

Crippled 511

Chapter 511: Have He Done with the Scolding?

The way everyone looked at the man changed instantly! The man's face was pale. It was obvious that he had a guilty conscience by just looking at his face. This proved that Ji Yan was right!

The man's face was ashen in the discussions of the surrounding crowd, but he still tried to be brave. "You can't accuse me of murder! You can't simply frame me!"

"Whether you're guilty or not, the police have their judgment." Ji Yan retracted his feet calmly and tidied up his sleeves coldly. He said in a cold voice, "As for me, I'm just handing you over to the police." He had called the police earlier. At this moment, a few police officers came up and nodded at Ji Yan. Then, they handcuffed the man and brought him down. No matter how the man struggled and argued, no one cared.

Yang Xue saw what happened here too. She looked at the man's back as he left. Her eyes were complicated and her lips were trembling. That man wanted to kill her just now. Even though she was broadcasting, it was obvious who wanted her to die.

"Are you still hesitating?" Shen Hanxing did not retract her hand. She waited for Yang Xue patiently. She looked at her and calmly said, "Others don't care about your life, but do you not care either?"

Yang Xue's expression darkened, and Shen Sisi's expression became even more unsightly. She did not expect that man to be so useless. He was seen through by Ji Yan at a glance! They were all a bunch of useless trash! They could not even do such a small thing well! Would that man expose her after he was taken away by the police? Would she be implicated in this incident? Just as Shen Sisi was feeling anxious and uneasy, Shen Hanxing's phone suddenly rang. It interrupted Shen Sisi's thoughts and made Yang Xue unable to decide for the time being.

Shen Hanxing frowned slightly as she looked at the caller ID on the phone screen. It was Shen Yong. Why was he calling her? Ever since the incident last time, Shen Yong had not contacted her for long time. She did not know whether it was because he felt too ashamed to see her or because he was afraid of her revenge. This time, he appeared again. Shen Hanxing glanced at Yang Xue's phone, which was still in the live broadcast. Then, she just pressed one button and turned the speaker on.

"Shen Hanxing, what are you doing?!" Shen Yong's furious voice suddenly sounded, and his roar reverberated through the rooftop. "You're such a traitor! UNFILIAL daughter!"

"What does Mr. Shen mean by this?" Shen Hanxing said calmly. "What did I do wrong to make Mr. Shen so angry?"

"Sisi is your sister. Not only you are not helping your sister, but you helped that hateful assistant. Are you saying that you don't know what you did wrong?" Shen Yong scolded angrily. "She bullied your sister and simply changed the scene on the set, and you still helping her? I think you have too much money! With so much money, you are not showing filial piety to your parents. Instead, you are helping outsiders happily! What kind of sin did I do to give birth to a monster like you? I should have strangled

you to death back then! I didn't want you to harm your sister! Are you pleased when Sisi is unlucky? What kind of heart do you have? !”

As soon as Shen Yong finished speaking, Yang Xue's room and the rooftop fell silent.

Shen Sisi was Shen Hanxing's sister? In her impression, when the two of them met each other, even if they did not fight, the atmosphere between them was not harmonious. Many people on the internet stood on different sides and cursed at each other when their movies were on the show at the same time. But now, people were saying that Shen Hanxing and Shen Sisi were siblings. Even Yang Xue looked at Shen Hanxing and Shen Sisi in shock and doubt.

From their appearances, Shen Hanxing and Shen Sisi did have some similarities. Both of them had inherited Shen Yong's nose shape. Both were tall and pretty. It was just that Shen Sisi's facial features were pure and delicate, while Shen Hanxing was bright and generous. Her small face, which was the size of a palm, was elegant and graceful. The two of them had different temperaments and their ways of doing things were very different too. It was obvious that they were not close to each other. Therefore, even if there was a little resemblance and they were both surnamed Shen, no one would link them together.

Shen Sisi's face was pale. She lowered her head as if she was sad, but her heart could not help but flash with pride. Sure enough, her daddy was still on her side. For her sake, he did not hesitate to scold Shen Hanxing directly in front of the millions of viewers in the live broadcast room. Even Shen Yong, who was Shen Hanxing's father, did not trust his biological daughter. No matter what Shen Hanxing said, she was at a disadvantage. If even her biological father did not trust Shen Hanxing, why would the others trust Shen Hanxing?

However, Shen Hanxing, who was at the centre of the storm, had always been very calm. She allowed Shen Yong to scold her without any change in her expression. When Shen Yong was tired of scolding, he finally stopped. She held her phone and chuckled, “Have you done with your scolding?”

Chapter 512: Are You Qualified to Be a Father?

“What do you mean by that?” Shen Yong was subconsciously angry and roared, “How can you behave as such? I think you don't take me as your daddy seriously!”

“I want to take you seriously too, but unfortunately, I only saw you for the first time at the age of 19. It's really hard to remember you.” Shen Hanxing's gaze was cold. Her voice was deep. “I know the purpose of your call is to protect your precious daughter, Shen Sisi, and not let me interfere in this matter.”

The other end of the phone went silent. It was indeed Shen Yong's purpose, but he could not admit it in front of so many people in the live broadcast room. Of course, he could not deny it either. He could only keep silent.

“Ha, it's unbelievable. You have the self-awareness of being a father.” Shen Hanxing laughed mockingly. Before Shen Yong could get angry, Shen Hanxing raised her head and looked at the pitiful Shen Sisi. She sneered and said, “Shen Sisi, say it yourself. Are you worth it?”

“Sister, I know you don’t like me...” Shen Sisi raised her eyes pitifully as if she was used to being bullied. Her eyes were red as she said in a low voice, “But you can’t frame me just because you don’t like me...”

“Frame you? Are you worth my framing?” Shen Hanxing looked at Shen Sisi’s acting coldly, she couldn’t help but laugh. There was a hint of mockery in her laughter. “You’re an illegitimate daughter born from a mistress. Do you think you’re worthy of me framing you? Are you worthy of me going through so much trouble?” Her voice was very soft but it was very cold too. It was like a bomb that exploded in everyone’s ears!

Shen Sisi’s expression was stunned. She did not expect Shen Sisi to reveal the identity of her being an illegitimate daughter. Previously, the media had investigated the relationship between Shen Hanxing and Shen Sisi, but Shen Hanxing had never stood up and said anything. Shen Sisi thought that Shen Hanxing hated the Shen family, so she did not want to have anything to do with the Shen family. After all, although Shen Hanxing was in name Shen Yong’s daughter, she was abandoned in the slums and grew up with her grandmother. The person who was not loved was always awkward and sensitive. But now, Shen Hanxing revealed her identity. In an instant, Shen Sisi’s head exploded and her mind went blank. She did not dare to imagine if the audience in the live broadcast room had heard that. Her impression of the outside world had always been weak, pure, and kind. Many people liked her because she was a fair, rich, and beautiful little princess. She was born into a wealthy family and had many talents. Now that they knew that she was an illegitimate daughter, what would they think of her?

The audience in the live broadcast room was stunned for a moment. The news that Shen Sisi was an illegitimate daughter was too explosive, and they did not know what to say for a moment. After a long pause, the live broadcast room began to receive comments. “Oh my God, didn’t Mrs. Ji come from the slums? So she is the eldest daughter of the Shen Family? She and Shen Sisi are not only siblings, but Shen Sisi is an illegitimate daughter?”

“How ironic. An illegitimate daughter leads a glamorous life, but the real eldest daughter grows up in the slums. She’s even forced to drop out of high school for a living. This...was so ridiculous! The life of a wealthy family is too exciting!”

Shen Sisi never knew what it meant to be restrained. From the moment she entered the public’s eyes, she had been marketing the image of a fairy from a wealthy background, showing off her wealth on her personal social media platform. She had wantonly declared how much her parents loved her, and how happy and rich her life was. But now... all these lives were stolen by her. How could an illegitimate daughter dare to show off her life?

“Shen Hanxing! What nonsense are you talking about? How can you talk about your sister in that way!” Shen Yong was furious, he roared on the phone, “That’s your sister! Listen to what you’re saying! Get your ass back here! You’re not allowed to cause any trouble there! If you bully your sister again, I’ll break your legs!”

“I didn’t see you when I was young. Now that you’ve come to flaunt your father’s authority when I’ve grown up.” Shen Hanxing was used to Shen Yong’s biased and overbearing attitude. Her expression did not change, she said coldly, “I have my judgment on what I want to do. There is no need for you to point fingers at me.”

Shen Yong's voice paused, followed by monstrous anger, "You are so rebellious! I'm your daddy! How dare you speak to me like that?!" Shen Yong thought that in front of so many people in the live broadcast room, she would not say anything. Shen Hanxing would restrain herself, but unfortunately...

Shen Hanxing shook her head, her face was full of ridicule. "Are you qualified to be a father? Oh, no, you are indeed a good father for Shen Sisi."

Chapter 513: A Match Made In Heaven

But what did this have to do with Shen Hanxing? She had never spent a single cent of Shen Yong's money. She had only taken money and an apartment from Shen Yong when she married Ji Yan in replacement of Shen Sisi.

"Sister, don't talk to Daddy like that." Shen Sisi's eyes reddened as she sobbed. "This is all my fault. Don't fight with Daddy because of me. He is our father after all. Sister, you can't talk to him like that." With tears in her eyes, she talked to the person on the phone, "Daddy, Sister is mad right now. She only said these out of anger. Don't be upset. I will try to persuade her." She acted as if she had made a compromise for the sake of her family.

"Sisi, don't say anymore..." Qiao Wei's voice was heard from the phone. She sobbed and said, "It's all my fault. I shouldn't have fallen in love with your Daddy. You wouldn't have to suffer because of me. I shouldn't have married your Daddy back then..."

"What nonsense are you talking about? What do you mean? It's not your fault!" Shen Yong became even mad. He yelled at the top of his voice, "I married you after Shen Hanxing's mother died. You're not a mistress. Shen Hanxing was saying nonsense!"

"Yes right. My mother had passed away for only seven days. Yet, you couldn't wait to bring Shen Sisi and her mother over at that time. She is not a mistress," Shen Hanxing said sarcastically. "Shen Sisi is only two months younger than me. She's not an illegitimate daughter. Do you think we are all fools? Do you think nobody knows that you had an affair when my mother was pregnant and this is your illegitimate child? Do you think that everyone is blind and deaf?" Her tone was very cold, but there was still a hint of sadness in her eyes. When she was young, she often wondered why did her father act this way. Other fathers loved their children deeply, but her father didn't even care about her. She thought that Shen Yong was a selfish and cold person. However, it was proven that he simply didn't love her.

Shen Hanxing felt a chill in her heart. Even the hottest sun could not warm her heart now.

"CEO Shen." At this moment, a warm hand held onto Shen Hanxing's shoulder. Ji Yan stood behind Shen Hanxing and his tall shadow sheltered her body. He took the phone from Shen Hanxing's hand with an ice-cold expression. "Since you have never involved in Hanxing's life before, you shouldn't interfere in the future." He tucked the scattered hair on Shen Hanxing's cheek behind her ear. When he looked at Shen Hanxing's face, the ice-cold expression turned into deep affection. "I'm petty and protective. If anyone bullies my wife, I'll take a powerful revenge. If CEO Shen continues to act this way, don't blame me for what I'd do next."

“Huh? CEO Ji, please listen to me...” Shen Yong was dumbfounded. He was so terrified that he wanted to say something, but Ji Yan had hung up the phone abruptly. He ignored everyone’s gazes and the ongoing live broadcast. He stretched out his arm and pulled Shen Hanxing into his embrace. Then, he patted Shen Hanxing’s back as if he was coaxing a child. In a gentle voice, he said, “Honey, don’t be sad. I’m here. I’ve always been here.”

Shen Hanxing looked up at Ji Yan and realized how tall he was. His chest was also very wide. He was able to hold her in his embrace tightly. She was considered tall among girls, but she appeared a little small in Ji Yan’s embrace. With Ji Yan around, she would be safe under his shelter.

This unprecedented sense of security enveloped Shen Hanxing. The chill in her heart was dispelled by Ji Yan’s warm body. She smiled faintly. “Okay, I’m okay.” They crossed fingers and looked at each other with a smile. A cold, handsome man and a bright, beautiful woman stood together. They were a match made in heaven. The scene was streamed in the live broadcast. Some netizens took screenshots to record this warm and sweet moment.

Shen Sisi watched from the side. Her eyes were red with jealousy. She clenched her hands tightly with a crooked expression. Why? It was an engagement that she had turned down. How could Shen Hanxing live so happily? This scene was giving her an eyesore like an extremely corrosive sulfuric acid, turning her into a monster.

Chapter 514: Did She Have Evidence?

“CEO Ji, you may not understand the situation in my family. Sister Hanxing has always misunderstood Daddy.” Driven by jealousy, Shen Sisi interrupted Ji Yan and Shen Hanxing’s tender affection. With her teary eyes, Shen Sisi bit her lips and said pitifully, “It’s not that Daddy doesn’t love her. Daddy just doesn’t know how to express it. He already regrets it. Sister, can you give Daddy another chance?”

“Oh? Doesn’t he know how to express it?” A cold murderous intent flashed in Ji Yan’s eyes. He raised his eyes and looked at Shen Sisi coldly. He said coldly, “I think CEO Shen is very good at expressing himself when it comes to you.”

Shen Yong’s love for Shen Sisi was self-evident. All these years, he had showered Shen Sisi with money and resources. It was such a big difference from the way he treated Shen Hanxing.

“CEO Ji, you have misunderstood Daddy. Daddy was young and impetuous back then. He was angry with Sister Hanxing’s mother, that’s why he treated her that way...” Shen Sisi was awkward. She wanted to say something but she held back. “All parents love their children. Sister Hanxing, do you have to hold a grudge against Daddy forever? Daddy has always wanted to make up with you. Why are you so stubborn?”

“You don’t have the right to speak about the matter between me and Shen Yong.” Shen Hanxing gave Shen Sisi a cold glance. She admitted that she was unwilling to accept the fact. However, she would not compete with Shen Sisi for her father’s love. “Keep your hypocritical tears. Don’t put on an act in front of me.” Shen Hanxing lowered her eyes and bent her fingers into knuckles. She said, “Yang Xue’s live broadcast is still on. You don’t want me to slap you in front of so many people, do you?”

Shen Sisi's face turned pale and she almost screamed. Was Shen Hanxing a lunatic? What good did she get for acting crazy in front of so many people? Why would she attack her in front of everybody? She would ruin her image as a noble lady. Was it worth it to turn into a violent shrew? It was doing no good to herself! Nevertheless, Shen Sisi knew that Shen Hanxing would do as she said. Shen Sisi wouldn't bet on that. She wouldn't want her face to turn red and swollen from Shen Hanxing's slap. She would appear miserable in front of everybody then.

"Alright, then I won't say it." Shen Sisi timidly grasped her handbag and looked at Shen Hanxing with a pale face. She was like a timid little rabbit. Shen Sisi's acting was indeed superb. Many viewers in the live broadcast were starting to feel sorry for Shen Sisi.

"I'm sorry. I was originally going to deal with Yang Xue's matter. It turned out that everyone had to watch our family dispute." Shen Sisi pursed her lips helplessly and smiled at Yang Xue. "Yang Xue, you won't blame me, right?"

Yang Xue pursed her lips tightly and did not speak. She was shocked by the news that Shen Sisi was an illegitimate daughter. At this moment, her mood had calmed down a lot. She was no longer in hysterical despair. She also witnessed how hypocritical Shen Sisi was.

"Miss Yang Xue, what I said before is still valid." Shen Hanxing lowered her eyes and said calmly, "If you have evidence, the Starry Foundation's legal team will be ready to help you at any time."

"Yang Xue, did you hear that? If you have evidence, you don't have to pay the penalty!" Shen Sisi acted as if she was happy for Yang Xue. Her eyes flashed with a strong sense of joy. She said, "If you have evidence, you don't have to be afraid. You don't have to pay the penalty, so you don't have to commit suicide. Sister Hanxing is willing to help you, so you must prove yourself!" Her voice was soft. Then, she emphasized, "If you have evidence, everyone will believe that you're innocent. Everything will be fine."

With evidence, everyone would believe Yang Xue. Everything would be fine. What if she didn't have proof? Would she fall into a more desperate situation? Would she not be able to clear her name even if she dies? Yang Xue understood Shen Sisi's subtext, and so did Shen Hanxing. She frowned and shouted, "Even if there is no evidence, the Starry Foundation will help you in the face of an unreasonable treaty. However, regarding your reputation on the internet..." Shen Hanxing's eyes were gentle as she said in a low voice, "The Starry Foundation will help you file a lawsuit against those who expose your personal information and harass you. As for the rest... Yang Xue, you must know that all the suffering in this world will pass. Only by surviving can you see a better life. If you die, there will be nothing left."

Chapter 515: I'm Not That Stupid

Shen Hanxing's voice was clear with a hint of coldness. It was so gentle that it seemed to calm people's hearts. "You can not solve any problem by committing suicide. You can only find the true meaning of life by surviving."

Yang Xue's eyes instantly turned red.

"Yang Xue!" At this moment, a mournful cry was heard from the rooftop entrance. An old couple ran in this direction while crying. Their legs suddenly went weak and they fell to the ground. Yang Xue's

mother cried so hard as if her heart was torn apart. She pounded the ground in pain. "My silly daughter, what are you doing? You're still so young! What's there to be desperate about?"

"Yang Xue, come down quickly!" Yang Xue's father had his eyes red as well. He held onto his wife and sobbed. "If you die, what will happen to Daddy and Mommy? Are you that heartless to leave us alone?"

When she saw her parents in pain, tears flowed down from the corners of Yang Xue's eyes. She sobbed and shouted, "Daddy... Mommy..."

"Yang Xue, there's nothing in this world that you can't get over. Come down quickly..." Mother Yang cried so much that she couldn't speak. "It's okay. Come down first. If you're not happy here, then mommy will bring you back to your hometown, okay? Don't take it so hard. You're breaking my heart..."

"Mommy, I was wrong. I knew I was wrong." Yang Xue's legs gave way, and she staggered down from the rooftop. She walked forward quickly. "Daddy, Mommy, I'm wrong. I'm not going to die. I'm not going to die!" The family of three hugged their heads and cried bitterly. Shen Sisi's eyes flashed and took a glance at the phone that was still broadcasting. She patted her chest and smiled as if she was relieved. "Yang Xue, it's great that you can think things through. Look, there's nothing in this world that can't be solved. Don't worry, Sister Hanxing will help you." As she said that, she revealed a sad expression. "I know that you may have some misunderstandings about me, but it's okay. Sister Hanxing is a fair person. She will not be biased toward me. She will help you. You have to live well, okay?"

Shen Sisi was trying to hint that Shen Hanxing would be biased toward her. Shen Sisi did not want Yang Xue and Shen Hanxing to ally. As expected, after Shen Sisi finished speaking, Yang Xue stopped crying. Her gaze wandered between Shen Hanxing and Shen Sisi. Yang Xue seemed to be suspecting her. Shen Hanxing felt so uneasy as if she had swallowed a fly. On top of that, what made her feel even more uncomfortable was Shen Sisi's shameless words.

Shen Hanxing sneered with a cold expression. "Shen Sisi, you're just comforting yourself. You should be glad that I'm a fair person who keeps a clear distinction between public and private affairs. That's why I won't deliberately frame you. Instead, I'll make you receive the punishment that you deserve."

"Sister Hanxing, you're always like this..." Shen Sisi's heart was filled with hatred, but she put on a helpless expression. She shook her head. Her tone was somewhat intimate as she said to Shen Hanxing, "You always say these hurtful words when you're angry. That's why Daddy became distant from you, right?" She said it as if it was just a fight between the sisters.

Shen Hanxing's gaze was slightly cold. Before she could speak, Yang Xue suddenly wiped away her tears and laughed. "Shen Sisi, do you think that I don't have any evidence?"

Shen Sisi's expression changed. It was impossible. Did Yang Xue have proof? How could it be possible? Yang Xue was a humble and obedient girl. She looked like the easiest target to bully. How could she keep any proof? It was impossible! Shen Sisi comforted herself over and over again. Yet, she looked awkward. She forced a smile and said, "Yang Xue, what are you saying? Of course, it's good that you have evidence..."

"Is that so? That's the best." Yang Xue looked at Shen Sisi with a smile. She took out another phone and sighed. "Do you think that I'm an idiot? I admit that I am stupid. I kept following your instructions and got treated badly by the production team. I was hoping that you would pity me a little." She laughed

self-deprecatingly. "I'm indeed stupid. How could a woman like you have compassion? Fortunately, I am not that stupid... You didn't expect it, did you? I recorded something interesting." As she spoke, Yang Xue turned on the audio of her phone.

Chapter 516: Everything Will Be Fine

Shen Sisi's face turned pale. She subconsciously took a step forward, wanting to snatch the phone away. No way, what did Yang Xue record? Was it recorded when she instructed Yang Xue to change the script? Or was it when Yang Xue was humiliated by her?

"Shen Sisi, why are you in a hurry?" Shen Hanxing grabbed Shen Sisi's wrist with a smile. She did not hide her gloating. "If Yang Xue has evidence, let's see what it is. Aren't you looking forward to clearing her name?"

Shen Sisi looked at Shen Hanxing with a vicious gaze, but it was too late. Yang Xue pressed the play button. It was Shen Sisi's vicious voice. With an air of superiority, Shen Sisi's voice sounded, "I don't want to shoot this part. Go and tell Director Wu Yu to cancel it. Don't say that I said it! What? The director said no. Don't you know how to act up then? You trash! You're up to no good! They treat you badly. Why don't they treat me the same? Before you blame others, reflect on yourself! Trash like you is useless and pretentious. I am the only one who is willing to use you. Yet, you are so ungrateful! You said that you don't want to live anymore, right? Then hurry up and die! You don't have to thank me. After all, you have been serving me like a dog for so long. Just take it as I taught you a free lesson."

In the recording, Shen Sisi said those outrageous words to Yang Xue. After the recording was played, the scene fell into a deep silence.

Shen Sisi's head kept buzzing. Her vision turned black. It was over. Everything was over. The impression that she had worked so hard to create was all over. Yang Xue! Shen Hanxing! How dare they expose her? Damn it! These people deserved to die! She fell into deep anger and despair. Shen Sisi's pure and beautiful face was distorted.

Yang Xue's mother widened her eyes in disbelief. Her eyes were full of hatred. She felt sorry and angry for her daughter at the same time. "You b*tch. You acted like a normal person. Why are you so mean? Why did you say such hurtful words? Yang Xue was working for you, but she did not sign up to be your slave! How could you talk to her like that? You're forcing her to die! How can you treat her like that? How could you..." Mother Yang couldn't stop crying. She threw punches at Shen Sisi as she cried. Back then, Mother Yang thought that Yang Xue was making a big fuss out of nothing. She never thought that her daughter would be bullied to such an extent.

"Yang Xue, my daughter, you have suffered such a great grievance... Let's quit. Even if we lose everything, let's quit this job!" Daddy Yang was also mad. He stomped his feet and scolded, "This woman is so heartless. How could she treat you like this..."

Daddy Yang and Mother Yang were kind villagers. They had never seen someone so vicious. It was even scarier than an evil spirit.

The audience in the live broadcast room was also stunned. They did not expect Shen Sisi to be such a hypocrite. She was indeed an illegitimate daughter. She was very despicable! Shen Sisi was instantly and secretly losing a lot of fans that she had worked hard to accumulate. However, she did not have the time to care about these. She fell to the ground with a blank stare. She was dumbfounded.

Yang Xue's eyes were red as she looked at Shen Sisi. "Here's the evidence that you wanted." She had mixed feelings now. Shen Sisi was a fair, rich, and beautiful woman. She was a little fairy who stood high above everyone else. She was someone Yang Xue could not afford to offend. Yang Xue tried her best to serve her. Now that Shen Sisi was miserable, Yang Xue thought she would be happy, but that was not the case. Yang Xue bit her lips and smiled self-deprecatingly. "To be honest, I'm not as ruthless as you. I didn't want to expose these recordings, but you've pushed me too hard. I will pay the penalty with Mrs. Ji's help. Shen Sisi, I have nothing to do with you anymore."

After saying that, Yang Xue turned her head and bowed to Shen Hanxing. She said, "Mrs. Ji, thank you. Don't worry. I will return the money that I borrow from the foundation slowly. Thank you very much." She was a weak person. She wanted to die when she faced difficulties. It was Shen Hanxing who gave her another way out at this critical moment.

Chapter 517: I Won't Go Easy On You

It was Shen Hanxing who gave her the courage to continue living. Shen Hanxing made Yang Xue realize her fault. She was stupid. Yang Xue looked at her old parents. Tears welled up in her eyes again.

"This is my assistant's number. You can contact him at any time." Shen Hanxing gave out Han Qi's business card and patted Yang Xue's head gently. She smiled and said, "Do your best. Everything will be fine."

Yang Xue nodded while choking on her sobs. Daddy and Mommy Yang also thanked Shen Hanxing endlessly. The audience in the live broadcast room was moved by Shen Hanxing's actions. They began to like Shen Hanxing more and loathed Shen Sisi even more. The comments in the live broadcast room were all scolding Shen Sisi.

Yang Xue took a look and smiled in relief. She did not say anything else and ended the live broadcast. She knew that the comments were just others' opinions. She should walk her path.

The people on the rooftop gradually dispersed. Shen Sisi was left sitting on the ground, stunned. What could she do? Everything was over. Her reputation and the image that she had painstakingly built up were all gone. Now that her reputation was in disarray, she was lost for a moment.

At this moment, the sound of hurried footsteps could be heard. Lei Bing rushed over in a hurry. She grabbed Shen Sisi's collar and roared, "Shen Sisi, what's going on? Why did the man get caught by the police? What the hell is going on?"

"There's a live broadcast throughout the whole incident. Can't you watch it yourself?" Shen Sisi couldn't care less anymore. She pushed Lei Bing's hand away and sneered, "What can I do if Ji Yan wants to get him arrested? Blame that man for being stupid. He can't even handle such a small matter. He's full of flaws!"

“Shen Sisi, what do you mean?” Lei Bing roared in anger, “Do you think that you have nothing to do with that man being arrested? Let me tell you, if that man gives me up, you won’t be able to escape either!” They had come up with a last-minute plan. The man whom they had found was not very reliable. Ever since Lei Bing knew that the man had been arrested, she had been anxious and uneasy. She was afraid that she would be implicated. It was attempted murder!

“What do you mean?” Shen Sisi suddenly raised her eyes and said with sharp eyes, “Are you trying to get me involved? I have never been involved in this matter. Do you have any evidence?”

“Do you think that I am one of those idiots to be bullied? I left some proof behind when I was assisting you.” Lei Bing sneered contemptuously. “Even that Idiot Yang Xue kept a recording of you. Shen Sisi, don’t you think I have the recording of you?”

“How dare you!” Shen Sisi was shocked and angry. She said in a sharp voice, “Lei Bing, if you dare to get me into this, I won’t go easy on you!”

Lei Bing smirked. Looking at Shen Sisi’s flustered appearance, she became calm and played with her fingers. “If I turn myself in and cooperate with the police, I should be able to get a light punishment. No matter what, I wouldn’t get a punishment more serious than yours. So, Shen Sisi, you’d better protect me.” There was a hint of viciousness in her eyes as she said coldly, “Otherwise, neither of us will be freed!”

At this point, Shen Sisi and Lei Bing finally shed all pretenses of cordiality and revealed their vicious side to each other. Shen Sisi’s face was gloomy. There was a faint murderous intent in her eyes. Lei Bing was not afraid of her. She snorted and walked away in her high heels. She knew that Shen Sisi had a backer behind her. Moreover, Shen Sisi was more afraid of death than she did. Shen Sisi cared more about her reputation too. Although Shen Sisi did not have much reputation now, she would find a way to solve it.

Yang Xue’s live broadcast had come to an end. Shen Sisi’s reputation on the internet had hit the rock bottom. People started to boycott the movie that Shen Sisi had acted in. Furthermore, the movie that she acted in was terrible. Contrarily, the movie “Missing Girl” had a great plot and wonderful actors with superb acting skills. Nobody watched Shen Sisi’s movie. Therefore, the “Missing Girl” won most of the box earnings this summer holidays.

“Missing Girl” was the Dark Horse of the summer movie season. The box office earnings kept rising, and the scheduling rate was also getting higher and higher. It was a virtuous circle. Shen Hanxing gave the film crew a big red packet. As the investors of this movie, Shen Hanxing and Wang Qin made a lot of money.

Wang Qin excitedly invited Shen Hanxing to meet her at the coffee shop. As soon as they met, she took out a gift and placed it in front of Shen Hanxing. “Mrs. Ji, this is my token of appreciation.”

Chapter 518: Who Gave Him the Confidence to Think So?

Shen Hanxing was a little surprised. She opened the gift box, and inside was a set of jewelry limited by a particular brand. The whole set cost more than a million yuan. Shocked, she said, “This is too expensive. I can’t accept it.”

“This is to thank Mrs. Ji for reminding me and leading me to earn more money,” Wang Qin smiled proudly. Since the divorce, her clothes have been elegant and more suitable. The modified Chinese-style cheongsam outlined her curvy figure, and her retro perm accentuated her classical temperament. She was like a wealthy lady from the Republic of China. Wang Qin waved her hand generously. “If it wasn’t for Mrs. Ji, I would have been cheated or would have left the money in the bank for a small amount of interest. I took advantage of you. If you don’t accept this gift, I’ll feel bad.” She was sincerely grateful to Shen Hanxing. With Shen Hanxing taking care of the investment, she was practically lying at home, counting the money. After the divorce, her life became better. Her son played with Ji Mo every day and began to study seriously, not to mention how obedient he was. Her ex-husband even pestered her to remarry, but Wang Qin’s attitude was firm. She would never agree to remarry. Her life had undergone an earth-shattering change, and she was utterly satisfied.

Upon hearing Wang Qin’s words, Shen Hanxing did not decline anymore. She smiled and said, “It’s also because you trust me. Otherwise, even if I were to speak my mind, you wouldn’t have invested with me.” Wang Qin had a chivalrous aura that was different from other women. She was very loyal to the one she had chosen. She and Shen Hanxing were frank and hot, while the other was elegant and cold. They got along very well. Just as the two of them were chatting happily, a loud shout suddenly sounded, “Shen Hanxing!”

Shen Yong looked in the direction of the voice and walked over with a gloomy face, “How dare you block my number!” During this time, Shen Yong called Shen Hanxing countless times. Every time he called, the line was always busy after calling for a few days. He finally realized that Shen Hanxing had blocked him! This unfilial daughter dared to block him. She didn’t want him as her father anymore, did she?

“Mr. Shen, what are you doing?” Wang Qin subconsciously stood in front of Shen Hanxing and said coldly with a straight face, “Can’t you speak nicely in public?”

“This is our family’s matter. It has nothing to do with an outsider like you. You should mind your own business!” Shen Yong’s face was gloomy. He looked at Wang Qin sinisterly and said coldly, “Shen Hanxing, come out!”

Wang Qin’s eyes were filled with worry.

“It’s alright,” Shen Hanxing shook her head at Wang Qin and said gently, “It seems we can’t continue shopping today. You should go back first.”

“Mrs. Ji, why don’t I accompany you?” Wang Qin frowned worriedly. She glanced at Shen Yong and did not hide her disdain. “I’m afraid he will use some despicable method to deal with you.”

Shen Yong’s expression instantly turned extremely ugly.

“I know what I’m doing. You don’t have to worry,” Shen Hanxing was touched. She shook her head at Wang Qin. “It’s fine. I’ll only do what I’m capable of. I can settle this myself.”

Because Shen Hanxing’s attitude was firm, Wang Qin did not say anything more. She picked up her bag and left. After Wang Qin left, Shen Hanxing looked at Shen Yong with a cold gaze. “Why are you looking for me?”

“I’m your father. Why can’t I look for you?” Shen Yong’s temper flared up as he retorted, “How dare you block my number? Do you think you’ve grown up and can do anything you want?”

“You didn’t even care about me when I was young,” Shen Hanxing sneered. She said indifferently, “I found you troublesome, so I blocked your phone. It’s that simple. Back then, I knelt in front of your house when you found me troublesome. Didn’t you pretend that you didn’t see me?” Back then, when Grandma’s illness was serious, to have money to treat Grandma’s condition, she knelt in front of Shen Yong’s house for an entire night. Shen Yong was unmoved. He did not even look at her. He did not even let her in. Since Shen Yong did not care about her as a daughter in the past, he should not hope for her as his daughter to care about him.

“You unfilial daughter!” Shen Yong was instantly furious. He scolded, “I’m your daddy! Even if I did something wrong as a child, how can you not acknowledge me as a Daddy?”

Shen Yong was always so righteous, as though no matter what he did wrong, as long as he was willing to turn back, Shen Hanxing should immediately forgive him and acknowledge him as her daddy. But... who gave him the confidence to think so?

Chapter 519: I’ll Go With You

“Tell me! Why did you come to me?” Shen Hanxing couldn’t be bothered to waste more time with Shen Yong. “Don’t waste my time. You know well that I can’t treat you like my father.”

“No matter what you say, I’m still your father!” Shen Yong suddenly sneered. Because of their quarrel, many people in the coffee shop had already looked over. After all, Shen Yong still cared about his reputation. He lowered his voice, “This is not a place to talk. Come home with me. We’ll talk there.”

Looking at Shen Yong’s confident look, Shen Hanxing almost laughed out loud. She looked at Shen Yong, amused. “Go home with you? Go home for what? To let you think of a way to trick me again?” She had only entered the Shen family once but almost fell into a trap, betrayed by Shen Yong. How dare Shen Yong asks her to go home with him again!

“You! I’m your dad. Why would I hurt you?” Shen Yong’s expression kept changing. He was so embarrassed and angry. “Unfilial daughter. Don’t think you can disown me just because you married into the Ji family! Half of your blood is mine. How dare you disown me? Others will say you are unfilial if you refuse to admit I’m your father!”

The world was like this. Even if Shen Yong had never taken on any responsibilities in Shen Hanxing’s life and had never fulfilled his duties as a father because they were related by blood, there was no way to break the connection. If Shen Hanxing ignored Shen Yong and Shen Yong gave up his reputation and there a tantrum, others would only condemn Shen Hanxing, “That’s your biological father after all. You shouldn’t ignore him.”

It was as if as long as one had the identity of a father, one could forgive anything one did to their child. How ironic! When a child was born, they did not have the opportunity to choose their parents, but their parents could wantonly hurt their child. Then, because of that little blood relationship, they would be entangled with their parents forever and could not get rid of them.

"If I could, I would rather not have half of your blood. I feel disgusted," Shen Hanxing's eyes were filled with coldness. She did not hide her disgust. She said coldly, "whether you will harm me has already been proven by your actions. I don't have any trust in you. My time is precious, and I don't have the time to go to your house. If you have something to say, say it. You don't have to say it anymore if you don't say it now." Her attitude was very cold. Her eyes were cold, as if she had no feelings for Shen Yong, her father.

Shen Yong's heart sank. He did not care about Shen Hanxing, his daughter. He did not regret sending her away. He had always been selfish. Otherwise, he would not have refused to meet Shen Hanxing. But at this moment, when he truly understood that Shen Hanxing did not acknowledge him as her father. His heart suddenly sank. It was as if he knew he had missed something important and could not take it back. However, this feeling disappeared, followed by monstrous anger. "I see you have grown up and never take me seriously anymore!"

Shen Yong slammed the table with courage, attracting the gazes of the surrounding onlookers. He paused for a moment, then said in a low, angry voice, "I said, this is not a place to talk. It's fine if you don't want to go home with me. Choose a place then!"

"That's your home, not mine," Shen Hanxing sneered and picked up her backpack. "Since you insist on talking to me. Fine, let's go." Shen Yong would not be so stupid as to repeat the same trick. She wanted to see what tricks Shen Yong could play this time.

Shen Yong was used to Shen Hanxing's unkind words, and he was prepared to find a private room to chat with Shen Hanxing. However, he did not expect her to compromise suddenly. For a moment, he was a little surprised. After being stunned for a while, he snorted coldly. "Let's go."

Shen Hanxing followed Shen Yong to the Shen family home. That was the second time she had walked in here. The small garden outside was as well-maintained as before, but the flowers were not blooming well. The magnificent villa was decorated with a hint of coldness. The servants who came to open the door looked cautious. She took Shen Yong's coat. It was apparent that the atmosphere in the Shen family was not good during this period. It was only natural that it was not good. Shen Sisi had caused such a big scandal, and her name was repeatedly mentioned in the news. The internet was full of comments that scolded her, telling her to get out of the entertainment industry. Affected by the scandal, the stock of the Shen family's company fell. It would be strange if the atmosphere in the Shen family were good.

Shen Yong's youngest son, Shen Jie, had been spoiled since he was young. He did not know how to observe others' emotions. At this moment, he was sitting in the living room throwing a tantrum. "I don't care. My classmate has bought a horse. I want it too. Buy it for me!"

Chapter 520: Wreaking Havoc in the Shen Family

"Shen Jie, our family, is different from your classmates' family," Qiao Wei had been mentally and physically exhausted during this time. Her face, which had always been exquisitely made up, was haggard. She said patiently, "It's not simple to buy a horse. You also have to pay a special foster fee and hire professional personnel to take care of it. This is not a small sum of money. You know something

about it." Previously, they had also changed Shen Jie to a noble school because of the marriage alliance with the Ji family. Initially, with the Shen family's financial resources, they wouldn't be able to get in. However, thanks to the Ji Corporation, he was proud after Shen Jie entered the school for a long time. However, after Shen Sisi's incident, everyone knew that the Shen family couldn't say anything in front of the Ji Corporation. The Shen family was struggling. Shen Jie's classmate's family background was one level higher than the Shen family's. Shen Jie was jealous because of the food, clothing, and expenses. Now, because his classmate bought a horse, he was making a fuss about wanting it himself.

"I don't care! I want it! I want it!" Shen Jie could not get what he wanted and immediately began to make a fuss. He sat on the ground and cried loudly, "I want it! I want it! I want to buy a horse! I won't get up if you don't buy it for me!"

"What are you doing?" Shen Yong, who had just entered the door, had a gruesome expression. He said in a deep voice, "What are you making a fuss about? You are not a child anymore, and you still want to do this? You are like a madman. Where are your manners? Is this how I taught you? You are not sensible at all!"

Shen Hanxing curled her lips into a faint smile. Shen Yong's words were fascinating. He was trying to scold someone else. Since Shen Yong did not dare to say it aloud, she pretended she did not understand. She crossed her arms and stood by the side to watch the show.

"Daddy!" Shen Jie pounced over like a small cannonball. There were a few tears on his fat face as he cried, "Mommy doesn't want to buy me a horse. All the other students have horses, but I don't. It is embarrassing! I want to buy a horse too!"

"What do you want? If you buy a horse, can you ride it?" Shen Yong's face immediately sank. He scolded, "Don't follow the trend blindly. Think about your family's financial situation before you spend lavishly. Even if we were the richest family, our assets would be squandered by you sooner or later!" If it were in the past, Shen Yong would fulfill anything Shen Jie asked for. But now that the Shen family's company was in turmoil. To stabilize the stock price, he had been swamped recently. He almost had to beg others for mercy. How could he bear to fork out another sum of money to buy a horse for Shen Jie?

"I can learn how to ride. My classmates all have a horse farm at home. I want a horse!" Shen Jie widened his eyes in disbelief when he saw that his father, who had always doted on him, rejected his request so firmly and coldly. He wailed and was about to cry, "Daddy doesn't love me anymore! You used to buy me anything I wanted. I want to buy a horse! I want to ride a horse! My classmates won't play with me if I don't have a horse..."

Shen Yong felt helpless. He valued boys more than girls. He had only one son in his life, Shen Jie. Of course, he pampered him in his hands. He was frustrated that he couldn't let Shen Jie get what he wanted now. "I've told you I can't buy it! No matter how you fuss about it, I won't buy it for you."

"Buy it for me! I don't care. I want to buy it!" Shen Yong's words made Shen Jie explode. As he cried at the top of his voice, he used his big fat hand to flip over the coffee table and smash the decorations in the living room. "Buy me a pony! If you don't buy me a horse, none of you will have a good life!"

"Shen Jie, stop throwing your tantrum!" Qiao Wei looked helpless. She went forward to stop Shen Jie, but he had been well-nourished since he was young. He was tall and strong. As he struggled, he directly

punched Qiao Wei's stomach. Qiao Wei's face turned pale from the pain, and she could not speak for a long time.

Shen Jie's sharp cries rang in her ears. The living room was filled with things that had been smashed. The apples on the fruit platter rolled to Shen Yong's feet. Shen Yong's heart was in turmoil, and he kicked the apples away. With a frustrated look, he shouted angrily, "Enough! Shen Jie, stop it!"

Shen Yong was used to being a loving father to Shen Jie. This was the first time Shen Jie had been so strict with him. He looked at Shen Yong with his mouth agape, and a hint of fear flashed in his eyes. He cried so much that his snot and tears smudged his face.

"Who did you learn to behave like this from?" Shen Yong could not bear to look at Shen Jie's stupid tantrum. He cursed in disbelief, "Look at you. You're a man. You only know how to throw a tantrum. Aren't you ashamed?"

Qiao Wei's face turned pale. Shen Jie did not dare to say anything. He pursed his lips tightly. The entire Shen family's house was dead silent.
