

## Crippled 311

### Chapter 311: You're Injured Again

"Let go of me. I don't want you to save me! I don't want to live anymore. Let me die!" Bai Youyou shouted loudly. She still wanted to crawl towards the rooftop, but as she struggled, her nails once again brushed across Shen Hanxing's fair and tender skin. The cushion from jumping off the rooftop was very strong. Shen Hanxing's knees were burning, and her arms were also hurting badly. Seeing that Bai Youyou was still struggling disobediently, anger suddenly rose in her heart. "Pa!" She raised her hand. She slapped Bai Youyou directly. "Are you awake?!"

"You dare to hit me?!" Bai Youyou was stunned. She covered her face and stared at Shen Hanxing with her eyes wide open. When she came back to her senses. She was even angrier. She tried to rush up and tear Shen Hanxing's hair. "B \* TCH, what right do you have to hit me?! I'm going to kill you! Go To Hell!"

"Slap!" Shen Hanxing slapped her again without any restraint. She said coldly, "Are you awake? If you're not awake, I'll continue to hit you!"

Shen Hanxing didn't hold back at all. Pink palm prints quickly appeared on her delicate face, and her ears buzzed. Bai Youyou's face was burning. The cold wind on the rooftop blew past her body, and she only felt cold at this moment. She felt that she had survived a disaster.

Shen Hanxing's exquisite eyes were filled with coldness. The cold wind blew her seaweed-like hair, revealing her cold eyes. She said coldly, "Do you still want to die?" She pressed down on Bai Youyou. She asked in a low voice, "Do you still want to fight with me?"

"Let me go!" Bai Youyou kept twisting and struggling, and she couldn't help but burst into tears. She felt wronged and stifled. "What right do you have to care about me? Let me go..."

"Youyou, Youyou..." Mrs. Bai finally came back to her senses. She stumbled over and pulled Bai Youyou into her arms. She burst into tears. "You silly child, what would I do if something happened to you?! How could you take your own life as a joke?!"

"You unfilial daughter!" President Bai was also frightened. He rushed over and raised his hand to give Bai Youyou a slap. However, he raised his hand high and looked at Bai Youyou's disheveled appearance. No matter how hard he tried, he couldn't do it.

"Are you trying to scare me and your mother to death?! How could you do such a thing?!" Mr. Bai's tears streamed down his face. He sighed heavily and squatted on the ground with his hands on his head.

The family of three finally felt the lingering fear. Their hearts were beating rapidly. The hotel staff also reacted at this time. They hurriedly came over and pulled Bai Youyou and the other two away from the edge of the rooftop. They locked the school gate on the rooftop tightly. Only then did they finally heave a sigh of relief.

"Does it hurt?" Ji Yan's heart ached as he helped Shen Hanxing up. Looking at the wound on her arm, his eyes revealed viciousness. "You've been injured again."

Shen Hanxing always seemed to be injured. She was covered in wounds in places that he could see but couldn't see. His wife was supposed to be treasured by others. How could she be so miserable? Ji Yan's eyes were filled with dark emotions, as if he was suppressing something.

"I'm fine. It's just a small injury." Shen Hanxing's palm landed on the back of Ji Yan's hand and comforted him softly, "After all, it's a human life. Moreover, I don't want others to use this matter to hurt you."

.....

Shen Hanxing's eyes were filled with mirth. Taking advantage of the fact that everyone's gaze wasn't on them, she sneakily leaned over and planted a kiss on the corner of Ji Yan's mouth. A pleasant fragrance filled the air. Ji Yan only felt a trace of coolness on his lips before parting with a single touch.

"Mr. Ji is so nice. I don't want anyone to criticize you." Shen Hanxing arched her eyebrows at Ji Yan. She lowered her voice and said softly, "Just like Mr. Ji wants to protect me, I also want to protect you and not let anyone hurt you."

Ji Yan's gloomy mood dissipated, and his Adam's apple moved slightly. He looked at Shen Hanxing and was speechless. At this moment, he really wanted to hold Shen Hanxing tightly in his arms and merge her into his blood and bones, never to be separated.

Bai Youyou was still crying. She lay in Mrs. Bai's arms and refused to speak. She felt scared and embarrassed. Seeing Bai Youyou, Shen Hanxing felt her arm hurt even more. Her eyes couldn't help but turn cold. She quickly stepped forward and stood in front of Bai Youyou. She said coldly, "Miss Bai."

Bai Youyou's crying stopped and then became louder.

"Mrs. Ji." Mrs. Bai raised her head and looked at Shen Hanxing with a complicated expression. For a moment. She didn't know what expression to put on.

### **Chapter 312: Lesson Learned**

It was Shen Hanxing who saved Bai Youyou. She should be grateful, but the root cause of Bai Youyou's unhappiness was also Shen Hanxing. If it weren't for her, today's incident might not have happened. Mrs. Bai could only try her best to maintain her superficial courtesy and asked softly, "Youyou is not in a good mood right now. If you have something to say, why don't we talk about it another day?"

"No, I'm not in a good mood right now, so I have to say something now." Shen Hanxing's expression darkened. She pulled Bai Youyou out of Mrs. Bai's arms and looked at her coldly. "Miss Bai, do you still want to die?"

"I don't want you to care!" Bai Youyou shook Shen Hanxing's hand away forcefully. She shouted, "Don't think that I will be grateful to you just because you saved me?! I will never be grateful to you! I hate you to death! The person I hate the most in this world is you!"

Shen Hanxing was obviously a slut who came from the slums. Why was she better than her in every way? Why did she have to put on a noble attitude and snatch away her lover? Bai Youyou's expression was distorted.

"I don't need you to be grateful, but I hope you can take a good look." Shen Hanxing's gaze was cold. She pointed at the rooftop and said coldly, "Do you know? This is the 38th floor. If you jump down from here, you will instantly become a pile of meat. You will die. This is the only result of you jumping off the roof!"

"No, don't say anything more!" Bai Youyou's eyes widened and fear flashed in them. When she was standing on the rooftop, she had relied on her hatred and determination to ignore many things. Now, she had calmed down. She didn't even dare to recall the situation at that time.

Seeing Bai Youyou crying so miserably, Mrs. Bai's heart ached terribly. She couldn't help but hug Bai Youyou and say, "Mrs. Ji, Youyou's emotions aren't stable yet. You..."

"Get lost! Don't disturb me!" Shen Hanxing suddenly raised her eyes and looked at Mrs. Bai with bloodthirsty eyes. She pulled Bai Youyou over again. She asked her, "Bai Youyou, where is the courage to jump off the building you had just now? Do you know fear now? Do you know that below is the city center, full of cars? After you jump off the building, you will be crushed into minced meat by the cars? Did you know that the people below would have a huge psychological impact when they saw this scene? Would they be unable to sleep in the middle of the night because of you? Would they even need psychological treatment? Moreover, you might just happen to hit a passerby. It's fine if you want to die, but why should you let an innocent passerby die with you?"

Shen Hanxing narrowed her eyes. She wanted to slap Bai Youyou twice more. "The next time you want to die, just quietly find a place to die by yourself. Don't implicate other innocent people and disturb other people's lives! Anyway, if you die, at most, your family and friends will be sad. Don't implicate other people, understand?"

Bai Youyou's lips trembled. She wanted to say that this had nothing to do with Shen Hanxing. She wanted to muster up the courage to scold her, but she didn't dare to. As soon as she recalled the way she looked down from the rooftop, her mind went blank. She couldn't remember how she mustered up the courage to go to the rooftop to seek death.

"There's no need to waste your breath on her." Ji Yan raised his hand and calmly said, "It's getting late. You should go back to school."

...

Shen Hanxing gently exhaled and let out the anger in her heart. She knew that whether Bai Youyou was dead or alive had nothing to do with her. She just... She just couldn't stand it. Mr. Bai and Mrs. Bai were so old, yet they still had to beg bitterly for the sake of this idiot Bai Youyou.

Shen Hanxing closed her eyes and calmed her emotions. Then, she held Ji Yan's hand and left.

When the elevator came up, Ji Yan was just about to enter the elevator when he suddenly stopped. He turned around and smiled at Mr. Bai and Mrs. Bai. "Oh right, I also have to remind Mr. Bai and Mrs. Bai that it's best to bring Miss Bai to see a psychologist when you have time to check her mental state." With that said, Ji Yan stepped into the elevator.

Mrs. Bai glanced at Mr. Bai and asked hesitantly, "What does Ji Yan mean?"

“Shut up!” Mr. Bai’s expression darkened as he sternly said, “Nonsense! Youyou was just acting on impulse. What psychiatrist? We and Youyou are very normal!” As an elderly person, he always felt that seeing a psychiatrist was like having a mental illness and was extremely fearful of it. When Mrs. Bai heard her husband say this, she also fell silent.

Bai You sat beside them in a daze. No one knew what she was thinking. At this moment, the sound of hurried footsteps came from the safety exit.

### **Chapter 313: Useless Trash**

Cheng Songyang’s head was covered in sweat. His suit, which had always been meticulous, was drenched in sweat and in a mess, while his glasses were slanted. “Uncle... Auntie...” he panted and held his knees with both hands, unable to speak for a long time.

“Little Cheng, what’s wrong with you?” Madam Bai was stunned and quickly asked, “What’s wrong with you?”

“I... I heard that Youyou was about to jump off the roof and the elevator didn’t come down for a long time, so I could only take the stairs...” Cheng Songyang panted hard. He anxiously asked, “Is Youyou okay? What happened? Why did she suddenly want to jump off the building?”

Cheng Songyang’s gaze fell on the dejected Bai Youyou, and a dark light flashed in his eyes. It was really disappointing. It seemed that not only did Bai Youyou not cause any trouble for Ji Yan, but Bai Youyou was still living well in this world. She was really useless trash.

Cheng Songyang’s concern made Madam Bai feel touched. Even Mr. Bai’s eyes flashed with satisfaction. However, while he was satisfied with Cheng Songyang, he couldn’t help but feel a little guilty in his heart. Bai Youyou and Cheng Songyang were engaged. The engagement party had already been held, but now, it had become like this because of Ji Yan. Perhaps, Bai Youyou was the one who had done all these things on the social media platforms. This was a very humiliating thing for Cheng Songyang.

Mr. Bai’s expression was a little ugly. He opened his mouth and said with difficulty after a long while, “Songyang, it’s the Bai family that has let you down.”

“Sir, why say that?” Cheng Songyang’s eyes revealed some surprise. He frowned and said, “Although Youyou and I are only engaged, I’ve always treated you two as my elders. What’s there to be sorry about?”

Hearing Cheng Songyang’s words, Madam Bai couldn’t help but cry again. She raised her hand to hit Bai Youyou, but she couldn’t bear to do so. In the end, she could only pat Bai Youyou’s hand. She covered her mouth and silently shed tears. “Look at you. You have such a good fiancé like Songyang. What are you not satisfied with? What are you trying to do?”

Cheng Songyang had a gentle appearance and was considerate. He could also be considered an outstanding young man. Madam Bai couldn’t figure out what her daughter was dissatisfied with!

Bai Youyou lowered her eyelids and laughed self-deprecatingly. Yes, what was there to be dissatisfied with? But she just couldn’t accept it! She couldn’t accept that her thirteen years of liking and anticipation for Ji Yan had turned into a joke. She also couldn’t accept marrying a man who she had no

love for! She really hated it! If she gave up on Ji Yan just like that, what was the point of her thirteen years of persistence?

“Madam Bai, don’t blame Youyou. Actually, I’ve always known that Youyou doesn’t like me...” Cheng Songyang revealed a bitter smile. His face was a little pale, and his voice was still gentle. “Love is something that can’t be controlled. Youyou is very stubborn, but doesn’t this also prove that she is a good girl who values relationships? This isn’t Youyou’s weakness, nor is it her fault. She just fell in love with someone she shouldn’t have fallen in love with.”

Cheng Songyang lowered his eyes. He said softly, “Who hasn’t fallen in love with someone they can’t get in their life? I believe that Youyou will give up on the pursuit of Ji Yan one day, and I also believe that Youyou will see my good side one day...” His refined and handsome face was pale, and his gaze fell on Bai Youyou with deep affection.

.....

Madam Bai was a grateful person. When she saw this scene. Her eyes couldn’t help but redden, and her heart ached even more. In the upper-class society, it wasn’t uncommon for two emotionless people to get married for the benefit of the family. Fortunately, Cheng Songyang had feelings for Bai Youyou, but why couldn’t Youyou turn around and look at Cheng Songyang?

Mr. Bai was also somewhat unable to recover. He let out a long sigh and his face was full of dejection. Only Bai Youyou, who was sitting on the ground, remained unmoved and her face was numb. She felt that this world was too ridiculous and too laughable. Cheng Songyang said he loved her? Hahaha, how laughable! Her parents didn’t see Cheng Songyang strangle her by the neck and press her against the wall to mock her. Everything he was doing now was just an act.

However, it had to be said that Cheng Songyang’s acting skills were very good. Bai Youyou’s heart was boiling with anger. She always felt that she had accumulated a lot of things in her heart and needed to vent them out loudly. However. She was too tired, so she could only sit there in a daze. She couldn’t even say a word.

Seeing Bai Youyou’s dejected appearance, a dark look flashed in Cheng Songyang’s eyes. He slowly moved to Bai Youyou’s side and held her shoulder.

### **Chapter 314: I Will Always Support You**

Cheng Songyang had a faint scent of cologne on his body. The smell was mild and it was easy to let down one’s guard. It was as gentle and harmless as his appearance. He held Bai Youyou. His voice was gentle as he said, “The ground is cold. Youyou, get up quickly.” He paused, then comforted her in a low voice, “I know you feel bad, but you have to take care of your body. If anything happens to you, President Bai and Mrs. Bai will be very sad.” His voice seemed to have a strange rhythm. He helped Bai Youyou to sit down, his slender fingers tapping on her knees, as if he was thinking about how to comfort her, but also as if he was expressing something.

Bai Youyou couldn’t help but follow Cheng Songyang’s hand. Slowly, her eyes became empty. It was as if the only thing in her world was the hand in front of her. The light tapping sound continued to magnify in her world. Cheng Songyang’s voice seemed to come from a very distant place. “Your life is very precious. You should use it to do more important things. Youyou, there are many ways to achieve your goal.”

Cheng Songyang's voice became increasingly gentle. He leaned against Bai Youyou's ear. Every word he said seemed to reach her heart. "Promise me that you won't be so impulsive in the future, okay? No matter what decision you make, I will always support you. As long as you don't Hurt Yourself again, okay?"

Bai Youyou looked up at Cheng Songyang. He was wearing a white suit, his clothes were a little messy, and there were beads of sweat on his forehead. His hair was disheveled from running, and he had never been in such a sorry state before. But even so, he was still as gentle as ever. He wouldn't discourage her, wouldn't stop her from pursuing Ji Yan, would give her advice, and would always stand behind her.

Bai Youyou suddenly realized that she could trust Cheng Songyang! Her eyes slowly turned red. She suddenly threw herself into Cheng Songyang's arms and cried loudly. "I'm so sad!"

"It's okay. I'm here." Cheng Songyang lowered his eyes to hide the dark look in his eyes. He hugged Bai Youyou gently. "It's okay. Everything will be fine."

The scene of them hugging each other was too beautiful. Mrs. Bai and Mr. Bai both heaved a sigh of relief. Mrs. Bai muttered to herself, "It's okay. I told you that she's fine. She doesn't need to see a psychiatrist." Ji Yan's words before he left had scared her. In addition to the fact that Bai Youyou didn't say anything and looked like she was in a daze, as a mother, how could she not be worried? Now that Bai Youyou finally cried, Mrs. Bai was finally relieved. She knew that her daughter was in this state because she had suffered a huge blow and not because she was mentally ill.

"Don't listen to Ji Yan's nonsense." Mr. Bai heard Mrs. Bai's words. With a sullen look, he said, "If it weren't for Ji Yan, Youyou wouldn't have become like this. Ji Yan is vengeful and scheming. His words can't be trusted at all." If their family's daughter went crazy, how embarrassing it would be if word got out?!

Mrs. Bai nodded in agreement. Looking at the gentle and considerate Cheng Songyang, she was finally relieved. Cheng Songyang was the ideal son-in-law for her. Although his career wasn't that impressive, it was enough for him to treat their daughter well.

"Help Cheng Songyang more in the future. You can help him with his investment projects if you can." Mrs. Bai nudged Mr. Bai as she reminded him, "Look at how good he is to our daughter. I can feel more at ease when she marries Cheng Songyang in the future."

"You don't understand business matters." Mr. Bai shook his head, his attitude somewhat hesitant. After all, he was a businessman. It was natural for a businessman to chase after profits. When it came to investment, he was more concerned about the risks and returns.

...

"Yes, I don't understand. Only you understand! It's not like I'm asking you to empty out your assets to help Cheng Songyang. I'm asking you to help him occasionally. Just treat it as investing in a business venture for the children of your family. What can happen?" Mrs. Bai couldn't help say angrily, "In my opinion, Cheng Songyang might not be worse than Ji Yan. Previously, he was the interim CEO of Ji Corporation, wasn't he doing quite well? Ji Corporation's current achievements are also because he took over the Ji Corporation..." No matter what was said, the more Mrs. Bai looked at Cheng Songyang, the more satisfied she felt. His ability wasn't bad, but he was held back by the Cheng family, unlike Ji Yan,

who could rely on Ji Corporation. She believed that if they had the same opportunity, Cheng Songyang could do even better.

### **Chapter 315: You're Not a Child Anymore**

Seeing that his wife was unhappy, Mr. Bai shook his head helplessly. "You're really... Alright, Alright. I'm not as petty as you say. Don't worry, I'll definitely take care of Cheng Songyang."

Mrs. Bai didn't mingle in the business world, so there were some reasons she didn't understand. However, Mr. Bai was different. He knew what the Ji Corporation was like when Ji Yan took over the Ji Corporation. It could be said that the Ji Corporation was riddled with holes. It was much more troublesome than the Cheng family was now. However, Ji Yan had solved all of them one by one and even led the Ji Corporation to rise. Ji Yan was a true business genius. He was born to be a powerful figure in the business world. It was a pity..

Mr. Bai lowered his eyelids as he sighed softly. "I'm not heartless. I have seen how good Cheng Songyang is to Youyou. He has sincere feelings for Youyou. I will not mistreat him." In any case, the Bai family had a lot of money, so it was easy to bring up a young man.

Mrs. Bai nodded in satisfaction. Although their conversation was soft, Cheng Songyang still heard it. He smiled in satisfaction and patted Bai Youyou's hand gently. It seemed that trash wasn't completely useless. Sometimes, Bai Youyou was more useful alive than dead.

On one side, the Bai family had finally calmed down, but on the other side, Ji Yan wasn't in a good mood. With a gloomy look, he went to the pharmacy to buy some medicine for Shen Hanxing. Shen Hanxing was only wearing Si Cheng High School's uniform. She didn't even wear a jacket. Her knee and her arms were full of scratches left by Bai Youyou. She looked terrifying.

"It's just some superficial wounds. It's nothing." Shen Hanxing shrugged indifferently. She smiled and pinched Ji Yan's face. "Mr. Ji, don't be unhappy. You'll make me think that I'm seriously ill and about to die."

"Nonsense!" Ji Yan suddenly raised his eyes and stared at Shen Hanxing. "Don't talk nonsense."

Ji Yan wasn't a superstitious person. He didn't believe in the myths of ghosts and gods. In his world, there was only work and no taboos. However, after meeting Shen Hanxing, he was very sensitive to the word 'death'. He hoped that his wife would always be safe and healthy.

This was the first time that Ji Yan had spoken to her in such a fierce tone in a long time. Shen Hanxing smiled with her eyes curved. She rested her forehead on Ji Yan's shoulder and gently rubbed it. "Will you forgive me just this once?" Her voice was clear and sweet, and she was deliberately acting coquettishly. The way she dragged her words was even cuter.

Ji Yan's heart instantly softened, but he still said with a straight face, "You're not a child anymore."

"I want to be a child." Shen Hanxing smiled as she leaned over to Ji Yan's cheek and kissed him gently. "I didn't have a childhood, and I didn't know what a child should be like. It wasn't until I met Mr. Ji that my life became relaxing. So, I want to be a child in front of you." She had known the hardships of life since she was very young. That was why she had learned to take care of herself and the people around her.

She didn't want to cause any trouble for her grandmother. She had lived like a tense string, not daring to relax in the slightest.

It was only until she met Ji Yan... that Shen Hanxing could truly stretch herself. She could do as she pleased. She didn't have to worry about life, nor did she have to be on guard against anything. Shen Hanxing thought that it was fortunate that she was lucky enough to meet someone who took good care of her.

"You can be a child, but there are some situations where you can't." Ji Yan's black eyes looked at Shen Hanxing, and there was a vague emotion in his eyes. "I hope that you will always be happy."

Shen Hanxing blinked and didn't understand what Ji Yan meant until she saw the emotion in Ji Yan's eyes. Her face instantly turned red! She moved her eyes away and muttered softly, "Mr. Ji has become bad."

Ji Yan chuckled and raised his hand to touch Shen Hanxing's cheek. He said in a low voice, "Apart from when in bed, you can always be a child. You can always be my princess or my queen. As long as you're happy, you can do whatever you want." He would always protect her from behind. He wouldn't let her worry, suffer, or live a miserable life. He would let her be happy and shelter her from the wind and rain.

Ji Yan's voice was too solemn, as if he was making a promise. Shen Hanxing's heart felt warm. She leaned on Ji Yan's shoulder, enjoying the rare cozy time between the two of them.

### **Chapter 316: Too Irresponsible!**

Ji Yan carefully applied medicine on Shen Hanxing's wound. Ji Yan originally wanted to let Shen Hanxing go home to rest, but Shen Hanxing wanted to go to school. In the end, Ji Yan had no choice but to send her back to school. At the same time, the matter of Bai Youyou jumping off a building had caused a huge uproar on the internet.

The matter of a girl being unable to jump off a building because of love was already very high-profile. In addition, this time it involved Shen Hanxing and Ji Yan, causing countless netizens to discuss it.

"Ji Yan and Shen Hanxing are too cold, aren't they? It's a human life. Can't they just temporarily lie to get the girl to come down?"

"Is Ji Yan so cold-blooded towards a girl who has liked him for thirteen years? He's too irresponsible!"

"Irresponsible? Ji Yan agreeing to that girl's request is irresponsible! He's Shen Hanxing's husband and has nothing to do with Bai Youyou. If he hurts his wife for the sake of an irrational girl, that is truly irresponsible!"

"That's right. If Ji Yan agrees to this girl's request, the other girls will follow suit and use the same method to threaten Ji Yan and make him agree to marry her. Then, Ji Yan won't have to do anything else in his life. He can just go to the Civil Affairs Bureau every day to get a divorce and get married!"

"But no matter what, it's still a life! I just feel that Ji Yan's behavior is too cold-blooded!"

"You guys are morally kidnapping! I think Shen Hanxing is right. Their willingness to appear there already proves their respect for life. But people who jump off a building cannot threaten Ji Yan and Shen

Hanxing to make sacrifices! A person who doesn't even cherish her own life doesn't deserve to be loved!"

The internet was in a mess because of this matter. Some people felt that Shen Hanxing and Ji Yan were too cold-blooded. Bai Youyou's parents almost knelt down to beg him, but he still refused to help. Some people also felt that Ji Yan did the right thing. This kind of thing couldn't be set as a precedent. Once it was set, countless girls would follow this method of courtship.

The discussions on the internet were nothing to Shen Hanxing and Ji Yan. They weren't the kind of people who would be affected by the discussions of the outside world. By the time Shen Hanxing returned to school, the news on the internet had already spread to the school. The students looked at Shen Hanxing with admiration.

They didn't reject Shen Hanxing like they did when school had just started. Shen Hanxing had already proven her strength during the live broadcast. Naturally, they wouldn't have any objections to Shen Hanxing. On the contrary, they really admired Shen Hanxing for her good grades. Other than admiration, they were also very curious about Shen Hanxing. After all, in the second half of the video where she jumped off the building, it was Shen Hanxing who saved Bai Youyou.

.....

This kind of dramatic development was like a scene in a TV series to others.

"Shen Hanxing, you're really amazing!" Chu Yuanyuan cupped her face and looked at Shen Hanxing, who was sitting next to her. She said with admiration, "How can you be so amazing?! I'm going to worship you!" She was good-looking! Her grades were good, her fighting skills were good, and had good morals. Did such a person really exist in this world? Being deskmates with such a person was a test of her spiritual acceptance!

"As long as you work hard, you will also be very amazing." Shen Hanxing was very friendly to this deskmate who had always been kind to her. She smiled and said to her, "After all, as the saying goes, a genius is one percent talent and ninety-nine percent hard work."

This was Chu Yuanyuan's favorite sentence, and it was written on every textbook. Hearing Shen Hanxing's words, she blushed and muttered softly, "Although I have always believed in this sentence, I feel that this 1% of talent creates a huge gap." She used to think that she had talent, but after seeing Shen Hanxing, she began to doubt herself! She was a frog at the bottom of a well previously. Only after Shen Hanxing appeared did she know what a true genius was!

Probably because they saw that Shen Hanxing wasn't as difficult to get along with as they had imagined, the other students couldn't help but come over. The students who were still in school were all very simple-minded. When they saw Shen Hanxing's abilities, they all extended friendly signals to Shen Hanxing and asked in a chattering voice, "Shen Hanxing, how do you usually study? You were the first person I've seen who got full marks!"

"Shen Hanxing, did you learn kung fu? Your jumping posture was so handsome, and you saving Bai Youyou was so amazing!"

### **Chapter 317: No Need to Apologize**

“Shen Hanxing, do you know any other skills besides problem-solving? I feel like you know everything. How on earth did you achieve such omnipotence?”

They were chattering and their faces were filled with admiration and curiosity. It was the enthusiasm of youth. Shen Hanxing smiled and answered their questions one by one. This made the students even more excited. It turned out that Shen Hanxing was really not difficult to get along with! Just where did the rumors that made them feel that Shen Hanxing was arrogant, vicious, and very stupid come from?

Just as the atmosphere in the classroom was getting more and more lively, the classroom door was suddenly pushed open. Bai Ling walked towards Shen Hanxing with a sullen look. The surrounding students subconsciously moved aside and looked at Bai Ling with a hesitant expression.

As a genius girl from Si Cheng High School, Bai Ling fit the image of a good student in the teacher’s heart. Her short hair reached her ears, her clothes were clean and neat, and her face was plain. She didn’t have the habit of wearing makeup. It could be seen that Bai Ling was more focused on her studies. She stood in front of Shen Hanxing. Because Shen Hanxing was sitting, Bai Ling looked a little overbearing, as if she was looking for trouble.

Chu Yuanyuan was a little worried. She whispered to Bai Ling, “Bai Ling, the misunderstanding has been resolved. Shen Hanxing didn’t cheat. She entered Si Cheng High School on her own strength. Don’t look for trouble with her anymore.”

Other students also said, “Yes, this matter has already passed. Shen Hanxing is also innocent. She even saved...”

“I know.” Bai Ling interrupted the student and sighed helplessly. “In your hearts, am I such an unreasonable person?” Her body, which had been tense all this time, relaxed slightly because of the students’ words. She looked at Shen Hanxing and said, “Shen Hanxing, I came here to thank you for saving my sister.”

Bai Ling’s gaze was a little complicated. There was some shame and gratitude in her eyes. “It was my sister who caused you trouble.” Bai Ling was a person who knew what was right and wrong. It was her sister, Bai Youyou, who cried and shouted that she wanted to jump off the building. She wanted to interfere in Shen Hanxing and Ji Yan’s marriage. When she thought of how Bai Youyou looked crazy standing on the edge of the rooftop in the video, Bai Ling’s heart couldn’t help but beat rapidly. She felt that her sister was unreasonable, but at the same time, she felt a lingering fear.

It was so close. Tears appeared in Bai Ling’s eyes. She had shown her talent in studying since she was young. In order to obtain better educational conditions, she had started living abroad and didn’t have much contact with her family. Therefore, she didn’t know when her sister, who had secretly given her candy when she was young, had become like this. Bai Ling felt very helpless.

“It’s nothing. I just did what I could.” Shen Hanxing waved her hand carelessly. “Even if it were anyone else, I wouldn’t have turned a blind eye to what happened today.”

“No matter what, I should thank you. In addition...” Bai Ling paused, took a step back, and bowed ninety degrees. “I apologize on behalf of my sister. It was my sister who caused you trouble.”

"I accept your thanks, but there's no need to apologize. It was your sister who did it. It has nothing to do with you." Shen Hanxing shook her head as she said to Bai Ling, "Your sister is an adult and has her own judgment. She should apologize for what she did wrong. As her sister, you don't need to apologize for her, nor do you need to blame yourself for it." Bai Ling was the one to blame.

Bai Ling's eyes turned red. "You really don't blame me?"

.....

"Why should I blame you?" Shen Hanxing spread her hands. "You're just Bai Youyou's sister, not her parents. You didn't compel her to do those things. Class is about to start. Don't worry so much."

"Thank you." Bai Ling took a deep look at Shen Hanxing, then quickly walked back to her seat.

The homeroom teacher quickly walked in, and the students around Shen Hanxing dispersed. Chu Yuanyuan raised the textbook as a cover. She asked Shen Hanxing softly, "Shen Hanxing, is the matter between you and Bai Ling over just like that? Is there no enmity anymore?"

Shen Hanxing smiled and nodded. It could be considered that way.

### **Chapter 318: Have a Good Attitude!**

After Shen Hanxing proved her abilities, the students in the school were much friendlier to her. The school life that she yearned for had finally begun. It was worth mentioning that when Shen Hanxing was getting more and more accustomed to school life. Shen Sisi had submitted an application to the school to suspend her studies and start filming.

Everything was going on in an orderly manner. Winter had passed, and spring was coming soon. The trees on both sides of the street in S City started to sprout.

However, Zhuang Li wasn't in a good mood. "Damn it!" He suddenly swept the documents on his desk onto the ground and said angrily, "Zhuang Yu, what do you mean? Are you deliberately looking for trouble with me?"

"Zhuang Li, be nice!" Zhuang Yu's expression was cold. Her almond-shaped eyes were also flashing with anger. "Am I deliberately finding trouble, or are you not competent enough? Look at the proposal you submitted. Even the most basic writing format is wrong. Who are you fooling?"

"So what if the format is wrong? Don't tell me that you can't understand it if the format is wrong?" Zhuang Li tugged at his tie in frustration. "We are a family. Is it interesting for you to grasp these details? Grandpa asked you to be the vice president, but you really think of yourself as a big shot?"

"Zhuang Li! Manager Zhuang! You better get it straight. I'm your boss now, not your cousin!" Zhuang Yu said sternly. "In the company, you have to follow the company's rules. If you can do it, then do it. If you can't do it, then change people! Even if it comes to Grandpa, I'll still have the same attitude!" She hated people like Zhuang Li the most. He didn't differentiate between public and private affairs. He always used his identity to pressure others. He always looked down on others, as if he was giving her face by giving her a report.

It was really funny. In the company, Zhuang Yu was the vice president that her grandfather personally appointed, while Zhuang Li was only a department manager. She felt that Zhuang Li couldn't

differentiate between the situation and still treated himself as a master. He thought that he was the only successor of the Zhuang Group!

“Alright, Zhuang Yu, don’t be too proud!” Zhuang Li sneered. “You like to find trouble, right? Alright, I’ll do it again. Since you don’t show mercy, don’t blame me for being merciless in the future!” After saying that, he grabbed the proposal on the table and left. As he left, he slammed the door hard!

The door slammed, but the people outside were already used to it. As long as Zhuang Li came looking for Zhuang Yu, it would happen again. They were already used to it.

Zhuang Li returned to his office with a gloomy expression. His office was half the size of Zhuang Yu’s office. He looked even angrier and smashed the office.

“Hey, what’s going on?” A middle-aged man in a flowery shirt, Zhuang Linjiang, sauntered in. He stroked his beard and looked at the mess in the room. He frowned and asked, “Who made you unhappy again? The old man already said that the people below say that you always smash the office. What’s going on?”

“I can smash it if I want to. The old man even cares about such a small matter?” Zhuang Li’s eyes were bloodshot as he said angrily, “Such a small office is like a storage room. I’m also Grandpa’s biological grandson. I don’t even have the right to smash the office?!”

“Enough, why are you angry?” Zhuang Linjiang frowned even more. “It’s not like you don’t know the old man’s personality. He’s very old-fashioned. If you do it well on the surface, he’ll be happy.”

“No matter how well I do it, can he see it? His heart is filled with Zhuang Yu now!” Zhuang Li laughed sarcastically. “How ridiculous. Grandpa actually let a woman like Zhuang Yu inherit the Zhuang Group. Does he not have any grandchildren? I think he’s muddle-headed. Zhuang Yu is going to get married in the future. Does he want the Zhuang Group to change its surname?”

“Alright, keep your voice down. The entire corporation is under the old man’s command. Aren’t you afraid of being heard?” Zhuang Linjiang looked around. He lowered his voice and said to Zhuang Li, “What are you panicking for? Has the Zhuang Group fallen into Zhuang Yu’s hands yet? The matter hasn’t been completely settled yet. Why are you even more impatient than me?”

“Of course you can be patient. All you do is spend all your time drinking and hitting on women. What’s there for you to be impatient about?” As he said this, Zhuang Li was filled with resentment. “It’s all your fault. If you were as good as my dead uncle, the Zhuang Group would have long been mine!”

Zhuang Yu and Zhuang Hengyu’s father was Old Master Zhuang’s eldest son. He had a keen sense of business and had long been designated as the successor of the Zhuang Group.

### **Chapter 319: Giving Advice and Suggestions**

If it weren’t for the plane crash, Zhuang Yu’s father would have taken over the Zhuang Group long ago. The old man wouldn’t have to worry about the corporation at his age. Normally, after the eldest son died, the second son would take over. However, Zhuang Linjiang only knew how to play with women. The old man would never hand the Zhuang Group over to someone like Zhuang Linjiang!

“It’s not like you don’t know that I don’t like to manage the company.” Zhuang Linjiang didn’t feel embarrassed by Zhuang Li’s disdain. He said righteously, “It’s much more interesting to play with women than to manage the company!”

Seeing that Zhuang Linjiang was so unmotivated, Zhuang Li was speechless. He hated himself for not being his uncle’s son! If Zhuang Hengyu wasn’t addicted to being a doctor, the old man would have groomed him to be the heir.

“Alright, don’t blame me in your heart. You’re my son. It’s not like I don’t want the Zhuang Group to fall into your hands.” Zhuang Linjiang spread his hands. He wasn’t a fool. Only in Zhuang Li’s hands could he continue to live a carefree and luxurious life. Only then could money continue to flow into his hands.

“Alright, your father isn’t that useless. I have an idea. Do you want to hear it?” Zhuang Linjiang asked mysteriously.

“Grandfather has already made up his mind. What method do you have to change his mind?” Zhuang Li frowned. Although he didn’t believe Zhuang Linjiang’s words, his body couldn’t help but lean forward a little.

Old Master Zhuang had exceptional skills and was leaning towards Zhuang Yu as the successor of the Zhuang Group and started to delegate power to Zhuang Yu. Zhuang Li’s side didn’t have a good time in the company. It was no wonder that he had been throwing tantrums these few days. Zhuang Li was used to being arrogant, so how could he be willing to submit to others?

“In terms of business matters, I may not be as good as you, but in terms of understanding of the Old Master Zhuang, I know him very well.” As a good-for-nothing, Zhuang Linjiang knew how to figure out the Old Master Zhuang’s intentions the most. After all. His hobbies all required money. If he didn’t want to work and still wanted a lot of money, he had to learn how to please the Old Master Zhuang.

His words made some sense. Zhuang Li’s eyes lit up. “Dad, don’t beat around the bush. If you have any ideas, tell me quickly.” He had had enough of the days when he worked under Zhuang Yu. She had to be calculative over every little thing. She didn’t go easy on him at all. Ever since he entered the Zhuang Group, when had he ever been scolded like this for every little thing? Sooner or later, he would trample Zhuang Yu under his feet, so that she would no longer be able to hold her head high!

“Let me tell you, the Zhuang Group is Old Master Zhuang’s brainchild. What he values the most is the development of the Zhuang Group,” Zhuang Linjiang said proudly. “But why hasn’t Old Master Zhuang handed the corporation over to Zhuang Yu even though you clearly lost the bet with Zhuang Yu? Doesn’t he just want to test you guys again and choose the best one?” A momentary win or loss was nothing. The long-term development of a corporation required careful consideration and foresight. Old Master Zhuang wouldn’t decide the successor so easily.

Zhuang Li was deep in thought.

“During this period of time, as long as you achieve results, Old Master Zhuang’s resources will naturally lean towards you,” Zhuang Linjiang crossed his legs and said with a smile “Silly son, do you really think that the bet between you and Zhuang Yu last time could really decide anything? The management of a company isn’t a game. The Old Master is nurturing Zhuang Yu now because the Zhuang Group can gain a huge advantage in the West Development Zone.”

Zhuang Linjiang patted Zhuang Li's shoulder earnestly. "If your side is more profitable, the Old Master Zhuang definitely won't suppress the power in your hands anymore."

Zhuang Li lowered his eyes and carefully thought about the Old Master Zhuang's attitude recently. The Old Master indeed didn't stop him from leading the project. This was giving him a chance. In other words, the Old Master wasn't afraid that his development would affect Zhuang Yu's status.

After Zhuang Linjiang's advice, Zhuang Li instantly figured out the crux of the matter. He still had a chance!

However... Zhuang Li frowned. He was a little frustrated. "How can it be so easy to get a project that is more profitable than the West Development Zone? Now, in the eyes of others, the Zhuang Group belongs to Zhuang Yu. Who else would like me?"

### **Chapter 320: Tempted**

Zhuang Li became even more irascible when he thought of the bad times during this period. "People nowadays are all snobbish. I can't get any good projects at all!"

In the past, all these benefits belonged to him. After all, it was popular for men to inherit the family property here. His eldest brother, Zhuang Hengyu, was obsessed with medical skills and wasn't interested in business. He was the only remaining male in the Zhuang family. In addition, his business talent was very high. The outside world thought that he was definitely the heir of the Zhuang family. During that time, Zhuang Li was at his peak. The Zhuang Group was deeply rooted in City Z. No matter where he went, others had to be courteous to him. Those who were old enough to be his uncle had to be courteous to him. There were many things that he didn't need to say. As long as he gave a look, someone would automatically hand over the benefits.

But now? These people were all surrounding Zhuang Yu, and all of their connections and resources were leaning towards Zhuang Yu. Business wasn't a one-on-one fight. They still needed connections. But without these things, what would Zhuang Li do?

"Silly son, do you know what your biggest advantage over Zhuang Yu is?" Zhuang Linjiang waved at Zhuang Li mysteriously.

Zhuang Li moved closer to him, his face full of doubt. "What is it?"

"You're a man! Do you understand?" Zhuang Linjiang's smile grew even wider. "You're not young anymore. It's time for you to settle down a fiancée. A business marriage is the most common form of cooperation. At this time, can you form a marriage alliance. Can Zhuang Yu?"

Zhuang Li's expression went blank for a moment. Could Zhuang Yu? Of course she couldn't. At the very least, before she inherited the Zhuang Group, she couldn't think of forming a marriage alliance with anyone! The people of City Z still had the same mindset. They believed that a daughter that was married off wouldn't be considered family. If Zhuang Yu were to get married at this time, the old man would definitely feel uncomfortable. No one would want their lifetime's efforts to become someone else's. However, Zhuang Li was different. He was a man. A marriage alliance would only bring greater benefits and wouldn't shake the foundation of the Zhuang Group.

“But...” Zhuang Li lowered his eyes. He couldn’t tell what he was thinking. “I have a girlfriend now.”

“Silly son, you are really silly. What is that girlfriend of yours? Does a small upstart like the Shen family deserve your status?” Zhuang Linjiang laughed disdainfully. He lit the cigar in his hand, then exhaled a puff of smoke. “That little girl, Shen Sisi, isn’t particularly pretty. If you really like her, just raise her as a mistress. This is very common in our circle. As for women, you can have them whenever you want, but you only have one chance to inherit the family property.”

For the first time in such a long time, Zhuang Linjiang looked like a father. He patted Zhuang Li on the shoulder and said earnestly, “Think carefully, what help can the Shen family provide you? “It’s already good enough for them not to drag you back. Find someone of equal status, and the Zhuang Group will be yours in the future! After you take over the Zhuang Group, wouldn’t it be easy for you to have Shen Sisi? If she is unwilling to follow you, you just need to use some tricks. With power and influence, it’s too easy to get a woman.”

Ambition gradually rose in Zhuang Li’s eyes. He couldn’t help but be moved by the future that Zhuang Linjiang had described. That’s right, everything he did was for the future of him and Shen Sisi. He believed that Shen Sisi could understand him. At worst... After he took over the Zhuang Group, he would divorce and be with Shen Sisi. Shen Sisi was so gentle. She would definitely understand his difficulties.

Thinking of this, Zhuang Li made up his mind. “Okay, I’ll listen to Daddy.”

“Good son!” Zhuang Linjiang laughed. “Come, I’ve already chosen the candidates for you. How about the princess of the Wei Corporation? With the support of the Wei Corporation, what does Zhuang Yu count as?”

.....

No, it wasn’t just Zhuang Yu. In fact, if the operation was done properly, the Zhuang Group would be able to soar to the sky and trample the Wei Corporation and the Ji Corporation under their feet. When that time came, City Z wouldn’t be the so-called three-way alliance, but the Zhuang Group would have the sole power! The position of the so-called business king, the youngest business genius, would have to be replaced!

Zhuang Li’s eyes were filled with ambition. He looked at the girl’s photo displayed on Zhuang Linjiang’s phone and slowly curled his lips. Zhuang Li and his father had reached an agreement on what to do, but Shen Sisi knew nothing about it. She even threw a tantrum on the set. “How can this scene be filmed like this?! I don’t agree!”
