

Cute Baby20

chapter 20

“Well, it’s late now. I’ll go first.”

Nina took a look at the business card and left the gallery.

Looking at Nina’s back, Austin had a meaningful smile on his handsome face.

She could clearly explain Anne’s design concept and refused the invitation of VL. This girl was not simple.

She received a call from Fairy and knew that both of them were not having dinner at home today, so she didn’t have to rush home today.

It was already eight o’clock when Nina returned home. Auntie Wang was cleaning up the living room.

“Mrs. Gu, you are back.”

Maid Wang said happily when she saw Nina .

“Hmm, auntie, just call me Nina.”

“Your name seems to be Susan, right?”

“Nina It’s my nickname. ”

Nina thought for a while and came up with a solution.

“By the way, auntie, has he come back?”

She looked at her watch and found that it was already eight o’clock. At this time, he should have come back early. But she didn’t see him.

“Behind you.”

‘oh my God! What a bad luck! We can meet each other during this period of time.’.

Every time she went home and asked him if he had come back or when he had come back, he would appear in time.

“Well, you are back. ”

Nina gave a pleasant smile.

A pair of deep and cold eyes looked at her coldly. The coldness emitted from her body seemed to be able to freeze her.

Then he strode upstairs from her side.

Nina had experienced a great disaster.

“Go upstairs.”

A cold voice suddenly came from behind.

This time, he must say that she was prying into his privacy again. She'd better be obedient to him first.  
room.

Gabriel stood in front of the French window with his back to Nina .

Even if he didn't speak, he could feel that the room was shrouded in a cold atmosphere.

Gabriel turned around slowly.

"Needless to say, I'm not peeping into your privacy. Absolutely not. I'm a puppy lying to you!"

Before he could say anything, Nina explained first.

Gabriel smiled, "you'd better explain it quickly. I didn't say anything."

Well. She was in a bad mood today. She didn't say that she violated the agreement.

"You came back a little late today. What's up?"

Nina didn't know what to say and asked by the way.

Gabriel raised his eyebrows and looked at Nina with his deep eyes.

"I just asked casually. It doesn't matter if you don't want to tell me."

Seeing Gabriel 's eyes, Nina stopped asking subconsciously.

"I'm going to take a shower."

Tired, Gabriel turned around and went back to his bedroom.

Something was wrong today. She didn't say anything about me.

Nina looked at the back of Gabriel .

Then, the two of them took a shower and lay down in their own bedrooms. Suddenly, there was a knock on the door.

"Bang, bang, Bang..."

"Gabriel, Susan, have you slept yet?"

Caroline stood outside the room in a peachy robe and fluffy slippers.

However, Nina and Gabriel , who were in the bedroom, didn't hear any sound and were busy with their own affairs.

Gabriel was listening to the meeting with a Bluetooth headset.

Nina lay on the sofa early in the morning.

Thinking that they had fallen asleep, Caroline pushed the door open and walked in, dragging her shoes.

Getting closer and closer to the bedroom door, Caroline slowly opened the door.

“Gabriel , Susan, you...”

She wanted to see if they were asleep, but she saw this scene.

She was stunned and couldn't say anything.

Nina was frightened by Caroline's sudden appearance.

On the other hand, he slowly took off his headphones and looked at Caroline.

“Explain to me. What's going on?”

Seeing the two of them sleep in separate beds, Caroline couldn't help getting angry.

“Mom...”

Nina was at a loss and didn't know how to answer.

“Nina!You... ”

Caroline walked towards Nina angrily.

“Nina doesn't feel well today.”

Gabriel suddenly opened his mouth to cover for Nina .

“Yes, mom. My period .... I have to get up several times in the evening. I don't want to disturb him.”

Nina 's mind flashed when he heard Gabriel 's words.

“Really?”

Caroline looked at them with doubt.

“Yes, yes, you can ask him if you don't believe me.”

Nina turned to look at Gabriel with pleading eyes.

“Gabriel .”

Caroline looked at Gabriel sharply.

Please, please.

Nina begged.

Gabriel nodded reluctantly.

Caroline turned to Nina again.

“My silly girl, there is no need to sleep in separate beds. Hurry up and sleep on the bed.”

Caroline walked to Nina and asked her to go to bed.

“Mom, I don’t think it’s a good idea...”

Nina looked aggrieved and helpless.

“What’s wrong? It doesn’t matter. Hurry up and sleep on the bed.”

Caroline insisted. Nina had no choice but to climb onto the bed.

“Why are you so far away from each other, Nina? Don’t tell me that you haven’t slept together.”

Caroline squinted her eyes and guessed.

“Honey, come and sit here. You know I’m not feeling well.”

Nina looked at the man beside him.

“You...”

Nina winked at her.

“Gabriel, be closer. The two of you should spend more time on developing a relationship.”

Caroline smiled at the thought of having a grandson.

“Ten days later, it’s the best period. You have to work harder.”

Not knowing when, Nina’s face was red with blood.

“Mom, you can go back and have a rest.”

Said Gabriel.

“Okay, I won’t disturb you two.”

Caroline, who was about to leave, suddenly turned around.

Nina, who was about to get up, suddenly approached Gabriel and pretended to lean on his shoulder. A big smile appeared on her face.

“It’s time to go back home tomorrow. Remember to take Susan back when you have time. Pay attention to etiquette.”

Caroline exhorted.

Gabriel nodded to show his understanding.

When she came back, Nina didn’t refuse. She knew she couldn’t avoid it.

What should come would come sooner or later. Whether it was a good thing or a bad thing, it could not be avoided.

“Lie down. I’ll turn off the light for you.”

Before leaving, Caroline watched them lying down.

“Mom, don’t bother. We can turn it off by ourselves. It doesn’t matter.”

Nina was a little anxious.

“It doesn’t matter. You should go to bed early so that you can give birth to a healthy grandson for me. I won’t feel relieved until you sleep with me. ”

Caroline said happily.

“Go to sleep.”

Nina crawled into the quilt and said nothing.

Then Gabriel also lay down.

“Son, be gentle today. Good night.”

Then, Caroline turned off the light in the bedroom, hummed a tune in a good mood and went back to her room.
