Chapter 941 You'll Always Be Grandma

Crystal's POV:

After being checked by Laura's doctor, Arron had gotten hungry. The snacks Laura brought weren't enough to satiate the little boy.

Title of the document

"Mommy, I want meat." Arron patted his belly for emphasis, which made Laura chuckle aloud. She immediately scooped Arron up and walked out. "Let's go. We'll have a feast of meat!"

"Yay! Thank you, Grandma!"

clever and lively boy, and there was a certain happiness in his eyes that was infectious. It was the first time that he had seen his grandmother in real life, and this little boy seemed very fond

kiss on his forehead. Although Arron had to keep his bandages on everything in order, I headed down to the city center to wait for the opening the celebration. After Rufus took over the throne, the werewolves reclaimed a number of packs that had been under the authority of vampires. In addition, this was the first grand other, having been connected with interests or marriage relationships. Lots of them disdained the border packs. So of course, my presence was disregarded. But I didn't care at all. I was happy to be ignored, otherwise I would have to find an excuse to disguise myself. I adjusted my white hat and moved to the most inconspicuous spot, he just didn't like attending social engagements and dealing with the hypocrites. He Warren didn't seem very friendly. And after some of them noticed his implicit hostility, they gradually left him alone. Fortunately, Warren brought his subordinates that he had recoiled back to his old stern self. Initially, I thought it was just my wild guess, but now go of himself in front of his friends. All his joy, anger, and sadness were no longer hidden in his heart. He was completely tamed by Flora to be a

Chapter 943 Dream On!

Crystal's POV:

Over the past five years, I was afraid that the past would haunt me, so I deliberately blocked news about my old friends and focused solely on the pack's affairs.

Title of the document

Everyone was doing well before I left, so I didn't worry about them. of Warren's obsession with Flora, I guessed that I might Flora was the only woman he would marry, so I figured the two wouldn't my head for the time being and looked into the floats made their way down the street, one first time I attended the military parade, and how it made me love the empire even more as well as the man who felt as though time hadn't passed at all. I still loved the empire and Rufus, and I just next to me whispering to each other. They were badmouthing Warren, who was men were, but I figured they

pack didn't decline at all. If the Silver Moon Pack was as weak as
the past few years and hadn't appeared in front of the public yet, my sudden arrival as the Alpha, the
unity of the three packs at the border, and the economic development by opening up border ports to
trade with the vampires were enough to make me famous. Besides, I never attended any social activities

Chapter 945 Keep Pretending

Crystal's POV:

I initially thought that this man would at least watch his mouth given the grand occasion, but he didn't. Instead, he cursed me more and more, showing all of us how an Alpha shouldn't act.

Title of the document

At first, I wanted to endure it in silence, but I couldn't stand his s*xist comments and personal attacks. I couldn't help but open my mouth again.

“When you’re caught doing something wrong, is it your automatic response to throw s*xist insults at the person who corrected you? Don’t tell me you rule your pack with such rudeness and unreasonableness.”

Chapter 947 What Are You Peeking At

Crystal’s POV:

Although I had only met Rufus several times since coming back here, I could keenly sense just how much he had changed. He was much more indifferent than the Rufus I once knew. Now that he was king, he had become colder and crueler.

Title of the document

Perhaps that was what Rufus was like before he met me. I felt bad, seeing Rufus again under these circumstances. I tried to comfort myself and thought about how lucky I was to have seen his soft side previously.

Sure enough, Rufus mentioned me

Chapter 949 Set A Trap For Her

Rufus' POV:

Seeing the panicked she-wolf on the big screen, I felt satisfied. Even though she was wearing a mask, her panic was obvious. I smiled, looking forward to her next reaction.

Title of the document

This she-wolf seemed to have been trying to blend in with the crowd. On the surface, she pledged her loyalty to me, but I knew that she was hiding something. After all, she had kept to herself at the border for so many years. Perhaps she was plotting against me in secret. Otherwise, why was she so afraid of being exposed?

I keenly sensed a burning stare. As soon as I turned my head, I met the intent gaze of this she-wolf. She was probably up to no
