chapter 111

After leaving the restaurant, Ning stream had been restless. Things happened one after another in the past few days.

He shouldn't have let his family, chen chen and han han, shoot some TV series. Otherwise, they wouldn't be able to see the two of them in the Ye Ling City, so he wouldn't have guessed the relationship between them and gu jin yi.

What should she do now? Is she still full of chen chen and han han's status?

Ning Xi staggered back to the company, looking absent-minded the whole afternoon.

On the other side, Susie went to the Ning family for work.

After yesterday's conversation with Ning Xi, she felt something was wrong and wanted to find out the truth in the Ning family.

In the hall of the Ning family.

"Auntie, I saw Ning Xi with the CEO of the Empire group, gu jin yi. And he seemed to call Ning Xi Susan. What's wrong?"

After chatting with her parents for a while, she went straight to the point.

Ning radian and yan pei fen sighed with a sad look on their faces.

"Well, stop it. It's a nuisance."

With a helpless face, Ning Hui held his forehead and shook his head slightly.

ning xiao xi didn't want everyone to know about her marriage, but no one knew it except the Ning family.

"wei wei, it's none of your business. Ning Xi will be the wife of the CEO of the Empire group soon. Just watch."

A touch of sneer flitted across yan pei fen's evil eyes.

She didn't tell the truth directly, because both her parents knew the seriousness of the matter. The less people knew about the marriage, the better. If the Gu family knew it, everything would be over.

It was not a big deal that Ning Xi would be kicked out, but even the whole Ning family would be involved, which would be troublesome. Perhaps the Ning family would not be able to survive in this field.

"Uncle, aunt, please tell me the ins and outs of the matter, so that I can help you. Susan and I are in such a good relationship, I will definitely not let her suffer losses. Why did Ning Xi marry such a good man as gu jin yi? If he wants to marry, it's Susan. "

If she kept stirring up the trouble, ning guang hui and his wife would be tempted to tell her about it when they heard that she could help them.

The two of them looked at each other and hesitated whether they should tell this to Rufus or not. After all, the less people knew about it, the better.

If she could tell that the two were in a dilemma, she opened her mouth again.

“Uncle, aunt, don’t worry. I won’t tell anyone about it. You have watched me play with Susan since we were young. It’s my business. I will help you no matter what you say.”

Finally, yan pei fen couldn’t help asking.

“Brilliant, let’s tell wei wei everything. I really feel sorry for Susan, so let wei wei help us.”

yan pei fen grabbed Ning Hui’s arm. Ning Hui frowned and sighed, “forget it. It’s all over. Just tell wei wei.”

An imperceptible weird smile faintly appeared on her face when she heard the words of Ning Hui.

“Here is the thing. Susan got married to the Gu family...”

Ning radiance and yan pei fen two told each other everything in 11.

Sitting next to him, Susie was stunned.

“wei wei, we have told you everything. Please help Susan.”

yan pei fen pleaded.

Although she had guessed that Nina married to the Gu family on behalf of Susan, she thought it was incredible and impossible. How dare the Ning family deceive the Gu family?They shouldn’t be so bold.

Unexpectedly, as expected, Ning Xi was married to the Gu clan on behalf of the Gu clan.

“Auntie, we can’t let Ning Xi live a better life. I’ll tell the Gu family about it and let Ning Xi get out of gu jin gun.”

If she was thinking about how to drive ning xiao xi out of the Gu family, she said to the two couples.

“No way. It’s our family’s idea to marry someone else. Once the Gu family knows it, we will definitely be implicated.”

Ning Hui said seriously.

“Yes, yes, wei wei. This is not a good way.”

Then yan pei fen also echoed.

“Uncle, aunt, you...”

“Well, I don’t want the Gu family to know about it. I don’t agree.”

At first, she wanted to persuade the two of them again, but before she could finish her words, she was interrupted by them. Then, she stood up and left the hall to go upstairs.

“Auntie, what did you say?”

After Ning Hui left, she asked yan pei fen. If she agreed to tell everyone about it, then she could confidently tell it to Jin Yi.

“wei wei, I know you are thinking for us, but Susan’s father doesn’t agree, so I have no choice. Besides, it was our idea to get married. We can’t be too careless.”

yan pei fen didn’t mean to agree, and then she didn’t say anything more. What’s more, she was afraid that it would be bad for herself.

“Auntie, I won’t force you. Call me if you need anything. I still have some work to deal with in the company. I’ll go back to the company first.”

Now that she knew the ins and outs of the matter, she had more ways to deal with the stream. Then she stood up and was about to leave.

“Okay, wei wei. You go to work first.”

yan pei fen reminded her again.

Susie nodded slightly, turned around and walked out of the hall and left the Ning family.

All the way, she thought about these things as if she had lost her soul. It was incredible and strange.

Marry someone else? If she hadn’t heard the words of the two of them personally, she wouldn’t have believed it.

ning xiao xi, now I know your fatal weakness. Once gu jin yi knows about your marriage, I’ll see if you still have the ability to stay in the Gu clan. She will wait for you to be kicked out.

chapter 112

Even if they didn’t agree with her to tell gu jin yi about her marriage, she finally knew everything. She would push Ning Xi to hell step by step!

A hint of evil flashed through vivi’s enchanting eyes, and a complacent smile appeared at the corners of her mouth.

When she returned to the company, she happened to meet Ning stream. She looked at Ning stream condescendingly.

Ning Xi pa**ed her, pretending not to see her.

“Ning stream.”

Rufus said in an enchanting voice.

Ning Xi stopped and turned around.

“What can I do for you?”

Ning Xi said expressionlessly.

“As the wife of the CEO, you even speak in a different tone? Teach me how to hook up with a big shot like gu jin yi and become a phoenix?”

Rufus said sarcastically.

Hearing what she said, Ning Xi was naturally very unhappy, but she didn't show it on her face.

“Of course, you can't spread this skill to others casually. Even if I teach you, others may not like you. So you don't have to struggle here.”

A meaningful smile appeared on Ning Xi's face.

Such high EQ words from Ning Xi immediately showed her super unhappy attitude.

She had thought that Ning Xi would feel shameless and embarrassed because of her words, but she didn't expect that Ning Xi would bite her back.

“Ning Xi, you!”

Clenching her fists, she was rendered speechless by Ning Xi's answer.

“Anything else? If there's nothing else, I'll go first.”

Ning Xi said fearlessly. When he was about to turn around and leave, she spoke again.

“Ning Xi, stop pretending. I know everything about you.”

Ning Xi had just taken a step forward, but his words made Ning Xi pause and stop.

“What do you mean?”

Ning Xi asked.

“What? Anxious? Are you afraid?”

Rufus crossed his arms over his chest, raised the corners of his mouth and said proudly.

Ning Xi glanced at Ruyu and left indifferently.

“You replaced Susan and married gu jin yi. How dare you!”

Said Susie to the back of Ning stream.

Ning Xi's Amber pupils dilated slightly. How could she know about it?

“How do you know...”

The tone of Ning stream was obviously lack of confidence, and it also contained a trace of worry.

“There’s nothing I can’t find out what I want to know. Ning Xi, you’d better respect me. Otherwise, if I’m unhappy one day, I’ll tell all your things to the world.”

With a confident look on her face, she glanced at Ning stream with disdain and left.

On the other hand, Ning stream was stunned in place, staring at Ruyu’s receding figure.

How could Susie know that she had been married for him? Then he would know it soon? What should she do?

Ning Xi frowned and had mixed feelings.

Nervous, worried, scared

When it was time to get off work, he waited for Ning stream at the gate of VL company.

As soon as Ning Xi walked out of the company, he saw gu jin yi, who looked like a dazzling man.

Not knowing why, Ning Xi’s gloomy mood instantly lit up at the sight of gu jin yi. She walked towards gu jin yi with a smile.

“Why are you here?”

Nina said with a smile. The expression on her face showed that she was very happy to see him.

“Because you want me to come, so I come.”

gu jin yi stood gracefully in front of Ning stream. His sculptural handsome face looked especially kingly in the setting sun.

Ning Xi narrowed his eyes and raised his eyebrows, “you are so powerful. You know what I’m thinking?”

gu jin yi didn’t say anything. He just smiled and opened the door for Ning Xi.

“Mrs. Gu, please get in the car.”

Ning Xi looked at gu jin yi in confusion. Why was he so nice today? He even came to pick her up.

Then, he went back to the driver’s seat and drove away.

Sitting in the car, Ning Xi looked at the road ahead and frowned in confusion. It seemed that this was not the way home.

“Where are we going?”

Ning stream couldn’t help asking.

“Shopping.”

gu jin yi replied indifferently.

“Shopping?”

Ning Xi widened his eyes and blinked.

gu jin yi said with a smile, “it seems that you haven’t reached the level of road idiot. You still know that this is not the way home.”

Ning Xi glanced at gu jin yi, “I go to work and get off work every day. I know the way home, okay?”

“Well, you may become smarter under my influence.”

gu jin yi said calmly.

‘Oh, my God! You are so narcissistic. You won’t miss any chance to praise yourself.’

“Yes, Mr. Gu is so smart.”

Ning Xi rolled his eyes at gu jin yi and pouted.

“Stupid woman.”

A meaningful smile appeared on gu jin yi’s handsome face.

Soon, they arrived at a high-end fashion design shop. After getting off the car and opening the door for Nina, the two walked into the hall together.

Ning Xi walked into the hall and saw all kinds of high-end and luxurious clothes, including normal clothes, work clothes and evening dresses.

“Hello, Mr. Jacob. What can I do for you?”

A well-dressed saleswoman walked gracefully from the side and asked with a smile.

It seemed that she was very familiar with gu jin yi. It seemed that he was a frequent visitor here.

“Pick some clothes for her.”

After saying that, gu jin yi took Ning Xi’s hand and walked to the left.

gu jin yi elegantly took off a light purple dress from the hanger, looked at Ning Xi and asked, “how about this one?Do you like it? ”

“Okay.”

Ning Xi nodded with a smile.The clothes here were really beautiful, and it was the style that Ning Xi liked.

Then Ning Xi picked up the tag and looked at the price of the dress. He suddenly wanted to leave here as soon as possible.

Ten, a million, a thousand, a thousand, a thousand, one hundred thousand, a million

Such an ordinary dress cost six million eight hundred and eighty thousand!

“Let’s go somewhere else.”

Her expression of love suddenly became expressionless.

Ning Xi held gu jin yi’s arm and wanted to leave.

“You don’t like it?What about this one? ”

gu jin yi picked up another pink suit and asked.

“I don’t want it. Let’s go.”

Ning Xi wanted to leave in a hurry, but she couldn’t stay any longer when she saw the price of the clothes.

“There must be one you like with so many clothes. I can accompany you to choose slowly.”

gu jin yi insisted on taking Ning Xi to select clothes.

In the fitting room, a s**y and enchanting woman was listening to the sound outside.

Hearing the familiar voice, she poked her head out and saw Ning stream and gu jin yi.

Why are they here?

In this way, Susie hid in the fitting room and watched their every move.

chapter 113

Ning Xi stood on tiptoe and whispered in gu jin yi’s ear.

“It’s not that I don’t like it. It’s just that the price here is too high.”

Then Ning Xi returned to where he was.

The sales staff looked at Ning stream and gu jin yi and frowned. They didn’t understand what they were doing now.

“I see. You like the clothes here, don’t you?”

gu jin yi looked at Ning Xi and said.

ning xiao xi didn’t understand what gu jin yi meant and looked at gu jin yi in confusion.

If he understood, he should leave with her. Why did he still stand here.

“Let’s go.”

ning xiao xi held gu jin yi’s hand again and was about to leave.

“Wait!”

Then gu jin yi picked up a lilac dress and a pink suit he just picked up and said, “pack them all, this one, this one and this one...”

Then he walked to the other side and continued to pick.

ning xiao xi and the sales staff were all stunned. What are you doing?

After choosing all the clothes, she counted that there were one hundred and eight clothes in total, and the amount of money had exceeded ten million.

“Mr. Jacob, are you sure you want all these?”

The saleswoman confirmed again, because no one would buy so many clothes at one time, not to mention not for herself, but for a woman.

gu jin yi nodded silently.

“Okay.”

The sales staff didn't dare to check the accounts until gu jin yi nodded.

“Hey, what are you doing?”

Ning Xi pulled gu jin yi's sleeve and asked in astonishment.

“I'm buying clothes.”

gu jin yi answered indifferently.

Ning Xi was speechless. Of course she knew she was buying clothes, but there was no need to buy so many, and the price was more than ten million.

Ning Xi suddenly found that everyone present was looking at him in a strange way.

All of a sudden, Ning Xi felt uncomfortable.

“Mr. Jacob, we will give you a special gift. Please take care.”

Then, he held the hand of Ning stream and walked out.

Looking at their receding figures, the sales staff began to discuss.

“Who is this woman? I haven't seen her before.”

“It's the first time I've seen Mr. Jacob bring a woman to buy clothes. It's so rare.”

“I envy her so much. If only a man could treat me like this.”

“.....”

She enviously watched them leave.

Seeing gu jin yi and Ning Xi leave, she sneaked out of the fitting room.

“Miss, have you made your choice?”

The saleswoman asked with a smile.

“What did the woman who just went out buy? Give me all of them!”

If she didn't want to try it on, she wouldn't try it on any more. When she saw the clothes that Edmund had just selected, she also followed Nina to buy the same.

“Are you sure?”

The saleswoman asked in shock.

What day is today? The customers were all big customers, and they would cost tens of millions at a time.

“Of course! Hurry up. I want to take it home!”

“Okay, okay.”

The sales staff didn't say anything more and packed all the clothes according to what she said.

When she went to pay, the amount was more than ten million. She was stunned.

“Why is it so expensive?”

He asked expressionlessly.

“You just said that you wanted to buy the same clothes as them. They bought one hundred and eight clothes in total and the amount was sixty-three million and five hundred thousand.”

Susie was stunned. Sixty-three million and five hundred thousand

“Well, wait a minute. I have something else to do. I'll be back later.”

At a loss, Leona ran out of the clothing shop.

Sixty-three million and five hundred thousand, Ning stream? Why! Why can you have so much!

If she can't get it, you can't get it either! No matter what it is? Everyone and everything should belong to her!

An evil look flashed across her beautiful eyes.

On the other side of the road.

“Are you crazy to buy so many clothes?”

Ning Xi sat on the passenger seat and couldn't help complaining to gu jin yi.

“These are all bought for you.”

gu jin yi replied with a faint smile.

She didn't know why, but she wanted to laugh no matter how Nina complained about her.

Although he had spent so much money, gu jin yi was not distressed at all. On the contrary, he was very happy to spend money for Ning Xi.

“Where did I wear so many clothes?It’s a waste to put it there. ”

Ning Xi frowned and answered.

“I don’t think you don’t have clothes to change in the morning. In this way, you can wear clothes at any time.”

gu jin yi answered Ning Xi while gracefully controlling the steering wheel.

Ning Xi looked at gu jin yi in a daze.

Did he buy so many clothes because he had been looking for clothes for a long time that morning?

It suddenly occurred to Ning Xi that he didn’t find a suitable dress in the dressing room that morning. Later, it was gu jin yi who helped him choose a set of clothes, a white shirt and a black skirt.

She didn’t expect that he would keep such a small thing in mind.

“You are so rich!”

Ning Xi returned to his seat, drew back his thoughts, pouted and said.

“I still have money to buy clothes for my wife. Take it. If you need anything, just use this card.”

gu jin yi took out a card from the car frame and handed it to Ning Xi.

Ning Xi was stunned. “Why did you give me the card?I have money. ”

“You are my man. Of course, I should be responsible for everything you use.”

Then he put the card into Ning Xi’s hand.

When Ning Xi was about to return the card to gu jin yi, he arrived at home. gu jin yi got off the car, and Ning Xi also got off.

“No, I give it back to you!”

As soon as gu jin yi got off the car, he went upstairs directly, and Ning Xi followed gu jin yi and returned the card to him.

But gu jin yi ignored him and went straight into the room.

“Stop, bill!”

When they arrived at the room, Ning Xi shouted, and then gu jin yi stopped.

She turned to look at Ning Xi and said with a smile, “Mrs. Gu, be gentle.”

Ning Xi blushed, as if the voice had been a little too loud.

“I said I have money and I don’t need your card.”

Ning Xi gave the card back to gu jin yi.

gu jin yi walked into Ning stream. Ning stream stepped back slowly, "what... What are you doing?"

Every time she saw the unfathomable look in gu jin yi's eyes, she felt a little nervous.

"You don't want to use my card. Do you want to use someone else's?"

Said gu jin yi, looking at Ning Xi with his sharp black eyes.

"I have my own job, of course I need my own."

Ning Xi glanced at gu jin yi and said confidently.

"Oh, it seems that you are quite independent."

gu jin yi raised his eyebrows and said.

Otherwise, how could the two babies be raised by her, Ning Xi? Life forced her to be independent.
