

"I swear on my character that my Madam is not the person you're looking for!" Ji Kai said seriously.

"Then where is my Xue 'er? Wu ... Xue 'er, I miss you so much. Why can't we acknowledge each other even though we're so close? Do you really hate me that much?" As he spoke, qu Sen started to choke up again.

Ji Kai was speechless when he saw the other party like this.

From the looks of it, qu Sen did not believe him!

After sending qu Sen away, Ji Kai was about to report to his master when the demon waved his hand and stopped him, "I already know!"

Watching his evil master go back to his room, Ji Kai was speechless and asked the heavens.

In the days that followed, qu Sen still came to report every other day. Of course, he did not get to see Leng ruoxue even once. Every time he left, he was extremely disappointed.

At the same time, Qing Jue and Cang, who were searching for Leng ruoxue in the Galaxy, suddenly felt that Leng ruoxue was very close to them. The two of them looked at each other and said in unison, "Netherblue star!"

Before Qing Jue and Cang left, they had left a mark on the people they had met. Hence, whenever the other party's emotions fluctuated, they would be able to sense it. Hence, after knowing that Leng ruoxue might have gone to the serene blue Planet, the two of them rushed over to the serene blue Planet!

Half a month later, a baby carrying a snowy white kitten arrived at Leng ruoxue's Villa. Standing outside, Qing Jue and Cang Du felt a little nostalgic.

At this moment, the door of the villa opened. Ji Kai stuck his head out from inside, but he didn't see the guest that the master and Madam had mentioned.

Just as he was about to close the door, he lowered his head and happened to see Qing Jue.

Looking at the one-year-old child, Ji Kai was a little speechless.

Whose child was this? Where's Daren?

Ji Kai looked left and right. He did not connect the baby in front of him with the guests that Leng ruoxue and the demon had mentioned.

"Where's my sister?" Seeing someone come out from inside, Qing Jue was no longer afraid and asked directly.

"Sister? Little friend, is your sister missing? Did you call the police?" Ji Kai's heart softened when he saw such a pitiful little girl.

"My sister is inside!" Qing Jue pointed at the villa and said helplessly.

"Idiot!" Cang also said.

Ji Kai was already surprised when he heard green vessel's words. Now, he was dumbfounded when he saw a little white cat cursing at him. He couldn't speak for a long time.

Seeing that he was in a daze, Qing Jue sighed softly and had no choice but to go in himself.

His sister must be waiting for him.

It was not until green vessel walked past Ji Kai that Ji Kai suddenly woke up, turned around, and shouted, "Master, Madam, the cat is talking!"

After shouting, he ran into the courtyard.

Leng ruoxue and the demon in the living room were speechless when they heard this. Green vessel was also speechless. Only Cang was calm.

Just as Leng ruoxue stepped out of the living room, Cang had already turned into a ray of white light and flew towards her. Green vessel did not want to be outdone and also flew forward like an arrow.

Seeing this, Ji Kai was dumbfounded again.

This was the first time he had seen a one-year-old child run so fast. His speed was almost as fast as a small spaceship.

Sensing Ji Kai's thoughts, green vessel turned around and said in disdain while running, "What's a flying ship? You can even compare to me!"

After saying this, he plunged into Leng ruoxue's embrace. Cang ze was one step ahead of him and occupied the best position.

These two guys were extremely fast. Even if the demon wanted to stop them, he was a step too late. He could only glare at the man and cat with his fire-spewing eyes.

Ji Kai, who had suffered a heavy blow, was speechless for a long time.

"Sister, I missed you so much!" After disdainingly Ji Kai, green vessel looked up at Leng ruoxue and said coquettishly,

I've finally found my sister. I'm so happy!

Qing Jue felt that he was satisfied.

It was the same for Azure. It only realized how much it missed Leng ruoxue when it saw her! On the other hand, the demon's face was black. When he saw these two guys, he knew that his two-person world was over!

But now, if he wanted to leave with Xue 'er alone, it would not be so easy!

Al! Forget it! He should be satisfied after being alone with Xue 'er for so long. I really can't be too greedy!

"I missed you guys too." After consoling the evildoer, Leng ruoxue carried Qing Jue and Cang back to her room to catch up with the two little fellows.

Evildoer was gloomily sitting in the living room and staring at the door. At this moment, Ji Kai, who had recovered from his shock, sneaked up and asked in a low voice, "Master, is that Madam's younger brother? Didn't Madam say that she only had one brother? Where did this little brother come from? He's such a small child without an adult by his side. Aren't you afraid of being taken away by others?"

Ji Kai had a stomach full of questions. When the demon heard this, he only said in anticipation, "It would be great if someone could really kidnap them, but what a pity! Those two guys are not human, and no one can kidnap them!"

..."Oh heavens and earth! What did he mean by not human?"

Ji Kai didn't dare to think further.

In the days to come, he would have two more young masters.

After knowing that Ji Kai was the demon's target, Cang and Qing Jue immediately treated Ji Kai as a thorn in their side. The man and cat ordered Ji Kai around every day, but Ji Kai didn't dare to speak out in anger. He didn't even know why he was rejected by the little boy and the kitten. He didn't think he had done anything wrong. Other than being a little too shocked when he first saw them, there was really nothing else.

However, after a few days of interaction, he was already quite calm when facing Cang who could speak.

Since he had Masters like the evildoer and Leng ruoxue, it was not a big deal to know a cat that could only talk.

Ji Kai, who had calmed down, did his best to serve everyone in the family.

Who knew that just as he got used to this kind of life, qu Sen, who had not appeared for some reason, actually moved next door and became their neighbor! Ji Kai, who knew all this, suddenly felt terrible.

Seeing qu Sen come to visit him as his new neighbor, Ji Kai really wanted to just faint. It was not enough that he came to see him almost every day, and now he even moved next door. What the hell was this?

Looking at qu Sen, Ji Kai gave up.

However, the evildoer was not as angry as Ji Kai had imagined. He smiled and invited qu Sen into the living room to receive him warmly. Ji Kai couldn't believe his evil master's abnormal behavior.

In fact, not only the evil master, but even the madam, the little Qing Jue, and the snow-white cat named Cang were very calm when they saw qu Sen. The only one who was not calm was Ji Kai, an ordinary human!

Ji Kai calmed down his complicated feelings and stiffly went to pour tea for qu Sen.

Qu Sen, who had just sat down in the living room, looked at Leng ruoxue affectionately. His gaze was immediately attracted by the snow-white cat in her arms.

SUPREME CRAZY WIFE

Chapter 3032 Side Story, You Have A Child!(5)

He was too familiar with this cat!

When he saw Leng ruoxue and the white cat, qu Sen was even more certain that this woman was the woman he had been looking for!

Suppressing the joy in his heart, qu Sen chatted as if nothing had happened,""Xue 'er, your cat looks so familiar! I think I've seen it somewhere before. "

"Oh, really? White cats are very common, there's nothing to be surprised about. " Leng ruoxue replied half-heartedly, obviously uninterested in this question.

"That's true. However, your cat is of a very pure breed and its fur is very bright. I can tell that it's a very rare and precious cat!" Qu Sen praised.

Hearing this, Leng ruoxue's reaction was very calm, but Cang almost couldn't control himself and wanted to scratch her.

"You bastard!" You're the one with a pure breed, your whole family is pure breed!

Cang wasn't a real cat, so it hated people saying that about it! However, it felt a little guilty facing qu Sen. It was even more afraid that the evil man would notice something. Hence, it could only suppress the burning anger in its heart and lay quietly in Leng ruoxue's arms, pretending to be noble and cold.

At this moment, Cang heard qu Sen continue,""Yes, is yours a male or a female?"

"It's probably a male!" Leng ruoxue was not too sure.

"It's a male. " The demon was certain.

"That's great. I have a pure-blooded female cat at home. I think we can let them mate. I believe that the baby they give birth to will be purer. What do you think?" Qu Sen laughed. After days of thinking, he decided to change his

strategy and try to integrate into her family. He believed that in time, Xue 'er would be touched by his deep love.

Who knew that just as he finished speaking, the teacup in front of Leng ruoxue was flipped over by the Furious Cang. Of course, qu Sen didn't think that it was out of anger. He just thought that the cat didn't mean it. At a place where he couldn't see, Cang's sharp claws had already reached out.

However, it was stopped by Leng ruoxue. After all, there was nothing wrong with what he said!

But Cang was furious.

Your sister! It was not interested in female cats! However, the evil demon was obviously very interested in this topic and pulled qu Sen to ask him seriously, as if he was responsible for his cat.

Qu Sen also showed great sincerity and answered almost all of their questions. In the end, the two of them reached an agreement to find a chance to let the two cats get along.

After sending qu Sen off, the evil demon smiled at Cang, "Cang! You're a person with a partner in the future, so you can't be willful anymore!"

"Dammit! I don't like female cats!" With no one else present, Azure no longer had to hide himself. He roared at evildoer angrily and even flashed his sharp claws.

I really, really want to grab the pretty boy of the demonic man and kill him!

How could he be so annoying?

However, although he thought about it, Azure didn't dare to fight with the evildoer here, because Niu had warned them that this was the world of mortals. They could bicker, but they were forbidden from fighting! In particular,

it was forbidden to fight with demons. Otherwise, planet dark blue would be destroyed in their hands.

Cang, who would always listen to Leng ruoxue, naturally didn't want to make his girl angry. As for evildoer, he wouldn't do anything that would make his wife unhappy.

Under the situation where both of them were deliberately restraining themselves, the man and beast seemed to be at peace. It was because of this that even though the demon suspected that qu Sen was provoked by Cang and green vessel, he did not question them officially. He would only mention this person occasionally!

As for Cang and Qing Jue, they pretended not to know qu Sen. However, the demon wasn't angry. It would be abnormal if the two detestable people were willing to admit to this! Hence, with an unknown motive, he decided to temporarily put aside his hostility towards qu Sen. It was this thought that made him warm up to qu Sen.

"It's okay if you don't like her now. You'll love her as time goes by. " The demon laughed.

Leng ruoxue was smart enough not to get involved in the daggers drawn battle between the man and the Beast. After all, neither of them would be at a disadvantage. Meanwhile, Ji Kai, who had already sensed that the atmosphere was not right, had already sneaked into an empty corner and pretended to be dead.

Leaving behind Cang and demon, Leng ruoxue left the living room quietly.

The moment Leng ruoxue left, Azure immediately exploded with anger and pounced towards the evil demon. However, it could only scratch him a few times at most and didn't dare to cause any destruction in the living room.

Otherwise, if Niu got angry, she would ignore it! However, evildoer didn't care

about cold's attack at all. With a light wave of his hand, cold was sent flying. Then, he patted his sleeves and chased after his wife without a trace.

After Cang was thrown away, Ji Kai came out from the corner and asked the calm green vessel curiously, "Young master Qing Jue, aren't you worried that your pet has gone missing?"

Upon hearing this, Qing Jue raised his head calmly and said, "That's not my pet, it's big sister 's. "

If his sister was not worried, what did he have to worry about? Moreover, that fellow was not someone to be trifled with. After he finished speaking, green vessel returned to his room.

In the face of green vessel's confidence and the information he revealed, Ji Kai understood!

No wonder he had always felt that there was something strange going on between the young master of green vessel and that talking cat. So this was what happened!

Ji Kai, who finally understood their complicated relationship, calmed down.

Not long after, Cang, who had been thrown away, calmly walked back from outside.

When he saw Ji Kai, he only gave him an arrogant look before turning around and going upstairs.

The next day, an uninvited cat came for a blind date!

Without a doubt, the owner of the female cat was qu Sen.

Looking at the Golden female cat lying in front of him with a shy expression, Cang TOU was speechless for the first time.

Why did this so-called blind date make it so annoyed?

How should I get rid of this feeling of wanting to scratch someone?

Cang was furious! He was so angry that he was about to explode!

What made it even more unbearable was that the female cat seemed to be very satisfied with it and kept meowing at it.

What's the point of calling! Please speak in human language!

Azure didn't have any patience for beasts that couldn't be communicated with. It only felt irritable and easily angered. It really wanted to torture people!

"My house's Cang seems to be very satisfied with your house's Ah Hua. Why don't you let Ah Hua stay and spend more time with Cang!"

Your sister! Who would be interested in a flower?

It did not! It could not understand why a golden kitten was called Ah Hua. From this, it could be seen that the owner's taste was not very good!

Moreover, it was not even the size of a palm, and that Ah Hua was obviously much bigger than him. It looked like a tiger with a bear's waist. Lun couldn't understand. The damn evildoer did it on purpose, but did that human man not think that it could be a little kitten?

[SUPREME CRAZY WIFE](#)

Chapter 3033 Side Story, You Have A Child!(6)

Did they not feel any guilt at all for letting such small cats breed?

The truth proved that qu Sen really didn't feel any guilt. He even felt that it was fine to be a little younger now! He could be a son-in-law to cultivate feelings from a young age. What a wonderful thing! The two cats were childhood

sweethearts and innocent playmates! He didn't even need to think to know that his idea was the right one.

Most importantly, this would make it convenient for him to be in a favorable position, which was exactly what he wanted. Now that he heard the demon asking him to keep Ah Hua, wouldn't he, as the master, have more opportunities to get close to the person he liked?

The roundabout strategy would definitely succeed!

Qu Sen firmly believed in it, so he agreed to the demon's suggestion without thinking, "Alright, I'll leave Ah Hua to you then."

Then, Qu Sen, who left Ah Hua behind, continued to sit for a while before leaving reluctantly.

The lonely Ah Hua, from then on, regarded Cang as her husband and followed him wherever he went! The little female cat's performance almost made Cang go crazy!

Every time it was annoyed, it would kick Ah Hua away, but the indomitable Ah Hua would always run back and stick to it again.

Leng ruoxue, the demon, Ji Kai, and Green Vessel were all deeply touched by Ah Hua's determination. This was a cat that was brave in the face of love!

Unfortunately, Cang wasn't touched. In fact, he only felt annoyed!

Fortunately, Ah Hua was a simple-minded person. On top of that, the food at Leng ruoxue's place was pretty good. It ate to its heart's content, so even if it was abused, its life was still quite comfortable.

Ah Hua was nourished, but Cang's days would not be good. For Ah Hua's sake, her own girl even warned it to treat the cat better, saying that it was too fierce. After all, the other party was just an ordinary cat, and it could not stand being kicked.

Azure felt wronged. After living for so long, this was the first time it had encountered such a thing. It really didn't know how to deal with it!

After thinking for a long time, Cang made up his mind that he couldn't go on like this, so he asked Ah Hua to the beach to have a heart-to-heart talk with her.

Watching the two cuties leave, Ji Kai, who had been secretly watching, couldn't help but worry. He said to Leng ruoxue and the demon, "Master, Madam, Cang wouldn't snap that little kitten in a fit of anger, right?"

Ji Kai was really worried. He had been taking care of the cat all this time, so he had developed feelings for it.

When Leng ruoxue heard this, she only looked at Ji Kai calmly and said, "Cang wouldn't be so cruel to an ordinary cat!"

It had to be said that Leng ruoxue understood Cang well. Cang had invited Ah Hua to the beach just to have a good chat.

The two kittens walked on the beach, one in front and one behind. Cang walked in front, and Ah Hua followed behind.

After a while, Cang stopped and turned to look at Ah Hua, "Ah Hua, you're a good cat, but we're really not suitable for each other!"

"Meow Meow!" Ah Hua couldn't understand human language, but it felt like it had been rejected. It couldn't help but ask why.

"Look, we don't even understand each other's language. You don't even know a foreign language!" Azure said with a regretful expression.

"Meow Meow!" Ah Hua called out a few more times, as if to say, don't be like this, I really like you.

"I said we don't speak the same language, please speak human language!" Cang Yun said angrily.

"Meow Meow!" Feeling that she was being despised, Ah Hua expressed that she was very aggrieved.

Was it wrong to like a cat? Why did you treat it like this?

Ah Hua was very sad. Cang was its first love!

It didn't want to give up just like that, so it meowed a few more times anxiously, as if to say, "my dear, no matter what you're not satisfied with me, I'll change, so please give me a chance!"

"Dream on! There will be no chance between us, and there will be no future! Just give up! Ah Hua, go and find a real cat. I'm not!" Cang understood what Ah Hua was saying, so he firmly refused! He couldn't let this cat sink deeper. These despicable humans were disrespecting cat rights! A good cat that had its first awakening of love was destroyed in the hands of a group of hateful humans!

Cang suddenly felt injustice for Ah Hua!

The conversation between the two cats was also heard by Leng ruoxue and the others. Leng ruoxue was very surprised by Cang's performance. She didn't expect Cang to have such a literary side.

Ah Hua, you're a good cat, but we're not suitable! These words were too familiar! This was clearly what a scumbag would say when he rejected a woman he was infatuated with!

Of course, Cang definitely wasn't a scumbag, but she suddenly wanted to know where he learned this from.

As for the little female cat, her stubbornness surprised Leng ruoxue. It seemed like they had hurt the heart of an innocent little female cat! Leng ruoxue felt guilty.

In fact, she didn't stop the evil spirit from pairing Cang because she knew that Cang couldn't have anything to do with an ordinary cat. However, she didn't expect this little female cat to be so infatuated with him. For a moment, she felt like she was riding a Tiger and couldn't stop.

What should he do now?

After Cang communicated with the infatuated Ah Hua, it saw that the other party was still so stubborn. It didn't know what to do. It should know that it had never dealt with such a difficult matter before. Even when it faced the fog, it had never felt such a pain in the ass. But now, an ordinary kitten made it deeply conflicted.

After returning to the villa, Cang didn't give anyone a good face and went upstairs alone.

Ah Hua hesitated and wanted to follow, but he didn't dare. He didn't stop circling the stairs. When Leng ruoxue saw this, she stepped forward and carried Ah Hua. She said helplessly, "Ah Hua, I'll send you home!"

She couldn't let this little female cat live here anymore. Otherwise, she would feel even more guilty if something irreparable happened.

Who knew that Ah Hua would understand her words and jump out of Leng ruoxue's arms with a whoosh. It then hid under the sofa in the living room and refused to come out.

Seeing this, Leng ruoxue only felt a deep sense of helplessness.

"Call qu Sen and ask him to take Ah Hua away!" Leng ruoxue instructed Ji Kai, then pulled the evildoer upstairs to communicate.

After receiving Ji Kai's call and asking for the reason, qu Sen immediately rushed over, but the stubborn Ah Hua refused to leave with it. It even looked like it was going to leave the house with it. Qu Sen was helpless about this.

Ah Hua was his mother's life! He had borrowed it from his mother, so he really didn't dare to use force on Ah Hua! Otherwise, if this stubborn little female cat got lost, his mother would break his legs!

Seeing that qu Sen, the owner, couldn't do anything to his cat, Ji Kai didn't know what to say.

Just like that, Ah Hua was left behind again.

From that day on, in order to avoid the fate of being taken away, Ah Hua hid under the sofa all day long. He would only come out for a walk when it was time to eat, and from time to time, he would look at Cang with resentment.

Seeing Ah Hua like this, Leng ruoxue felt helpless.

SUPREME CRAZY WIFE

Chapter 3034 Side Story, You Have A Child!(7)

Cang completely ignored Ah Hua. Anyway, he had already said what he needed to say. It couldn't be helped if the little female cat didn't listen!

Gradually, Leng ruoxue and the rest found a way to get along with Ah Hua and even adapted to Ah Hua's existence. As for Ah Hua, it seemed that as long as she could see Cang every day, she would be very satisfied.

A month later, a beautiful middle-aged woman came to him.

This beautiful middle-aged woman was qu Sen's mother. She had come with the excuse of taking her cat home, but her main purpose was to see the person her son liked.

Ever since the prodigal child at home said that he wanted to use his beloved cat to chase a girl, she had been hoping that the brat would bring back a wife.

Who knew that after so long, he had not seen his wife and his beloved cat could not come back!

It was understandable that it was not easy to get a wife. After all, good girls were hard to find. Why couldn't he bring back the cute cat? Mama qu was very worried. Could it be that her beloved cat, which she had raised as her daughter since she was young, no longer belonged to her now that she could not see her wife?

With this worry in mind, she personally visited.

After seeing Leng ruoxue, she instantly understood her son's desire for a wife.

This girl is so pretty! She was even more beautiful than she had imagined!

Since he was young, there were many girls around his son, but compared to the girl in front of him, those girls were like bald chickens without feathers! In an instant, she decided to give her son a helping hand!

However, when she heard that the man beside Leng ruoxue, who was even more devilish than her own son, was her future daughter-in-law's husband, she was dumbfounded, sorrowful, depressed ... All sorts of emotions were tangled together.

"Sob ..." Mama qu was sad. Her outstanding son had actually become a mistress and had even entered the family to snatch the wife of the man's real husband. What was this?

At that moment, she was so conflicted that she did not know how to face Leng ruoxue.

Although she was envious of her beautiful daughter-in-law, she was not shameless enough to destroy someone's family. Plus, she could not take Ah Hua away, so after sitting for a while, the depressed mother qu found an excuse to leave.

After Mama qu left, Leng ruoxue, who felt that the situation had become serious again, finally put on a stern face and said to Qing Jue and Cang coldly, ""Do you two have anything to say?"

She had been waiting for these two little guys to confess, but after so long, they didn't say a word about it.

Now that Leng ruoxue had asked, the two of them lowered their heads in unison, refusing to look at Leng ruoxue.

They were feeling guilty!

They were indeed the ones who had caused the incident, and they had not expected such serious consequences.

"Sister ..." After a long time, Qing Jue raised his head and looked at Leng ruoxue pitifully.

"Aren't you going to explain the matter clearly?" Leng ruoxue said angrily.

"It was me who became my sister's appearance and got to know him. However, I didn't do anything to that guy that I shouldn't have done. It was completely that guy's wishful thinking!" Qing Jue told the truth.

Hearing this, the demon revealed an expression of 'I knew it'. Ji Kai, on the other hand, was even more surprised. He thought to himself, this little boy is so powerful! He could actually transform into Madam!

"You really didn't do it? Then why would he do something so strange to me?" Leng ruoxue was speechless.

"Sister, I swear that I didn't do anything. Back then, because I couldn't find you, I changed into your appearance in many spaces. I wanted more people to know you. That way, when those people see you, they will recognize you. I also left a mark on their bodies, so when their emotions fluctuate, I will sense it. That's how I can find you." Qing Jue explained.

However, his explanation caused Leng ruoxue and the demon to feel extremely annoyed!

He had become himself in many spaces? The moment Leng ruoxue thought of this, she could not help but go crazy. The demon was so depressed that he wanted to beat someone up. How many love rivals had this fellow found for him? Did she still think that he didn't have enough things to do?

"Xue 'er, don't stop me, I want to teach this bastard a lesson!" After he finished speaking, he did not give Leng ruoxue a chance to stop him. The evildoer lifted green vessel and walked upstairs.

Not long after, Qing Jue's cries could be heard from upstairs.

Ji Kai couldn't bear to hear this. After all, he was a baby! Master really had the heart!

After he told Leng ruoxue his thoughts, Leng ruoxue said to Ji Kai calmly, "It's fine. Qing Jue's skin is rough and his flesh is thick. It won't hurt even if I hit him a few times!"

Ji Kai was silent. A little baby can be considered to have rough skin and thick flesh?

However, he didn't dare to ask such a question again. As for Leng ruoxue, after she finished speaking to Ji Kai, she turned her gaze to her chest and looked at Cang, "Cang, this was your idea, right?"

"How did you know?" Azure replied in a low voice.

"Other than you, Qing Jue shouldn't be able to think of such a bad idea!" Leng ruoxue was very certain.

"Girl, why didn't you think of me when something good happened?" Azure felt wronged.

"It's not like you to do good things!" Leng ruoxue said calmly.

"....."

Cang was very worried, but Ji Kai didn't dare to listen any further, as he might have heard some secret! He didn't want to be retaliated against later!

At this moment, the evildoer who had finished dealing with green vessel came down from upstairs and pointed at Cang. ""Cang, come here, I promise I won't beat you up!"

No way!

Evildoer wanted to cut Cang into eight pieces. Before this, he had already concluded that green vessel and Cang were behind this without any evidence. Now that green vessel had confessed his crime, Cang would not be able to escape. Therefore, the next person he had to deal with was Cang.

However, Cang was not as stupid as green vessel. It knew that the evil man wanted to take care of it, but it still gave itself to him. It escaped from Leng ruoxue's embrace. At this moment, Niu was also in a fit of anger, so she might not cover for it!

"You still dare to run?" The demon was furious and quickly gave chase.

The man and the cat chased each other along the beach.

Fortunately, it was late autumn now, so there weren't many people wandering around the beach. Otherwise, Leng ruoxue would have a headache.

When evildoer finally caught up to Cang, he grabbed the struggling Cang and took out a sharp knife. After a few strokes, all of Cang's white fur was gone.

Evildoer knew that he couldn't beat Azure up because Azure was too small. It wasn't convenient for him to beat Azure up, so he thought of this punishment. As for the hairless Cang, without its fluffy fur, it was like a rabbit that had just been born, its body pink and tender. This new image made Azure lose all its old face, Wu...It didn't have the face to see anyone!

The heartbroken Cang entered the room and refused to show his face.

The demon's mood was greatly relieved after getting his revenge.

After that, everyone sat down to discuss how to solve the problem.

In the end, they still needed Qing Jue to step in.

Qing Jue, who was extremely unwilling, could only turn back into Leng ruoxue's appearance and wait for qu Sen to come.

SUPREME CRAZY WIFE

Chapter 3035 Side Story, You Have A Child!(8)

Three days later, her mother and qu Sen came together.

The moment they saw two identical Leng ruoxues, both mother and son were extremely shocked. The two women in front of them were exactly the same in terms of appearance and temperament. Even their names were just the same pronunciation but different. The mother and son were shocked for a long time before they slowly recovered.

Facing this scene, Ji Kai sympathized with the mother and son. Back then, when he saw Qing Jue transform from a little boy into his wife, he was stunned for a long time. Even now, he still felt like he was dreaming.

"She's my sister. I only found out about her existence two days ago." Leng ruoxue gave the other party some time to digest the information before she explained.

After hearing Leng ruoxue's words, the mother and son were overjoyed. Mama qu even held Qing Jue's hand affectionately and stared at him. Qu Sen

revealed a rare shyness. He felt embarrassed that he had really gotten the wrong person.

After a brief introduction of both parties, Leng ruoxue pulled the demon away.

He had finally solved this big problem for himself, but now, it seemed like green vessel was in big trouble. Because the mother and son were extremely satisfied with Qing Jue, Mama qu, who was initially afraid that her son would be a mistress, felt her gloomy mood vanish with Qing Jue's appearance.

Qu Sen was not the eldest son, so his mother did not need him to find a woman of equal social status. Everything was based on his son's wishes. It could be said that his mother was very open-minded on this point.

Sensing that qu Sen's mother was really happy, Leng ruoxue almost wanted to marry Qing Jue to qu Sen. What a pity! Qing Jue was a fake woman.

Leng ruoxue and the demon who had returned to their rooms were enjoying the scene in the living room through the screen. Both of them were in a very good mood. On the other hand, Qing Jue was so depressed that he was about to cry.

Faced with other people's enthusiasm, Qing Jue was a hundred, a thousand times not used to it. Wuu ... Who can help to pull away this creature called mother? Qing Jue, who was born and raised by the heavens and had no mother, could not understand the love a mother had for her son. His uneasiness was mistaken for shyness by his mother.

The more she looked at Qing Jue, the more satisfied she was with him. She quickly turned from a guest to a host and greeted Qing Jue, even treating him as her future daughter-in-law. Qu Sen, who was sitting opposite Qing Jue, lowered his head shyly. His little face blushed as he peeked at his sweetheart from time to time, his heart beating wildly.

Mother qu almost laughed out loud when she saw the embarrassment on the pair's faces. When had her son ever been this shy? It seemed that having someone in her heart was indeed different.

Mama qu looked at the perfect couple and was very satisfied.

However, how could the two of them just sit there and not scam him?

The anxious mother qu thought for a while before she affectionately took Qing Jue's hand and placed it in her son's hand.

Qing Jue was shocked and quickly retracted his hand. He looked at qu Sen in horror.

Mother qu was bewildered by this scene. She did not expect the girl in front of her to be so timid and shy. However, this kind of girl was also good. She was so innocent!

As for Qing Jue, who could read minds and knew that the man's parents were quite satisfied with him, when he found out what Mama qu was thinking, he wanted to look up to the sky and roar. He wasn't shy, okay? After living for so long, his little meaty paws had never been touched by any stinky man! This made him rather worried.

Sob ... His innocence! Just like that, there was no return!

At this moment, Qing Jue was extremely regretful. Why did he listen to Cang's bad idea and turn into his sister to cast the net? Now, she was being pestered.

But ... It seemed like he didn't do anything outrageous back then! How did she get entangled with a man? Qing Jue couldn't understand, and he felt even more aggrieved.

Yes! He felt so wronged! Cang was also involved in this, but that B * stard Cang was hiding in his room. Thinking about this, green vessel was so angry that he shouted, ""Cang, get out here!"

His shout was full of anger and it gave the mother and son a big scare.

Both mother and son could not help but widen their eyes and open their mouths. They looked at the beautiful Qing Jue in disbelief. What mother qu thought was that this girl was so manly.

Qu Sen was obviously shocked. All along, he had thought that his sweetheart was a cute and helpless girl. But now, the little bird had suddenly turned into an Eagle. It was no wonder he was shocked.

However, qu Sen knew that if he loved someone, he had to accept everything about her. After the shock, he quickly calmed down and even felt that it was not bad to have a wife with a loud voice. At least he didn't have to coax her all day.

As he thought about this, he felt like he had discovered another side of his wife and was suddenly excited.

His wife was really cute no matter how he looked at her! Even if he suddenly transformed into an Eagle, it was not something he could not bear.

Qing Jue, who had read qu Sen's mind, was completely depressed.

It looked like the other party was determined to be a pair with him. What should he do?

He was an Artifact Spirit and had no interest in human love. However, with qu Sen's interference, he even considered giving him an amnesia pill.

Of course, his sister would not allow him to have such thoughts. After all, the memory loss pill was harmful to ordinary humans.

Qing Jue, who had been driven mad by qu Sen, really did not have any good ideas. At this time, he really needed a military advisor.

Just as Qing Jue was thinking about this, a pink meatball fell from the sky and landed in his arms. Qing Jue lowered his head to take a look. Wasn't this the shaved Cang? Looking at Cang Ji's reluctant appearance, he was probably thrown out by that damn demon.

It had to be said that green vessel was right. The demon heard green vessel's voice and forcefully threw Cang out of his room.

Although a few days had passed, Cang's fur had only grown a little. The pink flesh on his body could still be seen clearly. Qu Sen, who had finally recognized Cang, couldn't help but point at Cang and ask, "Isn't that the white cat? How did you end up like this?"

"Meow Meow!" Cang, who didn't dare to speak, glared at qu Sen and screamed. Damn it, it's all because of you that I became like this!

Qu Sen said he didn't understand, but Ah Hua did. After meowing a few times, Ah Hua moved closer to Qing Jue, wanting to get closer to Cang.

"Ah Hua, you recognize it?" "What's wrong?" Mama qu asked curiously as she picked up Ah Hua, who had crawled out from under the sofa with great difficulty. She still hadn't seen what that pink, tender meat was.

"Meow Meow!" Ah Hua proudly called out to Mama qu, 'that's my sweetheart!'

After that, Ah Hua struggled to get out of Mama Qu's arms and go to Cang.

As expected of the person who raised Ah Hua, she instantly understood what he was doing. At the same time, she felt a sour feeling in her heart. It was really hard to keep a grown girl! Ah Hua is starting to fall in love!

[SUPREME CRAZY WIFE](#)

Chapter 3036 Side Story, You Have A Child!(9)

After putting Ah Hua on the ground, Mama qu stared at Cang for a long time with a judgmental gaze. Finding a daughter-in-law was different from marrying off a daughter. The son-in-law had to be carefully selected!

After staring at Cang for a long time and seeing that Cang did not even look at her, Mama qu decisively concluded that this cat was not a good person for Ah Hua!

Seeing Cang, Mama Qu's desire to bring Ah Hua back deepened.

Of course, Cang welcomed her thoughts with open arms, and Qing Jue was also eager for her to reject it. That way, he would be free from his sister's mission.

However, he was destined to be disappointed because his mother was quite satisfied with him so far.

Following that, with the help of his mother, Qing Jue had no choice but to go on a date with qu Sen.

In reality, Qing Jue did not want to go out at all, but his sister was not willing to help him. This made him particularly sad. Qu Sen was an ordinary human, so he couldn't use his divine power on him. Otherwise, his sister would definitely be angry if she found out. Even a mortal couldn't take it.

However, it was a good thing that he had Azure to accompany him!

Looking at Cang, who was also resentful in his arms, green vessel was instantly healed! He was not fighting alone! The feeling of having someone to suffer with him was really good!

Green vessel's emotions had calmed down, but Cang was speechless as he asked the heavens.

What the hell was this? Was it that easy to be a third wheel? Since green vessel wanted to use it as a light bulb, cangguo Duan decided that it wanted to be a light bulb that did not light up. Therefore, it had to try its best to reduce its sense of existence.

The thoughts of the two little fellows could not be hidden from each other, so they both knew it in their hearts and did not expose each other.

The two humans and one beast were definitely at peace at the start.

As qu Sen was too excited, he only thought of eating and watching a movie.

The place where they ate was a high-end Western restaurant. As soon as the handsome man and beautiful woman entered the restaurant, they naturally attracted the attention of everyone in the restaurant. When it came to ordering, green vessel gave qu Sen full authority. Of course, he did this because he didn't know how to do it! His eyes were dark, and he didn't know what to order.

Qu Sen was obviously very familiar with ordering food and was happy that his sweetheart was so dependent on him. So, after ordering two steaks, the two of them stared at each other as they waited for the food to be served.

Qu Sen looked at Qing Jue affectionately. After Qing Jue glanced at qu Sen, he turned his gaze elsewhere.

When the steak was served, Qing Jue used the knife on the table to pick up the cow's hide and took a big bite. He would even let out a "tsk tsk" sound from time to time. Everyone, including qu Sen, was shocked by his bold action.

Table manners were a very important and compulsory course to take in a high-end restaurant. However, green vessel had completely ruined the so-called table manners. He was basically eating the steak as if it was a meat skewer!

While Qing Jue was enjoying his meal, qu Sen, who was sitting opposite him, had a conflicted expression on his face. However, he didn't think too much about it. He just felt that his sweetheart might not have received any training in this area, so she didn't know much about table manners.

It didn't matter, this was something that could be learned! He was confident that he could turn his sweetheart into a noble lady!

With this thought in mind, he endured Qing Jue's rough actions.

After the meal, Qing Jue directly put his hand into his mouth to shave his teeth.

The people present couldn't accept the fact that such a beautiful woman would do such a vulgar action. This was really too uncultured! How could a true noble lady be like this?

Her unrefined actions despite her beautiful appearance made everyone in the dining room so disappointed that their hearts almost broke.

It was obvious that everyone in the restaurant was drunk.

After the meal, qu Sen grabbed Qing Jue and left the dining room in a panic.

After they left the dining room, Qing Jue was very dissatisfied and immediately questioned, "Do you think I've embarrassed you?"

"No, no!" Qu Sen felt a little guilty.

"Then why did you drag me out so quickly? I'm not full yet!" Qing Jue said angrily.

"Uh! Let's go to another place to eat. " Qu Sen quickly said.

"Let's go!" Hugging Cang, green vessel urged.

Even after eating in one restaurant after another, Qing Jue still did not feel full. Unfortunately, all the restaurants were about to close. He also didn't watch the movie because it was too late.

After the depressed qu Sen sent Qing Jue home, he stood outside Leng ruoxue's Villa. For the first time, he doubted his own thoughts.

He stood in a daze outside the courtyard for a long time before he returned home like a walking corpse.

The moment Qing Jue entered the house, he shouted excitedly at Leng ruoxue, "Sister, I ate a lot of things today, but none of them were as good as the ones you made."

Leng ruoxue, who was sitting on the sofa in the living room, looked at Qing Jue's excited expression and said calmly, "I know you've eaten a lot, and I also know that your reputation of eating so boldly in my face has spread throughout the entire planet Blue. Now, many people know that the second young master of the qu family has a girlfriend with a black hole in her stomach!"

"Damn Qing Jue, are you trying to ruin my reputation?" Leng ruoxue said angrily.

"Sister, I just wanted to use my own method to scare that guy away. I didn't do it on purpose." Qing Jue felt wronged. This idea had come from the two mainframes that Cang had taken in. In their words, men would not like women like her.

Therefore, Qing Jue worked hard to choose the type of woman that men would not like.

To quote a famous saying, "what do you see in me? I'll change it."

"Forget it, let's just settle this problem first!" Leng ruoxue's words were equivalent to acknowledging Qing Jue's actions. Her reputation would be ruined, but it was better than being pestered by others!

With Leng ruoxue's approval, Qing Jue was even more motivated.

In the next few days, he went from passive to active. Of course, he mainly asked qu Sen out for dinner. As for qu Sen, when he thought of his sweetheart's bold and unrestrained eating manner, he wanted to refuse, but he couldn't resist the temptation of her beauty and agreed.

The outcome was naturally too tragic to look at!

For the next few days, people treated them to a big meal. Qing Jue's life was very enjoyable, but qu Sen did not feel good. Qu Sen's glass heart was shattered by his lover's increasingly rude behavior, but he was still unwilling to give up. He even had the idea of reforming his lover.

Qing Jue was furious when he heard that he had to reform himself.

Without another word, Qing Jue left after giving qu Sen a good beating.

Qu Sen, on the other hand, was seriously injured and had to lie in bed for a few days.

While he was recuperating, many friends came to visit Qu Sen and sympathized with his tragic state. There were also people who told him that not everyone could handle a wild girlfriend.

Clearly, qu Sen did not have that ability. And now, green vessel's reputation could be said to be quite loud.

[SUPREME CRAZY WIFE](#)

Chapter 3037 Side Story, You Have A Child!(10)

After he recovered, qu Sen continued to try his best to change Qing Jue. He had liked Qing Jue for so long, but he couldn't convince himself to give up just like that. After all, it wasn't easy to take back the feelings he had given up, even if it was one-sided.

When Qing Jue saw that this fellow was as persistent as his Ah Hua, he was also furious! He didn't believe that this guy wouldn't be scared away!

With the determination to scare the other party away, Qing Jue increased his bargaining chips and strongly requested qu Sen to bring him to meet his friends.

Qu Sen hesitated for a long time before finally agreeing.

After entering qu Sen's circle, Qing Jue was like a fish in water.

When he didn't eat or do anything stupid, he was definitely a goddess in everyone's eyes, but ... In short, after Qing Jue successfully defeated qu Sen, he also stimulated his friends one by one.

Under the strong request of his friends, qu Sen did not dare to bring Qing Jue to meet his acquaintances. The qu Sen now was becoming more and more famous in the upper-class society. In the past, people knew him because he was the second son of the qu family, but now, they knew his name because he had a girlfriend who was not presentable!

Mama qu had also heard that things were not going well between her son and her future daughter-in-law. As she had a good impression of Qing Jue, she specially asked him out to go shopping to see what the problem was.

After shopping, Mama qu completely gave up on Qing Jue.

It was not enough for a woman to just have a pretty face, especially in the upper class. The future daughter-in-law that she had high hopes for clearly did not have that kind of quality, so Mama qu quickly gave up on Qing Jue.

Qu Sen was still insistent. Seeing this, Qing Jue was no longer in a hurry. Let's see who can last longer.

Leng ruoxue, on the other hand, was a little worried. Her reputation! Just like that, there was no return! However, in order to get rid of a certain man, her sacrifice was worth it.

The qu family's mother had already given up and forcefully brought Ah Hua away. Cang was also free. Only Qing Jue was still in deep trouble. However, Leng ruoxue believed that Qing Jue would soon see the light.

In the days that followed, qu Sen disappeared for more than three months on a business trip. When he saw Qing Jue again, he tactfully said to him, "Xue 'er, I've been thinking about it for the past three months. Maybe we're not suitable for each other, so, so let's break up!"

"Let's split!" Qing Jue suppressed the excitement in his heart and said loudly. He could not help but complain in his heart. They had never been together, okay? Everything was just the wishful thinking of the guy in front of him.

Qing Jue was so happy to be abandoned that he could not stop smiling.

Seeing his sweetheart like this, qu Sen felt depressed again.

Did he do something wrong? Otherwise, wouldn't his ex-sweetheart be heartbroken? But now, where did he look sad at all?

Qu Sen, who didn't dare to think further, fled in panic.

Qing Jue, on the other hand, rushed back home excitedly and shouted, "I'm free! That man has broken up with me!"

"Congratulations!" Ji Kai stepped forward and said.

"Thank you!" Qing Jue replied and then pounced towards Leng ruoxue. He said agitatedly, "Sister, that man has been settled! He didn't use Shen power, he didn't use any medicine, he gave up on his own. Now sister can forgive me, right?"

"I've never blamed you!" Leng ruoxue laughed evilly. Immediately after, she thought of the reputation that she had lost and felt worried again.

As Leng ruoxue's weapon spirit, Qing Jue could naturally read her mind. He could not help but say guiltily, "Sister, I'm sorry. I've caused you trouble."

"You can't be blamed for this. It's that man's wishful thinking." Leng ruoxue consoled him. She already knew the ins and outs of the incident with her beloved, so she naturally did not blame Qing Jue.

"Yes, I really didn't do anything at that time. I just got to know him!" Qing Jue felt wronged again when he saw that his sister did not blame him anymore.

The moment Leng ruoxue saw this, she realized that this little fellow was clearly trying to take advantage of her! "Don't use my face to cause trouble in the future, understand?" he said with a straight face.

"I know." Qing Jue nodded obediently. He did not dare to disobey his sister's words. Now that the matter had finally come to an end, he could play happily again.

After Qing Jue turned back into a baby, their lives slowly returned to peace.

Because of what happened before, green vessel and Azure were very well-behaved for a period of time. However, after the incident subsided a little, the two of them went back to their old ways and caused trouble for the demon.

Watching the evildoer bicker with the two little fellows every day, Leng ruoxue suddenly felt that this kind of life was really not bad.

Now, they had nothing to worry about and would go out for a walk when they were bored.

One day, Leng ruoxue suddenly felt unwell and even vomited her breakfast. The demon's little face turned pale in fear. After Ji Kai's reminder, he quickly carried Xue 'er and ran to the hospital.

It was only after she rushed to the hospital that Leng ruoxue had the chance to speak. "Evildoer, I'm fine. I'm just feeling a little unwell."

"I know, you vomited." The demon looked at Leng ruoxue with worry.

Green vessel and Azure, who had followed behind, also looked nervous.

At this moment, Ji Kai went to queue up for Leng ruoxue's registration. When it was Leng ruoxue's turn to go in for an examination, the three people and one beast waited outside with eager eyes.

In reality, Leng ruoxue really wanted to say that she did not need to come to the hospital. She was a God! She would've known the problem if she used her inner sight, but she didn't even have the chance to say it out loud before she was brought to the hospital by the demon. She didn't want to be examined at first, but when it was her turn, she was directly sent to the consultation room by the demon.

His series of actions were so smooth that she didn't even have a chance to refuse. However, she was indeed not feeling well, so she did not reject the doctor's examination.

After a round of examination, the doctor asked kindly, "Miss, are you married?"

"We're married!" Leng ruoxue was very honest.

"Congratulations, miss, you're pregnant!" The doctor said, relieved.

"There's already one?" Leng ruoxue was stunned. What was it?

For a moment, Leng ruoxue could not react at all.

The doctor looked at her silly expression and understood. He explained, ""You have a child."

Hearing this, Leng ruoxue stood up with a whoosh. The doctor was so frightened that he quickly held her down and said, "Be careful, the baby is still young, it can't withstand your violent movements."

She just wanted to stand up, did she have to be so careful?

Even though Leng ruoxue had never given birth to a child before, she still had some basic knowledge. Furthermore, she knew her own body well. Not to mention standing up, even if she were to fight with someone at this moment, the child would not have any problems. The descendant of a God was strong!

Of course, he couldn't say this in front of the doctor. Otherwise, the doctor would explode!

Following that, Leng ruoxue used her inner sight to check on her child. Knowing that her child was safe and sound, she decided to leave the hospital. However, she still had a checkup to do. The doctor said that she was not allowed to leave no matter what. She even automatically assumed that this new mother was afraid of spending too much money.

SUPREME CRAZY WIFE

Chapter 3038 Side Story, You Have A Child!(11)

After patiently explaining the importance of the prenatal examination to Leng ruoxue, Leng ruoxue could no longer listen to the other party's nagging. She

had no choice but to knock the talkative doctor unconscious and run out of the hospital with the demon.

Once they were out of the hospital, Leng ruoxue glared at the evildoer and roared, "I'll never let anyone off if they ever ask me to come to the hospital again!"

"What's wrong, honey? Was she bullied by the doctor? I'm going to find him to settle the score!" When the demon heard this, he immediately lost his temper. How dare he bully his wife? was he tired of living?

"Come back here!" Seeing this, Leng ruoxue hurriedly pulled back the slightly impulsive evildoer and said, "The doctor didn't bully me. It's just that he's too slow. I can't stand it."

"Madam, the doctor's dawdling is for your own good! You should listen to the doctor. " Ji Kai said with a worried expression.

"Bullshit! I'll be a doctor myself! Who has better medical skills than me?" Leng ruoxue was so angry that she shouted.

Ji Kai was silent, and his wife was swearing again. She seemed to be very angry!

Ji Kai didn't dare to say anything more. He obediently became the driver and drove Leng ruoxue, the three people, and the Beast home.

When they reached home, evildoer, green vessel, and Cang Quan surrounded Leng ruoxue and asked her about her health. It was obvious that they were very concerned about Leng ruoxue's condition. Leng ruoxue, who initially did not want to announce this good news, could not help but expose it when she saw their concerned eyes.

"I'm pregnant!" Leng ruoxue said, feeling a little embarrassed.

"What's there? Don't be afraid, no matter what you have, I'll find a way to cure you!" The demon said nervously.

"En, don't worry, girl. I'll also work hard to cure you, although I don't know how to treat illnesses!" Azure said.

"And me! Sister, don't worry! I'll definitely do a good job in logistics!" Qing Jue also expressed that from now on, he had to be obedient and not make his sister angry.

"I will do my job as the head butler." Seeing that the two people and one beast present had expressed their opinions, Ji Kai naturally did not want to be inferior to them.

"What are you guys thinking? I'm not sick! I have a baby!" Leng ruoxue was a little speechless when she saw the 'don't worry' expression on the demon's and the others' faces.

When he heard this, the demon was petrified.

Cang asked in a daze, "baby?" Whose is it?"

"Sister, will you still love me after we have a baby?" Qing Jue was worried that he would lose favor.

Facing such good news, only Ji Kai's reaction could be considered normal.

He was overjoyed. His eyes kept wandering around Leng ruoxue's abdomen. Just as he was engrossed in the sight, he received a heavy punch on his head.

Ji Kai held his head and looked up, feeling wronged. He saw his evil master, who had returned to normal, glaring at him and then shouting, ""What are you looking at? That's my wife's stomach, you think you can look at it?"

"I ... I ..." Ji Kai didn't know how to explain. As a single man, wasn't it normal for him to be curious? Unfortunately, he was curious about the wrong person!

After dealing with Ji Kai, it was the demon's turn to stare at Leng ruoxue's stomach. He kept mumbling, "I have a baby! I have a baby! I really didn't expect that I would actually have a child!"

Hearing this, Leng ruoxue was speechless. She then angrily shouted, "What do you mean you can actually have a baby? If you didn't do it, could it have been another man?"

"Wife, you misunderstand me. I mean, we were born in chaos, so our body structure is different from ordinary people. Therefore, I don't know whether I can have a baby or not, but this baby is definitely mine!" Seeing that he had said something wrong, the demon quickly explained.

"Who said this child is yours? It's clearly mine!" Cang, who was unwilling to let all the good things go to the demon, suddenly said, Hmph! It had decided, it was going to snatch the baby in Niu's stomach!

"It's mine!" Evil let Cang was so angry that the veins on his forehead were throbbing. He picked up Cang with both hands and threw him out of the hall out of habit.

Not long after, Cang man nonchalantly ran back and continued to provoke, "The baby in Niu's stomach is mine! It's mine!"

"Can you repeat that?" The demon's eyes were spewing fire, wishing he could burn Cang into ashes.

Azure wasn't afraid of the demon at all and revealed a proud smile, "It's mine no matter how many times I say it!"

Leng ruoxue was speechless. Could these two fellows not be so childish? She really wanted to scratch the wall!

Ji Kai, who was watching, suddenly realized that he was unnecessary. He didn't know if his evil master and Cang, this bad-tempered cat, would fight later. His life was in danger!

"Stop arguing, the child is mine and mine alone. It has nothing to do with you!" Leng ruoxue was infuriated. She then returned to her room in a Huff.

"Honey!" The demon saw that the head of the family was angry and quickly chased after him.

"Niu!" Azure also wanted to give chase, but he was thrown out by evildoer in a moment of carelessness. This time, evildoer used 100% of his strength, and Azure directly turned into a shooting star and disappeared without a trace!

As he chased Leng ruoxue back to her room, the evildoer immediately lowered his head and tried to please her, "My dear wife, don't be angry, okay? It's all because of that stupid Azure, I've already taught him a lesson!"

"What about you?" Leng ruoxue raised her brows and asked.

"Honey, I'm very obedient!" The demon laughed.

Leng ruoxue snorted coldly in a tsundere manner, then turned her head away and ignored evildoer.

"Honey, don't ignore me! Let me see the child!" The demon was very curious about the new life. He wanted to see what his child looked like now. He was looking forward to it.

"I won't let you see." Leng ruoxue rejected.

"Why? Honey, let me take a look! Just for a moment, alright?" The demon begged.

"The children are still young and will be shy, so let's wait until they're older!" Leng ruoxue said after some thought. She could understand the evildoer's

excitement to see the child, but she did not want him to know about the child's condition. She had to keep it a secret!

Since Leng ruoxue was determined not to let him see it, the demon naturally could not. That was why he had been staring at his wife with a resentful gaze, hoping to soften her heart. However, Leng ruoxue had made up her mind!

Evildoer was anxious but he had no other choice. He could only let Leng ruoxue be willful.

After having a child, other than the occasional stubbornness and quibbling, Leng ruoxue was as usual. However, she was a monster and had developed a rather serious case of being scorched by the pregnant man.

He had become sensitive and fragile, like a glass doll that would shatter with a single touch. Even a pregnant woman like Leng ruoxue had no choice but to accommodate to his devilish emotions. Leng ruoxue did not know whether to laugh or cry at this fact!

SUPREME CRAZY WIFE

Chapter 3039 The Demon's Decision (1)

What made Leng ruoxue not know whether to laugh or cry was that other than the evildoer's occasional gasp, the adults, the little child, and even Cang, who had been kicked away by the evildoer but had come back home on his own, were all more nervous than her, a pregnant woman.

Although she had a child, Leng ruoxue was still very calm, except for being a little surprised when she first heard the news. However, in the eyes of the head butler, Ji Kai, her calmness was rather abnormal.

When she had nothing to do, Ji Kai would always sneak a glance at her with a worried look. The evildoer, green vessel, and Cang would not leave her side.

It was rare for evildoer and Azure to quarrel less. The human and the Beast seemed to be getting along much more harmoniously, but for some reason, Leng ruoxue preferred to see the moment when the two of them were in high spirits when they were bickering. How energetic were the two of them when they were like that!

But now! Their mental energy was highly tense. In reality, Leng ruoxue really didn't want them to be like this, because she was very clear that she was in a very good state.

Three months later.

The diligent head butler reminded Leng ruoxue that it was time for her prenatal examination.

The moment Leng ruoxue heard this, her face turned green.

A prenatal examination? She wasn't an ordinary human being. Why would she need a prenatal examination? "You bastard!" She hated going to the hospital!

Leng ruoxue was furious. She glared at Ji Kai with her fiery eyes as if to say, 'I've tolerated you for a long time!'

Under Leng ruoxue's intense gaze, Ji Kai bravely withstood it. Although at this moment, he was so nervous that he was sweating profusely! However, he felt that he was doing this for his wife's good and for the baby's health. Therefore, he had a clear conscience!

But why was her heart beating so fast?

"Ma-Ma 'am, I'm doing this for your own good!" Ji Kai said carefully. After that, he started to talk about the benefits of a prenatal examination to Leng ruoxue. Evildoer, green vessel, and Cang were also lectured by the side. After

listening to the story, the two people and the cat turned their eyes to Leng ruoxue. Their meaning was obvious. Go to the prenatal examination!

Looking at their expressions, Leng ruoxue's heart was boiling with anger. At this moment, she could no longer care about the evildoer's fragile emotions. She only smiled faintly and said, "You also think I need a prenatal examination?"

"Xue 'er, the prenatal examination is for the health of you and the baby!" Knowing that his wife was in a bad mood, the evildoer was very careful when he said this.

"Sister, go and check it out!" Qing Jue said worriedly as well. He could not help but look at Leng ruoxue's still-flat stomach.

"Girl, I heard that all the women in this world have to go for a prenatal examination, so let's do as the Romans do!" Azure also persuaded.

"I said, I'll fight whoever asks me to go to the hospital!" Leng ruoxue reminded him with a dark expression.

"We're doing this for your own good!" The three humans and one beast said in unison, their faces full of grievance.

"I know my own situation. The child is doing very well." Leng ruoxue said with certainty. She had been communicating with her child every day.

"Madam! You're more than three months pregnant, but your belly hasn't grown at all. I'm worried that the child is developing slowly. You'd better go for a check-up!" Ji Kai gathered his courage and finished his sentence in one breath.

Who knew that just as he finished his sentence, before Leng ruoxue could even get angry, the demon, green vessel, and Azure were the ones who got angry first.

"You're quite bold to look at my wife's stomach. "

"You dare to look at big sister's stomach?"

"You dare to look at Niu's stomach?"

The three of them said in unison. Ji Kai's face paled in fear.

"I ... I'm just worried about my wife ..." Ji Kai explained in a low voice. He was so regretful that his intestines had turned green. Why did he have to be so honest?

"Hmph! Don't look at what you shouldn't be looking at!" It was rare that the demon didn't beat anyone up!

Green vessel and Azure also nodded in agreement.

Ji Kai, who had just escaped death, nodded repeatedly. How could he get rid of this feeling of escaping death?

With this, Ji Kai didn't dare to say anything else.

At this moment, Leng ruoxue calmly spoke, ""Have you ever heard of a God going to a normal human hospital for a prenatal examination?"

The three men and one beast shook their heads.

"The X-ray at the hospital is better than our internal vision?" Leng ruoxue asked again, satisfied.

The three humans and one beast shook their heads again.

"If that's the case, what's the use of a hospital to me? Not to mention that I won't go to the hospital for a prenatal examination, even if I'm going to give birth in the future, I won't go to the hospital either. " Leng ruoxue said stubbornly.

After hearing this, evildoer, green vessel, and Azure finally reacted. Were they gods? How could they be the same as humans? They really didn't need to

follow the model of ordinary humans, what prenatal examination! Go play somewhere else!

The hospital would not be able to earn their money!

However, Ji Kai knew that his wife didn't want to go to the hospital, but how could he not go to the hospital when giving birth?

Ji Kai wanted to say a few words of advice, but before he could say anything, Leng ruoxue stopped him with a sharp glare. Many words were stuck in his throat. He didn't dare to say them, but he couldn't swallow them down. His face was red from holding back his words.

By the time he couldn't take it anymore and coughed violently, Leng ruoxue had already gone upstairs. Evil demon, green vessel, and Cang followed after her, leaving Ji Kai in the living room. He was coughing so hard that his face was red.

Ji Kai coughed so hard that tears came out. He felt wronged! He had always been thinking for his wife. Why did no one understand him?

The pain of not being understood by others was really unbearable! Wuuu ...

From that day on, Ji Kai always wanted to say something when he saw the evildoer, but he hesitated, as if he had a stomach full of words to say.

However, the evildoer was always with Leng ruoxue, and he never had the chance to speak to his master alone. This fact made Ji Kai so anxious that he was on fire.

However, opportunities were always given to those who were prepared.

Therefore, after Ji Kai had planned for a long time, he finally found an opportunity.

It was an afternoon, and Leng ruoxue was taking a nap. As a filial husband, the evildoer went downstairs to prepare something for his wife.

After Ji Kai finally caught his evil master, he started to persuade his master with all his might. He told his master that when his wife gave birth, she had to go to the hospital to be safer.

The demon was a little embarrassed.

It's not that easy to change my wife's decision! Besides, the last time he went to the hospital with his wife, the doctor Who examined his wife seemed to be a man! He felt very uncomfortable to let a man help his wife give birth to a child.

He could definitely do what other men could do!

"I don't want to find a male doctor to help my wife have a baby!" The evildoer replied honestly after some thought.

"Master, there are many female doctors in the hospital." Ji Kai was speechless, but he still answered honestly.

"No... Even women!" After thinking about it for a while, the demon felt that he couldn't bear it. As long as he thought about the possibility of his wife's body being seen by others, he would go crazy!

Ji Kai was speechless.

He had discovered that the evildoer master was no less difficult to deal with than the madam!

SUPREME CRAZY WIFE

Chapter 3040 The Genius's Decision (2)

"I've decided, I'm going to give birth to my wife myself!" After a while, the demon who had been deep in thought suddenly said.

"..." Ji Kai was dumbfounded. He didn't mean it that way.

When he finally reacted, Ji Kai quickly said, "Master, do you have medical skills?"

"Isn't it just taking in a new student? is there a need for medical skills?" The demon was puzzled. He and Xue 'er were both gods! There was no need to learn any medical skills!

Ji Kai was speechless for a long time.

After a long time, Ji Kai took a deep breath and said, "Master, it's said that a woman giving birth is like passing through the gates of hell, so a doctor's medical skills and experience are very important at that moment. If you don't have medical skills, I really don't recommend you to do such a dangerous thing. After all, it concerns Madam's safety!"

"I see! Then I'll go and study medicine. By the way, I know where the Door to Hell is. When I'm free, I'll go to that place for a stroll. It's not as scary as you think. " After the demon finished speaking, he took a glass of milk and some snacks, left the dumbfounded Ji Kai, and went upstairs again.

The owner of the gate of hell knows her ... And often goes there ... Not scary ...

After the evildoer had left for a long time, these words echoed in Ji Kai's heart. He truly felt that his knowledge was still too shallow. Otherwise, he would not have been so easily intimidated!

"Hmph! A country bumpkin who had never seen the world! You haven't even been to the gates of hell, how embarrassing!" At this moment, a mocking voice sounded in Ji Kai's ears. Then, Ji Kai saw a white lightning bolt quickly rush up the stairs.

Ji Kai was worried.

He didn't need to think to know who the owner of the White Lightning was!

Why was that little white cat so unadorable? She even took pleasure in beating him?

If he hadn't been to the gates of hell, did that mean he hadn't seen the world? After all, was that place a place that anyone could visit if they wanted to? Only the dead could go there, right?

Ji Kai shivered. He felt that he hadn't lived long enough, so he definitely wouldn't want to go there.

Whoever wants to go can go! He wasn't going anyway!

Ji Kai turned around and went back to his room, depressed.

When Leng ruoxue woke up, the evildoer reported his decision to her.

When Leng ruoxue heard that the demon was going to study medicine so that he could help his wife deliver a baby in the future, she was silent for a moment. Then, facing the demon's gaze that was asking for praise, she nodded and stroked his head, "Learn well. Your wife's future children will all depend on you."

"Don't worry, my dear wife. I'll definitely work hard!" The demon promised. He then stared at Leng ruoxue's stomach for a while before continuing, "Xue 'er, is our child obedient? did he disturb you?"

"The baby is very obedient, he didn't make a fuss at all." Leng ruoxue's entire body exuded a motherly glow. In her opinion, the little life in her stomach was much more obedient than the four at home. At least the baby loved her and wouldn't do anything.

"That's good! If he dares to mess with you, I'll beat him up!" The demon clenched his fist and shouted.

"That's your baby!" Leng ruoxue was speechless. The child was not even born yet, and the Father was already saying that he was going to beat him up. What would happen if the child heard this?

Then, she quickly rubbed her belly and comforted, ""Good baby, your silly father is just joking with you! He can't bear to beat you up. "

"I'm willing! I'm willing to beat up anyone who makes my wife suffer! I don't care who he is!" The demon did not cooperate with his wife's words at all and said very seriously.

"Shh! Don't talk nonsense, the child can hear you!" When Leng ruoxue heard this, she was a little anxious and decided to cover the demon's mouth.

"I want him to hear me so that he won't torment you!" The demon said as he pulled Leng ruoxue's hand and held it in his.

"Alright! However, if you hit our child, my heart will ache. " Leng ruoxue, who was at her wit's end, could only remind him of this.

"Honey, is the child more important or am I more important?" the demon couldn't help asking.

"You! You're important!" Leng ruoxue coaxed.

"Then will you be angry at me because I aborted the child?" The demon asked again, worried.

"What's the matter with this score! If it's the children's fault, I'm sure I won't be angry. " Leng ruoxue replied honestly.

"Then I'm relieved! As long as he doesn't make any mistakes, I won't do anything. But once he does, I'll teach him a good lesson!" The demon decided.

"..." Leng ruoxue helplessly nodded.

At this moment, the demon touched Leng ruoxue's stomach and asked, ""Wifey, will you not love me as much as you used to after we give birth?"

"Of course I won't!" Leng ruoxue promised.

"But Cang said that after giving birth, your mind won't be on me! If such a thing really happens, I don't mind sending my child away!" The demon said with a hint of worry.

"Uh! That kind of thing will never happen. In my heart, you will always be the most important!" Hearing this, Leng ruoxue immediately said, but in her heart, she was so angry at Cang's words that she gritted her teeth.

She had thought that the two of them had temporarily stopped fighting! So they had gone underground?

The more Leng ruoxue thought about it, the angrier she got. However, she didn't show it on her face. She continued coaxing the evildoer for a while more before she finally managed to coax this insecure fellow into bursting with joy.

After that, Leng ruoxue found Cang and instructed him to bring grandfather and the rest to planet Indigo. Just like that, Azure, who didn't know the truth, was sent out.

On the other side, the demon was ready to officially study medicine.

Since he wanted to study medicine, he had to find a school.

For this reason, the evildoer gave the task of finding a school to Ji Kai.

Ji Kai didn't know what to do when he received this annoying task. After all, it was really not easy for a stowaway without any identification to go to school!

Ji Kai had been struggling for a few days and inadvertently revealed his thoughts to Qing Jue. When Qing Jue heard this, he smiled and said, "It's easy to get identification. Just find them."

The 'they' that green vessel was referring to were the two mainframe of the starfields that were not far away, doing nothing. Ever since these two little guys were brought back by blue, they had been following them. Blue had even changed their bodies to become two palm-sized rabbits.

One was grey, the other black.

The two rabbit-shaped mainframe were having a hard time with their new bodies.

As the mainframe, the two of them naturally had high IQs, so they were quite clear that rabbits were mostly carnivorous. However, in Cang's words, they were mini pet rabbits! If they took it out, they would definitely be able to charm a large number of girls. With the intention of charming a large number of girls, the two of them put up with their new image.

However, ever since they had their new bodies, the two rabbits had not seen many pretty girls. The only one they had seen was Leng ruoxue, who was not to be trifled with. Towards pretty girls, they did not dare to have any thoughts about her!
