

Cursed 1041

Chapter 1041 The Bunny Way

Crystal's POV:

I walked up to Firman, helped him up from the ground, and took out a handkerchief to wipe his face.

Title of the document

I could feel the little boy trembling with fear as he looked at me. "Thank... Thank you."

I smiled at him gently. "You're welcome. If something like this happens again in the future, go to your teacher, okay?"

Firman stuck out his lower lip and lowered his head sadly. "I can't. There are too many of them."

words pricked my heart. I could recall being in the same situation, bullied and

Chapter 1042 Ran Away From Home

Crystal's POV:

Just then, Rufus had to take a call and left Beryl with me. Beryl was focused on the origami bunny and didn't care about Rufus' leaving at all. She just waved at him goodbye and then proceeded to play with the candy wrappers.

Title of the document

Smiling helplessly, Rufus sighed and rubbed her head before leaving in a hurry.

with Beryl, I tried to get my daughter to talk to me. I wanted to ask if she was alienating me now because I had used witchcraft on her previously. But after prodding her a little, I found that she didn't seem to even know about the witchcraft. She just remembered falling asleep after talking

herself from me again. So could the witchcraft have affected

I miss him." Then she quickly slipped out of my embrace and raced back to

Chapter 1043 Pursuing The Light

Crystal's POV:

I was in utter shock. I couldn't believe it that Ian would run away from home. That was so unexpected. Would such a good wolf really be that rebellious?

Title of the document

"When did it happen?" I asked anxiously.

the elder replied, "He has been missing since after the day you left the pack. At first, we assumed that wild wolves has always been completely free. In the past, Ian would often disappear and go to the forest to play for a few days before coming back, so we didn't pay much attention at first. It was not until such a long time had passed that everyone began to worry. We went to the forest to look for him, but found not even a single sign of him. When we

I gasped in shock. Knowing Ian, he would definitely not leave the pack for no reason, unless something happened. Was

the thought of that now, I believed it was actually possible. Beryl and Ian were childhood friends. Wherever Beryl

was chasing Beryl and Arron, he wouldn't have waited and left the following day. He would chase after them

first thing I did after not speaking with each other for five years was call him and ask for his help. But I

me, what's the matter?" Blair asked patiently. "A lone wolf from our pack has wandered off, and I'm hoping you can help us track him down. His name is Ian; he is Rin's child. He came

Chapter 1044 An Important Day

Crystal's POV:

Startled, I quickly hung up the phone, spun around, and yanked Rufus' hand away before quickly retreating a few steps away from him.

Title of the document

Rufus stood still, with his arms crossed in front of his chest. He kept his cold gazer at me and asked, "Why is it that every time you see me, you act as though you bumped into a ghost?"

"It is because you always appear behind me without making any sound." I curled my lips as I said those words.

from head to toe. Then, he asked, "Why do

actually did something wrong, I'd be very careful to hide it from others. How could I just wait here to be busted? Tell me. What do you want from me this time? Make it quick because I'm very busy." Every time this guy showed up, he would pick on me. I had a hunch that he had made this his bad

Chapter 1047 The Same Habit

Crystal's POV:

My heart sank. I made this wooden whistle by copying the one Rufus had made for me in the past. Rufus now scrutinized the whistle carefully. Did it shake loose some memory of his?

Title of the document

Laura and I glanced at each other at the same time and guessed each other's thoughts. She was also afraid that Rufus would remember something.

After studying the whistle for a long time, Rufus turned to me and asked, "Did you make this yourself?"

I replied

was a little flustered and didn't

Chapter 1050 A Gray Wolf

Rufus' POV:

The invisible barrier shielded me from the outside. No one could set up such an enchanted barrier except for witches and wizards.

Title of the document

I took a couple of steps back and closed my eyes as I willed the lycan power in my body to feel around my surroundings and take in whatever detail was worth noting. I could tell that the barrier had just been set up, and that the air inside was much denser than in other areas.

I opened my eyes and had a theory of my own. It was probably Crystal.

in this place, and it was far away from the imperial palace. Crystal said

been for my informant, I would never have guessed that she would come to the forbidden forest, either. But why had she come? And how could a person
