

Cute Baby25

chapter 25

“What’s the matter? Why are you hesitating?”

Caroline asked while picking up food.

“Can I go to work?”

Nina plucked up the courage to speak.

Caroline suddenly stopped picking up food and looked at Nina.

“Are you afraid that our family can’t afford you?”

All of a sudden, the pleasant atmosphere became serious.

“No, No. I didn’t mean that.”

Nina lied in her mind and didn’t know how to explain it.

“Remember, your task to marry into the Gu family is to let me have a grandson as soon as possible, not to let you go out to make money to support the family, the Gu family can support one more person.”

Caroline said directly.

Nina was speechless.

“I know, but I go to work in order to give birth to a better and healthy baby.”

Anyhow, since Caroline wanted a grandson, Nina would follow her idea.

“It’s your own business. I don’t care.”

Then, Caroline went upstairs after dinner.

“I’m done.”

Gabriel was about to stand up, but Nina stopped him.

“Mr. Gu...”

Nina started to act like a spoiled child.

“Let’s go upstairs first.”

He said lightly. Then she went upstairs slowly.

Nina was left alone at the table.

Why was it so difficult to go to work? She would go crazy if she stayed at home all day long and couldn’t go to see those two women every day.

She sat on the chair in a daze for a while and then went upstairs.

When Nina returned to her room, she found that Bill had already taken a shower and sat in front of the computer.

Looking at her clothes which had just finished dinner, Nina thought it was better to take a shower first before talking to him about work.

Half an hour later, Nina came out of the bathroom after taking a shower.

Gabriel was still in front of the computer. Nina walked quietly to him and sat down.

“Well, about my work...”

Nina said with a lack of confidence.

“Be quiet.”

Gabriel focused on the information on the computer.

He looked so serious, so it must be very important.

Nina could only wait for him quietly.

As time pa**ed.

Nina couldn't hold on any longer, so she lowered her eyelids.

Then she fell asleep.

When Gabriel picked up the doc**ents on the table, he found that the girl beside him had fallen asleep.

He didn't want to disturb her.

She had an angular and delicate side face, long and black curly eyelashes, a tall and small nose, and pink and s**y full lips.

Usually, he didn't look at her carefully. If he looked at her carefully, she would be more beautiful without any makeup.

Gabriel put down the doc**ents in his hands, slowly stood up, gently picked up Nina, and walked into the bedroom.

He carefully put her on the bed for fear of waking her up.

After tucking her in, he walked out to continue his work.

It was almost midnight. Nina frowned and opened her eyes in a daze.

She looked at the dim light in the living room.

It was so late. Was he still working?

Nina sat up and found himself lying on Gabriel's bed.

Why was she lying here? She remembered that she was lying beside Gabriel and waiting for him to finish his work before going to bed.

Nina was confused, but he didn't think too much.

She thought she was out of her mind. Maybe it was because he was still working, so she borrowed his big bed to sleep in for a while.

Nina stood up slowly and walked to the living room.

When he was about to go back to the bedroom, he saw Nina coming out of the bedroom.

"Why are you still awake?"

"Why are you awake?"

The two of them spoke at the same time.

The two looked at each other with strange expressions.

The atmosphere was a little awkward.

ADVERTISEMENT

"By the way, I want to talk about work."

They had just fallen asleep, but they hadn't reached an agreement yet. Nina still remembered it.

"Do you really want to go out to work?"

Gabriel looked at Nina with deep eyes and asked in confusion.

Nina nodded.

"Promise me one thing."

Gabriel said in a magnetic voice.

"What do you want?"

She had signed an unreasonable agreement. What else could she do? She had to promise him one more condition. No wonder he was a businessman. He was so good at calculating.

Nina thought to herself, 'Gabriel. But I have no choice.'

"I heard that you went to work in order to give birth to a healthy child for our family?"

Gabriel smiled.

Gabriel, are you a pig? Wasn't this her excuse?

But after thinking for a while, she didn't say anything. She just followed his words.

"Yes, in order to give birth to a fat boy for your family."

Nina looked at Gabriel with a fake smile.

“Then we can make preparations now.”

Then, he walked towards Nina.

Gabriel, what does he want to do? It couldn't be true.

Seeing the man getting closer and closer to her, Nina became more and more nervous.

“I haven't thought of it yet. I'll tell you when I figure it out.”

Gabriel whispered in Nina's ear.

The baby was scared to death. He thought he was going to do something.

“What are you thinking about?”

Gabriel raised his eyebrows and gave an unfathomable smile.

Nina stared at him in silence.

Oh, I don't have any idea. I have to promise him one condition. It doesn't lack money or anything. It's just a trick.

“Well, as long as you don't want me to break the law.”

Nina was speechless, but she was living under someone's roof now.

“Don't worry. I won't lose my business. I'll go to bed first. ”

ADVERTISEMENT

Gabriel said indifferently and walked past Nina.

Oh, yeah, you can go to work now!

“You finally agreed.”

Nina turned around and reminded her.

Gabriel raised his eyebrows, “do you suddenly change your mind and don't want to go?”

“Go to sleep now. You have to get up early tomorrow.”

Nina ignored this topic and pushed Gabriel to the bed.

Nina was about to walk towards the sofa.

Gabriel suddenly asked.

“You can sleep on the bed.”

“What?”

Nina looked at him in disbelief.

Why did he ask her to sleep on the bed? Wasn't he a neat freak? He didn't like others to sleep on his bed. Why was it so good today.

"It doesn't matter if you don't want to sleep. I'll go to sleep first."

Gabriel said indifferently, with a concerned look in his eyes.

"I'll sleep!"

Why didn't she sleep on such a big and soft bed?

Then Nina fetched a super long pillow from the sofa and put it between the two of them.

"Not bad."

Gabriel said lightly.

Nina lay quietly on the bed, not sleepy at all.

"Have you ever missed someone?"

Nina said softly.

Gabriel didn't answer for a long time.

Nina slowly straightened up.

Gabriel had fallen asleep.

Perhaps it was because she was too tired, Nina sized up the man in front of her with her beautiful eyes.

Under the moonlight, the man was like a sleeping prince, with beautifully carved features. He was indeed very handsome.

Then Nina lay down, thinking that she would go to work tomorrow, and fell asleep.
