless you are out of bounds!"

Zhao Hualong added the conditions for admitting defeat, so Yi Tianyun can't admit defeat easily, it's a different story if he managed to get out of the arena though.

It's not like that trash can outrun Fang Yun anyway.

Shi Xueyun's face changed, but she could not argue and have no choice but to agree.

Fang Yun looked at Yi Tianyun and sneered: "I know what second elder is trying to do, he can't escape!"

Then Fang Yun followed up and stood in front of Yi Tianyun and looked at him coldly: "I will kill you with my own hand, face the consequences for killing my brother!"

Although at this moment, he is not trying to avenge his brother, but to win this game! Fang Chen is his little brother, Although he is furious, but at the same time he is also embarrassed. He harrasses people everyday but that does not mean that he can just kill anyone without a warning!

"Kill your brother? That brother of yours, not only trying to snatch my pill, but also trying to kill me, stop with the blatant lie!, all you want is quota for entering ancient ruin!" Yi Tianyun looked at him indifferently, he calmly said: "Go ahead and make your move, so I can make my move too."

"It's you who tells lie! Let me see what you got!" Fang Yun gets ready with his stance, then use Eagle Claw Art shaping his hang like an eagle claw, rushed toward Yi Tianyun,

a huge flying eagle illusion appeared behind him, as if he really turned into a giant eagle.

He aimed his attack toward Yi Tianyun's throat, trying to kill Yi Tianyun first thing in the morning.

Yi Tianyun just stand still. The disciples of Jade Palace thinks that Yi Tianyun is blind. Is Yi Tianyun a fool?

Shi Xueyun is getting ready to save Yi Tianyun's life!

Zhao Hualong smirks, thinking it's all over for Yi Tianyun. Fang Chen is not the best, but there is absolutely no problem for him to deal with this trash!

In the next moment, Yi Tianyun opened his eyes, and a bright gaze swept a bright light, like a vast river of stars, flowing in his eyes.

"Absorbing Stars Great Technique!"

Yi Tianyun forcefully reached out and grabbed Fang Yun's hand, he absorbed Fang Chen's spiritual power !

『Get 1 exp, 2 exp, 3 exp...』

Suddenly, Fang Yun's body was stiff and his face became pale. He felt that spiritual power in his body suddenly vanish! He wanted to get rid of this arm, but Yi Tianyun won't let him get away.

A cultivator who has no spiritual power, will grow weaker by time and ended up paralyzed.

"Let me go!"

Fang Yun roared, and his other hand quickly took out a dagger from his arms. he aimed the dagger at Yi Tianyun's heart so that Yi Tianyun will die before he could kill Fang Yun.

Yi Tianyun saw through Fang Yun's move and quickly countered Fang Yun by taking his armed hand and slammed the dagger by Fang Yun's hand strike into his chest consecutively slammed Fang Yun in to the ground. Fang Yun was heavily slammed on the ground, and slightly stunned by Yi Tianyun move. Yi Tianyun grabbed Fang Yun's hand and pressed it down to his own chest.

"Puchi!"

Sound of blood clogging in Fang Chen throat fill the space around them.

“Like big brother like little brother, always go for a sneak attack, is this your family technique?”

Yi Tianyun sneered and screamed. He lifted his foot and slammed it up.

“Bang!”

Fang Yun was kicked out by and tossed into the air. Zhao Hualong quickly responded and quickly flew. Jumped up to catch Fang Yun.

“You...”

Fang Yun vomited blood in a big mouth, and immediately widened his eyes, his face became very dark, which is similar to the situation of Fang Chen before, and is a sign of poisoning.

The next moment, Fang Yun eyes become dimmer and he died.

Familiar scenes, there is no difference between him and his brother, and they both use dirty tricks to boot.

『Ding! Killed Fang Yun, and gained 700 exp, 20 Crazy Points!』

『Get a Recovery Pill!』

“This is all i got?” Yi Tianyun shook his head and thought that he would get something amazing, but turns out he only got a recovery pill. He wonder why, maybe because the martial art Fang Yun used earlier is Eagle Claw Art which he already possessed and maybe that’s why, same technique won’t drop again if you already possessed it.

?Chapter 8: Three Moves

Even though embarrassing, it’s an efficient counterattack, also easily counter Fang Yun’s sneak attack. After everyone grasp what just happened, they are astonished! nobody expected Yi Tianyun to achieve such accomplishment

An infamous trash, easily crushed Fang Yun. Fang Yun’s cultivation is not that high, but seventh level of Body Refinement Realm is quite impressive, and belongs to the upper middle level.

This means that at the very least Yi Tianyun’s cultivation has reached seventh level of Body Refinement Realm. That doesn’t mean that he is a genius or anything of the sort, but at least he definitely is not trash like everyone thought.

No one actually knows at which level Yi Tianyun’s cultivation is right now, they merely speculate. If your cultivation is higher than other, you can camouflage it.

“This, what’s going on...” Shi Xueyun was shocked. Being able to talk casually at situation like this is shocking enough. The strength he has demonstrated just now is definitely not lower than seventh or eighth level of Body Refinement Realm.

Can you still call him trash?

Yi Tianyun know that everyone is astonished. He knew this would happen of course. Infamous trash suddenly become so powerful, everyone is dumbfounded.

Fang Yun died in Zhao Hualong arms, Zhao Hualong drown his anger, unleashed a murderous aura rising to the sky!

“Hoo, trying to show off aren't we? Turns out your cultivation level is higher, that's why you can kill Fang Chen!” Zhao Hualong looked at Yi Tianyun with resentment: “No wonder you insist on participating, your cultivation is at least eighth level of Body Refinement Realm which is higher than Fang Yun! You don't need to go so far as killing him, do you?”

Yi Tianyun sneered: “They both used a dagger to attack and assassinate me, are you telling me to do nothing and let myself get killed? And he said himself this is a battle of life and death, am i wrong?”

He understands where Zhao Hualong coming from. But since they are the on who's picking a fight of course Yi Tianyun won't just let them kill him without a fight.

They used dagger to assassinate him. If it wasn't for his tall body and fast reaction speed, the one lying on the ground right now would be him, not Fang Yun!

Therefore, as long as he feel disadvantage, he won't let his guard down and do anything to win. Naive person won't last long in this world! Repaying evil with virtue? That is nonsense for him. The moment somebody pick a fight with him, he's already dead in his eyes!.

Zhao Hualong eyes are full of grief. All he can do now is swallow his pride.

Jade Palace won a round thanks to Yi Tianyun's victory.

“How is this a trash? If he really is a trash he can't be this strong.....”

“It seems that it's just a rumor! This kid is not a trash at all, in fact he's quite talented!”

Suddenly Jade Palace's disciple is chattering among themselves, the strength that Yi Tianyun demonstrated just now leaves an amazing impression among them.

This world respected the strong, and only by showing powerful strength can he be respected by others!

“Tianyun, you can come down.” Shi Xueyun sighed, she doesn’t care about anything else as long as Yi Tianyun remain safe.

“Palace Lord, is it ok if i participate again?” Yi Tianyun said calmy, It’s quite ironic actually, back then everyone laughed at him because he is trash, especially their Elder Zhao Hualong, now they are so speechless after seeing what just happened.

“Oh, impressive, that’s good! By all means!” Zhao Hualong squinted at Yi Tianyun, his eyes can’t fully conceal his wrath, if this not in Heavely Jade Palace, he would’ve already killed Yi Tianyun.

“Tianyun, hurry down and recover, don’t force yourself...” Shi Xueyun was worried. She ?thought that Yi Tianyun could not keep going, and forcing himself.

“Palace Lord, I am fine, do you want me to remain being a trash like what they said?” Yi Tianyun said solemnly.

Shi Xueyun is quite shocked to hear it, what kind of power is it that caused him to undergo such changes? Did you obtain some kind of inheritance or anything of the sort?

The most important thing is to prove your strength, prove that you are not a fool, and live with dignity! This made Shi Xueyun look a little more determined, and eventually let him participate.

Zhao Hualong sneered: “Ok just stand there, you have proved that you are not a waste. Mo Cheng, your turn!”

“Yes, Elder Zhao!”

Suddenly, a teenager leap into the stage. The easy-going aura radiated from him. From his appearance it seems that he’s just a womanizer, but the female disciple of Jade Palace, simply have no interest in him right now.

He walk naturally on the stage, whether it is just his easy going personality or because his high cultivation realm, which is far higher than Fang Yun, ninth level of Body Refinement Realm! This cultivation can be said to have reached an astonishing level.

“This is bad, the next one turns out to be Mo Cheng!”.

“He is an inner disciple of Spirit Sect. At the same age as us, his cultivation already reached ninth level of Body Refinement Realm.”

“Does Yi Tianyun have a chance of winning? This is ninth level of Body Refinement Realm we’re talking about!”

Disciples of Jade Palace sense an invisible pressure. Zhao Hualong was already extremely furious. He sent his strongest disciples, Mo Cheng. If Yi Tianyun is only at seventh or eighth level of Body Refinement Realm, then he will definitely lose!

“I will defeat you in three moves.” Mo Cheng said faintly, looking down at Yi Tianyun.

Yi Tianyun smiled and said: “In three moves, isn’t it quite arrogant?”

The disciples of Spirit Sect are so proud.

Mo Cheng said: “Your movement is too rigid and not flexible enough, your power is not particularly strong either, and you’re too slow.”

Yi Tianyun immediately smiled and said: “It seems that i have so many flaws. I really appreciate your help for pointing it out, but defeating me in three moves... You are too naive.”

“As long as you suppress me in three moves, I will admit defeat!” Mo Cheng is quite proud, the number of three moves is not much, but when your cultivation realm gap is huge, one move is enough.

Yi Tianyun taunts “If that is the case, then I only need one move to suppress you!” Yi Tianyun expression is serene!

Not that he is arrogant, but he is confident enough with his skills!

Chapter 9: One Move

One move to defeat Mo Cheng?

The disciples of Spirit Sect look at Tianyun with a sarcastic, his cultivation level certainly is not bad, but maybe he doesn’t understand what’s happening here due to his arrogance.

The disciples of Jade Palace also shook their heads. It’s just one win after all and he is already this conceited? This undoubtedly will be his downfall. Mo Cheng ‘s cultivation level is quite high, there is barely anyone can keep up with him at his age, moreover, Yi Tianyun’s arrogance lower their morale.

“First move!”

Mo Cheng end his small talk with Yi Tianyun. He stepped forward, and his figure was distorted. He quickly rushed over to Tianyun. It looked very strange when he disappear and reappear frequently in front of Yi Tianyun.

“This is Spirit Sect’s secret art, Floating Cloud Steps!” Shi Xueyun frowned. This technique is not easy to learn, but he mastered it.

Yi Tianyun stared at Mo Cheng from afar and shocked that suddenly he’s already in front of him. When he instinctively raised his hand to block Mo Cheng’s incoming attack, suddenly Mo Chen vanished.

The next moment, he immediately felt a sense of danger behind him, Mo Cheng reappeared behind him!

Following the movement of Mo Cheng, the disciples of Jade Palace, who were watching behind him, immediately exclaimed, and they all saw the moment when Mo Cheng attacked. Yi Tianyun has no time to dodge, Mo Cheng’s speed is unbelievably fast.

Suddenly, Mo Cheng handsome face become fierce. Yi Tianyun can be seriously injured if this attack land!

“Awwwk!”

A cry of an eagle heard straight from the sky, Yi Tianyun suddenly jump. Like a flying eagle, he dived quickly from the air, and lock his prey, as if he swooped down from the sky to catch the prey!

When Tianyun successfully hold Mo Cheng in place, he instantly unleashed Absorbing Star Great Technique. The spiritual power was absorbed into Tianyun body constantly, and notification sound in hishead continued to ring.

“Get 5 exp, 6 exp, 4 exp...”

When the continuous spiritual power absorbed into Yi Tianyun’s body, exp keep on increasing. Mo Chen’s cultivation stage is high, and the experience value is naturally higher. In the blink of an eye, half of Mo Cheng’s spiritual power already absorbed!

“What is this evil technique?”

Mo Cheng was frightened and startled. He tried to break free from Yi Tianyun’s grasp but his hand was held tightly by Yi Tianyun. This made Mo Cheng desperate, using his other hand to attack Yi Tianyun, but Yi Tianyun saw Mo Cheng’s attack coming, so he shape his other hand as well like an eagle claw, grabbed the attacking hand and held it, rendering Mo Cheng unable to move.

“Eagle Claw Art!”

He has scary eyes. Although Eagle Claw Art is not a unique martial art, it is quite good martial art. Does Jade Palace even have this martial art?

“Let me go!” Mo Cheng shuddered, like a mad sheep, constantly twitching, his spiritual power continuously being drained, and desperation clearly showing in his eyes.

Why would Yi Tianyun let him go, this is bonus exp for him!

When he continued to absorb it, Mo Cheng revealed his sly expression and shouted: “I can’t lose!” Then he opened the palm of his hand, turns out he has been hiding something this whole time, it’s a suspicious looking black ball.

Yi Tianyun being cautious, and he immediately kicked Mo Cheng away into the air as fast as he can.

Mo Cheng thrown to the air, with the black ball still in his hand.

In midair, Mo Cheng suddenly exploded.

Specifically, the ball in his hand exploded, and he was completely blown out into smithereens!

“What the heck this guy uses a bomb!” Yi Tianyun is shocked, how could these bastards have so many hidden weapon in their body? If they cannot land a hit, they use a hidden weapon, this is beyond shameless!

Mo Cheng flew straight out of the stage. He rolled a few times on the ground and finally faced the sky. Everyone saw that he turned black from taking the impact of the bomb, and seemed to die instantly. The power of the gunpowder was powerful, and it suddenly exploded and killed him instantly.

“Ding! You killed Mo Cheng and gained 800 exp, 35 Crazy Points, Floating Cloud Steps movement technique, a Recovery Pill!”

“I get his movement technique!” Yi Tianyun is so happy. He thinks this technique is quite good. It turns you into a spectre-like figure, useful not only for evading attack, but also to attack, this is what he want the most.

“Lost...” Zhao Hualong whispered, his eyes were perplexed, even Mo Cheng who was sent to the stage get killed, the final result makes them stunned.

Their strongest disciples have lost, how can they win now? Whether it was a mere trick on Tianyun part or not. Although he was finally killed by his own hidden weapon, it was equal to defeating him.

“Win, you really won! Young Master, you are awesome!”

“Young Master, you are too strong!”

“Yi Tianyun really won, even Mo Cheng cannot win... This is not a dream, right?”

Xiaolian shouted out, she has been taking care of Yi Tianyun for a long time, treating him like her own brother. Now that he has won against a genius of Spirit Sect, he is not considered as a trash anymore. How can she not get excited and scream?

Even the other female disciples of Jade Palace, cheered for him! Their Jade Palace is not a loser, Spirit Sect is!

Yi Tianyun still feels a bit sad and unfortunate. He's hoping to get more exp with Absorbing Stars Great Technique but Mo Cheng ended up getting killed by his own hidden weapon.

“You disciples of Spirit Sect only know how cheat! This time, he is killed by his own hidden weapon. If you can't use it well, don't use it!” Yi Tianyun's eyes are cold, if he didn't get out in time, he would have died along with Mo Cheng.

“Elder Zhao, you need to make an explanation! Between Yi Tianyun and Fang Yun is life and death battle, that's okay, ?but is this life and death battle too?” Shi Xueyun is also angry, because this is not the first time, ?and it's even worse this time.

“This is our mistake, but since the perpetrator have already dead, there is no need to pursue this matter too much.” Zhao Hualong is even more angry and distressed, his most talented disciple of his sect, now gone. He hates Yi Tianyun even more!

Using the gunpowder to blew himself up is naturally not his idea, but Mo Cheng is really desperate, and he ended up using such extreme method.

“A good one does not pursue too much, I have nothing to say about this! In this case, send the last person, you can choose!” Yi Tianyun said with sharp eyes, letting the people under the stage tremble upon his gaze.

“Tianyun, that is enough, leave the rest to us!” Shi Xueyun's eyes are red, is this the Yi Tianyun that once being called a trash? Of course not, he is a normal person, a genius even!

Yi Tianyun can help them deal with two people and bring them strong morale, which is enough.

Yi Tianyun saw their worried eyes, but the last one must be finished by himself. After all, his mission here is defeating them to gain experience and treasures!

Chapter 10: Bet

Under everyone's gazes, Yi Tianyun smiled faintly: "This is the last battle, I will fight till the end. Let me teach them a lesson and let them know that our Jade Palace is amazing!"

His voice is low, he won't let Spirit Sect do whatever they please!

"Young Master, are you really ok?"

"Yeah, we thought you're a weakling. We didn't expect that Palace Lord actually conceal your true strength. Young Master, you really got us!"

Yi Tianyun's prowess captivated many female disciples, they're really confused. At least most of them if not all have changed Yi Tianyun views.

Former Palace Lord's behaviour was very irresponsible, but it did not cause a serious impact to Jade Palace. When she was Palace Lord of Jade Palace, she contributed quite a lot to Jade Palace, so she can still be forgiven.

Of course, everything is because of Yi Tianyun's capabilities, and the most important thing is he won, not just for himself but also for Jade Palace. If it's not for this factor, probably he will still be looked down upon even if his strength is mediocre. In the end, without power, you can't change others' opinion about you!

Shi Xueyun saw the situation around her and couldn't help but shook her head. They all thought that she deliberately concealed Yi Tianyun's strength. As a relative who often takes care of Yi Tianyun, she obviously know that's not true, even if Yi Tianyun have normal blood qi like everyone else it's impossible to suddenly be this strong.

This is what bothers her and Xiaolian.

"Alright then, can you still fight in that condition?" Shi Xueyun worried: "Don't be stubborn, if you can't, then come down."

Yi Tianyun just wants to say something, Zhao Hualong on the audience said coldly: "He has promised to fight, last fight, we must continue!"

Everyone shift their attention and saw that Zhao Hualong eyes were red, and killing intent is spread to his surrounding. Even the disciples of Spirit Sect glared at Yi Tianyun who killed their two brothers in succession. Not only their expression drastically changed compared to when they come here, but they also lost two talented fellow disciples!

At this time, Zhao Hualong can't hold his anger any longer. With Mo Cheng talent, in the future he can definitely become a core disciple, but now he is dead! He will be held responsible later after returning to Spirit Sect.

Now, he only wants to kill Yi Tianyun, avenge his disciples, and saving his dignity in front of Spirit Sect.

"Elder Zhao, Tianyun already fought twice, in this last fight let other disciple participate, it is not against the rule!" Shi Xueyun looked at Zhao Hualong with cold eyes, and the powerful aura around him seemed to be turned into weak spark in the face of Shi Xueyun. The killing intent released by Zhao Hualong was washed away.

"He just said that he would continue to fight, and of course we will respect his wish!" Of course, Zhao Hualong is not willing to let Yi Tianyun leave. If he leave, he will miss the chance for a revenge.

"Now I said on his behalf. I don't know what elder is Zhao talking about?" Shi Xueyun already knew that Zhao Hualong wanted to take revenge.

Everyone couldn't help but despise Zhao Hualong. Shi Xueyun just spoke up and said that he was not going to let Yi Tianyun participate.

"Palace Lord Shi, this is his own choice!" Zhao Hualong raised two fingers and said: "If he choose to participate in this round as well, and win then I will give him Spirit Breakthrough Pill."

It takes everyone's breath upon hearing Zhao Hualong's statement. Spirit Breakthrough Pill, as the name suggests, it can help the user to breakthrough from Body Refinement Stage to Spirit Refinement Stage.

If user already reach peak of Body Refinement Stage. As long as they take it, they can basically breakthrough to Spirit Refinement Stage!

What Zhao Hualong put as a bet is definitely something tempting, and the price of Spirit Breakthrough Pill is not low. If he loses, not only losing two disciples, but also Spirit Breakthrough Pill.

Originally, he didn't want to bet using something as precious as Spirit Breakthrough Pill, but in order to tempt Yi Tianyun to remain on stage, he could only use this pill as a bet. Originally, this pill was going to be given to Mo Cheng.

Without anyone expectation Shi Xueyun sneered and said: "Is this Spirit Breakthrough Pill very precious? despite being an elder you are so shameless to use it as a bet. Take it back and eat it yourself!"

Jade Palace can still get their hands on Spirit Breakthrough Pill. For the time being, no matter how precious this thing is, Yi Tianyun is more important to her. Looking at Zhao Hualong attitude, he is definitely planning something, Yi Tianyun will be in danger!

Zhao Hualong is getting desperate, this Spirit Breakthrough Pill is precious to the disciples of Body Refinement Stage, but it has no effect for Spirit Refinement Stage.

“Then what do you want?” Zhao Hualong clenched his teeth.

“Get out! I don’t need anything from you!” Shi Xueyun said, no hesitation at all on that sentence, Yi Tianyun is more important!

Zhao Hualong face became darker, he wanted to take revenge but he’s at his wits end

“A Spirit Breakthrough Pill? I will fight!” Yi Tianyun smiled lightly. He planned to fight till the end anyway from the beginning. He didn’t expect them to continue discussing about it, regardless of his opinions.

From the very beginning, he had already said that he would fight. He didn’t expect them to be arguing, even made a bet. This bet makes thing even more interesting, he likes it!

Like earlier, he still chose to fight. But, this time no one dared to laugh at him. The strength that he just been shown has already shocked everyone.

Zhao Hualong eyes showed joy and hurriedly said: “In that case, then get ready!” He didn’t want to miss this opportunity, his heart was cold, and as long as Yi Tianyun agreed, he would have a chance at revenge!

Shi Xueyun was anxious. When she wanted to stop Yi Tianyun from fighting, she saw Yi Tianyun eyes exerting overbearing confident. She let her mouth open, just to be closed second after, she can’t bring herself to stop Yi Tianyun.

“Last fight, Zhao Feng go!”

Zhao Hualong pointed out a disciple who was seventh level of Body Refinement Stage. His level even worse than Fang Yun. Sending him to fight, can he win?

However, since it is Zhao Hualong the one who sent him, he must have his reason. Zhao Hualong have reached an elder position, he is not a fool.

After letting Zhao Feng come over, he whispered: “Don’t spare any effort, abolish him!, I will help solve your problem, as long as you can win!”

“No problem!” Zhao Feng cold eyes stared at Yi Tianyun, his cold eyes were like a poisonous snake, reflected in his eyes.

Zhao Hualong was so furious and mercilessly said: "You still want this Spirit Breakthrough Pill? You must be a fool, you won't be able to win, let alone get your hands on this Spirit Breakthrough Pill, you will pay the price for killing our people!"

The anger in his heart has shown up in his face. Not only has he been slapped, but the outstanding disciples who have been brought by him was dead. If he doesn't take revenge, he surely will lose his dignity.

Meanwhile What Yi Tianyun is thinking right now was completing his mission and getting the juicy reward.
