

Cute Baby13

chapter 13

“Ahem...”

Her face turned red because of the choking food.

She quickly picked up the hot water on the table and gulped it down.

“No one will take the food away from you.”

Seeing this, Gabriel looked at her coldly.

Nina immediately withdrew her sad expression and smiled at Caroline.

“Last night, we had a good sleep last night.”

Nina squinted at Gabriel and answered against her conscience.

“That’s good. Don’t be shy. You two have to try harder.”

Caroline’s desire for her grandson was so strong that she reminded the two of them at breakfast.

At this time, Nina’s face was red, from cheeks to ears to neck.

“Okay, I’m done. Enjoy your meal.”

After saying that, Caroline stood up slowly and left the table.

After she left, he said coldly.

“Why are you blushing?”

Staring at the shy woman in front of him with his deep black eyes, Gabriel suddenly wanted to laugh.

But she held back her anger. Thinking of how embarrassed Nina was at that time, she couldn’t help raising the corners of her mouth.

“You, why are you laughing?”

Nina was pissed off by Gabriel’s teasing. She lowered her head in shame and anger.

Gabriel immediately withdrew his smile, and his bottomless expression was deeply covered by the curved moon.

“In Gu family, if you can’t bear such a tiny thing, you can leave early.”

Gabriel looked at Nina with cold eyes and told her clearly.

Then she stood up coldly and was about to go out.

“Wait a minute. I’m going out, too. Can you give me a ride by the way?”

Hearing that Gabriel was about to go out, Nina stood up excitedly and wanted to take his car.

To be exact, she wanted to see her two babies as soon as possible.

In this way, she could save a lot of time to take a taxi.

“Let’s go our own ways and not interfere with each other.”

After saying that, Gabriel turned around and left.

“Oh, my god. You...”

Before she finished her words, he strode out of the hall.

Nina stamped her feet with anger.

“You are such an arrogant man!”

Nina had no choice but to take a taxi to Celia’s house.

Nina took a taxi and called Celia, telling her that she would go home today.

When the two babies heard that their mommy was coming back, they couldn’t wait to see her and waited at the door.

An hour later.

“Mommy, Mommy...”

Before Nina reached the door, the two babies saw their mommy Nina first.

The two shouted at the same time.

Hearing two clear and childish voices not far away, Nina looked up and saw his two lovely children.

“Cheney, Hanna!”

Then they strode towards Nina, while the two babies ran towards her like sprinting for a hundred meters.

Both of them were wearing two dark brown jumpsuit. Maybe it was because their clothes were too heavy that they jumped like two kangaroos when they ran.

“Mommy, we miss you so much. Where have you been?”

“Mommy, I want a hug.”

The two babies hugged Nina and leaned against her like two cats.

“Nina, you’re back.”

Celia walked out from behind Chen and Han, out of breath.

“Celia, thank you for your hard work these two days.”

Nina squinted at Celia and apologized.

“What are you talking about?I’m so happy to have them with me. ”

“Yeah, yeah, my brother and I are both very obedient.”

Hanna pouted.

Nina picked up her and gently rubbed her nose.

“Mommy told me to take good care of my sister.”

Cheney raised his head and looked at his mother.

Nina gently stroked his soft curly hair, bent down and kissed him on the forehead.

“My Chen and Han are awesome!In order to praise you, Mommy will take you to play for a day today. ”

A relieved smile appeared on Nina’s face.

“Great! We can play with mommy now.”

Hanna raised her little hand and shook hands excitedly in the air.

“They knew you would be back, so they waited for you at the door. They ran towards you as soon as they saw you. I really admire their running speed.”

Seeing the two children so excited, Celia touched their heads gently.

“Let’s go home first.”

Nina held Hanna with one hand and Cheney with the other. Celia held Cheney’s one hand and walked towards their home.

In Celia’s house.

“You can play by yourselves. Mommy will talk to Celia for a while and take you to play later.Okay? ”

Nina gently put down Hanna and bent down to tell the two babies.

“Okay!”

Cheney and Hanna behaved well and ran aside automatically. The two played happily.

Nina and Celia walked aside and sat on a cradle, chatting casually.

“Celia, thank you for taking care of my babies these days.”

Nina thought of her current situation. She couldn’t take care about herself, let alone the two children.

“Silly girl, what are you talking about?If you keep being so polite, I’ll fall out with you. ”

Celia turned her face away, pretending to be angry.

“All right, all right. You are so beautiful! So I listen to you”

Nina teased. Celia couldn't help laughing.

“I won't argue with you this time. I'm generous.”

Celia held her in her arms and the two teased each other.

“By the way, how is your grandmother's house?”

“.....”

.....

The two of them chatted for more than an hour. Nina told the whole story to Celia.

“What? You replaced someone to marry? And it's your so-called sister Susan! ”

Celia heard the news. If she hadn't heard it from Nina, she wouldn't have believed it.

Nina nodded.

“So I can't take Cheney and Hanna with me now. I have contacted a nanny in the 58 App. She will come to take care of Cheney and Hanna for you tomorrow.”

Nina felt a little helpless. She wanted to take care of her two babies all the time, but he was not allowed to do so in such a situation.

“Why should you hire a nanny? I can bring them here myself. Besides, you haven't seen the comments on the Internet about the nanny. How did they treat the children? ”

“It's okay. This is a relative of my friend. Don't worry. I know it. ”

Nina explained to Celia. She wouldn't let her baby get hurt.

Celia had no choice but to nod in agreement with Nina.
