

CRAZY PLEASURE

Chapter 6 Round Three

Since it's reasonable to presume you're not raping me anymore, what do you want out of this because I'm not really a booty call kind of woman?"

I burst out laughing. "I want you, Tolu, I want you all." "Patrick Adetunde," she announced unexpectedly. I froze when I realized I had been discovered. "How did you find out?"

"When I teach, I observe all of my students' reactions, and I only recall one who made constant eye contact with me." I also recall you visiting my office frequently and occasionally gazing at my butt".

"How could I have refused when your butt was beckoning me all semester?" She shook her ass on my C*ck as I said that. "You know, you probably didn't have to rape me; I thought you were cute and

would've definitely gone out with you."

"I had no idea you'd date a student." "Honestly, I've been a little desperate lately, so I'm not sure I wouldn't have cared, and I was fairly hot." We finally fell asleep after a while.

Miss Tolu was staring at me and stroking my chest when I awoke. "Hey," she whispered, her stunning dark eyes locked on mine. "Wow, so this is what it's like to wake up to Miss Tolu," I murmured as I reached out to rub her hair.

"You stated last night that you wanted everything of me," she said solemnly. "Of course," I murmured, bowing to her request.

"Well, I'm not exactly in my twenties anymore, and for the past few years I've wanted to start a family, so you'd be in for a surprise." "I'm all yours," I responded

with a smile.

She returned her smile. "I'm delighted you feel that way, and I've never felt this way about anyone before." "Neither have I, and I realize this isn't the typical relationship, but I'm genuinely in love with you, and I don't care about our age gap."

"I don't care, and I never want to lose you." She said this as she passionately kissed me. I then stood there watching her as she crawled on top of me.

We kissed, and I knew we were in love at that moment. Miss Tolu's thigh landed on my erect c*ck. "I suppose someone's ready for round three," she remarked as she moved down my body, rubbed my c*ck.

"I still can't believe how enormous this is, this is the biggest dong I've ever seen," she murmured, planting

delicate kisses on the mushroom head.

"The first time you placed this in me, I thought I was going to split in half." As she stroked my c*ck on her lips, she virtually adored it.

"Mmm, so thick too," she whispered, softly smacking it against her cheek. She started licking it up and down like an ice cream cone, then sucked on the head while staring at me.

I was so moved on that I returned her stare and placed my hand on the back of her head, feeling her soft hair. "And I can't forget these," she continued, licking them and sucking one of my testicles into her mouth.

She crawled back up to me and rested her head on my chest. She looked up at me, and I returned her stare. "What?" I inquired, curious as to what was on

her mind.

"Nothing, it's only that I'm gladly in bed with my rapist slash student, and I feel lucky that this young, good-looking person is in love with me." It appears to be a little too good to be true."

"However, Tolu, it is true. I'll be with you for as long as you need me." I gently stroked her cheek.

We were still in bed a few hours later, hugging and chatting like two teenagers in love. We weren't having any sex, but everything was really beautiful and intimate.

We were constantly touching and kissing each other. I never softened. "Do you want something to eat?" she inquired, getting out of bed and putting on her pantyhose and tank top.

"Sure, what were your plans?" "Pancakes?" "I'd like some," I remarked, watching her go away to the kitchen. As she went, I kept my sight fixed on her plump ass.

I put my arms behind my head and laid back, unable to believe my good fortune: I was having fantastic sex with an attractive, bright older woman who was madly in love with me.

Could things possibly get any better? I realized after about five minutes that I was still erect and hot, so I put on a pair of boxers and went into the kitchen. I noticed her frying pancakes on the electric burner while humming to herself.

I sneaked up behind her and surprised her. She leapt a little. "I love it when you surprise me," she said as she continued to prepare the meal. "And I enjoy the look from behind," I remarked as I lightly spanked her

firm ass cheeks. She burst out laughing.

I then yanked her pants to the side and slowly slipped my c*ck to the hilt in her from behind.

"Oh f*ck baby, you're going to make me ruin this food," she said, dropping the spatula she was holding.

"I'm sorry, Tolu, you're just so sexy and you left me with a hard on in there," I replied, slowly thrusting in and out of her, loving the warm, wet tightness of her c*nt.

She tried her hardest to finish the pancakes while shuddering and quivering with delight. I reached up in her shirt to grab her large breast while kissing and sucking her neck.
