chapter 141

han han?It's so late. Why are you here? "

gu jin yi looked at han han in confusion and asked in a spoiled tone.

han han's face turned gloomy when she saw the surprise on gu jin yi's face. She frowned and pouted helplessly.

She didn't know how to explain why she was still here at this late hour.

"It's so late. Let me take you to my home first."

gu jin yi was a little worried about his 22 children at such a late time. He wanted to take them home subconsciously.

Dear daddy, you are so kind. Although you don't know that we are actually your children, you will take us home.I can't tell you the ident**y of myself and chen chen now, but in their hearts, you are their best and most handsome daddy.

"Handsome uncle, can we really go to your home?"

han han stared at gu jin yi with her dark eyes wide open and asked again.

gu jin yi looked at han han calmly and nodded with a smile, "of course."

"Great!Brother, we can go to daddy's home now! "

han han was so excited that she blurted out without thinking.

gu jin yi looked at han han in confusion, "han han, what did you say just now?Daddy? "

It was the first time that gu jin yi heard the word "Daddy". He was inexplicably excited, as if he had never had a complicated emotion.

He was wondering if he had misheard, so he asked han han again.

"No, No. I mean you are as handsome as my daddy."

han han suddenly realized that she had said something wrong, but the smart han han immediately thought of an excuse.

"Your parents are so happy to have children like you."

gu jin yi realized that he had thought too much. It turned out that han han meant that.

Sitting next to her, chen chen gradually came to his senses. He looked at han han and said, "let's go, sister."

It seemed that chen chen didn't hear the conversation between them at all. He just sat on the ground in a daze.

“Brother, we can go to the handsome uncle’s house!”

han han said excitedly.

It was not until then that chen chen saw a tall figure beside him. He raised his eyes slightly and looked at gu jin yi slowly.

At the same time, he also looked at chen chen, and the two looked at each other directly.

At the moment when the two met, the expressions on their faces were almost exactly the same, as if they had seen a super surprising thing. The two stared at each other in a daze.

Was this man daddy? She was really the same as him

Why was the little boy almost the same as her when she was a child? How could there be such a similar person in the world? There was no blood relationship at all. It was the first time that they had encountered such a magical thing.

gu jin yi and chen chen stared at each other with mixed feelings.

“han han, this is your brother?”

gu jin yi looked at the little boy up and down. He still couldn’t believe that a person without blood relationship would look so much like him.

“Yes, we are twins. He is my brother, and I am my sister.”

han han admitted obediently that she was her sister and chen chen was her brother.

If he hadn’t met this little boy today, he would never believe that there would be someone so similar in the world.

It seemed that the two kids were destined to meet him. He met han han in the supermarket for the first time, and then chatted with her on WeChat. Now he met the two of them, and the little boy looked like him so much. The continuous encounter with them indicated that the two children were destined to be destined to meet him.

Somehow, gu jin yi was overjoyed to see the two children.

“Let’s go home.”

gu jin yi picked up the two babies, put them on the back seats, fastened the seat belt, and drove them home.

In the car.

The two babies murmured, not knowing what secret they were talking about.

“What a coincidence! We are so lucky to meet daddy in this way.”

han han whispered excitedly in chen chen’s ear.

“We are biological. How can we not be destined?”

chen chen whispered in han han’s ear again.

han han giggled. While driving, he looked at the two little babies in the back seat from the mirror from time to time. When he saw them playing, he couldn’t help but raise the corners of his mouth with a smile that he didn’t notice.

Looking closely at chen chen, she sighed in her heart.

han han was five years old. They were twins, and he was also five years old

Five years ago, he had an one night stand with a woman by accident. Could these two children be gu jin yi began to think whether their mother was the woman five years ago.

It was impossible. Five years had pa**ed. Even if that woman was pregnant, how could she not come to her?Wouldn’t she threaten him with the custody or something like that?

gu jin yi had thought of the night five years ago, but he immediately interrupted this idea. It was absolutely impossible.

On the other side, in ye xiao xiao’s house.

ning xiao xi and Celia went out to find some restaurants or parks nearby, but they didn’t find the two little babies. Then they returned home.

“How about the stream?Is there any news? ”

“Celia, have you found chen chen and han han?”

ye xiao xiao and Ning Xi happened to meet at the door. The two of them were both out of breath. It seemed that they had run a lot of places.

But as soon as they asked each other’s questions, they knew the result, but there was no news of the two little babies.

It was almost nine o’clock, but there was still no news about chen chen and han han. Ning Xi was so anxious that his eyes turned red again.

“Celia, chen chen and han han are still so young. Where do you think they will go?”

Holding Celia’s sleeve tightly, Ning stream sobbed.

“Naomi, don’t worry. It’s so late now. Let’s go back first. We’ll call the police tomorrow. chen chen and han han will be fine.”

ye xiao xiao could only comfort Ning Xi.

“No, I have to find chen chen and han han. I must find them.”

Ning Xi looked flustered. When he was about to look for the two babies again, he was stopped by ye xiao xiao.

“Stream!Calm down!The place is so big. Where are you going to find them?”

ye xiao xiao hugged Ning stream and told her not to be so excited. As she let go of Ning stream, she stared at it with her sharp beautiful eyes. “Ning stream, let’s go in first. Tomorrow I’ll go with you to find chen chen and han han.”

“Celia, but I’m worried about them...”

“Let’s call the police tomorrow. With the help of the police, we can find chen chen and han han soon.”

“You can go back first.I’ll look for her again. If you really can’t find her, I’ll listen to you and go home first.”

Ning stream shook off Celia’s hand and ran to the left.

chapter 142

“Stream!”

Looking at the back of Ning Xi, ye xiao xiao frowned. She was also anxious and worried.

In the villa of Gu family.

“Here we are.”

gu jin yi parked the car in the garage, got out of the car and walked to the back seat to open the door for chen chen and han han. He gently led them into the hall, as if he were his children.

“Is this uncle’s home?It’s so beautiful!”

As soon as han han entered the hall, she fixed her eyes on the surroundings.

chen chen and han han walked to the sofa. They wanted to sit on it, but they couldn’t.

Then, when he saw this, he picked up the two babies and put them on the sofa with a dotting smile on his handsome face.

“Your name is han han. What about your name?”

gu jin yi sat down, looked at the two babies and asked like a typical father.

“My brother’s name is ning chen xi, and his nickname is chen chen.”

Before chen chen opened his mouth, han han answered for him.

“Hello, I’m ning chen xi. Nice to meet you.”

ning chen xi reached out his little hand to shake hands with his father.

gu jin yi was stunned by chen chen’s action before he could react.

What's wrong with daddy?She was so slow when she shook hands with him.Or do you look down upon kids?You don't want to shake hands with me?

chen chen narrowed his eyes and looked at gu jin yi up and down.

"Hello, my name is gu jin yi. Nice to meet you."

gu jin yi reached out his hand. He didn't know why he would play the meeting game with such a child.

gu jin yi and chen chen just appeared face to face. han han stared at them with her eyes wide open.

"Two chen chenWOW!"

han han couldn't help blurting out.

If it weren't for the fact that he didn't have a child, they would have been called father and son when they went out together.

"chen chen and han han, why are you walking on the road at this late hour?Where are your parents?"

gu jin yi didn't understand this matter. The two babies were still so young. How could their parents let them go out at such a late time.

"HMMWell..."

han han didn't know how to explain it. Then she looked at chen chen to seek chen chen's response.

"Here is the thing. Our daddy is very busy and has no time to take care of us. Then Mommy quarreled with him..."

.....

"So they don't care about us and we don't want to go home."

chen chen smartly made up a perfect reason to tell gu jin yi, which made gu jin yi feel more sympathy for them.

Sitting next to her, han han listened to her brother's nonsense with great interest. She was speechless with laughter in her heart.

No wonder he was her brother. He was so eloquent. No one would doubt this reason.

"chen chen and han han, you can live here from now on."

gu jin yi suddenly said something like that, which made chen chen and han han at a loss.

Did Daddy mean that she could live with him in the future?Live in this big house?

chen chen and han han didn't expect that gu jin yi would take them here all the time. They thought it was just to take them in for one night, but now he actually said that he would let them live here all the time.

They were still thinking about how to stay here longer. They didn't expect that they could live here for a long time without thinking. It was really easy.

The two babies were very happy. They looked at each other strangely and smiled faintly.

The two babies seemed to know what to do through each other's eyes.

"Handsome uncle, are you serious? Can we really live here forever?"

han han asked again. She wanted to make sure that gu jin yi was not joking.

"Yes, you can live here."

gu jin yi patiently answered han han's question.

"Wow, handsome uncle, you are so kind. I love you so much!"

han han winked mischievously and blew a kiss to gu jin yi.

"I have a suggestion. Uncle, you can be our Godfather."

chen chen said suddenly with a serious look on his face.

"That's okay. Handsome uncle can be our godfather, okay?"

han han looked at gu jin yi and asked with a smile.

"Okay, you are my children from now on."

gu jin yi agreed without hesitation.

She didn't know why she only liked them and had never been so patient with any child.

"Oh, yeah! We have Godfathers!"

The two babies jumped up on the sofa. They seemed to be happier and excited than when they were at home.

"Purr!"

All of a sudden, someone's stomach rumbled, which made the excited atmosphere in the hall quiet down.

chen chen looked at han han, han han looked at chen chen, and gu jin yi looked at the two little babies.

"Are you hungry?"

gu jin yi asked gently.

"han han, are you hungry?"

"Brother, are you hungry?"

The two babies asked at the same time.

“Purr!”

A hungry voice came again. It turned out that the two babies were hungry, so they were reminded to eat something.

chen chen and han han looked at each other and smiled shyly.

“Have some fruits here. I’ll cook something delicious for you.”

After saying that, gu jin yi walked into the kitchen, where the two babies were waiting for the dinner he prepared for them.

“Brother, don’t you feel amazing to see daddy, who is just a big version?”

han han approached chen chen, stared at chen chen with her bright eyes and asked.

“We are father and son. It seems that we are sure, but daddy doesn’t suspect our ident**y.”

chen chen was a little confused. When he saw the two of them, he seemed to be more surprised, but he had never thought that they would be his children.

What happened between their parents?

The two babies had all kinds of doubts in their hearts.

Their mommy had never told them the story between her and daddy very seriously, so the two babies didn’t know the whole story.

chapter 143

“If Mommy doesn’t tell Daddy, we can investigate it by ourselves.”

chen chen pinched his chin thoughtfully.

“Why isn’t mommy at home?”

It suddenly occurred to han han that this was their father’s home. Their mother, Ning Xi, should be at home at this time. But why didn’t they see her?

The two babies looked around and didn’t see Ning stream.

“Maybe he is still working overtime.”

Guessed chen chen.

“Brother, do you think we should hide when Mommy comes back? What will she look like if she sees us?”

han han was wondering whether she should hide or face Ning Xi?

After all, they were running away from home now. What would happen if they met here all of a sudden.

“We can pretend that we don’t know her. It doesn’t matter even if we meet.”

chen chen taught han han how to say.

At this time, at the door of the Gu clan’s villa, Ning Xi was walking towards the door of the hall step by step in a depressed mood.

“chen chen, han han, where are you? I won’t stop you from filming anymore. As long as you are happy, I’m willing to do anything. Come back quickly...”

At the door, Ning Xi looked up at the sky. The starry sky was particularly beautiful, and the stars were twinkling. At this moment, the eyes of Ning stream were covered with a layer of mist.

It turned out that her eyes were stained with tears.

She wiped the tears from the corner of her eyes and thought in a good way. Her two babies were really smart. Even if the two of them ran away from home, there should be nothing wrong in the day. Tomorrow she could rely on the police to help her.

ning xiao xi, be open-minded. chen chen and han han have always been two lucky stars. They will be fine.

Ning Xi looked at the bright lights in the hall and guessed that gu jin yi should be back at this time.

Ning Xi regained his composure and raised his head to stop crying. He couldn’t let gu jin yi find anything wrong with him, nor could he let himself cry again.

Since that time five years ago, Ning stream swore that she would never shed a tear again. But every time because of her two little babies, she couldn’t help it, because in her heart, now the most important person was chen chen han han. Without them, she would be meaningless in the world.

Ning Xi returned to his normal state, tidied up his clothes, and directly opened the door and walked into the hall.

No matter how well she pretended, it could still make people feel her sadness.

gu jin yi was cooking dinner for the two babies in the kitchen, while Ning Xi went straight to the hall.

The two babies were sitting quietly on the sofa watching cartoon and eating fruits.

They didn’t notice that their mommy Ning stream had come back.

Ning Xi went to the fridge to get some juice as if he was distracted. He didn’t notice the little baby who was watching TV on the sofa.

When she finished drinking the juice and put down the glass, she inadvertently saw the two little babies sitting on the sofa through the glass.

Her bright eyes suddenly widened, “is it chen chen and han han?”

Ning Xi murmured to himself.

“It must be my illusion. How could chen chen and han han appear here?”

Ning Xi rubbed his eyes and found that he was too worried and missed chen chen and han han so much that he had an illusion.

When she opened her eyes, she found that it was still them. She stared at the two babies expectantly. Ning stream slowly walked to the main room of the hall and cautiously walked over with heavy steps.

“chen chen, han han, my baby, it’s really you!”

“Mommy!”

The moment ning xiao xi spoke, the two babies also saw her coming in and shouted happily.

Hearing the voices of the two babies, Ning Xi was sure that they were them. She ran excitedly to chen chen and han han and hugged them tightly.

“How can you do this to Mommy? Do you know that I will be worried about you?”

Ning Xi held the two babies in his arms and said excitedly. At this moment, she was more happy, because she finally found her two babies.

Slowly, Ning Xi let go of chen chen and han han, and stared at the two babies with maternal eyes. “Have you had dinner?Did you get hurt?Have you met any bad guys? ”

.....

Ning Xi asked the two babies anxiously.

“Mommy, you have asked so many questions. Which one should I answer?”

The two babies looked at Ning stream with confused expressions.

“It doesn’t matter. I just want to see that you are safe and sound in an an.”

Ning Xi felt relieved. The moment he knew that the two babies were missing, his heart had been hanging. The feeling was indescribable.

“chen chen and han han, I cooked noodles for you. Come and eat.”

At this time, he came out of the kitchen with a large bowl of noodles. A deep and clear voice naturally reached the ears of Ning stream.

It was not until then that Ning Xi came to his senses from the thought of chen chen and han han. This was his house, not other place.

He called two names just now. Had they met?How did chen chen and han han get here?Did gu jin yi know everything?

.....

Ning Xi panicked. What should he do now?

When Ning Xi was trying to figure out a solution in a hurry, gu jin yi came from the kitchen to the hall.

“Naomi, you’re back. Why are you so late today?”

gu jin yi asked with concern.

“I have a lot of work to do today. Tomorrow is weekend, so I work overtime. ”

Nina couldn’t tell him that she was already off work, but she went out to look for the two babies.

She suddenly came up with an excuse to answer gu jin yi.

gu jin yi walked up to Ning Xi and the two babies and said, “Xi Xi, I have something to tell you. Her name is han han and her name is chen chen. They are twins. Do you remember this little girl? We met in the supermarket last time. They can live in our house from now on. We are destined to meet. ”

gu jin yi looked at the two babies dotingly and then turned to ask for Ning Xi’s opinion.

Ning Xi was in a daze for a moment, staring at the two babies in front of him with his clear eyes. She really didn’t know what was going on now?
