

Cute Baby147

chapter 147

“Let’s take them with us. It might be more interesting to have two children around.”

However, Nina didn’t understand what he meant on purpose, so she changed the topic on purpose.

“Of course, it’s up to you.”

gu jin yi squinted his eyes and agreed.

“In fact, it’s good to have two children.”

gu jin yi said in a low and clear voice with a warm smile on his face.

Ning Xi turned to stare at gu jin yi without blinking. What did he say? Is it good to have two children? It was the first time that she had heard such words from him.

In the past, his mother always urged him to get married and have children as soon as possible. His attitude was indifferent, and sometimes he was very against it. Moreover, he never smiled at children.

‘how could he say something like that? Is he still me?’?

“Didn’t you say that you didn’t like kids?”

Ning Xi asked tentatively.

Ning Xi knew that gu jin yi didn’t like children, so he never mentioned children in front of gu jin yi. He didn’t expect that he would say that it was good to have children today.

“Yes, I didn’t like her before. But I don’t know why I also want a child when I see such a lovely child as chen chen and han han.”

gu jin yi said in a soft voice. His deep black eyes were full of tenderness and warmth.

“Because of chen chen and han han?”

Ning Xi didn’t seem to believe what gu jin yi said, so she asked again.

gu jin yi nodded silently.

Ning Xi stared at gu jin yi in a daze. Was this the reason for the blood relationship?

A person who never liked children suddenly wanted a child now. The change was a little unimaginable.

Does it mean that gu jin yi likes the two babies very much?

Would gu jin yi be happy if he knew that chen chen and han han were his children?

Ning Xi slowly thought of the future. If the two children recognized gu jin yi, he seemed to like them very much now. At least he wouldn’t hate chen chen and han han.

gu jin yi nodded deeply, indicating that he really wanted to have a child when he saw chen chen and han han’s two children.

Ning Xi smiled from the bottom of his heart.

Just like a normal couple, gu jin yi and Ning Xi sat quietly on the bed and began to talk about the two babies.

“I was really surprised when I first saw chen chen. There is someone so similar to me in the world.”

gu jin yi opened his thin lips and an incredible smile flashed across his deep eyes.

Ning Xi turned his head and pretended to be calm, “really?Why don’t I think you look like each other?”

At this moment, in fact, in Ning stream, her heart was fluctuating and uneasy.

All of a sudden, gu jin yi approached Ning stream. He stared at her with his deep black eyes full of tenderness.

“Honey, it seems that you haven’t taken a good look at me. You must remember what I look like.”

“What are you doing?Let’s go. ”

Before Ning stream could react, he had already stood in front of Ning stream, with two fair skinned faces facing each other.

Ning Xi pushed gu jin yi away and hid himself under the quilt.

“What’s so good about you? I won’t look at you.”

Ning Xi covered himself with a quilt and turned his back to gu jin yi.

Then gu jin yi also lay down, leaned close to Ning Xi, held her slender waist, and put his charming handsome face close to Ning Xi’s flawless ear. He said in an evil and attractive voice, “you don’t want to see me, but I want to see you all my life.”

Ning Xi pretended to be asleep. She chose to be silent, thinking of all kinds of things that disturbed her thoughts.

“Just fell asleep?”

gu jin yi leaned closer to Ning Xi and asked in a low voice.

Ning Xi still didn’t answer, but chose to be silent.

gu jin yi thought Ning Xi was really asleep. He tucked her in gently and said subconsciously, “every time I want to talk to you, you always sleep so fast.”

There seemed to be a trace of emotion and pity in his tone.

Then, he gently left a gentle kiss on the smooth and delicate cheek of Ning stream.

“Good night, Mrs. Gu. I hope you have me in your dream, and you are also in my dream.”

Then, he slowly lay down, gently held Ning stream and closed his eyes, safe and happy.

On the other side, Ning stream, who was pretending to be asleep, didn’t fall asleep more than 10 minutes after he lay down.

Ning Xi slowly turned to face gu jin yi.

“Are you asleep?”

Ning Xi asked tentatively.

Seeing gu jin yi sleeping soundly, Ning Xi gave a relaxed and warm smile.

Ning Xi carefully touched gu jin yi’s tall nose, hoping that time could stop at this moment.

ning xiao xi had never thought that she would fall in love with him, and things would come to this.

She didn’t expect to be with him forever. She just hoped that the day of the truth would come a little later.

Then Ning Xi slowly approached gu jin yi and kissed him on his high nose.

“Good night, Mr. Jacob.I hope you can always remember that you have me in your life. ”

Then Ning Xi lay down quietly, facing the ceiling of the room. Her gentle and clear eyes were filled with all kinds of complicated thoughts

The second morning.

The two babies had woken up early. Ning stream had developed the habit of going to bed early and getting up early for the two babies. For the past five years, both of them had been like this.

chen chen, han han and an an lay quietly on the bed, staring at the ceiling with their big eyes without blinking.

“han han, do you think we really live in daddy’s house?”

With a childish look on his face, chen chen pursed his lips and asked han han.

“It’s true. We really live with daddy and Mommy.It’s amazing! ”

han han giggled and answered. Her bright eyes were full of all kinds of happiness.

Then, chen chen and han han stared at each other face to face.

“Brother, I used to think that you looked like Daddy very much. But now when I look at you carefully, I find that you are almost exactly the same as daddy. Wow, it turns out that father and son really look like each other so much.”

“han han, you said that we have been living here all the time. Will daddy doubt me every time he sees me?It will definitely bring trouble to Mommy. ”

The two babies spoke almost at the same time.

chapter 148

In chen chen’s opinion, it was impossible for a person like their father, gu jin yi, not to investigate a child who looked exactly like him.

chen chen knew that Ning Xi didn't want their father, gu jin yi, to know their identity. Now that they came here, he was afraid that it would bring unnecessary trouble to their mother Ning Xi.

"Brother, don't worry. Didn't you see daddy's reaction at that time? I have never thought that we are his children."

han han said in a childish tone.

"Anyway, I have to figure out the reason first."

chen chen narrowed his long and narrow eyes, which were very similar to someone's, and a touch of unspoken meaning swept across his eyes.

"Brother, let's go to daddy and Mommy's room to play."

han han squinted her eyes and said with a quirky look.

"They shouldn't have woken up yet."

chen chen found that it was only six o'clock now, and today was weekend. His parents didn't go to work, so they must be still sleeping. Going to their room so early would disturb their sleep.

"It's better that they don't wake up. We just go to see them sleep, haha..."

han han squinted her eyes and put on an evil smile.

Confused, chen chen didn't understand what han han meant.

He could only follow her quietly to the room of gu jin yi and his wife.

"Wow, daddy and Mommy's room is so big. Why don't you see them?"

han han walked quietly to the living room. She frowned as she didn't see gu jin yi and Ning Xi.

"Didn't Daddy say that he would sleep next to us? Why haven't I seen them?"

As soon as chen chen came in, he looked around. After all, it was the first time that he had seen such a big room, and he could not help but feel curious.

"This should be the living room. Daddy and Mommy should be inside."

chen chen walked forward and saw the bedroom. Then he cautiously walked in with han han.

"Daddy and Mommy are there."

han han kept staring at the two people who were sleeping on the bed with her big watery eyes, and her little flesh pointed in their direction.

"Daddy and Mommy should be still sleeping. Let's go quietly."

chen chen made a gesture to han han in a low voice, "Shh ~"

han han also made a gesture in a low voice and nodded obediently.

The two babies walked into gu jin yi and Ning stream step by step.

Looking at their sleeping faces, the two babies couldn't help giggling.

"It seems that mommy and daddy love each other very much. They always sleep together with their faces close to each other."

chen chen folded his arms around his chest like an adult, squinting his long and narrow eyes slightly, and a little evil smile appeared on his childish and delicate face.

"I want to keep this picture."

han han took a few photos of gu jin yi and Ning Xi who were sleeping.

"Crack, crack..."The flashlight flashed.

The two of gu jin yi ning's stream frowned and rolled their eyes as they felt the light was looking at them.

Seeing this, chen chen and han han said, "Daddy and Mommy are going to wake up. Let's go."

han han took her watch and was about to leave the bedroom when chen chen spoke.

"Wait, something happened to daddy and Mommy."

chen chen fixed his eyes on the two of them.

han han, who was about to leave, didn't know what chen chen was talking about. She saw that he had been staring at gu jin yi and others.

"What?"

Then han han also looked in the direction that chen chen was looking at.

The two hugged each other tightly. He held the head of Ning stream into his arms and surrounded her, as if he couldn't let her get hurt at all.

Ning Xi rubbed against the quilt, frowned and said in a lazy and hoarse voice, "don't hold me so tightly. I need to sleep for a while."

"I just want to hold you tight to sleep."

gu jin yi answered in a low and hoarse voice.

Maybe it was because she didn't wake up that she felt dizzy.

chen chen and han han burst into laughter.

Ning Xi opened his eyes lazily and found two babies standing by their bed.

"chen chen, han han!"

Ning Xi suddenly sat up from the bed.

Then, he opened his eyes reflexively.

"chen chen, han han, why are you here?"

“Good morning, daddy, Mommy.”

There was a bright smile on the faces of the two babies, and the two cute canine teeth.

No matter how cold and heartless a person was, his heart would be melted when he saw such a smile.

ning xiao xi and gu jin yi looked at each other in confusion, and then turned around to look at the two little babies.

“Daddy, Mommy, they love each other so much. I’m so jealous of them!”

han han squinted at the two of them and said shrewdly.

Ning Xi looked confused. What was han han doing?

“What did you call us?Daddy, Mommy? ”

It was the first time that he had heard a child call him daddy. He didn’t know how to describe his mood at the moment.

han han was stunned. She began to feel guilty and didn’t know how to explain.

At the same time, Ning stream, who was standing beside, was also nervous. Her dear han han, could you please stop your mother from being nervous all the time?

chen chen came up with an idea and said, “Daddy, Mommy, they are daddy and Mommy, and daddy and Mommy sound so familiar, right?Sister. ”

Seeing this, han han quickly nodded and said, “yes, daddy and Mommy sound very familiar.”

gu jin yi didn’t think too much, but smiled.

Ning Xi took a deep breath and pa**ed by.

The two of them were destined to be two brothers and sisters. One liked to make trouble, and the other habitually rescued.Ning Xi sometimes smiled helplessly.

“han han, be careful next time. Sworn parents are different from daddy and Mommy.”

Ning Xi squinted at han han and told her not to say anything that would arouse gu jin yi’s sus***ion next time.

With a big smile on her face, han han winked at Ning Xi with her left eye, indicating that she would never make such a mistake again.

“I know, father and mother *.” (* TN: here father and mother mean sworn father and sworn mother)

“It doesn’t matter. You can call me daddy and mommy from now on. I like this name very much.”

gu jin yi said in a soft tone, as if he had really treated chen chen and han han as his own children.

“Really?”

Hearing what gu jin yi said, chen chen and han han looked at gu jin yi with their big dark eyes full of excitement.

“Of course.”

gu jin yi answered the two babies with affection.

Ning Xi stared sideways at gu jin yi, as if he wanted to ask something, but stopped.

“Mrs. Gu, we have two more children from now on. Do you mind?”

gu jin yi raised his long and narrow eyes slightly and looked at Ning Xi with his deep black eyes. He wanted to hear her thoughts.

“I... I have no objection...”

Ning Xi couldn't figure out what on earth was on his mind. Did he really like chen chen and han han so much? He even allowed them to call him daddy without knowing that they were his children.

“Then it's a happy decision. From now on, you are our daddy and Mommy!”

The two babies smiled happily.

Seeing the happy faces of the two babies, Ning Xi also smiled with relief.

“chen chen and han han, where do you want to go this weekend?”

“Daddy, are you taking us to play?”

han han's little face was full of expectation.

As soon as the two babies heard that they could play, they froze there in surprise, waiting for gu jin yi's answer.

“Can you take us there?”

chen chen said calmly all of a sudden.

gu jin yi, Ning stream and han han three all looked at chen chen, as if chen chen had said something earth shaking.

“How could it be bad?”

han han pouted and looked at chen chen with contempt.

She thought to herself, 'it's not easy to go out, but what my brother said may be ruined, so I can't go out to play.'

gu jin yi and Ning Xi were also confused.

“Will we disturb the two of you and Mommy?”

chen chen narrowed his eyes and put on a wicked smile.

ning xiao xi finally understood what chen chen meant. He did it on purpose.

han han couldn't help but burst into laughter.

"Yes, if you disturb mommy and daddy's love, we won't go."

han han looked at chen chen strangely. She always cooperated with chen chen and spoke in a tacit way.

"I don't think so? Don't talk nonsense."

ning xiao xi deliberately sat away from him.

"Mommy, don't think we are still kids. We just saw it. It was so beautiful that we couldn't bear to look at it. I'm so jealous of you!"

There was a charming smirk on the young faces of the two babies.

"chen chen, han han, you..."

"Daddy, Mommy, get up quickly. Let's go out and wait for you!"

Before Ning Xi opened his mouth, chen chen and han han ran out of their bedroom happily.

"Honey, it seems that we love each other very much."

Hearing what the two babies said, gu jin yi said with an evil smile.

"Who is in love with you? I'm getting up."

Then ning xiao xi ran to the changing room. Looking at her hurried back, gu jin yi couldn't help smiling charmingly.

More than ten minutes later, both of them had changed their clothes. The two babies were ready to wait for them in the hall.

"Daddy, Mommy, are you done?"

chen chen and han han couldn't wait to run to gu jin yi ning stream and wanted to play as soon as possible.

"Let's go."

Ning Xi touched the heads of the two babies and gazed at them with maternal love.

"Let's go!"

The two babies were very happy, with innocent and bright smiles on their faces.

Along the way, the two babies were very excited.

"Daddy, Mommy, where are we going?"

han han looked out of the window at the scenery, but where was the place she wanted to play? Was it fun? She was curious.

“We can go wherever your mommy wants to go.”

gu jin yi said in a low and clear voice, indicating that he would listen to Ning Xi completely.

Because he had promised her that he would take her to play for a whole day on the weekend.

Ning Xi was stunned. She didn't know much about this kind of place. After all, five years had pa**ed, and many places had changed.

“Where do you want to go?”

Ning Xi took a look at Jin Yi, and then turned to look at the two little babies sitting in the back seats.

To seek their opinions.

“We want to go to the amus****t park!”

The two babies answered at the same time in a particularly powerful tone.

Ning Xi smiled, “Okay, let's go to the amus****t park.”

Seeing Ning Xi treat the two babies as his own children, gu jin yi couldn't help smiling warmly.

It seemed that she liked children very much.

Then the two babies began to play their own games. Looking at the scenery along the way, they could not help but sigh, “Wow, it's so beautiful...”

The two people sitting in the front seats looked ahead quietly.

“Are you sure you won't go to the place you want to go?But go to the amus****t park as the two kids think? ”

gu jin yi suddenly opened his thin lips.

“The amus****t park is very interesting. I also want to go there.Otherwise, I will go abroad. ”

Ning Xi answered casually. He didn't want gu jin yi to connect her with the two babies.

“Okay, we can go abroad next time.”

gu jin yi opened his mouth while driving.

“Travel abroadLet's talk about it later. ”

Ning Xi helplessly turned his face to look out of the window. He couldn't talk casually in the future.

“When are you free? I'll arrange the time.”

Ning Xi was stunned. She just said it casually. Did he take it seriously.

“It's true in the company. Let's talk about it after we go abroad.”

It was obvious that Ning Xi refused gu jin yi. In fact, she could have time to go abroad when she was working, but Ning Xi thought that gu jin yi was not telling the truth. He said that because he felt hot in his heart. But he seemed to have a reason.

“I can ask for leave for you.”

gu jin yi narrowed his eyes and seemed to see through Ning Xi’s mind.

“No, No. It’s not necessary.”

ning xiao xi didn’t expect that gu jin yi was serious. If he really went to the company to ask for leave, what would that scene be?

As the CEO of the Empire group, he went to the VL design center to ask for a leave from a small design director. At that time, it would become a hot topic in the public.

“It’s time for you to go abroad and relax.”

gu jin yi still looked like a royal, with no waves on his sculptural handsome face.

It seemed that he would do what he had decided. His handsome face was full of firmness and decisiveness.
