

Crazy Wife 931

Chapter 931: Xuan's Request (1)

"Miss!"

Cheng Wu and the others were very happy to see Leng Ruoxue. However, they knew that this was not a place for small talk, so they could only endure it. They also wanted to leave here quickly, especially Cheng Wu. They wished they could grow wings and fly away.

"We can leave now," Leng Ruoxue said in amusement when she saw Cheng Wu's anxious look.

"Yes, yes." Everyone nodded. However, just as they were about to leave, Cheng Lan stopped them.

"Wait!" Cheng Lan looked at Cheng Wu, who was eager to leave her house, and felt very upset.

"Miss Cheng, is there anything else?" Leng Ruoxue raised her eyebrows and asked calmly. She couldn't help but mutter in her heart, would she go back on her word?

When Cheng Wu heard Cheng Lan's words, his heart skipped a beat. To be honest, he was really afraid that Cheng Lan would cause trouble again. He was really afraid!

"Brother Cheng, I can let you leave this time, but..." Cheng Lan looked at Cheng Wu's nervous expression and was furious. She didn't know how to say what she wanted to say.

"But what? What do you want?" Cheng Wu asked warily, his heart wailing. Woo... spare him!

"I will continue to pursue you. I will show you my sincerity. I won't give up so easily." Cheng Lan blushed and said in one breath.

Uh! Cheng Wu was completely depressed after hearing Cheng Lan's words. However, they were in someone else's territory now, so he didn't dare to say anything he shouldn't. Otherwise, if he angered the eldest daughter of the Cheng family, none of them would be able to leave. That would be a tragedy.

"Yes, that's right! Miss Cheng, please remember! You can lead a horse to water but you can't make him drink. If Cheng Wu is willing to be with you, I won't stop him." Leng Ruoxue looked at Cheng Wu's pitiful gaze and could only say helplessly. She said this to remind Cheng Lan not to force Cheng Wu.

"I know. I won't force him. I'll try my best to woo him and move him," Cheng Lan said as bravely as a female warrior born for love. In fact, she had never said such things to anyone in her life, so she was nervous and shy.

"Then work hard! Goodbye!" Leng Ruoxue said and left the Cheng family mansion with everyone.

On the way back to the restaurant, Cheng Wu looked at Leng Ruoxue bitterly and wanted to say something but hesitated.

"Chengwu, why are you looking at me with a resentful expression? You caused this yourself," Leng Ruoxue teased Chengwu after returning to the guest room.

"Miss, you won't even help me!" Cheng Wu said with a depressed expression.

“Why won’t I help you? If I didn’t help you, would you be standing here now?” Leng Ruoxue asked helplessly. Alas! How could she make decisions for Cheng Wu when it came to relationships?

“That’s right! Brother Cheng, if Miss hadn’t thought of a way to get you out, you would only be able to wait as a groom in the Cheng family now,” Feng Da said, wishing for the world to be in chaos.

“I meant just now,” Takeshi reminded him.

“Oh, what if she changes her mind if I didn’t say that just now?” Leng Ruoxue looked at Cheng Wu and chuckled.

“Hehe! That’s true! Miss, let’s leave this place quickly! The further we go, the better.” Cheng Wu smiled foolishly and quickly said. He was now once bitten, twice shy. Therefore, he only wanted to leave this place as soon as possible and stay far away from Cheng Lan.

“Haha! Brother Cheng, it seems like you’re really afraid! Actually, I think that Miss Cheng is not bad. You can really consider her,” Feng Da suggested with a smile.

“Go to hell! If you like it, consider it yourself!” Cheng Wu roared angrily.

“I can’t. I already have someone,” Feng Da said regretfully.

“Lü Tao, you have to be careful.” Cheng Wu looked at Feng Da provocatively and reminded him.

“Doesn’t matter,” said Peachy, unimpressed. “My lady said that new things will only come if I discard the old.”

“Uh!” Cheng Wu was depressed. He didn’t seem to have succeeded in sowing discord!

“Alright, stop fooling around. Since the matter has been resolved, let’s leave tomorrow!” Leng Ruoxue said after watching them laugh for a while.

“Miss, let’s go now!” Cheng Wu was very eager.

“Cheng Wu, you’re a man. How can you be so frightened by a woman?!” Leng Ruoxue said speechlessly. She didn’t think Cheng Lan was someone who would force himself on others! Why was Cheng Wu so frightened? Sigh!

“Miss...” Cheng Wu looked at Leng Ruoxue with a bitter expression, feeling extremely aggrieved. Boohoo... He didn’t want this to happen either! He had never met such a proactive woman in his life.

“It doesn’t matter. Didn’t Miss Cheng say that she won’t force you? What are you afraid of?” Leng Ruoxue said helplessly.

“It doesn’t feel good to be pestered!” Cheng Wu whispered.

“Cheng Wu, I can’t help you. Sigh! I can only say that you’re too attractive to Miss Cheng.” Leng Ruoxue sighed and said sympathetically.

“Miss, don’t leave me alone!” Cheng Wu was so anxious that he was about to cry.

"I'm not ignoring you! Didn't Miss Cheng promise not to force you? Besides, she wants to pursue you. If I forcefully stop her, won't Miss Cheng fly into a rage out of humiliation! That won't do you any good, right?!" Leng Ruoxue explained.

"But I don't want her chasing me," Takeshi said quietly.

"That's not my decision. There's nothing wrong with loving someone. So, unless you kill her, you can't stop her from liking you," Leng Ruoxue comforted.

"Is there no way to make her give up on me?" Cheng Wu couldn't help but ask.

"Cheng Wu, we can't help you with relationships. If you want her to give up, you can only work hard yourself. Running away won't solve the problem," Leng Ruoxue said.

"I know, but I'm really scared of her," Cheng Wu said fearfully.

"What are you afraid of her for?" Leng Ruoxue asked curiously. She wanted to ask this question just now, but it wasn't a good time.

"I don't know. I haven't been around many women," Takeshi said grudgingly.

Chapter 932: Xuan's Request (2)

"Cheng Wu, if you're afraid that she doesn't know anything, then I really can't help you. The only thing I can help you with now is to make her not force you to get married," Leng Ruoxue said.

"Miss, actually, I don't understand either. Why did Miss Cheng target me? I'm not especially handsome," Cheng Wu said in distress.

"Not all women like handsome men. Look, that Lu Xuan isn't especially handsome either!" Leng Ruoxue said with understanding. Cheng Lan was probably a woman who didn't like beautiful men. However, there were still quite a lot of fangirls in this world.

"Uh!" Cheng Wu was speechless, because the more he thought about it, the more likely it was.

"Cheng Wu, running away won't solve the problem. As for Cheng Lan, you don't have to be afraid of her. Anyway, we're leaving tomorrow. Can she still follow us?!" Leng Ruoxue comforted.

"Well, my lady has a point." Cheng Wu nodded and relented. In fact, it seemed that no one wanted to leave in too much of a hurry, so he was alone and no one would take up his suggestion, boohoo...

"Then let's enter the space and cultivate the divine skills! We'll leave here tomorrow morning," Leng Ruoxue said after some thought. The reason why she decided to leave tomorrow was because she wanted to finish cultivating the divine skill.

"Yes." Everyone nodded.

Then, Leng Ruoxue thought of something and brought everyone into the bracelet. Then, everyone returned to their residences to cultivate their divine skills.

Leng Ruoxue and the others went to cultivate their divine skills, while Empty and Leng Qianye sat on the stone chairs in front of the Purple Bamboo House to drink tea and chat.

“This is really a good place!” Leng Qianye looked at the dense spiritual energy in the space and sighed.

He still remembered the shock he felt when he first entered this place! At that time, he was like Grandma Liu who had entered a grand park. He was curious about everything. After a few days, his mood gradually calmed down.

“That’s right! With such a space, their cultivation speed in the God Realm will probably be far superior even to the disciples of the eight great clans.” Empty chuckled, but then he was depressed again. Alas! Unfortunately, his injuries had yet to recover. Otherwise, if he could cultivate here, he would be able to become a high-level god soon.

“Don’t worry. When we find herbs that can treat your injuries and refine them into medicinal pills, you will be able to cultivate normally.” Leng Qianye saw that Empty’s expression had suddenly become downcast and guessed what he was thinking, so he comforted him.

“Yes, I’m not worried,” Empty said with a light laugh. With Xue’er, his injuries could be healed as long as he could find the herbs.

The two of them continued to chat until dawn.

Leng Ruoxue and the freak cultivated for a night. When she came out of the Purple Bamboo House, she saw that the two of them were still chatting. She couldn’t help but say in surprise, “Did you guys talk all night?”

“That’s right!” Leng Qianye said with a smile.

“What are you talking about?” Leng Ruoxue was very curious. These two guys were quite talkative!

“We were talking about you! About your achievements,” Leng Qianye said jokingly.

“Uh! I didn’t do anything great!” Leng Ruoxue said embarrassedly with a few drops of cold sweat on her forehead.

“Why not? Even though you’ve only been in the Boundless Heaven Continent for a few years, you’ve done a lot of things!” Leng Qianye teased in a good mood.

“Uh! Then continue chatting!” Leng Ruoxue was extremely embarrassed. With a thought, she fled with the freak.

“Haha!”

Leng Qianye and Wu’s laughter echoed in Leng Ruoxue’s mind.

“Xue’er, why are you running away?” After leaving the bracelet, the freak said speechlessly.

“I’m a little embarrassed!” Leng Ruoxue said in embarrassment.

“Hehe!” The freak chuckled happily. Such a Xue’er was really rare!

“Don’t laugh,” Leng Ruoxue said, pretending to be unhappy.

“Okay, I won’t, I won’t!” Freak coaxed, then stole a kiss from Xue’er. But before he could make his next move, there was a knock on the door.

“Who is it?” Freak snapped, annoyed at being interrupted when he wanted to do something.

“I’m Lu Xuan,” the man outside the door said helplessly. In fact, he knew that he was a little early and that he had probably interrupted someone else’s fun.

“Can I help you?” Freak asked, opening the door to the room.

“I have something to discuss with Miss Leng,” Lu Xuan said bluntly, seeing that she had no intention of letting him into the house.

“What is it?” Freak asked.

“Uh! Can we talk inside?” Lu Xuan was a little embarrassed.

“Freak, let him in!” Leng Ruoxue said helplessly. She knew that this petty man, freak, was vengeful towards Lu Xuan. Who asked Lu Xuan to disturb what he wanted to do!

“Come in!” The freak glared at Lu Xuan.

“Thank you.” Lu Xuan felt helpless. However, he was the one who needed a favor, so he could only behave.

Lu Xuan walked into the room and greeted Leng Ruoxue politely when he saw her. “Good morning, Miss Leng.”

“Yes, hello. Why are you looking for me?” Leng Ruoxue asked directly.

“It’s like this, Miss Leng. Lan’er and Cheng Wu’s wedding is in three days, so I want to beg you to let Cheng Wu and Lan’er have their wedding before leaving?” Lu Xuan asked with some difficulty.

“Do you know what you’re saying? Miss Cheng has already promised not to force Cheng Wu to do anything he doesn’t like,” Leng Ruoxue reminded.

“I know. Lan’er doesn’t know that I came here on my own.” Lu Xuan was afraid that Leng Ruoxue would misunderstand Cheng Lan, so he quickly explained.

“Miss Leng, due to Cheng Wu’s departure, the wedding was supposed to be canceled. However, because of this matter, not only was Lan’er blamed by the family, but she was also humiliated by the daughters of the Ning family and the Yao family. Therefore, I shamelessly came to ask you to fulfill my wish. Of course, the wedding would be fake. This is only for Lan’er’s reputation,” Lu Xuan added. After saying that, he looked at Leng Ruoxue nervously. After all, he had never done such an annoying thing, so he was a little uneasy and nervous.

Chapter 933: Xuan’s Request (3)

“I can understand your feelings, but I can’t help you with this.” Leng Ruoxue refused. Even though Cheng Wu was her subordinate, she couldn’t make the decision for Cheng Wu. Of course, if Cheng Wu was willing, she wouldn’t object.

“Miss Leng, I know that my request is a little unreasonable, but I really have no choice. The two people from the Ning and Yao families have always been at odds with Lan’er. After Lan’er was humiliated by

them yesterday, she actually cried in grievance. I've known Lan'er for more than ten years, but I've never seen her cry."

"Actually, other than her liking Cheng Wu, some people in the family have also been pushing for this matter. After all, Cheng Wu and the others are too talented, so..." Lu Xuan continued, but he didn't finish his sentence. He believed that Leng Ruoxue would understand what he meant!

"If it weren't for some people's enthusiasm, Lan'er wouldn't have wanted to marry Cheng Wu so quickly. Please believe me. Moreover, because of this matter, Lan'er's other two husbands were so angry that they ran away from home," Lu Xuan continued.

"I'm sorry, I really can't help you," Leng Ruoxue said apologetically.

"Then I'm sorry to disturb you," Lu Xuan said in disappointment. He turned to leave.

"Wait," Leng Ruoxue suddenly called out to Lu Xuan.

"Miss Leng, you..." Lu Xuan turned around and looked at Leng Ruoxue, the surprise in his eyes flashing.

"If you want the wedding to continue, you can actually find anyone. You don't have to find Cheng Wu," Leng Ruoxue suggested.

"I understand," he said, and turned to leave.

"I've never seen such a man," the freak said after Lu Xuan left.

"He lives for Cheng Lan," Leng Ruoxue said knowingly. In fact, she didn't think that Lu Xuan wouldn't think of finding a random man to fake a marriage. He probably found Cheng Wu to try to make Cheng Lan happy.

"Xue'er, I live for you too," the freak said with infinite affection as he wrapped his arms around her waist.

"Yes, I know," Leng Ruoxue coaxed.

The two of them were mushy when Cheng Wu and the others' voices suddenly sounded in Leng Ruoxue's heart. With a thought, she moved everyone out of the bracelet.

Looking at the light bulbs that had suddenly appeared beside him, the freak was very unhappy. He looked at Xue'er with some resentment, and his dark eyes were still flickering with tears. The meaning in his eyes was obvious. 'Why did you release these light bulbs!'

"Cheng Wu, Lu Xuan came just now and wants your help," the freak said before Xue'er could speak.

"Yes, I heard that. Miss, let's leave quickly!" Cheng Wu said fearfully. What he meant was that he couldn't help her! If he really helped her, he would probably never be able to get along with Cheng Lan. Besides, he didn't want Cheng Lan to like him, so he could only turn a blind eye! After all, he had never been a good person.

"Don't be afraid, I've already refused," Leng Ruoxue comforted.

"I have to be afraid. It's safest to leave this place."

“Okay, then let’s leave after breakfast!” Leng Ruoxue thought for a moment and said.

Everyone nodded and left the room together for breakfast.

When Leng Ruoxue and the others walked into the restaurant, there was almost no one inside. After they entered, there were few empty tables in the restaurant.

As they were finishing their meal, they suddenly heard voices from the next table.

“Haha! I think Cheng Lan has nothing to be proud of now,” a young woman said loudly.

“Yes! Now she’s a laughing stock,” echoed the woman across from her.

“Hmph! That b*tch should be like this. This is all her retribution. Who asked her to marry so many men? Now she’s finally kicked an iron plate!” The woman who spoke first gloated, but the jealousy in her eyes was red and could not be concealed.

“That’s right. How many women in the God Realm would dare to be like her! Hmph! Those men spoiled her too much. However, now that she’s finally been dumped, it’s really satisfying!” Another woman added, her face also filled with jealousy.

The two women who spoke were very young and beautiful. However, the words coming out of their mouths were not so pleasant. Moreover, their voices were very loud, so Leng Ruoxue and the others had no choice but to listen.

Not only that, the two women became happier as they chatted and gossiped about Cheng Lan as if no one else was around.

“Damn it, are you done talking? Shut up!” Cheng Wu couldn’t stand it anymore. He stood up and shouted. Even though he didn’t like Cheng Lan, he couldn’t help but feel indignant for her because these two women’s mouths were filled with filth. It was simply unbearable.

“How dare you talk to us like that? Do you know who we are?” The two women immediately shouted when they heard Cheng Wu’s roar.

“I don’t care who you are. Damn it, your mouths are too filthy, you’ve polluted my ears,” Cheng Wu said in disdain. Sigh! It was really infuriating to compare oneself to others! Even though he didn’t like Cheng Lan, he now felt that Cheng Lan was a hundred times better than these two women.

“How dare you call our mouths filthy? Do you want to die?” The two women glared and shouted at the top of their lungs.

“That’s the case,” Cheng Wu said with disgust, not even looking at them.

“Damn it, I’m going to kill you.” A woman roared and attacked. Several blue lights flew towards Cheng Wu...

Cheng Wu gently blocked the woman’s attack with his hand and immediately counterattacked...

Seeing Cheng Wu and the two women fighting, Feng Da and the others quickly hid in a safe place to avoid being implicated and watching the battle.

“You disloyal people.” Cheng Wu was furious when he saw that Feng Da and the others had actually avoided him. None of them had any intention of helping! Even though he did not take these two women seriously, they had to at least share his burden!

Chapter 934: Xuan’s Request (4)

“Hehe, Brother Cheng, all the best!” Song Di cheered.

“Brother Cheng, we’ve given you the chance to perform! Don’t disappoint us!” Feng Da teased.

“What nonsense are you talking about? I didn’t want to show off.” Cheng Wu quickly retorted, but he muttered in his heart. It was obvious that these two women attacked first. He was just defending himself.

“Hehe, it’s all the same. Anyway, just deal with this matter,” Feng Da said with a smile, as if it had nothing to do with him.

Cheng Wu was so angry that he was speechless. He could only vent his anger on these two unlucky women.

Immediately, the attack in his hand increased. Countless divine skills smashed towards the two women like water.

In an instant, the two beautiful women were stunned. Their faces were bruised and their clothes were tattered.

“Just you wait. Our Ning family won’t let you off.”

“Just you wait. Our Yao family will not let you off.”

The two women spoke in unison and fainted.

“The Nings?”

“The Yao family?”

Feng Da and Song Di looked at each other. Then, at the same time, they looked at Cheng Wu. Their faces clearly said, “You’re finished.”

“What are you waiting for? Aren’t you going to leave and wait for someone to catch you?” Leng Ruoxue spoke before Cheng Wu could say anything.

“Oh, oh! Let’s escape while no one is around!” Feng Da hurriedly said.

However, just as everyone was about to leave the crime scene, the shopkeeper of the inn walked in with the waiter.

“Oh my God! What happened?” The shopkeeper looked at the mess in the restaurant and wanted to cry.

Most of the tables and chairs in the dining room were broken. Not only that, but the two women he didn’t even want to mess with were lying on the floor, bruised and battered, as if they had just been

beaten up. Boohoo... what was going on? If he had known this was going to happen, he wouldn't have left the dining room. But it was too late now.

After Leng Ruoxue and the others heard the shopkeeper's words, they ignored him and continued to walk out. However, how could the shopkeeper let go of these people who might be the murderer! He took a step forward and stood in front of everyone, saying as if he was facing death, "Can any of you tell me what exactly is going on?"

"We don't know!" Leng Ruoxue played dumb. Oh! Sorry, they already had a lot of enemies, so they could only pretend to know nothing.

"How can you not know? Aren't you always here?" The shopkeeper was a little angry. He composed himself before saying anything.

"We were too busy eating to notice anything else," Leng Ruoxue said innocently.

"How can you eat when these tables and chairs are shattered?" the shopkeeper asked, his chest heaving with anger.

"It broke when we were almost done eating," Leng Ruoxue explained.

"Then what's going on with Miss Ning and Miss Yao?" The shopkeeper kept telling himself to be calm and ask calmly, but he almost vomited blood when he saw Leng Ruoxue and the others' indifferent expressions.

"Shopkeeper, we don't know them, so I'm afraid we can't answer your question. Why don't you ask them when they wake up!" Leng Ruoxue reminded with a smile, her beautiful face full of innocence.

"We'll take our leave. This is the room fee for the past few days," Leng Ruoxue said again. With that, she took out several crystals and then patted her butt before leading everyone past the shopkeeper and leaving the inn.

"Go and inform the family head that something has happened to the guest shop." The shopkeeper did not dare to stop Leng Ruoxue and the others, so he could only order the waiter to look for the family head. After all, this guest shop was owned by the Cheng family. If something happened to the daughters of the Ning and Yao families here, he could not bear the responsibility alone!

"Yes!" the waiter said quickly. Then he turned and left. The shopkeeper also left the restaurant, but no one was willing to care about the two daughters of the aristocratic families lying on the ground.

At this moment, Leng Ruoxue and the others had long sat on the back of the little peacock and flew out of the Cheng family's Divine Realm.

On the way.

Cheng Wu kept stealing glances at Leng Ruoxue anxiously, blaming himself. Boohoo... He had caused trouble for Miss again. He really didn't do it on purpose.

"Cheng Wu, my man will be angry if you peek at me." Leng Ruoxue couldn't help teasing Cheng Wu when she saw that he wanted to say but didn't dare to.

“Miss, I’m sorry. I caused trouble again,” Cheng Wu said guiltily. Their current strength was still inferior to the eight great clans, but now, they had even provoked the Ning family, the head of the eight great clans. Boohoo...

“What’s the point of thinking about this now?!” Leng Ruoxue comforted.

“Cheng Wu, I just realized today that your ability to cause trouble is above Little Xue’er’s. Little Xue’er only provoked the Wen family, but you provoked three families. Oh! Even the top three families of the eight great families were provoked by you, hehe!” Leng Qianye couldn’t help but tease.

“I didn’t mean to do it. I don’t know,” Cheng Wu said without much conviction.

“You’ve already provoked them. Don’t think about it anymore. I’ll still say the same thing. Since we’re here, we’ll take things as they come. We’ll deal with whatever comes,” Leng Ruoxue said calmly.

“Will there be any trouble at the inn if we leave like this, my lady?” Lü Tao asked. She couldn’t bear the thought. After all, they were the ones who had started this.

Chapter 935: The Ascender Alliance (1)

“That guest shop belongs to the Cheng family. Even if it’s a little troublesome, I believe the Cheng family can handle it,” Leng Ruoxue said after some thought. After all, Cheng Lan had forced Cheng Wu and the others to stay for a period of time, so this was considered compensation. Even though she had a good impression of Cheng Lan, it didn’t mean that she wouldn’t blame Cheng Lan for her actions. Sigh! Who asked her to be protective?

“That’s right. Who is our Brother Cheng doing this for? He just wants to seek justice for Miss Cheng! It’s only right for the Cheng family to clean up after us!” Feng Da said disapprovingly. The Cheng family was the cause of this matter. Therefore, not to mention that he had no sympathy, he felt that Cheng Lan deserved to be humiliated by those two women. To put it bluntly, he also blamed Cheng Lan for forcing Cheng Wu and the others to stay.

“I wonder if Miss Cheng will be even more determined after knowing about Brother Cheng’s protection?” Song Di guessed curiously. After all, women were easily touched.

“Of course! Chengwu is the man he loves, and he offended the Ning family and the Yao family to protect her. If she’s not touched, even I will despise her,” Lin Yuan interrupted.

“Ah! Then what should I do? I don’t want her to be touched! Boohoo...” After hearing what Lin Yuan and the others said, Cheng Wu regretted it. What if Cheng Lan became more interested in him because of this? He really wasn’t interested in Cheng Lan!

“It’s too late to be afraid now! What were you doing just now? Sigh! Just wait for Miss Cheng to chase after her husband for thousands of miles!” Leng Qianye interrupted, wishing for the world to be in chaos. However, he couldn’t help but secretly laugh in his heart. Even though what they said was not impossible, Cheng Wu didn’t have to be so afraid, right? Moreover, the more they saw him afraid, the more they couldn’t help but want to tease him.

“Miss, you have to help me...” Cheng Wu said with tears in his eyes.

“How do you want me to help you?” Leng Ruoxue said helplessly. Sigh! It was really indescribable to see a rough man like Cheng Wu acting cute in front of her!

“Don’t let her know I did this, okay?” Cheng Wu pleaded quietly.

“Even if we don’t say it, do you think Miss Cheng won’t think of you? Besides, the two women from the Ning family and the Yao family might not keep their mouths shut,” Leng Ruoxue analyzed. They were together with Cheng Wu, so even if this matter had nothing to do with Cheng Wu, they would probably think that it was because of Cheng Wu that they would help her. Otherwise, who would help a stranger for no reason?! It was not easy to be a savior, especially in the God Realm. If they were not careful, they would get themselves killed.

“Then what should we do? Miss...” Cheng Wu looked at Leng Ruoxue bitterly, at a loss.

“Uh! Alright, stop acting cute. I’m afraid of you.” Leng Ruoxue was speechless. Why did the people and beasts around her like to use this move? Sigh! She couldn’t help but think to herself.

“Miss, you will help me!” Cheng Wu immediately said with a smile.

“I definitely won’t reveal that you did what happened in the guest shop, but I can’t guarantee anyone else.” Leng Ruoxue smiled evilly.

“Yes, thank you, Miss.” Naritake was very happy. With Miss’s assurance, he was relieved!

“Brother Cheng, don’t be happy too early. Miss said that she won’t leak this matter. Have you forgotten about us? Well! If you don’t coax us, I might say that we’re showing off when Miss Cheng finds us one day!” Feng Da said with a smile.

“You... How dare you disobey Miss? Miss said that she would keep it a secret. Aren’t you her subordinate?” Cheng Wu was furious! He couldn’t help but roar.

“Miss didn’t say that we have to keep it a secret, right?” Feng Da turned to ask Lin Yuan.

“Yes, yes.” Lin Yuan nodded cooperatively.

“Miss!” Cheng Wu was angered by the two of them and turned to Leng Ruoxue for support.

However, Leng Ruoxue deliberately turned her head to the side, as if she didn’t see his pitiful gaze.

“Miss!” Cheng Wu called out, unwilling to give up. Boohoo... If Miss did not help him, he would definitely be teased by these ruthless fellows!

“Brother Cheng, how do you plan to please us?” Feng Da asked with a chuckle. It was quite boring flying in the sky. Now, with Brother Cheng to relieve their boredom, hehe!

“Can I be your slave?” Cheng Wu said helplessly. His resentful gaze kept drifting towards Leng Ruoxue, but she ignored him.

“No.” Feng Da refused without thinking. Sigh! Why did he need cows and horses? He did not farm.

“Then what do you want?” Cheng Wu gritted his teeth. He was going all out.

“Brother Cheng, don’t look at me with gritted teeth. I’m so afraid.” Even though Feng Da said he was afraid, there was no fear on his face.

“What do you want? Tell me!” Cheng Wu said hatefully. If looks could kill, Feng Da would have died tens of millions of times.

“I don’t want to do anything. I’m just a little bored now.” Feng Da smiled evilly.

“I’ve already been bullied by you to this extent, and you’re still bored?” Cheng Wu looked at Feng Da as if he was looking at a monster and said in disbelief. Boohoo... Is there any justice in this world? How can you bully me like this!

“I was bored at first, but after bullying you, I’m not so bored anymore,” Feng Da said honestly.

“Then if I let you bully me, and I don’t fight back or scold you, can you keep it a secret for me?” Cheng Wu asked resolutely.

“If you perform well, there’s no problem keeping it a secret!” Seeing that his goal had been achieved, Feng Da knew when to stop. Well! They were all partners, so he couldn’t joke too much!

“Then come and bully me!” Cheng Wu said impatiently. Uh! The sooner he finished bullying them, the sooner he would be free. Then he wouldn’t have to be on tenterhooks.

“Uh! Brother Cheng, why are you so anxious? Besides, it feels strange to hear this from a man like you,” Feng Da said with goosebumps all over his body. He couldn’t help but wonder if Brother Cheng was agitated by them.

Chapter 936: The Ascender Alliance (2)

“Of course I’m anxious! Hurry up!” Cheng Wu wanted to be bullied by them quickly, so he didn’t have to worry.

“Brother Cheng, Feng Da was joking with you. How could we betray you!” Song Di couldn’t stand it anymore and couldn’t help but say.

“I know. I’ve caused trouble for everyone. If you don’t let me do something, I’ll feel guilty,” Cheng Wu said in embarrassment. In fact, he knew that Feng Da was just teasing him! However, if he didn’t cooperate, he would feel guilty. Hehe! His acting skills were not bad!

“Brother Cheng, I’m very satisfied with your cooperation. Hehe! Don’t worry, we’re all good brothers. I won’t really push you into a fire pit!” Feng Da said seriously and stopped joking.

“Yes, yes, we can joke around when there are no outsiders, but you can’t say that in front of outsiders! Otherwise, it won’t be good if others misunderstand,” Cheng Wu reminded worriedly. The outsider he was referring to was naturally Cheng Lan!

“Brother Cheng, we’re not ignorant people. Don’t worry!” Feng Da comforted him.

“I know.” Takeshi nodded, reassured.

They all smiled at each other.

“Xue’er, where are we going?” Leng Qianye couldn’t help but ask curiously after watching the show.

“Ascender Alliance,” Leng Ruoxue said softly, but Leng Qianye was shocked.

“Why are we going there? Grandpa told us not to go. How dare you be disobedient?” Leng Qianye glared and said angrily.

Before coming to the Cheng family’s Divine Realm, he received a voice transmission from his grandfather and told him that he was fine. It was just that someone wanted his grandfather to help refine weapons, so his grandfather stayed there. Later, he finally found out his grandfather’s location. However, his grandfather reminded him very carefully that he didn’t have to come over and could go do whatever he wanted!

Grandpa was presently in the Ascender Alliance, but he did not know which alliance it was.

In addition, he knew that his grandfather did not want him to go because he was afraid that the Alliance would make things difficult for him. After all, they were traitors who had withdrawn from the Alliance. However, his grandfather’s status as an artificer was useful to them. In addition, his grandfather had a master who was the vice president of the Artificer Association Headquarters. Therefore, the Alliance did not dare to do anything to his grandfather.

However, he did not care so much about him. After all, people died every day in the God Realm. Even if he died, Grandpa would be helpless if he did not know who his enemy was.

“Can you really be at ease if I don’t go and take a look?” Leng Ruoxue asked. Even though Leng Qianye had never shown his worry, she could tell that he was very worried about that Cheapsake Old Ancestor. Even though he said that his ancestor was fine, he probably wouldn’t be at ease until he saw him.

“I.. Hmph! Fine, I’ll go. Who’s afraid of who?!” Leng Qianye made up his mind. In fact, his heart was still trembling. After all, he did not dare to disobey his grandfather’s words. Therefore, he did not dare to go even if he wanted to. However, this little girl was not as timid as him. In fact, Little Xue’er was not afraid of his grandfather at all. Therefore, he thought about it and went with the flow.

“I know what you’re worried about. Don’t worry, if the ancestor blames you, I’ll put in a good word for you,” Leng Ruoxue promised with a smile.

“You said it yourself! Don’t push the blame to me when the time comes. Grandpa is very scary when he gets angry,” Leng Qianye said with a face full of fear.

“Am I that kind of person? Don’t worry, I’m very loyal. If our ancestor blames us, we can just say that we came to the wrong place and don’t know that it’s the territory of ascenders!” Leng Ruoxue said with a wicked smile.

“Are you lying to a three-year-old child? Or do you think Grandpa will believe you?” Leng Qianye said speechlessly. He really had to hand it to this girl. If Grandpa really believed her nonsense, then Grandpa must have been switched.

“How do you know he won’t believe you if you haven’t tried?” Leng Ruoxue asked.

“Uh!” Leng Qianye was at a loss for words.

“Then give it a try!” After a pause, Leng Qianye said helplessly.

“Yes, try it when you have the chance.” Leng Ruoxue chuckled, then leaned against the freak and closed her eyes to sleep.

After flying for nearly ten days, the little peacock finally arrived at the territory of the Ascender.

“Master, we’re here,” the little peacock reminded everyone after stopping above the ascenders’ sphere of influence.

“Okay, land!” Leng Ruoxue instructed. According to the rules of the God Realm, flying into the city was not allowed. That would be regarded as an enemy, so they could only walk into the city. In fact, when they were in the Boundless Heaven Continent, they also walked into the city. Even though the rules on the Boundless Heaven Continent were not as strict as in the God Realm, walking into the city was a manifestation of respect for a certain city. In addition, they had to pay an entrance fee to enter the city. This was the most important thing.

After hearing Leng Ruoxue’s words, the little peacock landed closest to the city gate.

Leng Ruoxue and the others walked straight in after paying the entrance fee.

Apart from the main alliance, the Divine Realm’s Ascender Alliance was divided into five sub-leagues. Each alliance had a leader, and their sphere of influence on the Divine Continent was southwest of the continent. Even though their position there was not as good as the place occupied by the eight great clans, it was still quite good on the Divine Continent.

The people in charge of the Ascender Alliance in the Divine Continent basically belonged to the five alliances. They were also considered the representatives of the five alliances here and were in charge of recruiting talents for the five alliances. After all, the competition between the five alliances was very intense.

“Which alliance does this place belong to?” Leng Ruoxue couldn’t help but ask curiously as she walked on the streets of the city. Oh! This place felt very desolate. Logically speaking, one of the places where organizations that could compete with the natives shouldn’t be like this, right?

“This is the territory of the five alliances. The five alliances in the Ascender Alliance are the weakest, so the city they live in is also the smallest. However, the alliance undergoes an evaluation every hundred years, so their positions will probably change at that time. Therefore, no matter who temporarily holds the fifth position, no one here is willing to manage it well.” Seeing Leng Ruoxue frown, Leng Qianye guessed what this girl was thinking and explained.

Chapter 937: The Ascender Alliance (3)

“You don’t even develop the place you live in well. It can be seen how chaotic the Ascender Alliance is,” Leng Ruoxue said with slight disdain. It seemed that those people in the Ascender Alliance were more selfish than she thought!

She did not have a good impression of the Ascender Alliance because of Leng Qianye. Now that she saw such a city, her impression of the Ascender Alliance became even worse.

“That can’t be helped! The Ascender Alliance isn’t united. Otherwise, they wouldn’t have been suppressed by the natives all this time,” Leng Qianye said in understanding. When he and his grandfather first joined the Ascender Alliance, they were full of enthusiasm! However, they were gradually worn down by the lifeless atmosphere in the alliance. Later, he was bullied again, so he and his grandfather left the alliance in a fit of anger. This also caused some people in the alliance to be dissatisfied.

“Do you have any close acquaintances in the alliance?” Leng Ruoxue asked after some thought.

“One or two. I just don’t know if they’re still around,” Leng Qianye said with uncertainty.

“Which alliance are they in?” Leng Ruoxue asked again.

“Right now, I don’t know which alliance they’re in. Wait for me to contact them,” Leng Qianye said uncertainly. A hundred years was nothing to the people of the God Realm. Furthermore, both his grandfather and him had returned to the Boundless Heaven Continent for a long time. Therefore, the alliance they had originally joined was now in an unknown position.

After saying that, Leng Qianye took out his voice transmission jade token and contacted...

“Little Xue’er, they’re in the Second Alliance now,” Leng Qianye said after contacting her.

“Just ask them about the Cheapsake Old Ancestor!” Leng Ruoxue reminded. The voice transmission jade token communicated with one’s mind, so outsiders couldn’t hear the voice transmission at all.

“Okay,” Leng Qianye replied before continuing the connection.

Not long after, Leng Qianye stopped transmitting his voice and had a solemn expression.

“What’s wrong?” Leng Ruoxue asked curiously.

“They don’t know where Grandpa is either. However, someone told me that the Alliance Master of the First Alliance seems to want to refine an equipment, so I guess Grandpa should be in the First Alliance,” Leng Qianye explained.

“Oh, then let’s go to the First Alliance.” Leng Ruoxue nodded.

“Little Xue’er, you can’t go to the First Alliance,” Leng Qianye stopped her.

“Why?” Leng Ruoxue asked with a faint smile.

“The people of the First Alliance are very bad. They always like to bully others. I was bullied by them back then,” Leng Qianye said awkwardly. Even though the Fifth Alliance of the Divine Continent was only a branch of the Divine Realm’s Ascender Alliance, its power was still the strongest among all the branches.

“Bullied? Who? I’ll help you bully them back.” Leng Ruoxue looked at Leng Qianye with her beautiful eyes and said disapprovingly. Even though she never took the initiative to bully others, those who bullied her would not have it easy either. Well! Those who bullied her family and subordinates would not have it easy either.

“He’s the son of the Alliance Master here,” Leng Qianye said helplessly. Sigh! Little Xue’er’s gaze made him feel like crying.

“It’s okay, I’ll find a chance to let you vent your anger. Oh! Eat this!” Leng Ruoxue thought for a moment and handed Leng Qianye a disguise pill.

“What is this?” Leng Qianye looked at the small pill and asked curiously.

“Appearance Changing Pill! If you want to bully others, of course you can’t be recognized!” Leng Ruoxue smiled evilly, her beautiful eyes filled with schemes. Hehe, since her Cheapsake Old Ancestor might be in the First Alliance, and Leng Qianye had been bullied by the First Alliance, she naturally wouldn’t let them off too easily.

“Xue’er, the First Alliance under the Alliance Headquarters is very strong. They have been in the position of the First Alliance for many years, and the Alliance Master here is said to be the relative of the Alliance Master at the headquarters,” Leng Qianye quickly said. Even though he was very touched that Little Xue’er wanted to stand up for him, he could not let her take the risk for him.

“So what if they have nepotism? I won’t let them know who did it. Don’t worry.” Leng Ruoxue chuckled. There were many tricks up their sleeves. Who would be stupid enough to expose themselves!

“Uh! Alright then! However, we have to be careful,” Leng Qianye reminded. They had already provoked enough people. If they provoked the Ascender Alliance again, they would not be able to survive on the God’s Continent. They would probably be hunted down by countless people wherever they went.

“Yes, bring us to the First Alliance quickly!” Leng Ruoxue urged.

“This way. There’s a teleportation array there.” Leng Qianye pointed at a fork in the road.

“Okay.” Leng Ruoxue nodded. Then, everyone followed Leng Qianye towards the fork road...

Not long after, with a flash of white light, Leng Ruoxue and the others arrived at the First Alliance.

The Ascender Alliance here was composed of a total of five cities. Each alliance occupied one city, and the city where the First Alliance was the largest and most luxurious. However, what amused Leng Ruoxue was that the Ascender Alliance was too lazy, right? The city they were in didn’t even have a name. There was only a so-and-so alliance written outside the city gate!

However, it was quite convenient to go from the Fifth Alliance to the First Alliance. With just a few crystals, they could use the teleportation array to reach the alliance he wanted to go to.

Looking at the luxurious scene in First Alliance, Leng Ruoxue couldn’t help but praise. This place really looked like a prosperous city! Even though she didn’t have a good impression of the Ascender Alliance, she had to admit that First Alliance’s base was very good.

“Xue’er, let’s find a guest shop to stay temporarily before asking about the Cheapsake Old Ancestor!” The freak suggested.

“Okay.” Leng Ruoxue nodded. They really had to find a place to settle down first. After all, they didn’t know when they could find that cheap ancestor!

Then, Leng Ruoxue and the others found a home-style restaurant in the city to stay temporarily.

“Little Xue’er, I’m going out to inquire about the situation. Wait for me in the guest shop,” Leng Qianye said to everyone in the room.

“Let’s go with you!” Leng Ruoxue said after some thought.

“No need. I’ll be back soon,” Leng Qianye said. He just wanted to see if he could find someone he knew and ask about the situation here.

“Okay.” Leng Ruoxue nodded in agreement. Then, Leng Qianye left the room.

Chapter 938: The Ascender Alliance (4)

“Miss, what are we doing?” Feng Da couldn’t help but ask after Leng Qianye left.

“Follow him from behind! Unless someone provokes him, don’t let him discover you,” Leng Ruoxue instructed. She was a little worried about Leng Qianye going out alone. After all, he had an unpleasant experience here. It would be terrible if he met the person who had bullied him before.

In fact, it was just as Leng Ruoxue thought. Not long after Leng Qianye left the inn, he bumped into someone on the street.

“Alright, don’t worry, Miss. We won’t let him find out,” Feng Da and the others promised. After saying that, they immediately left the guest shop.

On the street.

Leng Qianye was asking passers-by about the whereabouts of a friend he once knew. However, just as he asked a few questions, he saw a greasy-haired man swaggering towards him from the corner of his eye. The man was none other than the person who had bullied him back then.

Leng Qianye had already eaten the Appearance Changing Pill that Little Xue’er had given him, so he was not afraid that that person would recognize him. Moreover, he did not want to get into a conflict with that person before he found his grandfather’s whereabouts. Therefore, he took the initiative to give way...

Unfortunately, someone did not appreciate his kindness and insisted on going past where he was standing.

“Where did this ugly freak come from? How dare you block my path? Do you want to die?!” the man said unhappily. For some reason, he didn’t like this ugly freak, so he deliberately came over to find trouble.

“Sir, you were the one who chose to walk this way instead of such a spacious path.” Leng Qianye looked at the smug man standing in front of him and couldn’t help but roll his eyes. He said with slight disdain, “Sigh! It’s been so many years since we last met, but this Yuan Hou still hasn’t improved! I really can’t understand how I was bullied by this thing back then.”

“How dare you talk back to me? I think you really don’t want to live anymore!” Yuan Hou was furious. He had been in the First Alliance for many years, but no one had ever dared to speak to him like this!

Except for that brat from a long time ago. However, wasn't that fellow afraid of him after being beaten up by him?

"Who said I don't want to live? I haven't lived enough!" Leng Qianye sneered. Hmph! He really wanted to beat Yuan Hou up if it weren't for his identity.

"Then how dare you talk back to me? Do you know my identity?" Yuan Hou glared and questioned.

"Who doesn't know you on the Divine Continent!" Leng Qianye said with a faint smile, but his eyes flickered with mockery.

"You still dare to go against me? Hmph! Ugly freak, you must have done it on purpose," Yuan Hou said with certainty.

"Since you're already certain that I did it on purpose, why waste your breath on me?" Leng Qianye said impatiently. The way he looked at the original owner was as annoying as looking at a buzzing fly.

"You're right. Guards, capture him. I want to teach this ugly monster a lesson myself," Yuan Hou ordered with an imposing manner.

"You want to gang up on me?" Leng Qianye asked curiously. Even though he was a little wary of this monkey's identity, he was no longer a rookie who had just entered the Divine Continent many years ago. Moreover, this monkey's subordinates were not very strong, so he was not afraid of dealing with these little monkeys. Well! Since he could not touch that big ape, he would deal with these little monkeys first!

"Haha! You guessed it." Yuan Hou laughed wildly in triumph.

"A group fight? We love it." Suddenly, Feng Da's voice sounded in everyone's ears. At the same time, the original Marquis and his subordinates were surrounded by a group of equally ugly and aggressive men.

When Leng Qianye heard Feng Da's voice, his heart warmed. He couldn't help but sigh in his heart. It was good to be on his side!

However, when Yuan Hou saw Feng Da and the others, his expression did not look so good. This was because Feng Da and the others were at least twice as many as him. Moreover, all of them were tall and burly. Just from their auras, they were not something his subordinates could compare to. Sigh! What should he do?

At this moment, even if he was stupid, he could tell that they were in cahoots. To think that he had thought that the ugly freak was alone! However, he thought about it again. This was his territory, so why should he be afraid?! Therefore, after thinking about it, his aura returned.

"How dare you! Do you have any idea who you're talking to?" Yuan Hou roared.

"We're not talking to you. We're just asking if it's a gang fight." Feng Da asked with a smile. At the same time, he couldn't help but feel uneasy. Damn, don't this pretty boy understand human language?

"So what if we are? If we want to fight, we're not fighting with you. The person we're looking for is him." Yuan Hou pointed at Leng Qianye.

“We’re together. If you are fighting him, you’re fighting us.” Feng Da reminded him.

“How can that be?” Yuan Hou was even angrier when he heard that.

Chapter 939: The Savior (1)

“What’s the difference? I’ve already said that he’s looking for us. Since you like to fight in groups, we’ll fulfill your wish.” Feng Da smiled evilly. Then, he gave Lin Yuan and the others a look. Everyone understood and attacked together to beat up Yuan Hou’s subordinates.

Bang! Bang! Bang! As the punches hit flesh, Yuan Hou’s subordinates quickly couldn’t take it anymore and burst into tears. They had always been used to using their power to intimidate others. They had never thought that they would be beaten up so badly. After all, they were in the territory of the First Alliance. Not many people would dare to beat them up. However, what was even more infuriating was that these people actually beat them with their fists. Boohoo... No one in the God Realm would use their fists in a fight. They were really too careless. Many of Yuan Hou’s subordinates couldn’t help but feel uneasy.

“Spare me! Spare me! Don’t hit me anymore!” It was unknown who took the lead to beg for mercy. Then, Yuan Hou’s subordinates begged for mercy one after another.

Unfortunately, Feng Da and the others turned a deaf ear to their words and beat them up even more happily. Well! The people of the Divine Continent were really different! It had been a long time since they had such a good beating. Moreover, they would not stop until their opponents were beaten down alive. Leng Qianye could not bear to watch the end...

Uh! Leng Qianye was very clear about the combat strength of Feng Da and the others. However, it still felt different to see it with his own eyes. Moreover, seeing Feng Da and the others beating them up so happily, he wanted to make a move. Unfortunately, just Feng Da and the others alone were not enough for Yuan Hou’s subordinates. Therefore, he could only watch with envy.

After Feng Da and the others beat the last person unconscious, they turned their gazes to the original owner.

“Your name is Yuan Hou[1.The pronunciation sounds like ‘Ape’], right?” Feng Da raised his head high and deliberately asked condescendingly.

“So... so what if I am? This... This is the territory of the First Alliance. The Alliance Master of the First Alliance is my father. Don’t mess around!” When Yuan Hou saw Feng Da and the others’ cold gazes, he was so frightened that his entire body trembled and he stuttered. In fact, he really wanted to run, but after seeing their fierce looks, his legs went weak and he couldn’t run at all. Therefore, he could only stand there foolishly and let the other party look at him. The fear in his heart almost suffocated him.

When Leng Qianye saw the gazes of Feng Da and the others, he was also shocked. Uh! They didn’t want to beat up Yuan Hou, right? Even though he wanted to, now wasn’t the time to beat him up. However, Feng Da and the others didn’t give him a chance to stop them and directly got him...

Thud! Thud! Thud! After a few loud bangs, the sound of the original owner screaming like a pig being slaughtered filled the street.

“Ah! Ah! Help!” Yuan Hou cried loudly. Unfortunately, other than Feng Da and the others, there was no one else on the street. The reason why there was no one else here was because Yuan Hou and the others had scared everyone away. Therefore, he had brought this upon himself. Now, not only was there no one to help him, but there was no one to return to the First Alliance to inform his father.

“F*ck, you can’t even take a little beating, and you’re still screaming so miserably. You’re really a disgrace to men. Are you still a man?” Feng Da had just beaten him up when Yuan Hou started wailing like a ghost. This made him very unhappy.

“I’m not a man. I’m not a man. Please spare me! Boohoo...” Yuan Hou cried and begged. He was scared to death. After all, it was always others who begged him like this. This was the first time he had begged someone so humbly!

“Spare you? Dream on!” Feng Da threw a left hook, followed by a right hook. In two moves, he knocked out the teeth in Yuan Hou’s mouth...

The others did not stay idle either. They punched each other in an orderly manner. After a few punches, Yuan Hou was no longer recognizable.

“Don’t hit... hit me!” Yuan Hou slurred.

“Don’t kill him.” At this moment, Leng Qianye couldn’t help but remind him. Then, he punched him again.

“Yes, yes. Don’t worry, we know our limits.” Feng Da nodded and promised.

“My father... won’t let you off.” After hearing that the other party wouldn’t kill him, Yuan Hou naively thought that they were afraid of his father’s identity and status, so he didn’t forget to threaten them.

“Your father? F*ck, I hate being threatened the most. I’ll beat you up until your father can’t recognize you today,” Feng Da said fiercely. Then, his punches became even more ruthless and fierce. In fact, the reason why they didn’t dare to use the divine skill was not only because it felt more realistic to use their fists to hit people, but also because they were afraid that the divine skill would cause too much commotion and attract some people over.

“Your father? F*ck, I hate being threatened the most. I’ll beat you up until your father can’t recognize you today,” Feng Da said fiercely. Then, his punches became even more ruthless and fierce. In fact, the reason why they didn’t dare to use the divine skill was not only because it felt more realistic to use their fists to hit people, but also because they were afraid that the divine skill would cause too much commotion and attract some people over.

Seeing this, everyone punched him a few more times. A moment later, Yuan Hou fainted as they had hoped.

“This guy doesn’t have his subordinates to take the beating!” Feng Da said with dissatisfaction and disdain after Yuan Hou fainted.

“Yes! He’s used to being pampered,” Leng Qianye said speechlessly. However, he was very cooperative.

“Thank you,” Leng Qianye said again, feeling warm inside.

"There's no need to be polite. We're all on the same side. How can we watch outsiders bully our people?! Besides, even if we don't attack these people, I believe you can deal with them yourself," Feng Da said understandingly. He knew that if they didn't appear, Leng Qianye would have attacked himself. However, their appearance was also to let Leng Qianye know that he wasn't fighting alone.

"This is different," Leng Qianye said, touched. Actually, he was quite envious of Xue'er for having such a group of subordinates. Sigh! There were fewer and fewer loyal and united people in the Leng family.

"Can we leave this place now?" Feng Da changed the topic. There was no need to be too polite with each other, so he really didn't like to see Leng Qianye being so emotional. Hehe!

"Yes." Leng Qianye nodded. It was time to leave this place. Otherwise, if he was discovered, he would cause trouble. He knew that the Alliance Master doted on this good-for-nothing son.

Chapter 940: The Savior (2)

"Then let's go!" Feng Da took out Yao from his arms and asked Yao to cast an invisibility spell on them. Then, everyone walked back to the inn.

"Uh! Isn't this Xue'er's beast?" Leng Qianye asked curiously on the way back to the guest shop.

"That's right! Miss lent it to me," Feng Da said. Before they came out, Miss had lent Dazzle to them in case of emergencies. They didn't expect that she would really use it now. Hehe! Miss was still the first to see it!

Everyone chatted as they walked. Soon, they arrived at the entrance of the inn. However, Feng Da pulled them to a corner first. Then, he handed each of them a pill and let them eat it. This pill was the antidote to the Appearance Changing Pill. They had also eaten the Appearance Changing Pill before they wanted to beat someone up. Moreover, they were not invisible when they came out, so they naturally had to go back the way they came out!

"What's this?" Leng Qianye looked at the pill in his hand and asked in confusion.

"This is the antidote for the Appearance Changing Pill. We can return to the inn openly after taking it," Feng Da whispered.

"I'd better not eat it!" Leng Qianye thought for a moment and said. He was in a difficult position. After eating the antidote and returning to his original appearance, he was afraid that others would recognize him. However, he should not eat it! He was also afraid that Yuan Hou would come looking for him. Sigh! He was in a dilemma!

"If you don't eat it, we'll be exposed if Yuan Hou comes looking for us. After all, we still have to stay here for a few more days!" Feng Da reminded him.

"But if I take the antidote, Yuan Hou will still find trouble if he recognizes me," Leng Qianye said helplessly.

"What are you afraid of? Are you planning to leave alone?" Feng Da glared at him. Hmph! Don't think that he didn't know what Leng Qianye was thinking. If he really thought that he wouldn't cause them trouble if he left, then he was wrong. There were some troubles that couldn't be avoided. Besides, Miss wouldn't agree with him doing this. Therefore, Feng Da believed that his decision was right.

“Uh!” Leng Qianye was speechless. In fact, he really had the idea of leaving them temporarily. However, was this Feng Da a worm in his stomach? Why did he know everything?

“Hehe! I advise you not to think about it. If you’re afraid that it’ll be inconvenient for you to show your true face, you can just hide in the space! Anyway, with us around, we’ll definitely find your grandfather! Don’t worry!” Feng Da said very understandingly. However, he couldn’t show himself casually after entering the space.

“Thank you.” Leng Qianye was a little embarrassed. It seemed that bystanders could see things clearly! How could he have forgotten about Xue’er’s space! Thinking of this, he swallowed the pill.

“Alright, we can return to the inn,” Feng Da said. Then, he asked Yao to undo their invisibility spell. Everyone swaggered back.

After returning to the room, everyone immediately went to Leng Ruoxue’s room.

“You’re back? Did you find out anything useful?” Leng Ruoxue asked Leng Qianye. In fact, Qing Jue had already reported everything that happened on the street to her, but she still had to pretend to ask.

“Sigh! One of the two people I’m looking for is missing, and the other is dead.” Leng Qianye sighed softly and said helplessly.

“Little Xue’er, just now on the street, I met the son of the Alliance Master and had a conflict with him, so I had no choice but to return to my original appearance. Uh! I’d better enter the space!” Leng Qianye took the initiative to say.

“Why did you enter the space? Didn’t you change your appearance? He won’t recognize you,” Leng Ruoxue said disapprovingly. The original Leng Qianye was quite carefree on the Boundless Heaven Continent, but he was so careful and restrained on the Divine Continent. She was really not used to it!

“I’ve recovered my appearance. If he sees me, he’ll also find trouble with me. It’s not appropriate for us to have a conflict with him now,” Leng Qianye said honestly.

“Don’t worry! His injuries won’t heal so quickly!” Feng Da gloated.

“How can that be? One pill can heal that injury!” Leng Qianye’s handsome face was filled with question marks.

“Who said that? We have to let him lie down for at least ten days or half a month for the injuries we caused. Hehe!” Feng Da smiled proudly. In fact, they had not only used brute force. When they were beating him up, they had already thought of the consequences. Therefore, they had already tampered with it at that time. However, everyone knew about this matter and there was no need to say it. However, he did not expect Leng Qianye to not know.

“Uh! You guys are really impressive,” Leng Qianye said in admiration. He knew that Feng Da and the others had always been ruthless, accurate, and fast. He did not expect them to still have some tricks up their sleeves. However, if the original owner could really lie in bed for half a month, he would not be worried.

“Hehe! Miss, you taught me well.” Feng Da scratched his head in embarrassment. He did not dare to take credit for this.

"I taught them well?" Hearing Feng Da's words, Leng Ruoxue narrowed her beautiful eyes and said in an unfriendly tone. Boohoo... She wouldn't admit that Feng Da and the others were led astray by her! Don't accuse her like this!

"Uh! No, no! We were born with it," Feng Da quickly corrected himself and wiped the cold sweat off his forehead.

"You're the one who was born with it. We all learned it from you," Songdi said seriously. Her expression was extremely serious.

"Uh!" Feng Da was depressed. How did it become learning from him? Boohoo... He had been wronged.

"Haha!" Looking at Feng Da's aggrieved expression, everyone couldn't help but laugh.

"You can laugh all you want!" Feng Da said calmly. He was very proud of being able to entertain everyone, and he liked the happy atmosphere between them, so he didn't mind being teased occasionally.

When everyone was done laughing, Leng Ruoxue said, "Let's go out in batches starting tomorrow! Maybe we can find useful clues."

"Right." They nodded and divided into groups.

The next day, everyone left the inn in batches.

However, Leng Ruoxue and the freak did not go out. The two of them stayed in the Purple Bamboo House in the bracelet.

"Freak, when do you think that damn ape will be discovered?" Leng Ruoxue couldn't help but ask curiously as she leaned in the freak's arms.
