

# CRAZY PLEASURE

*Chapter 29 I Can't Stop Cumming: Cousins In a Room 14*

"Oh, I see, so someone was dirty was he?" with a sexy voice and a grin.

"She asked for it, so what can I say." going back to licking Helen's pussy and making her moan.

"Oh fuck I'm about to cum again, shit."

"Give it to him baby. You know he wants to taste it, just like you want to taste his."

"Yes I just had a taste of his a little bit... OH FUCK I'M FUCKING CUMMING BABYYYY."

"That's it baby give it to him."

I got a mouth full of Helen's cum in my mouth as she squirted cum all over me and the couch and I tried to catch all of it in my mouth but, it was so much I couldn't get it all.

When Helen finally quit cumming she hopped up and crawled down and lined her pussy up with my dick and sat down on it, sticking my cock to the hilt, in her pussy.

As soon as the head of my cock was in as far as it would go Helen started bouncing up and down on my dick at a good speed and after just a couple of strokes her cum squirted out from around my cock, "OH FUCK I'M FUCKING CUMMING AGAIN, SHIT. Keep fucking me baby. Don't you stop till you cum in my fucking hot ass pussy."

I was flexing my hips to fuck up into Helen's soaking wet tight pussy meeting

each of her down strokes with and up stroke of my own, "Oh fuck baby your fucking pussy feels so damn good on my fucking cock. Your pussy is so fucking tight and wet."

"Fuck that pussy baby. Fuck that hard ass cock. Watching Roger's dick slide into your pussy looks so damn hot."

"I can't stop cumming." then Helen just sat down on me and lay over between my legs breathing hard.

When Helen finally calmed down some she sat up, "Oh fuck. Either you need to fuck me doggy style or from on top of me."

I then managed to get up behind Helen and as soon as I had her on her hands and knees, I started fucking her again from behind, "Oh yes fuck me baby. Don't stop fucking me baby."

"That's the way to fuck that pussy."

"I'm going to keep fucking you from now on baby. I'll even fuck your mother's pussy even when I'm not fucking your pussy. I'll keep fucking you as long as you let me fuck you."

Aunt Julie pushed my butt from behind as I fucked into Helen's pussy, "Yes you are going to fuck that pussy from now on every day. I bet Helen wants to make a baby with you and make me a great-aunt grandma."

"Oh fuck me I'm cumming mommmmy. Baby I'm fucking cumming." just as she went to squirting again.

"Oh fuck I'm about to cum too. There it is baby." just as the first rope of cum shot out of my cock into Helen's pussy.

I pushed my dick into Helen's pussy as far as I could get it as she pushed back into me to get my cock in as far as she could.

When we finally finished cumming and calmed down some, we collapsed down on to her stomach with me on her back keeping my weight on my arms and my dick still all the way in her pussy, "Oh that was so fucking hot to watch you two fuck like that. You two are so beautiful and sexy and when you two fuck it is... There are no words to describe how hot it looked."

Without looking toward the bedroom door, "What you just watched is what you're living without mom. Do you remember how good it felt to be fucked like we just did? Do you want to keep living without sex?" then I looked over toward the door to see mom duck back into the bedroom and close the door.

"How long had she been watching us fuck baby?"

"From the time Aunt Julie gave your pussy the first lick. She never took her eyes off of us till I looked at her just now."

"She wants to be fucked but she doesn't want to admit that it is what she wants and it is "you" she wants to fuck "but is afraid of admitting it" to herself as well as to us and that is what I told her too."

Aunt Julie, Helen, and I, continued to make small talk for a little bit before the television got turned on and we started watching a movie before mom came out of the bedroom to watch the movie with us.

Helen and I went to her bedroom after the movie was over with and as soon as we stepped into the room and closed the door behind us, Helen turned around and started French kissing me, which I did return the kiss myself.

When we broke the kissing off, "I need you in my pussy again baby so fucking badly."

"I love the sound of those words sexy. I so want to be back in your pussy tonight too."

Both of us then kissed each other again as we made our way over to the bed. As soon as we made it to the bed I laid Helen down on the bed and then I laid down next to her and started kissing her earlobe for a bit, then kissed down her neck to her chest all the way down to her tits and after kissing all around her tits, I sucked in a nipple and as I sucked on it, I flicked my tongue over the nipple a few times before nibbling on the nipple, then did the same to her other nipple, "Oh yes baby suck my tits, it feels so fucking good."

While I sucked and nibbled on her nipples, I used my hand to squeeze her other tit and then as I switched over to suck and nibble on her other nipple, I brought my other hand up to squeeze the tit I just took my mouth off of. As I squeezed her tits with my hands, I would also give the nipples a light pinch as well and Helen kept moaning in the pleasure the whole time.

After giving her tits and nipples the attention I gave them for a bit I then

kissed my way down to her belly button and licked and kissed my way around her belly button a few times then stuck my tongue into her belly button in a fucking motion, "Oh babe that tickles. I need you up here to fucking fuck me. I need your big fucking cock in my fucking hot pussy."

I then took the time to flick my tongue over her clit lightly a couple of times, "Are you sure sexy because you do taste so damn good down here?"
