Chapter 611 K*ller In The Wardrobe

Rufus' POV:

I had been too busy today that I didn't have the time to even drink water. My subordinates even followed me back to my room so we could continue our discussion.

Title of the document

"A wild wolf?!" I instantly thought of Rin. Putting down the fork, I pressed Maya for details. "Is its fur grey?"

Maya nodded. "Yes. As soon as you and Prince Rufus left, the wild wolf broke into the imperial palace. It was said that it had helped a lot of sold*iers during the accident, so nobody tried to drive it away. The lycan king allowed it to enter the imperial palace freely and even recorded it as a honorable member of the military!"
