

CRAZY PLEASURE

Chapter 4 Sexiest Woman On Earth

"Well, don't criticize me, but this person wasn't the typical rapist; he was sweet, soft, kind, and he smelt really good, and his voice was so seductive." The lovely Miss Tolu wore an angelic grin on her face.

"So, let me get this straight: you're saying that you have feelings already for the man who raped you? Are you insane?" Damilola said.

"I don't know, it's just that I could tell he was in love with me, and before he started he even told me that he wanted to please me." "I don't know, it's just that I could tell he was in love with me."

"It makes no difference what he desired, Tolu; he nevertheless forced himself into your house and into your private parts."

"Y'all don't get it, you're both married, and you have children, and all I have is... well, you know.... "And when I do meet a man, they are these clumsy, unattractive swine that have no idea what they are doing in the bedroom," Miss Tolu nearly wept.

"Tolu, we are truly sorry. More enraged, Kamara continued, "it's just some person assaults you and we're meant to understand, this is difficult for me to take."

"Speaking of things that are difficult to take, how did it go for you, Tolu?" Damilola jumped in with a sly smile of mischievousness.

"Look, don't pass judgment on me, but it was the most amazing sexual experience I've ever had. I forgot that someone was molesting me.

"Seriously?" "Yes, After blindfolding me, he

proceeded to smother me in his embrace and gently massaged my entire body with his hands and mouth," Miss Tolu let out a contented sigh.

"That's hot, did he eat you out?" Damilola's curiosity was piqued at this point.

"Yeah, and his lips and

tongue were all over my butt, and he gave me the impression that I was the sexiest woman on the face of the earth."

She inquired, "Did he have a good dong?"

"Oh my gosh, yes, it was pretty huge, and I orgasmed twice on it," As Damilola giggled, she remarked,

"Wow, I kind of want to get raped by this guy."

Damilola commented and Miss Tolu chuckled.

"I don't care, you guys are insane if you think that this is OK." Kamara said still unhappy. Miss Tolu giggled as she overheard Damilola telling Kamara to "relax" since "the guy didn't hurt Tolu, he just gave her a good digging."

I continued to watch and felt proud not only because I had gotten away with this crime but also because I was the best candidate for Miss Tolu that she had ever had.

I followed her out of the cafeteria and into her house, where I stood and watched her for a while through the front window of her house.

I was trying to avoid her detection by concealing myself behind a deserted building. I noticed that she was watching television with the blind fold that I had

left in her hand. It appeared as though she was waiting for me to return so that I might attac*k and ban*g her once more.

I waited until midnight, assuming that she would eventually go to sleep, but she stayed awake the whole time, so I knew that she was waiting for me. I entered the house stealthily through a window on the rear wall.

I hid below the dining table while she was in the room and waited for her to come back. I observed her legs moving toward the garage, where she afterwards activated the inverter. After observing her legs move past the table, I proceeded with my plan.
