

Crazy Wife 341

Chapter 341: The Popular Prison (6)

"Master, don't worry. We'll be careful," Feng Zhan promised.

"Grandpa, you have to be careful too," Leng Ruoxue said.

"Okay, let's split up!" Leng Qingtian nodded.

"Okay, let's go!" As soon as Leng Ruoxue finished speaking, thousands of beasts scattered and ran in all directions...

And Leng Qingtian and the others disappeared into thin air...

"Xue'er, where are we going?" Freak asked after Leng Qingtian and the others as well as the beasts left.

"Of course to rob first," Leng Ruoxue said matter-of-factly. She deliberately left Quill and Rise behind to help them rob.

"Hehe, robbing is good. I like it." Freak smiled evilly and happily.

"Okay, Quill, go find where the good things are hidden in the city lord's mansion," Leng Ruoxue ordered.

"Yes, Master."

Quill flew away after Rise cast an invisibility spell on him.

He flew back a moment later.

"Master, I found it," Quill said excitedly. Hehe, there were indeed many treasures in the city lord's mansion!

"Quill, bring us there," Leng Ruoxue ordered.

"Master, come with me."

Rise then cast an invisibility spell on Leng Ruoxue and Freak. After that, the two of them walked toward the treasury together.

After arriving at the treasury, Leng Ruoxue and Freak naturally robbed it unceremoniously. Then Leng Ruoxue made a little mischief and left the words 'the Great Sage, Heaven's Equal was here' before the two of them swaggered out of the treasury.

After exiting the treasury, Leng Ruoxue let Ball Ball out.

"Ball Ball, look for treasures!" Leng Ruoxue ordered.

"Okay, Big Sister." Ball Ball closed his big eyes and sensed for a while before opening them again.

"Big Sister, I feel something good in the northwest direction." Ball Ball reported his findings to Leng Ruoxue.

“Northwest? I wonder where it is? Freak, let’s go take a look!” Leng Ruoxue said.

“Let’s go!” Freak pulled Leng Ruoxue, and the two walked toward the northwest.

“Master, I knocked out another guard,” Rise, who had been having a good time along the way, said happily while wagging his little tail.

“Amazing.” Leng Ruoxue caressed Rise’s head and praised him. *Alas! It seemed like my beasts are all bored to death.*

After receiving Leng Ruoxue’s praise, Rise worked even harder and knocked out anyone he saw.

“Big Sister, this is the place.” Ball Ball pointed at a courtyard not far from them.

“Freak, this should be the courtyard of a certain young lady of the Zhu family. Let’s go in and take a look!” Leng Ruoxue suggested. The environment here was quiet, and the courtyard was planted full of fresh flowers. It was definitely the residence of a certain young lady of the Zhu family.

“Okay, I hope it’s not Zhu Furong’s courtyard,” Freak said with some disgust.

“Haha! It’s better if it’s hers. I’m just about to look for her!” Leng Ruoxue said with a light smile. Their other purpose for coming tonight was for Pig Furong!

After the two humans and three beasts entered the courtyard, Ball Ball flew directly toward the flowerbed. After a while, he flew back, and his little paws were holding a small red flower.

“Big Sister, this is for you.” Ball Ball handed the flower in his paw to Leng Ruoxue and then lay on her shoulder obediently.

Leng Ruoxue looked at the palm-sized red flower in her hand. This flower was an abnormally bright red that resembled fire. Moreover, the fragrance was very strong. But she didn’t recognize this flower.

Leng Ruoxue sent the unknown flower into the bracelet and handed it to Qing Jue.

“Freak, let’s go take a look over there.” Leng Ruoxue pointed at the room in the courtyard.

“Okay.” Freak nodded, and the two humans and three beasts headed straight for the room.

Before approaching the room, they heard strange sounds coming from inside.

The two of them pressed their ears against the window. Other than some strange sounds, there were also voices coming from inside. Leng Ruoxue and Freak pricked up their ears curiously to listen.

In the room, a young man and woman were making love, doing the most primitive kind of exercise...

During the break, a beautiful girl looked at the naked man beside her and asked, “Prosperity, did you just tell me that Second Sister likes a man?”

“Yes, Second Miss took a liking to a man and locked him in a cell. But that man has a wife and doesn’t like Second Miss at all. Tonight, Second Miss even ordered her subordinates to go to the cell. She originally wanted to plot for the two of them to escape from the prison, but who knew that the two of them actually refused to follow me,” the young man said gloomily and then rolled over to press the girl under him again.

“Prosperity, look at how anxious you are. Let me rest for a while,” the girl said with some dissatisfaction.

“Third Miss, I missed you so much,” the young man said aggrievedly.

“Prosperity, answer my question honestly first.” The girl pouted coquettishly.

“Yes, please ask, Third Miss. I will tell you everything I know,” the man named Prosperity promised.

“Prosperity, do you think that man will agree to Second Sister?” Zhu Lianrong asked worriedly.

“Probably not,” Prosperity said uncertainty. In fact, he knew very well that the man didn’t care about the second miss at all.

“That’s good.” Zhu Lianrong was relieved after hearing what Prosperity said. There was nothing she could do. If her second sister married in advance, her father would definitely marry her to that old man, so she had to ruin her second sister’s plan.

“Third Miss, why don’t you want Second Miss to get married? If Second Miss marries someone, wouldn’t there be no one who can snatch President Lan from you?” Prosperity asked in puzzlement. It was not a secret in Windless City that the three Zhu sisters liked President Lan of the Mystic Association.

“Second Sister isn’t my match, but if she marries someone, Father will have to marry me to that old man from the Sun family, so of course I have to stop Second Sister from marrying! Prosperity, you have to help me!” Zhu Lianrong wheedled. Prosperity was her second sister’s trusted aide, but she had seduced him, which was why she knew her second sister’s affairs like the back of her hand.

Chapter 342: The Unlucky City Lord’s Mansion (1)

“Third Miss, don’t worry. I will definitely help you.” Prosperity immediately forgot about his master when he saw the beauty acting coquettishly.

“Prosperity, I know you’re the best,” Zhu Lianrong said happily. At the same time, she was very pleased with her honey trap.

“Third Miss, I’m willing to go through hell and high water for you, so you have to reward me well!” Prosperity said with a perverted look and then began attacking the ‘city walls’ again...

Outside the room...

“The pig sisters are quite friendly!” Leng Ruoxue sighed as she looked at the full moon hanging in the sky.

“Yes.” Freak nodded in agreement.

“Xue’er, let’s leave this place!” Freak continued. He didn’t want to stay here anymore. The sounds coming from the room were really too unpleasant.

“Okay, let’s go check out somewhere else,” Leng Ruoxue said with a light smile. But just as she finished speaking, she heard a sharp scream in the distance...

“Ah! There’s a snake!” Then there was a loud sound...

Leng Ruoxue and Freak exchanged glances.

“Did someone discover Confound?” Leng Ruoxue guessed.

“Discover? I think he’s deliberately scaring people,” Freak said in realization. Xue’er’s beasts were very well-behaved in front of her, but in fact, each one was more scheming than the other, and they had many ways to prank people.

“Uh! It doesn’t matter! We’re here to cause trouble anyway,” Leng Ruoxue said nonchalantly with two drops of cold sweat on her forehead.

“Xue’er, let’s go somewhere else!” Freak said.

“Okay, let’s find Pig Furong’s residence. Hehe, we have to let her know that her sister is scheming against her!” Leng Ruoxue said with a naughty smile. She already decided to sow discord until the end. Moreover, she had given Pig Lianrong a small gift before leaving.

“Xue’er, you’re so cute!” Freak suddenly hugged Leng Ruoxue affectionately and kissed her fiercely.

“I’m doing this for their own good! Sisters have to love and protect each other!” Leng Ruoxue said without any shame.

“Yes, sisters shouldn’t become enemies,” Freak agreed.

The two of them left Pig Lianrong’s residence and searched each courtyard.

“Xue’er, this courtyard is the last one,” Freak reminded.

“Okay, let’s go in and take a look!” Leng Ruoxue said. They had already checked several courtyards, but none of them was the residence of Pig Furong.

After Leng Ruoxue and Freak entered the courtyard, they went directly to the outside of the room, leaned against the window, and listened to the movements inside.

“Eh? That man seems to be the steward of the city lord’s mansion!” Leng Ruoxue heard a familiar voice coming from the room.

“Steward? The steward of the city lord’s mansion lives in a good place,” Freak said mockingly. This was obviously the residence of a woman. Moreover, according to his guess, the person staying here was not one of the daughters of the city lord’s mansion but the city lord’s concubine, and she was probably very favored.

“The woman inside seems to be the city lord’s concubine,” Leng Ruoxue said after listening to the conversation inside.

“It seems like everyone in the city lord’s mansion is unwilling to be left out! The steward climbed into the city lord’s favored concubine’s bed while one of the city lord’s daughters is seducing her elder sister’s guard. Haha, what a mess.” Freak smiled with contempt.

“I’ll leave some gifts for them too!” Leng Ruoxue said evilly and sent a trace of her green mystic power through the door crack.

“Hehe, the city lord will definitely be very grateful to us when he sees this scene tomorrow,” Freak said excitedly.

"Of course! He was made a cuckold for so long." Then Leng Ruoxue and Freak left.

"Xue'er, let's go find Grandpa and the others!" Freak suggested, wondering how Xue'er's grandfather and the others were doing.

"Okay." Leng Ruoxue nodded. Then the two humans and three beasts went to look for Leng Qingtian and the others.

After searching for a while, they finally found Leng Qingtian, Old Man, and the others in the courtyard of the main house.

"Grandpa, what are you doing?" Leng Ruoxue called out softly after entering the courtyard of the main house. When she saw her grandfather and the others squatting on the ground, she wondered what they were doing.

"Ah! Xue'er, it's you! We're thinking about something!" Leng Qingtian said.

"Thinking about something here?" Cold sweat dripped down Leng Ruoxue's forehead. *Grandpa and the others are too good at finding places.*

"Yes! I heard something just now, so I'm thinking about it," Leng Qingtian said awkwardly.

"What did you hear?" Leng Ruoxue asked curiously. Her grandfather and the others looked serious. Was it related to them?

"Lass, do you know the relationship between the city lord's mansion and the Sun family?" Old Zao asked.

"Yes, why?" The relationship between the city lord's mansion and the Sun family didn't seem to be a secret!

"Just now, we heard the city lord say to find some young and beautiful women to give to the Sun family, and Pig Furong recommended you to her father," Old Zao explained.

"Oh, and then?" Leng Ruoxue asked calmly.

"Then the city lord said he would visit you in the prison tomorrow. If you pass, Pig Furong won't have to marry," Old Zao said.

"Oh, then we'll wait for him in the cell tomorrow," Leng Ruoxue said calmly.

"Little Girl, why aren't you worried at all? I suspect that someone from the Sun family is practicing evil techniques. Why else would they need so many young and beautiful women?" Old Man said worriedly.

"What's the use of worrying? The Sun family is one of the Three Great Families and not something we can deal with now," Leng Ruoxue said calmly. *Hmph! Want to give me away? Dream on! How can I be manipulated so easily? For those who have designs on me, it's best to be prepared to pay the price.*

"Xue'er, let's leave Windless City while we still can!" Leng Qingtian was very worried that his granddaughter would be hurt. They were indeed too weak now.

“Grandpa, we can run for a while, but can we run forever? There is a pig city lord in Windless City, and other cities might also have such a city lord. Therefore, running won’t solve the problem, and that’s also a sign of weakness. We can only work hard to become strong so that we won’t be controlled by others,” Leng Ruoxue analyzed calmly. They were new and unfamiliar with everything, and they themselves were the only people they could rely on and trust.

Chapter 343: The Unlucky City Lord’s Mansion (2)

“Ruoxue makes sense,” Lin Liang agreed.

“Grandpa, President Lan will arrange a place for us to stay after we settle the matter with the pig family. At that time, we will all enter seclusion. Cultivating in the space for a month, coupled with the accelerated time, will be equivalent to several years. Perhaps we can break through,” Leng Ruoxue suggested.

“Okay, we’ll listen to Xue’er,” Leng Qingtian agreed. In fact, they were mainly following Xue’er’s opinions now.

“Grandpa, did you obtain anything?” Leng Ruoxue asked curiously after settling the worries of Leng Qingtian and the others.

“Lass, I’ve collected a lot of artificing materials!” Old Zao said proudly.

“Tch, would you be able to take advantage if the pig family didn’t have a pig that knew how to artifice?” Old Man said with contempt.

“I don’t care who the original owner of those materials is. They’re mine once I find them,” Old Zao said domineeringly.

“Stop arguing. By the way, do any of you know where Pig Furong lives?” Leng Ruoxue asked helplessly.

“Yes. Lass, come with me,” Old Zao said excitedly, eager to go.

Leng Ruoxue and Freak soon arrived at Pig Furong’s residence under the lead of Old Zao and the others.

After reaching Zhu Furong’s residence, Leng Ruoxue quietly sneaked into her room, knocked her out, and stored her in a pet ring.

“Xue’er, what do you want to do with her?” Freak asked curiously.

“You’ll know then, hehe.” Leng Ruoxue smiled evilly, her face full of mystery.

“Grandpa, let’s go!” Leng Ruoxue said to Leng Qingtian and the others waiting in the courtyard after exiting the room. Then she summoned her beasts back.

After all the beasts arrived, Leng Ruoxue sent them back into the bracelet and left the city lord’s mansion with Freak.

“Xue’er, where are we going?” Freak asked after leaving the city lord’s mansion. This wasn’t the way back to the cell.

“To the city gates! There are the most people there,” Leng Ruoxue said matter-of-factly.

“Oh!”

When they arrived at the city gates, Leng Ruoxue summoned Quill.

“Freak, turn around. Don’t look,” Leng Ruoxue said domineeringly.

“Yes, my wife.” Freak turned around obediently. *?Hehe, I can guess what Xue’er wants to do with my eyes closed.*

Leng Ruoxue took out a rope made of beast tendons, tied Pig Furong into a dumpling, and handed her to Quill.

“Quill, hang this thing at the city gates,” Leng Ruoxue ordered.

“Yes, Master.” Quill was a little disgusted. He grabbed one end of the rope with his claws, flew into the air, and found a good spot to hang Pig Furong.

At this moment, the guards guarding the city gates didn’t expect one of the city lord’s daughters to be hanging above their heads, naked...

After doing all this, Leng Ruoxue and Freak returned to the cell openly.

“Freak, take this appearance changing pill!” Leng Ruoxue took out two appearance changing pills and gave one to Freak as soon as they entered the cell. She took one herself. Alas! She didn’t want her grandfather to worry!

“Okay, Xue’er, let’s sleep for a while! There will be a good show tomorrow!” Freak said after taking the pill.

“Then let’s sleep for a while. We’ll wait for the city lord to visit tomorrow,” Leng Ruoxue said with a light smile.

“Yes, how dare he have designs on my woman. He’s dead meat,” Freak said hatefully. Then he lay on the recliner with Leng Ruoxue in his arms...

The next morning...

“Ah! Xue’er, why are you beating me up?” Freak covered his face with tears in his eyes, aggrieved.

“Ah! You’re Freak?” Leng Ruoxue was embarrassed. She opened her eyes and saw a fat stranger hugging her, so she punched him without thinking...

Uh! When she woke up, she really forgot that Freak ate an appearance changing pill last night because the appearance changing pill had yet to show its effects when they went to sleep yesterday. Moreover, this appearance changing pill was newly concocted by her, and she had added many new medicinal herbs in it, so she wasn’t sure what the appearance changing pill would turn Freak into. To be honest, she wasn’t very certain of its effects either. But the appearance changing pill actually turned Freak into an ugly fatty, which was unexpected.

“Xue’er, you can’t even recognize me anymore. Boohoo... I’m so sad!” Freak said sadly, his tears threatening to fall.

"I didn't do it on purpose. You've really changed too much!" Leng Ruoxue said embarrassedly. How could she expect that a mere appearance changing pill could change the appearance and figure of Freak??*Boohoo...*

"Xue'er, no matter how ugly you become, I can instantly recognize you by your smell. How can you not recognize me!" The more he thought about it, the sadder he became.*?Boohoo...*

*Uh! What does he mean by smelling me? When did he become a little dog??*Leng Ruoxue was at a loss for words.

"Freak, I'm sorry! I was scared because I wasn't mentally prepared!" Leng Ruoxue said guiltily.

"Then kiss me, and I'll forgive you." Freak took the opportunity to ask for a kiss.

"Erm... let's not kiss first, okay? I think it's weird," Leng Ruoxue said tentatively.

"No, wuu wuu... Xue'er, you despise me. I didn't even despise you! In fact, you're also ugly." Freak choked with sobs.

"Uh, don't cry! Fine, I'll kiss you. Who's afraid of who!" Leng Ruoxue said stubbornly. With that, she pulled Freak's head closer, closed her eyes, steeled her heart, and kissed him.*?Well, even though his appearance has changed, he doesn't feel different. Fortunately, luckily...*

After kissing for a long while, Freak was finally satisfied...

"Xue'er, you look so ugly," Freak teased with a chuckle.

"Really? Let me see." Leng Ruoxue took out a mirror from the bracelet and saw her current appearance through the mirror.

Chapter 344: The Unlucky City Lord's Mansion (3)

Damn! Is this me? Freak made an understatement.?Her current appearance wasn't something that could be described with the word ugly.

In the mirror, her skin was yellow, her hair was dry, and her facial features weren't straight. Her mouth was crooked, one of her eyes was big, the other was small, her nose was red, and her body was a little swollen. In short, she was a woman too ugly to be called merely ugly.

"Freak, I've troubled you," Leng Ruoxue said very sincerely to Freak after admiring her appearance.

"It's okay. I don't mind, so you can't despise me either!" Freak said coquettishly as his starry eyes welled up with tears. In fact, he was quite satisfied with Xue'er's current appearance. Hehe, this way, no man would have any ideas about his Xue'er.

"Yes, I don't despise you. I was only a little uncomfortable just now. Did it hurt?" Leng Ruoxue said with some heartache while lightly caressing the bruises on Freak's face.

"It doesn't hurt. I have thick skin. Your strength won't hurt me. Hehe." Freak hugged Leng Ruoxue and smiled foolishly.

"That's good."

Then Leng Ruoxue summoned Rise and ordered, "Rise, go out and scout the situation!"

"I guarantee to complete the task!" Rise stared at Leng Ruoxue in disbelief for a long time before thinking, *?Boohoo... Where is my incomparably beautiful female master?*

"Freak, I'm a little depressed," Leng Ruoxue said leisurely after Rise disappeared. She didn't expect the effects of this appearance changing pill to be so remarkable, actually changing her and Freak so thoroughly that even her own beasts almost couldn't recognize her...

"Uh! Xue'er, it's okay. They will get used to it," Freak comforted.

"Okay, I'll make do first for our safety!" Leng Ruoxue nodded.

About half an hour later, Rise returned to the cell.

"Master, it's so lively outside now," Rise said happily while climbing onto Leng Ruoxue's wrist. Hehe, moreover, he had helped spread some rumors...

"Report it," Leng Ruoxue said with interest.

"Master, that naked woman is still hanging at the city gates. I heard that the city lord thought of many ways but couldn't save her from above. Many people have gone to the city gates to watch the commotion. Moreover, I hid in the crowd and told everyone what happened last night in the city lord's mansion. Hehe, Windless City is almost a mess now," Rise said with a face full of pride.

"Well done," Leng Ruoxue praised. *?Haha, this is exactly the effect I want.?The city lord must be so angry that he's about to vomit blood...*

"Xue'er, the city lord has lost all his face this time," Freak said with a smile. *?Hmph! How dare he have designs on my woman. This punishment is still considered light!*

"Freak, do you think the city lord will still look for us today?" Leng Ruo asked curiously.

"Of course! He can't count on his daughter anymore, so he still has to count on you!" Freak said.

"Okay, let's prepare to welcome him. We'll give him a big gift then." A cunning smile appeared on Leng Ruoxue's beautiful face.

"Who do you want to welcome?" A teasing voice sounded in the cell.

"Definitely not you. Why are you here again?" Leng Ruoxue asked with a frown while looking at Lan Ming, who appeared in the cell.

"You're really too heartless. I rushed here early in the morning to see you, but you're actually treating me like this. Boohoo... I'm so sad!" Lan Ming called out beautifully.

"Stop pretending. You're here to watch the show, right?" Leng Ruoxue said in realization.

"Hehe, I'm here to see if there's anything I can help with... and also see the commotion," Lan Ming said honestly. This morning, after hearing about the incident in the city lord's mansion, he immediately thought of Leng Ruoxue and Ye Chen, so he immediately rushed over.

“President Lan, if you want to watch the commotion, you seem to have come to the wrong place. The city lord’s mansion is the most lively place now,” Leng Ruoxue reminded.

“I don’t want to go to the city lord’s mansion. I’m more interested in you,” Lan Ming said with slight fear, as if the city lord’s mansion was a tiger’s den.

“Haha!” Leng Ruoxue couldn’t help laughing hysterically. Of course, she knew what Lan Ming was afraid of. Those daughters of the city lord’s mansion all regarded him as the most delicious food. It would be strange if he wasn’t afraid.

“Is it very funny?” Lan Ming said angrily.

Leng Ruoxue turned her head and asked, “Isn’t it funny? Freak, do you think it’s funny?”

“President Lan, there’s no need to be embarrassed. I understand you,” Freak said sympathetically. *Alas! Being chased by unappetizing women is indeed not something to brag about.*

“Thank you, but I want to know why you have become like this?” Lan Ming was very curious. He would definitely be scared away by these two people in front of him if he didn’t have good composure. Their appearance was really too unique.

“I’ve seen that face for a long time, and I’m a little tired of it, so I wanted to change to something new,” Leng Ruoxue teased.

“But this is a little too new. Uh! I suggest you don’t go out at night, or you will definitely be treated as ghosts,” Lan Ming said very seriously.

“That can only mean that some people’s mental fortitude needs to be strengthened,” Leng Ruoxue said calmly.

“...”

“By the way, you were the ones behind what happened in the city lord’s mansion last night, right?” Lan Ming said with certainty even though it was a question.

“Would you believe me if I said no?” Leng Ruoxue asked.

“No. No one in Windless City is so bold except for you,” Lan Ming said understandingly. He still had this bit of judgment.

“Who said no one has the guts?” Leng Ruoxue asked.

“Uh! Really? Why don’t I know?” Lan Ming was stunned. He had been in Windless City for several years, but he had never heard of anyone who dared to look down on the city lord. After all, the city lord was heaven to the people of Windless City!

“It’s you!” Leng Ruoxue said lightly.

“Me? You think too highly of me. I would have done something long ago if I had the guts,” Lan Ming said pitifully with a bitter face.

Chapter 345: The Unlucky City Lord’s Mansion (4)

“President, don’t pretend to be pitiful. Your acting skills are too lousy,” Leng Ruoxue said disdainfully. According to her guess, the reason why Lan Ming didn’t take action against the city lord’s mansion was not that he didn’t dare to, but that he didn’t care for it! After all, with Lan Ming’s status, a small city lord’s mansion was nothing!

“Alas! Can you not be so shrewd! You’re right. I’m mainly too lazy to deal with those ants.” Lan Ming’s handsome face was full of disdain.

“Even ants will bite. You should get rid of them as soon as possible and don’t keep them to cause trouble for yourself!” Leng Ruoxue disagreed with his idea. In her opinion, any danger should be killed in the cradle.

“That’s true. But you still haven’t told me whether you were the ones behind what happened in the city lord’s mansion?” Lan Ming asked stubbornly.

“If you think so, then so be it!” Leng Ruoxue said ambiguously. Hehe, it would be impossible to get an accurate answer from her mouth.

“Are you giving me a tongue twister?” Lan Ming was speechless. This girl was really too difficult to deal with. Alas! Forget it. He wouldn’t ask. No one else would dare to do this except them anyway!

“President Lan, you have to uphold justice for us when the city lord comes!” Leng Ruoxue suddenly said pitifully when she heard footsteps in the distance.

“Don’t worry. I will definitely uphold justice for you,” Lan Ming said cooperatively.

“President Lan, why are you here?” A strong voice sounded in their ears as the footsteps approached.

“Hmph! Our association’s mystics were arrested by your second miss. As the president, how can I not come!” Lan Ming snorted coldly.

“What? They are mystics?” Zhu Binghuan was shocked and felt that something was amiss. He knew very well that the people locked in the cell were the people his daughter mentioned, and he was here for these two people today.

“What? Sir City Lord, don’t you believe me?” Lan Ming glanced at Zhu Binghuan coldly.

Zhu Binghuan wiped the cold sweat off his forehead and said with a smile, “Ah! President Lan, that’s not what I mean. I just felt that I couldn’t feel the aura of mystics on them, so I was a little curious.”

“You’re only a Spiritual Deity, yet you still want to feel the aura of mystics. Hmph! What a delusion. You’re daydreaming,” Lan Ming said without giving him any face. If mystics couldn’t hide their auras and allowed Spiritual Deities to sense them, they would be failures.

“Ah! President Lan, that’s not what I mean. What I mean is that many mystics like to release their auras, so...” Zhu Binghuan explained fearfully.

“City Lord Zhu, have you seen a true mystic powerhouse? Mystics who can become powerhouses are very low-key. Those that like to be smug can only be considered trash,” Lan Ming said disdainfully.

“President Lan is right.” Zhu Binghuan braced himself and agreed, but he couldn’t help cursing in his heart. *“Damn, you’re a powerhouse, so of course you don’t care about ordinary mystics. But those mystics are already considered powerhouses in our eyes.”*

“Are you the people my daughter arrested because you stole her jewelry?” Zhu Binghuan changed the topic and turned his gaze to the two people in the cell. But what he saw almost scared him out of his wits. *“Damn, where did these ghosts come from! They purely want to scare people.”* He had lived for dozens of years, but this was the first time he had seen people so ugly and unique. It was too shocking!

Seeing the two people hugging each other in the cell, he deeply doubted his daughter’s eyesight. *“Damn it, even if you don’t want to marry that person from the Sun family, you don’t have to find someone so ugly! Do you want to scare him to death?”*

What was more infuriating was that Furong actually dared to recommend her to him, saying that the woman was a drop-dead gorgeous beauty. She made him think about her the entire night. In the end, he hurriedly settled the mess in the mansion this morning and then immediately rushed to the cell. However, not only did he not see any shadow of the beauty, but he even saw the ugliest woman in the world!

What was even more unacceptable was that these two were actually mystics. *“Boohoo... Heaven is really too unfair. Such ugly people can actually become mystics!”*

“City Lord Pig, have you heard of mystics who steal?” Leng Ruoxue questioned coldly.

“Uh! This...” Zhu Binghuan was at a loss for words. Mystics had incomparably noble statuses on the Boundless Heaven Continent. Therefore, he had really never heard of any mystics stealing.

“City Lord Pig, the public security of your Windless City is really too poor. Not only do you throw things away, but you also casually arrest people,” Freak added.

“Yes, City Lord Pig. You have to give our Mystic Association an explanation for this matter.” Lan Ming also joined in the fun.

“Erm... I think this should be a misunderstanding. I’m really sorry, you two.” Zhu Binghuan felt cold sweat flowing down his back after hearing what Leng Ruoxue and the others said. Alas! His greatest wish now was that this matter could be reduced to a small matter. He didn’t dare to provoke the Mystic Association after all! *“Boohoo...”*

“Do you think everything will be okay just because of a misunderstanding?” Leng Ruoxue said indifferently, her eyes flashing with a terrifying light.

“That’s right. We were wronged by your city lord’s mansion and suffered serious mental damage, so you have to give us a satisfactory explanation. Otherwise, we will stay in this cell,” Freak echoed.

“...” Zhu Binghuan was speechless. He couldn’t help thinking. *“Are these two going to rob me? You want an explanation from me? I was nearly scared shitless by you! Who should I ask for an explanation from?”*

“President Lan, what do you think?” Zhu Binghuan turned his gaze to Lan Ming helplessly.

“Don’t look at me. I can’t solve this matter,” Lan Ming declined.

“Hehe, we were wrong to have wronged you two. Please state your requests. As long as I can do it, I will.” Zhu Binghuan had to smile obsequiously at Leng Ruoxue and Freak since Lan Ming was unwilling to help.

Chapter 346: The Unlucky City Lord’s Mansion (5)

“Sir City Lord is quite sensible.” Leng Ruoxue nodded with appreciation.

“Hehe, this is indeed our fault,” Zhu Binghuan said good-naturedly, even though he was about to vomit blood from anger.

“Then we won’t stand on the ceremony. This is the list of the compensation we’re requesting. City Lord Pig, please take a look.” Leng Ruoxue took out a piece of paper that she had prepared long ago and handed it to Pig Binghuan.

“I am willing to compensate as long as you two are willing to let this matter pass,” Zhu Binghuan said through gritted teeth after looking at the list. The list had a lot of things, but it was not difficult to do with the wealth of the city lord’s mansion. At this moment, he still didn’t know that the treasury of the city lord’s mansion had long been emptied.

“Alright. This matter will be resolved once City Lord Pig sends the compensation,” Leng Ruoxue said readily.

“Hehe, can you two leave now? I’ll arrange a place for you to stay,” Zhu Binghuan said ingratiatingly.

“There’s no need for lodging. This cell is pretty good,” Freak said calmly. He was in no hurry to leave.

“No! How can people live here?” Zhu Binghuan said anxiously.

“City Lord Pig, we don’t dare to leave. If we leave and you renege on your promise, our loss will be immense,” Leng Ruoxue said bluntly.

“I swear on my reputation that I won’t go back on my word.” Zhu Binghuan was depressed. Why were these two so difficult to deal with? It was so easy to invite a god but difficult to send one away!

“I’m sorry. We don’t believe in so-called credibility,” Freak said without giving face.

Even though Zhu Binghuan was about to explode from anger, he still had to ask patiently, “Then... then what do you want me to do so that you’re willing to leave this place?”

“You can choose to establish a contract! It’s that simple!” Leng Ruoxue reminded very kindly.

“Okay.” Zhu Binghuan immediately established the contract without hesitation. As the contract array descended, the contract was formally established.

“Two little ancestors, is it okay now?” Zhu Binghuan asked weakly. He wanted to invite these two gods of plague away even if he had to pray to them now.

“Just barely passable!” Leng Ruoxue said with dissatisfaction.

Hearing this, Zhu Binghuan felt like smashing his head against a piece of tofu. He already established a contract with them, but these two gods of plague were actually still not satisfied...

“Since the matter has been resolved, I’ll take the two of them away.” Lan Ming suppressed his smile while watching the commotion.

“Okay. Thank you, President Lan. Please take them away quickly!” Zhu Binghuan said impatiently.

“City Lord Pig, you better prepare our compensation quickly. We don’t have much patience,” Freak reminded before leaving the cell.

Then the two of them left the prison with Lan Ming.

“You are really too amazing. I’m impressed!” Lan Ming couldn’t help teasing them on the way to their new residence.

“President Lan, you haven’t bought a ticket after watching the show for so long!” Leng Ruoxue reminded lightly.

“Yes, what Xue’er says is reasonable. You can’t watch our show for nothing,” Freak said very cooperatively.

Lan Ming was stunned and then said speechlessly, “You... Don’t you care too much about money?”

“I told you, we’re poor!” Leng Ruoxue said nonchalantly.

“But you can’t earn money from your friends,” Lan Ming argued.

“Friends? Who are you talking about?” Leng Ruoxue pretended to be stupid.

“Of course it’s me! I’m already treating you as my friends,” Lan Ming said very seriously.

“Oh! That’s your problem. We haven’t treated you as a friend yet!” Freak said without giving him face.

“...” Lan Ming was so angry that he was at a loss for words. *These two are really...?* He really wanted to beat them up now!

“In fact, even if we treat you as a friend, we still have to collect the money. But we can give you a discount,” Leng Ruoxue said seriously.

“You two... I’m impressed.” Lan Ming was so angry that he stopped talking. He only spoke again after bringing Leng Ruoxue and Freak to the residence he had arranged for them.

Since Lan Ming didn’t say anything, Leng Ruoxue and Freak naturally wouldn’t take the initiative to speak with him.

“This is the place. Do you need anything else?” Lan Ming asked.

Leng Ruoxue and Freak looked at this house. In short, it was not bad. The yard was big enough, there were enough rooms, and the environment was good.

Leng Ruoxue and Freak exchanged glances and said at the same time, “We are very satisfied.”

“That’s good. Please stay here for the time being! Tell me if you have any other requests,” Lan Ming reminded.

“Yes, President Lan. We intend to enter seclusion. If there’s nothing important, it’s best not to disturb us. As for the compensation from the pig family, please help us collect it first. This is the list.” Leng Ruoxue handed Lan Ming a piece of paper.

“Okay, enter seclusion at ease! I’ll help you settle the other things,” Lan Ming promised.

Lan Ming turned and left.

After Lan Ming left, Leng Ruoxue and Freak randomly chose a room as their temporary residence.

“Xue’er, do you think the pig family can still afford the compensation?” Freak asked very curiously while hugging Leng Ruoxue and sitting in a chair in the room. They had taken away all the valuable things in the pig family yesterday.

“No problem. Don’t underestimate the ability of this pig! Moreover, doesn’t he have two daughters waiting to be married!” Leng Ruoxue said with a face full of disdain. Much of the money in the pig family was earned by women for him.

“Haha, Xue’er, looks like what happened this morning has already left him in a terrible fix. I’m really looking forward to seeing his expression when he sees all the wealth that he has accumulated for many years is gone.” Freak smiled mischievously.

“What’s so difficult about that? We’ll know if we go take a look!” Leng Ruoxue said eagerly.

“Hehe, let’s go now!” Freak suggested.

Leng Ruoxue nodded and summoned Quill from the bracelet. The two of them and the beast headed straight for the city lord’s mansion...

Chapter 347: Are You Planning To Rob Us? (1)

After reaching the city lord’s mansion, Leng Ruoxue got Rise to cast an invisibility spell on them and hid in the dark...

At this moment, City Lord Pig had just returned to the city lord’s mansion and already arranged for his newly promoted head steward to retrieve the items from the treasury according to the list while he sat waiting in the chair in the main hall. *Alas! I hope this matter caused by Furong ends soon.* After all, he couldn’t afford to offend the Mystic Association.

“Husband, you have to uphold justice for our daughter!” Zhu Furong’s biological mother, the second madam of the city lord’s mansion, ran in with a crying face. She knelt in front of Zhu Binghuan and hugged his thigh tightly.

“What do you want now?” Zhu Binghuan roared with a splitting headache. *Damn it, every one of them makes me worry.* His daughters were causing trouble outside all day, and these women in the family didn’t stop either. Apart from being jealous, they actually dared to cuckold him. *Hmph!*

“Husband, our daughter has suffered so much. You have to uphold justice for her!” The second madam wailed.

“Uphold justice? What justice? Do you know who did it? Can you find them?” Zhu Binghuan roared angrily. *“Damn, these troublesome women really think I’m omnipotent!”*

“Husband, Furong suspects that it was the two people she captured. Husband, we can’t let them go,” the second madam said fiercely. *“Boohoo...”* Her daughter was basically ruined, so she had to find a scapegoat this time. Otherwise, her husband would definitely not let Furong off easily.

“You mean the two people in the cell did it?” Zhu Binghuan questioned.

“Yes. Furong said that there could be no one else except them,” the second madam said with certainty. Anyway, she would insist on this, and she believed that with her husband’s ability, he could definitely convict the two of them even if there was no evidence. *“Alas! Furong can forget about marrying into a good family in the future since such a thing happened.”* Thus, she had to find someone to vent her anger on! And those two people were the two unlucky people...

“Weren’t they locked up in the cell? How could they have the chance to do it?” Zhu Binghuan continued to question.

“They must have escaped,” the second madam guessed.

“Nonsense. Those two people were properly locked up in the cell. Moreover, do you know their identities?” Zhu Binghuan roared furiously. He didn’t even have the time to send those two plague gods away. How could he dare to cause them trouble!

“Husband, could it be that they have some extraordinary identity?” the second madam asked doubtfully. *“That’s impossible, isn’t it? Furong said that they’re just ordinary commoners. Moreover, they don’t seem to have any background.”*

“Those two are from the Mystic Association. The Mystic Association! Do you dare make them into scapegoats?” Zhu Binghuan roared. *“Hmph! What a pig’s head! No wonder her daughter is equally stupid!”*

“H-how is this possible?” The second madam said in disbelief.

“Why not? President Lan said it himself. How could it be fake? Hmph! Do you know how much wealth our Zhu family lost because of your good daughter? Go pack up for Furong and get her to marry into the Sun family three days later,” Zhu Binghuan ordered resolutely.

“Husband, you can’t treat Furong like this! She is your daughter,” the second madam cried. She was unwilling to let her daughter marry into the Sun family. Even though the Sun Family was one of the Three Great Families, she knew very well what the situation with the Sun family was. *“Boohoo...”* None of the women who married into the Sun family could live for more than three years.

“I don’t want a daughter who only knows how to cause trouble for me all day,” Zhu Binghuan said ruthlessly.

“Husband!” The second madam opened her mouth to say something, but Zhu Binghuan interrupted her...

“Say nothing else. I’ve already made up my mind,” Zhu Binghuan said forcefully.

Seeing that she could no longer do anything, the second madam wiped the tears off her face and was about to leave when she saw the head steward rushing into the main hall...

"Master, bad news. Our treasury has been robbed," the head steward said loudly. *?Boohoo...?* He was originally the deputy steward of the city lord's mansion. He had just replaced the head steward after the incident, but he didn't expect to encounter such a thing on the first day of his promotion. *?Boohoo...*

Zhu Binghuan grabbed the head steward's collar and roared with a red face, "What did you say? Say it again!"

"Master, our... our treasury was robbed," the head steward stammered.

"How is that possible? That place is very secretive. How could it be robbed?" Zhu Binghuan really couldn't believe this. He was extremely confident in the security of his treasury.

"Master, look at this." The head steward handed him a piece of paper with trembling hands.

Zhu Binghuan took the note, opened it, and read it. Then he crumpled the note fiercely and threw it on the ground while striding toward the treasury.

When they arrived at the treasury, Zhu Binghuan looked at the empty treasury. Blood rushed to his head, and his vision darkened as he fainted...

"Husband!"

"Master!"

The second madam and the head steward exclaimed as they rushed over to help Zhu Binghuan.

"My treasures! My lifelong collection!" The first thing Zhu Binghuan did when he woke up was to cry loudly. *?Boohoo... All my treasures are gone.?* This was even more unbearable for him than losing his parents!

"Master, you..." The second madam didn't know how to console him. Her heart ached too since all the money was gone! *?Boohoo...*

"Steward, compile an announcement immediately to make this Great Sage, Heaven's Equal a wanted person!" Zhu Binghuan ordered with tears in his eyes.

"Yes, Master. I'll go right away," the head steward hurriedly said while wiping the sweat off his forehead before turning to leave.

"Husband, what should we do?" the second madam asked fearfully. How could their family live without this money?

"Who am I supposed to ask? Do you know that I have to compensate those two mystics because of your good daughter? Where am I supposed to find enough riches to compensate them now?!" Zhu Binghuan roared furiously. *?What a bunch of incompetent women. Boohoo...*

Chapter 348: Are You Planning To Rob Us? (2)

What kind of bad luck was this! Last night, his house was raided by spirit beasts, and this morning, people discovered that his favored concubine was having an affair with his steward and that his daughter seduced the guards. In addition, another daughter was hanging naked at the city gates. And now, he just discovered that the treasury was robbed. *?Boohoo...?Who was the one messing with him!*

“Husband...” The second madam choked up and didn’t dare to spout nonsense. *?Boohoo...*

“Hurry up and pack up for Furong. I’ll send her to the Sun family tomorrow,” Zhu Binghuan said ruthlessly.

“Yes.” The second madam knew that her husband wouldn’t change his mind now, so she could only resign herself to fate and pack her daughter’s things.

Zhu Binghuan stood alone in the huge treasury in a daze. His heart was bleeding. *?Hmph! Great Sage, Heaven’s Equal, you better not let me find you, or you’re dead meat!*

After watching enough of the commotion, Leng Ruoxue and Freak left the city lord’s mansion and returned to their residence.

“Haha! Xue’er, it’s so funny.” Freak laughed out loud when they returned to their room, feeling incomparably happy.

“Yes, according to my guess, there should be a lot of happy events happening in the city lord’s mansion soon,” Leng Ruoxue said with a light smile while leaning in Freak’s arms. The city lord’s mansion had suffered considerable losses, so Pig Binghuan would definitely be financially strapped during this period of time.

“Haha, Xue’er, he still has to think of a way to pay us the compensation!” Freak said with a smile.

“Yes, Freak. Let’s enter seclusion today!” Leng Ruoxue said with a nod.

“Okay.”

Leng Ruoxue brought Freak into the bracelet. Leng Qingtian and the others, who were waiting for them, were shocked when they saw them!

“Heavens! Where did these ghosts come from! Lass, can you not be so scary?” Old Zao said exaggeratedly while clutching his chest. Even though they were already mentally prepared, the appearance of the girl and Brat Ye was really too shocking now. It was impossible for them to guard against them!

“Uh! Xue’er, are you Xue’er?” Leng Qingtian rubbed his eyes in disbelief.

“Grandpa, of course it’s me.” Two drops of cold sweat dripped down Leng Ruoxue’s forehead. *?Boohoo... Grandpa actually can’t even recognize me anymore.*

“Uh! Xue’er, you... will be very safe with such a getup.” Leng Qingtian thought for a long time before he came up with something less rude.

“Alas! If this appearance isn’t safe, then I will truly have to suspect the aesthetics of the men in this world,” Old Man teased.

Lin Liang stared at Leng Ruoxue and Ye Chen for a long time. Finally, he said, "Give me one. I want to change my appearance too."

"I'll give each of you one." Leng Ruoxue gave each of them a pill. Hehe, she and Freak couldn't be the only ones who changed their appearances! Moreover, she was also a little curious about what the others would look like after taking the appearance changing pill.

Leng Qingtian and the others took the pills and put them in their mouths at the same time.

"Grandpa, this pill will take effect an hour later," Leng Ruoxue explained.

"Oh, then let's wait for an hour." Leng Qingtian said with interest.

An hour later, the appearance changing pill took effect...

Leng Ruoxue watched helplessly as her grandfather went from a tall and handsome middle-aged man to a short and thin little old man. Moreover, he was an incomparably ugly little old man...

As for the short Old Zao, he became taller...

Old Man and Lin Liang were also very different from their original selves. Uh! If she didn't know that the people in front of her were them, she wouldn't have recognized them at all. Hehe, this new appearance changing pill was really too magical!

"Xue'er, how long will this appearance changing pill last?" Leng Qingtian looked at his new appearance and was completely depressed because it was really too ugly.?Boohoo...

"Three months!" Leng Ruoxue said after some thought.

"Really? So long!" Leng Qingtian frowned.?Boohoo...?He couldn't even take it for a day.

"Haha! Grandpa, don't worry. This appearance changing pill has an antidote," Leng Ruoxue teased happily.?Hehe, I didn't expect Grandpa, a big man, to care so much about his appearance.

"Oh, that's good." Leng Qingtian was relieved to hear his granddaughter's words.

"Ruoxue, your appearance changing pill is really amazing!" Lin Liang exclaimed. This was much better than ordinary appearance changing pills. Ordinary ones could change the appearance at best but not the body shape, so people especially familiar with them could still recognize them. But this small pill even changed the body shape. Even people they were familiar with couldn't recognize them. This was really a necessity for escaping!

"Yes, in the future, no one will know that we're the ones doing bad things as long as we take an appearance changing pill. Hehe!" Leng Ruoxue said with a naughty smile.

"Uh!" Leng Qingtian and the others were at a loss for words upon hearing this. This girl was actually addicted to doing bad things. But doing bad things really felt good!

"Grandpa, City Lord Pig is looking for the Great Sage, Heaven's Equal all over the world now!" Leng Ruoxue teased.

“Little Girl, who is this Great Sage, Heaven’s Equal? Will there be any trouble if you push the blame onto him?” Old Man said worriedly. And he couldn’t help thinking, *Does Little Girl have a grudge against that Great Sage, Heaven’s Equal? Why else would she make him the scapegoat?*

“Uh! The Great Sage, Heaven’s Equal is actually just a person I made up. There isn’t someone like that in this world!” Leng Ruoxue explained with two drops of cold sweat dripping down her forehead.

“Oh, that’s good.” Old Man was relieved.

“Grandpa, I’ve already promised President Lan to participate in the Mystic Association’s competition in a month. Moreover, the rewards for the competition are very generous, so we should take advantage of this month to cultivate diligently and strive to attain all the rewards!” Leng Ruoxue said.

“Okay. If we can win those rewards, coupled with the remuneration that President Lan will pay us, we won’t be so short of money,” Leng Qingtian said happily. They were aware of the deal between Lan Ming and Xue’er in the cell that day. So if they could obtain good results, they would be able to accumulate wealth!

Chapter 349: Are You Planning To Rob Us? (3)

“Grandpa, let’s enter seclusion from today onward! I’ve already spoken with President Lan. There should be no one disturbing us,” Leng Ruoxue said.

“Okay, let’s try to break through.” Leng Qingtian walked toward his residence and prepared to enter seclusion as soon as possible. Lin Liang and the others also dispersed...

“Qing Jue,” Leng Ruoxue called out softly to the void.

“Big Sister.” Qing Jue appeared.

“Qing Jue, everyone plans to enter seclusion for a month. If there’s anything important, wake me up. If not, wake us up a month later,” Leng Ruoxue ordered.

“Okay, Big Sister,” Qing Jue answered.

After settling everything, Leng Ruoxue walked into the purple bamboo house with Freak...

A month passed by quickly.

Leng Ruoxue and the others in the Heaven and Earth Bracelet absorbed the rich spiritual energy in the space day and night. Everyone gained a lot.

While cultivating, Leng Ruoxue vaguely felt that she was about to break through, so she opened her eyes...

She looked at the time. It had actually been a month. Time really passed quickly. During this month, she had absorbed a lot of spiritual energy and converted it into mystic power. Now, the mystic power in her body had roughly accumulated to about a third. It wasn’t a lot, but breaking through to Elementary Mystic wouldn’t be a problem.

But it would probably take a long time if she wanted to break through the fourth level of the Heaven Defying Art. Moreover, after breaking through the fourth level, her strength would be equivalent to the

Great Mystics of this world. After breaking through the fifth level, her strength would be equivalent to the Mystic Supremacies of this world. Only at that time would she become a true powerhouse of this world, and her natal flame would also be close to perfection.

“Xue’er, you’re awake?” Freak was overjoyed when he opened his eyes and found that Xue’er woke up earlier than him.

“I just woke up. You... are going to break through?” Leng Ruoxue said while looking at Freak.

“Yes, Xue’er. We can all break through and become Elementary Mystics before the competition,” Freak said. Hehe, he wanted to break through with Xue’er!

“Freak, let’s go out! I wonder if Grandpa and the others are awake yet,” Leng Ruoxue said while looking at Freak.

“Okay.”

They stood up and walked out of the purple bamboo house.

“Big Sister, you’re awake,” Qing Jue said.

“Yes, Qing Jue, you’ve worked hard.” Leng Ruoxue caressed Qing Jue’s little head.

“Qing Jue didn’t do much. Big Sister, President Lan came twice in the past month, and City Lord Pig came a few times. But they were both stopped by Rise,” Qing Jue reported. He had sent Rise out to look after the residence ever since his big sister and the others went into seclusion, so Rise sent all those people back.

“Oh, did they say anything important?” Leng Ruoxue asked.

“President Lan came to take a look. As for City Lord Pig, it’s about the compensation. But Rise already asked him to look for President Lan according to Big Sister’s instructions,” Qing Jue explained.

“Yes, well done.” Leng Ruoxue nodded. She was becoming more and more satisfied with her beasts’ ability to handle situations.

“Qing Jue, has Grandpa and the others emerged from seclusion?” Leng Ruoxue asked. Although everything in her space was under her control, she didn’t need to worry about it since Qing Jue was here.

Qing Jue raised his little head and asked, “No. Do you want me to wake them up?”

“Not for now. Wake them when we set off. I’ll go find President Lan,” Leng Ruoxue said after some thought.

Leng Ruoxue brought Freak out of the bracelet and saw Rise in his original form basking under the sun in the yard, looking very comfortable and leisurely...

Seeing Rise’s body that was as huge as a small mountain, Leng Ruoxue couldn’t help laughing. *Alas, outsiders might faint from fright if they saw Rise’s current appearance.*

“Master!” After sensing his master’s aura, Rise quickly transformed, wrapped himself around Leng Ruoxue’s snow-white wrist, and kept acting coquettishly.

Leng Ruoxue caressed his soft body and said softly, “You’re quite good at enjoying yourself!”

“Hehe, it’s okay!” Rise said shyly and hid his little head under his body.

Leng Ruoxue smiled helplessly and then said to Freak, “Freak, let’s go find President Lan!”

“Okay.” Freak nodded. The two of them left the residence and walked toward the Mystic Association.

When they arrived at the Mystic Association, someone welcomed Leng Ruoxue and Freak warmly.

“Hello, are you two here to convert your spiritual power?” the receptionist asked politely and warmly.

Leng Ruoxue looked at the male receptionist she had never seen and asked curiously, “Are you new?”

“Yes, I’ve only been here for a month,” the receptionist explained.

“Oh, we’re here to look for President Lan.” Leng Ruoxue nodded in realization.

“Please wait a moment. I’ll go notify him,” the receptionist said respectfully. He definitely didn’t dare to neglect anyone who came to look for President Lan.

“Okay.” Leng Ruoxue pulled Freak to a seat in the hall after the receptionist went upstairs to report.

A moment later, the receptionist came down from the second floor.

He walked to Leng Ruoxue and Freak and said, “The president invites you up.”

“Okay.” Leng Ruoxue and Freak stood up and went straight to the door of the president’s room on the second floor. They knocked and directly pushed the door open.

“You two are finally willing to come out,” Lan Ming said helplessly. Alas! They wouldn’t have been able to make it in time if they came out any later.

“Didn’t we say we would enter seclusion?! What’s the rush?!” Leng Ruoxue said with a light smile.

Lan Ming rolled his eyes at Leng Ruoxue and said lightly, “I was afraid that you would be in seclusion for too long!”

“President Lan, you have to learn to trust us. I will definitely keep my promise,” Leng Ruoxue said confidently.

“Yes, little ancestor. I was wrong, okay?” Lan Ming didn’t know what to do with them. He had given it much thought during this month, and he was clearly not their match.

Chapter 350: Are You Planning to Rob Us? (4)

“Okay, we’ll forgive you since you sincerely admit your mistake,” Leng Ruoxue said with a smile.

“Alas! Are you two planning to participate in the competition like this?” Lan Ming sighed helplessly.

“What? Is there something wrong?” Leng Ruoxue pretended to be stupid.

“Of course it’s inappropriate. If you go with these faces, you’ll be laughing stocks,” Lan Ming said honestly. Mystics were favored by heaven and earth, and they had absorbed so much spiritual energy day and night to undergo the baptism of heaven and earth. Therefore, basically all mystics were handsome men and beautiful women. There were almost none who were as ugly as Leng Ruoxue and the others. So he knew what kind of mockery they would receive without even thinking about it.

“President Lan, do you want to tell me that the competition held by the Mystic Association is a beauty pageant?” Leng Ruoxue asked doubtfully.

“Of course not. But almost no mystic is as ugly as you are now. As a mystic, the higher the level, the younger and more beautiful the appearance will be. So…” Lan Ming paused, a little at a loss for words.

“Then just treat us as anomalies!” Leng Ruoxue said nonchalantly.

“You are definitely abnormal among mystics,” Lan Ming said helplessly.

“By the way, did you just say that the higher the level of a mystic, the more beautiful they will be?” Leng Ruoxue asked curiously. She knew that the higher the strength of a spiritualist, the longer they would live. She didn’t expect a mystic to become beautiful. What benefits would her Heaven Defying Art have?

“Yes, we absorb heaven and earth spiritual energy every day, and it will gradually change our physique and appearance, so there are basically no ugly mystics,” Lan Ming said implicitly.

“Then why can’t spiritualists become beautiful?” Leng Ruoxue was a little puzzled. Didn’t spiritualists also absorb heaven and earth spiritual energy?

“The level of spiritual power is too low, so it can at most extend lifespan,” Lan Ming explained. This was the most basic common sense on the Boundless Heaven Continent. He didn’t expect Leng Ruoxue not to know.

Leng Ruoxue nodded understandingly and asked, “Oh. President Lan, when are we leaving?”

“The day after tomorrow! We need to go to the Mystic Association Headquarters. The Mystic Association Headquarters is located in Carefree City, which is very far from here. The journey will take quite some time,” Lan Ming said after some thought.

“Where are we gathering?” Leng Ruoxue asked.

“In your residence!” President Lan said after some thought.

“Okay. We’ll wait for you at home the day after tomorrow,” Leng Ruoxue said.

“Yes. Oh right, this is for you. The compensation the city lord paid you has already been handed to me.” Lan Ming took out a storage ring.

“Thank you, President Lan.” Leng Ruoxue took the ring, casually scanned it with her divine sense, and sent the ring into the bracelet for Qing Jue to handle.

“President Lan, has anything major happened in the past month?” Leng Ruoxue asked curiously.

Lan Ming raised his eyebrows and said mockingly, “The city lord’s mansion married two daughters in a row. I wonder if that’s considered a big deal?”

“This is a big and happy event for the city lord’s mansion, but not for me!” Leng Ruoxue said calmly. She wasn’t interested in what she had already expected!

“Nothing else then,” Lan Ming said directly.

“In that case, we’ll take our leave,” Leng Ruoxue said as she pulled Freak to his feet.

“Alright.” Lan Ming nodded.

After leaving the Mystic Association, Leng Ruoxue and Freak didn’t go home. Instead, they walked around on the streets.

“Xue’er, where are we going?” Freak asked curiously.

“Just taking a walk. We haven’t come out for so long. Let’s breathe some fresh air!” Leng Ruoxue hugged Freak’s arm coquettishly.

“Xue’er, why don’t we find a place to advance first!” Freak suggested.

“Okay.” Leng Ruoxue nodded and then found a less crowded place to let Quill out.

“Quill, bring us to a place to advance,” Leng Ruoxue ordered.

“Yes, Master.” Quill soared into the sky and flew out of the city after Leng Ruoxue and Freak were seated.

After flying for about an hour, Quill stopped at a mountain.

“Master, is this place fine?” Quill asked.

Leng Ruoxue looked around the location and said, “Okay.”

Quill found a flat place to land.

Leng Ruoxue jumped down from Quill’s back and released all her beasts from the bracelet. She found a big green rock with Freak and sat cross-legged on it.

About half an hour later, Leng Ruoxue and Freak’s heaven and earth laws descended one after another, and the two of them absorbed heaven and earth’s bestowment to their hearts’ content...

After the heaven and earth laws disappeared, the two of them consolidated their cultivation for a while before slowly opening their eyes...

“Ah! Master, I’m going to advance!”

“Master, I’m going to advance too!”

The silver wolves spoke one after another. They had always been the lowest level among the beasts, so they would obtain the greatest benefits every time Leng Ruoxue advanced. Many silver wolves were actually already level nine holy beasts. They could become divine beasts if they advanced again this time...

As soon as the silver wolves exclamations sounded, one of the silver wolves took the lead to advance. Streams of heaven and earth laws descended like a relay immediately after...

After a long while, the advancement of the silver wolves officially ended.

Leng Ruoxue looked at the silver wolves with satisfaction. These silver wolves were the first ones to follow her after Baby, Charm, Darling, and Quill. But they had been staying in the space to cultivate because they were relatively weak. She was very happy to have so many silver wolves advance to divine beast.

The advancement of the silver wolves naturally brought her many benefits. Leng Ruoxue adjusted her breathing slightly and stood up from the rock. She looked at Freak and the beasts and said, "Let's go back!"

"Okay." Freak stood up and hugged Leng Ruoxue.

Leng Ruoxue stored all the beasts in the bracelet, sat on Quill's back with Freak, and returned to Windless City.
