

Cute Baby253

Chapter253

When Ning Xi saw the caller ID was gu jin yi, a layer of marshmallow instantly appeared in her heart, sweet.

She found that the two babies were staring at her with strange eyes. "Mommy, you said Daddy was... A fool..."

Hearing what the two babies said, ning xiao xi realized that they had seen the nickname of gu jin yi.

It was awkward.

"Don't tell you, daddy. Otherwise, I will die miserably..."

Ning Xi repeatedly reminded her that only she knew this note. Now it was more likely that the two babies knew it.

"Ha ha, Mommy will be afraid of daddy ~"

"We know. I promise I won't tell anyone. Daddy is an idiot."

The two little babies uttered the words' Idiot 'again. Ning stream really wanted to dodge, because the two words made Ning stream blush.

"Shh... Stop."

Ning Xi made a gesture to shut up, indicating that he should let it go.

"Shh..."

The two babies also followed their mommy's example.

"The phone is still ringing. Mommy, answer it!"

han han pointed at her phone and shouted excitedly.

Ning Xi didn't know if she was too nervous or what. She just looked at the phone screen and didn't take it.

chen chen picked up his phone and asked directly.

"Hello, Daddy!Where are you now?Are you home? "

.....

chen chen kept listening to gu jin yi for three or four minutes. Then he listened to his father carefully without saying a word.

Ning Xi and han han stared at chen chen in confusion, feeling anxious.

Did she come back or not?chen chen, why don't you say anything?

“Okay, I will listen to Daddy.”

Hearing his father’s words, chen chen kept silent.

Then he hung up the phone.

“Have your brother and father come back?”

“chen chen, is your daddy not coming back?”

Seeing chen chen’s expressionless face, the two of them both felt nervous and uncomfortable.

“Daddy... He’s on his way back!”

chen chen’s expressionless face suddenly became happy, and his expression became as fast as turning a book.

ning xiao xi and han han breathed a sigh of relief. “Daddy is back. I’m so happy!”

“Mommy, since daddy is back on the way, let’s wait for him outside the door.”

Ning Xi agreed with chen chen’s suggestion. He also wanted to see gu jin yi come back as soon as possible, so that she could rest assured.

Ning Xi slowly walked out of the door, and han han seemed to have seen through the flaw.

“Brother, is daddy going to give mommy a surprise?”

han han whispered in chen chen’s ear.

chen chen gave his sister han han a glance and remained silent.

han han also understood that there was a mystery.

Ning Xi walked in front of them, followed by two little kids. chen chen walked slowly step by step, while han han followed chen chen smartly without saying anything. She knew why her brother did this.

In fact, he just wanted to let Nina walk out of the door alone, and then, he prepared a big surprise for her outside the door

Ning Xi walked to the door and gently pushed it open.

The yard was dark. Ning Xi walked to the switch and was about to turn on the light. At that moment, he was shocked.

All of a sudden, lights were lit up on the trees and flowers. The dark yard suddenly became clear.

Ning Xi walked into the yard step by step. Suddenly, the colorful fireworks not far away rushed to the starry sky, adding color to the starry sky at that night.

Ning Xi looked into the distance, and gradually, the shape of fireworks slowly formed a pattern.

Two people in a heart, hand in hand.

It was not a romantic scene.

Ning Xi was stunned and stared at the sky.

The two little babies hid behind the door and looked at the yard and the sky with their bright eyes, shocked.

“Wow!”

The two babies exclaimed at the sight.

“Daddy just said that he would give mommy a little surprise. I didn’t expect it to be so big...”

“It turns out that Daddy didn’t come home late. He just wanted to prepare a surprise for Mommy. Daddy is so romantic...”

chen chen squatted at the door, and han han was lying on chen chen’s back like a hou zi, with her chin resting on her little hands, looking anthomaniac.

In the yard, gu jin yi walked towards Ning stream with a bunch of roses in his hands.

“Wow!”

“Shh...”

han han was surprised to see gu jin yi appear with roses in his hands. But at the last moment, chen chen covered han han’s mouth.

Then, chen chen quickly closed the door for fear of disturbing their parents.

“chen chen, what are you doing?”

ADVERTISEMENT

han han pouted and frowned.

Because chen chen had interrupted her good plan, she wanted to see what her parents would do next?Would they kiss?Hug?Raise high?

Well, all these were illusions, but it was good to think about it, so that his stupid brother could cut off her thoughts.

“Your voice is too loud. If daddy and Mommy hear you, they will ruin the atmosphere.”

chen chen explained to his sister.

han han shook her head and thought for a while. Yes, her voice seemed to be a little loud just now?It would be bad if she ruined the atmosphere between her parents.

“Okay, I’ll keep my voice down next time.”

han han admitted that it was her fault.

“Remember it.”

chen chen reminded her.

“But I just can’t control myself. They are so greasy in front of us, okay?”

han han blinked her big eyes, pouted and acted like a spoiled child with her brother.

chen chen chose to remain silent. han han knew that she was wrong, so she held chen chen’s hand and said, “well, brother, don’t be angry. I will control myself. I promise!”

han han made a gesture of swearing to the God, and then chen chen showed a bright smile.

“Sister, brother is not angry. But we have to remember that we must find a way to make Mommy accept daddy and Mommy be together forever, so that we can have a complete family.”

chen chen’s childish and handsome face looked a little deep. He was very serious about this matter.

Seeing her brother’s serious look, han han stopped smiling and nodded hard. “I know. han han will control it.”

Then the two babies quietly pushed the door open.

#### Chapter254

The whole cake was blue. On the top of the cream, a family of four stood in front of the house made of chocolate, hand in hand. This scene was particularly warm, and the feeling of home overwhelmed her.

“Daddy, daddy, make a wish. Blow the candles!”

The two babies seemed to be more anxious than her birthday. They hurriedly urged their father, Jean, to blow the candles and make wishes.

“Make a wish with candles?”

In gu jin yi’s eyes, he had never done such a childish thing as he thought.

And she never blew candles to make wishes on her birthday.

“Yes, yes, yes! Daddy, hurry up. When the candles are extinguished, the wishes will not work.”

“Forget it. If you don’t want to blow the candles and make wishes, you can eat directly.”

Seeing that he didn’t want to blow the candles, Ning stream changed the topic.

“Who said I don’t want to brag? I want to make a wish.”

As soon as gu jin yi finished his words, the two babies ran to gu jin yi’s side, indicating that they would help him blow.

In the end, he did something childish that he would never do with the two kids.

“Whoosh!”

Swoosh! Swoosh! Swoosh

In this way, the father and son blew the candles together, and the two little babies were blowing vigorously.

Ning Xi stood in front of the three of them, staring at the three of them with tenderness in his eyes. A happy smile involuntarily appeared on her delicate face.

After the candles were blown out, the two babies couldn't wait to ask their daddy, Jean, with expectations on their faces, "Daddy, what wish have you made?"

At this moment, Ning Xi was more nervous and expectant than the two babies, because she wanted to know what gu jin yi was thinking and what wish he would make?

"My wish is..."

Ning Xi's heart beat faster, and he was uncontrollably nervous. What would gu jin yi say next

"Well... I don't think it's a good idea to tell you. Didn't you say that your birthday wish won't work if you say it out?"

gu jin yi didn't say his birthday wish in the end.

Ning Xi regained his composure in an instant, and three crows flew over his head

"Daddy, you're lying!"

The two babies were also depressed. They struggled and jumped on the spot.

"chen chen and han han are the best. Dad is right. Only he knows his birthday wish. It won't work if he can't speak it out."

At this moment, in order to ease the atmosphere, Ning Xi had to say against his will.

In fact, she wanted to know more than anyone what gu jin yi's birthday wish was.

"Well, we are good kids. We should be obedient."

"Daddy, daddy, try the cake Mommy made. Let's see how it tastes."

The two kids were eager to know how their father, Jean, felt after eating the cake.

Would she hug her Mommy excitedly and then

"How do you know today is my birthday?"

gu jin yi gracefully picked up the knife and cut the cake, asking in confusion.

"We don't know. Mommy knows!"

Ning Xi was wondering how she would answer this question when he asked it. Did she mean that she had remembered it on purpose? Or pay attention to him? Or did he listen to others

Now he asked directly, and he didn't have time to answer. Because her two smart ghosts had blurted it out.

Ning Xi was rendered speechless.

As soon as the two little kids finished their words, he stared at Ning stream with his deep eyes.

“I... I didn’t know it was your birthday until I heard what aunt was making yesterday.”

Ning Xi suddenly remembered what happened yesterday. She had a reason to answer him.

In fact, she remembered his birthday when she heard it in a conversation.

“Then this dinner...”

gu jin yi looked at the food on the table, which he liked most, especially the dessert.

ADVERTISEMENT

“It’s aunt who told me that you like these, so I made them for you.”

Ning Xi answered in a hurry before gu jin yi finished his words.

She was afraid that the two babies would say something before her again. Otherwise, she would be very embarra\*\*ed.

“I see.”

gu jin yi replied calmly.

His expression didn’t show his feelings at all.

Seeing this, the two little children became anxious. Did Daddy remain indifferent? Not moved at all?

Why did Mommy hide her real intention? ming ming was so good to his father, but he deliberately didn’t let him know.

“Daddy, this is the birthday cake Mommy made for you. We don’t have such treatment!”

“Mommy bought a lot of things when she came back today. She knew it was your birthday, so she took good care of it ~”

The two babies said slowly.

Ning Xi was speechless. He looked at the two babies subconsciously, as if saying, “chen chen and han han, are you cooperating with me?”? Why do you always find fault with me

“I feel mommy’s heart.”

gu jin yi gently touched the heads of the two babies, indicating that he knew what Ning Xi had done for him.

When he finished his words, Nina was stunned. He knew everything she had done

“Then daddy, hurry up and eat the cake.”

Then, the four of them enjoyed the dinner happily.

.....

ning xiao xi also felt dizzy and seemed to be drunk because of drinking a few gla\*\*es of wine.

“Naomi, let’s go back to our room.You are drunk. ”

Jean held up Ning stream and was about to take her back to her room.

“I’m not drunk. We can have a few more drinks!”

Ning Xi escaped from gu jin yi’s grip.

All of a sudden, he was at a loss.

Seeing this, the two babies quickly ran over to help their father.

“Daddy, let’s help you!”

“I won’t go back!I’m right here!I want to drink! ”

The two little babies couldn’t stand their drunken Mommy anymore. They were crazy.

“chen chen, han han, thank you for helping me today. How do you want me to repay you?”

gu jin yi gave the two babies a look that only they could understand.

“You’re welcome. This is what we should do.Hahaha...”

The two babies felt happy that their daddy had helped them, because this feeling had promoted their daddy and Mommy’s relationship.

“Daddy, you must be with mommy forever, so that chen chen and han han won’t be called a wild child, without daddy or Mommy.”

han han leaned forward, pouted and frowned.

Indeed, in the past five years, many people had said that they were wild children without a father.

At this moment, gu jin yi felt a pang in his heart, from guilt to remorse.

“Don’t worry, han han. Daddy will never leave you again.”

“Daddy, han han and I will always help you. In fact, mommy loves daddy very much. She cares more about your birthday than anyone else, but she hides it in her heart and doesn’t want to tell you. She hopes that we can work together and let mommy accept you.”

Like an adult, chen chen told gu jin yi ning what was in his mind seriously.

chen chen and han han had been staying by Ning Xi’s side. How could they not know what she was thinking?

“chen chen han han, I promise you that I will never leave you because of anything. I will try my best to make Mommy accept daddy. I love Mommy and you very much.”

At this moment, gu jin yi expressed his heart to the two little children, in order to make them believe that he could reach the heart of Ning stream and let her accept him.

chapter 255

He was gratified that Ning stream gave birth to his two children five years ago.

“We trust Daddy!”

The two babies looked at gu jin yi with firm eyes and responded in one voice.

“Ewww...”

Ning Xi threw up on gu jin yi by accident.

The two babies were petrified in an instant

Three crows flew over their heads.

Mommy, what... What are you doing?She even vomited all over daddy’s body.

The two babies stared blankly at their mommy, Ning stream.

“Daddy, daddy, Mommy...”

The two babies wanted to say something, but they forgot it all of a sudden.

gu jin yi was also confused. Before he could react, he was vomited all over by Ning Xi.

‘oh my God! Is daddy really going to be angry this time?’?She vomited all over his body.

Mommy, why do you vomit when you drink? Will daddy get angry later

The two little babies didn’t dare to speak, and their b\*\*\*\*\* eyes looked in front of them with fear.

“It doesn’t matter. Your mommy has done this kind of thing more than once or two times.”

gu jin yi quickly calmed down, without any expression on his face, as if he was expected or not.

The two babies relaxed instantly. Fortunately, their father was not angry.

ADVERTISEMENT

But daddy’s words... Mommy had done this more than once or two times?I’m a good girl. Has Mommy done it many times?no

The two babies looked at gu jin yi in confusion and asked gu jin yi, “Dad, do you mean this kind of thing often happens?”

“You can say that.”

gu jin yi replied calmly.

Well, Mommy, I, chen chen, admire you from the bottom of my heart!

Mommy, you are so awesome. Daddy has changed so much. I will meet such a prince charming in the future.

The two babies thought to themselves.

“chen chen, han han, you are going upstairs by yourselves. Daddy is going upstairs with mommy in his arms.”

gu jin yi said to the two babies, holding Ning Xi in his arms.

“Okay, we can go upstairs and go back to our room to sleep. Daddy, just hold Mommy upstairs.”

As soon as the two babies finished talking, they ran into the room and went upstairs.

Following the two babies, gu jin yi looked at them and smiled.

After they went upstairs, the two babies went back to their room to sleep obediently. After settling them down, he went back to his room.

Because Ning stream was vomited all over and her body was dirty, he planned to change her clothes first.

gu jin yi took off Ning Xi's coat and unbuttoned it one by one in a white shirt.

gu jin yi was very light, for fear of waking Ning stream.

As soon as she undid the two buttons, her bra was gradually exposed.

ADVERTISEMENT

The black bra and white shirt were especially sexy. gu jin yi, who didn't expect it at all, suddenly reacted when he saw the beautiful scenery in front of him.

She blushed immediately.

She stared at the drunk Ning Xi, whose skin was white and red. Without any make-up, she looked pure and beautiful.

The women who appeared next to gu jin yi were all heavily made up. She was the only one who was so pure. Ning Xi.

In gu jin yi's mind, Ning Xi was the only one who was really beautiful

gu jin yi stared at Ning Xi for a long time, seeming to have fallen into it.

“Well, it's so hot...”

Ning Xi moved sideways. gu jin yi shook his head and finally came to his senses.

Then, he opened one eye and closed the other, trying to control himself. He took off Ning stream's clothes and quickly changed her pajamas.

When gu jin yi and gu jin yi were tying the belt for Ning Xi, Ning Xi suddenly sat up and held gu jin yi in his arms, leaning on his shoulder and putting his arms around his neck.

gu jin yi was stunned for a moment, and then gently put down Ning Xi's hands from his neck. "Good girl, let's put on our pajamas."

"Okay."

Ning Xi curled his lips and tried to hold gu jin yi tightly.

At this moment, gu jin yi had no choice but to let Ning Xi hold her like this.

"You idiot! You big fool..."

Ning Xi whispered in gu jin yi's ear.

gu jin yi closed his eyes with a ferocious expression.

ADVERTISEMENT

"Honey, your voice is really good for being a singer."

gu jin yi had no choice but to praise Ning Xi.

It was not until he came back to his senses that he noticed what Nina had said.

Was she calling herself a fool just now? ning xiao xi, you are awesome! Well, as long as you are happy, you can curse as you like.

No one in the world dared to say that to him except for Nina.

The point was that even so, gu jin yi would not be angry, nor cold and ruthless.

"Big fool, gu jin yi, do you know that I love you so much... You don't know, you know nothing..."

The voice of Ning stream was getting lower and lower, so low that only bill could hear it.

When he heard what Nina said, he felt that he didn't care about the whole world anymore. He only cared about her in his life.

Then he held Ning stream tightly and whispered in its ear, "I know. I know everything. I only love you, Nina."

His voice was also very light. It seemed that there were only him and her in the whole world.

Gradually, Ning stream fell asleep. Then, he helped her lie down on the bed.

After dressing Ning stream, he kissed her on the forehead and went straight into the bathroom.

The mist was hazy and the heating was on. In the bathroom, Jean was taking a comfortable bath.

Her fair skin was mixed with bronze skin, giving off an attractive man's breath. The male Adam's apple was rolling up and down, and the front several charming abdominal muscles were more s\*\*y and attractive under the warm bath.

Outside the bathroom, Ning Xi woke up in a daze and realized that he was thirsty. "I want some water. I'm so thirsty..."

Ning Xi murmured to himself.

gu jin yi couldn't hear Ning Xi's voice in the room at all. Then Ning Xi got up from the bed weakly. Her messy hair fell over her waist, and she walked all the way to the door with the help of the wall.

"Open it! Why can't I open it? I want water, I want water..."

Ning Xi pushed the door and knocked it.

Because of being drunk, she exerted all her strength to go up, but the door was still motionless.

Then Ning Xi leaned against the wall and walked back step by step.

At this time, he seemed to hear some noise outside the bathroom, so he stopped showering.

Then he walked to the bathroom door and opened it

"Ah!"

"Ah..."

The two couples shouted at the same time.

Ning stream walked back against the wall and just arrived at the door of the bathroom. gu jin yi suddenly opened the door and Ning stream fell into the bathroom, so this scene happened

gu jin yi and Ning Xi fell into the bathroom weakly.

"Water, I want water..."

Ning Xi lay prone on gu jin yi's chest, patting him on the chest. His body was soft and mian mian.

ADVERTISEMENT

"Naomi, are you okay? Come on, let's get up."

gu jin yi immediately thought of whether Ning stream was hurt or not. He was about to help Ning stream stand up slowly.

"Well, don't move!"

Ning Xi shook off gu jin yi's hand and pressed on gu jin yi's strong body.

"Ah!"

The two of them fell down together. gu jin yi twisted his wrist because of the support of his hand, and then his wrist turned a little blue and purple because of the violent shake of Ning stream.

The pain was getting worse, and the expression on his face suddenly became bad. His dashing eyebrows were tightly frowned, and his eyes were tightly closed. His expression was pitiful.

Water dripped from gu jin yi's hair to Ning Xi's face and gradually flowed to her mouth. She stuck out her tongue and licked it.

"The water is... Delicious..."

Ning Xi imagined the chocolate beans he had eaten when he was a child.

"Naomi, wake up..."

gu jin yi ravaged Ning Xi's head anxiously, but Ning Xi seemed to be unable to wake up. He ignored him and did not hear what he said.

Then, Ning stream opened her eyes and gave a silly smile at him. Slowly, she lowered her head and approached him with her cherry mouth one point one

"Stream!Stop!"

gu jin yi wanted to stop Ning Xi, but it was too late.

Ning Xi licked it one point one, and the water drops on his chest made her lick them all.

ADVERTISEMENT

The fire in gu jin yi's body seemed to be triggered and a hot stream rushed into his mind.

"Damn it!"

gu jin yi was almost unable to control himself by Ning Xi's "flirtation". He tried his best to help Ning Xi up, and he also stood up.

"Well, what are you doing?I haven't had enough..."

Ning Xi rubbed against gu jin yi's chest and said in a coquettish voice.

Maybe it was because she was drunk that she really needed water to quench her thirst, so she went up whenever there was water, no matter 37 or twenty-one.

"Ning stream!"

gu jin yi shouted on purpose.

Ning Xi was stunned. He knew his name was Ning Xi.

Her long and black eyelashes flapped up and down like b\*\*\*erfly wings, and her amber eyes blinked at gu jin yi. Suddenly, she giggled and said, "I want to eat chocolate beans, I haven't eaten enough..."

Staring at Ning Xi with his sharp and deep black eyes, gu jin yi said with a trace of evil spirit, "you haven't had enough, have you?Then I'll feed you enough."

As gu jin yi approached Ning stream, his masculine aura, mixed with the smell of ancient dragon perfume, followed by a big hand holding Ning stream's head, and a shen shen kiss on her s\*\*y pink lips, gentle and overbearing, forcibly occupying her.

ning xiao xi couldn't stand steadily, so she took a step back subconsciously. She accidentally moved the switch of the shower head, and the warm water fell down automatically.

The water sprayed directly on the heads of gu jin yi and Ning Xi. She shook her head and became conscious one point one.

Ning stream looked at everything in front of her as if she was awake. She frowned slightly.  
Bathroom?Why am I in the bathroom?

gu jin yi, gu jin yi

ADVERTISEMENT

Ning Xi stared at the man in front of her in a daze.

It was not until the water dripped on her eyelashes that she blinked up and down and felt that she was kissing gu jin yi passionately.

However, Ning Xi didn't want to push her away. She cooperated with gu jin yi and kissed him passionately until she was completely awake.

what?!We are... Kissing... Ning Xi, what are you thinking about?

"Ah!gu jin yi, what are you doing?"

Ning Xi pushed gu jin yi away immediately.

"Are you awake?"

After being pushed away by Ning Xi, gu jin yi looked at Ning Xi with a faint smile on his handsome face.

"You b\*\*\*\*\*!How dare you take advantage of me..."

Ning Xi covered his mouth tightly and said faintly.

"Think about it again. Are you sure I took advantage of her?"

gu jin yi smiled lightly with a little evil spirit.

"It's not you who took advantage of me. Is it me?"

Ning stream glanced at him contemptuously. When she saw him naked, she blushed and seemed to remember something.

chapter 257

Ning Xi vaguely recalled that she was holding gu jin yi, kissing him and touching him

The images in her mind emerged one point one by one.

Ning Xi shook his head, "HMM..."

She must have been dreaming just now. How could she hold him and kiss him

Ning stream didn't believe that she would do such a thing. It was impossible for her to

"I... I didn't do anything excessive, did I?"

The voice of Ning stream suddenly became unconfident and asked cautiously.

"It seems that you have remembered what you have done to me."

gu jin yi's eyes narrowed and his lips curled into a smirk. A wicked smile flashed across his handsome face.

"I didn't! I didn't remember. How could I do something excessive? I didn't hold you and kiss you. I didn't do that."

Ning Xi was so excited that he didn't know how to respond to gu jin yi's words. He could only defend himself.

But the more she explained, the more she admitted that she had done these things.

Looking at the woman in front of him affectionately, gu jin yi couldn't help bursting into laughter. This silly woman was so excited that she confessed everything to him before he asked her.

"I know. I know you haven't done such a thing. It's okay."

gu jin yi couldn't help laughing when he saw Ning Xi's anxious and confused look.

Ning Xi thought gu jin yi was joking.

She recalled what she had said just now. There was something wrong. Didn't she say everything like that? Then he must have known it.

gu jin yi's insidious smile was obvious that he had already known in his heart that he had remembered what he had done to him, and he still deliberately laughed at him.

Ning Xi inadvertently glanced at gu jin yi's body, and subconsciously wanted to avoid it, so he stopped thinking about that question.

ADVERTISEMENT

Whatever? Even if she had done something to gu jin yi, she wouldn't admit it anyway. What could he do to her?

"I won't bother you with your shower."

Ning Xi pouted and was about to leave the bathroom when he was pulled back by gu jin yi's big hand. Unexpectedly, Ning Xi was pulled by gu jin yi and hit into his arms reflexively.

"I won't disturb you. Let's take a shower together."

Ning Xi clung to gu jin yi's warm chest and heard his heartbeat.

Then Ning Xi blushed and pushed gu jin yi away reflectively.

gu jin yi's fair and bronze face turned red.

“I... i... I didn't mean to...”

Ning Xi stammered in a trembling voice.

This scene once again stimulated Ning Xi's memory.

Just now

Ning Xi recalled what had happened in the bathroom just now

She blushed and ran to her room quickly.

But when he was in the bathroom, he was totally in a bad mood. It was the first time that he had felt such a blush on his face.

Ning Xi jumped onto the bed, buried his head in the quilt and covered it tightly.

ning xiao xi!ning xiao xi!Are you crazy?How could she do such a thing?You must have been infused with evil energy

Thinking of what she had done to gu jin yi just now, Ning Xi felt ashamed to dig a hole in the ground to hide.

Ning Xi inadvertently found that his clothes were different. He put on pajamas. She thought carefully that she didn't seem to change clothes just now, but why did she wear clothes

“Ah!HMM...”

ADVERTISEMENT

Ning Xi seemed to think of something that was unlikely to happen, but when she thought of this scene, she screamed excitedly. Out of instinct, she knew that gu jin yi still had a shower in the bathroom, so she immediately covered her mouth.

gu jin yi!You took off my clothes without my permission, you b\*\*\*\*\*!What a freak!Schizophrenia!

ning xiao xi cursed gu jin yi in her heart.

After a while, the sound of water in the bathroom stopped. She quickly pretended to be asleep, so as not to make the situation too embarra\*\*ing.

As for taking off her clothes, she would wait for an opportunity to settle accounts with him.

After taking a shower, gu jin yi walked in slowly. He had sorted out the embarra\*\*ing atmosphere just now, and no matter what kind of emotion he had, he could always adjust it in time.

gu jin yi walked to the bedside, and Ning Xi's heart beat faster and faster,

She took a deep breath and controlled herself.

“Honey, are you asleep?”

gu jin yi asked tentatively, looking at Ning Xi who was sleeping.

“I'm asleep. Don't disturb me.”

Ning Xi lied on the pillow and answered gu jin yi.

“Can you still sleep tonight? Don’t you have any idea?”

gu jin yi whispered in Ning Xi’s ear.

“I... what else can I think of? Don’t say anything! I’m going to sleep.”

Ning Xi turned his back to gu jin yi and didn’t want him to know what he was thinking.

“For example, I can give you chocolate beans.”

gu jin yi smiled evilly, trying to flirt with Ning Xi on purpose.

ADVERTISEMENT

He had planned to tease her and let her sleep slowly.

But unexpectedly, Ning Xi suddenly turned over and faced gu jin yi. He covered his thin lips with his hand and said, “gu jin yi! You did it on purpose, didn’t you?”

“Okay...”

gu jin yi wanted to answer Ning Xi’s question, but Ning Xi held his mouth so tightly that he couldn’t speak it out. He could only make some notes.

“I let you say it. I let you say it.”

Ning Xi tightened his grip on gu jin yi’s lips, making him unable to speak at all.

Since gu jin yi didn’t say anything, he just teased Ning Xi and wanted to annoy her. Then the two fought.

One of them pinched his mouth and the other teased him.

Gradually, the two of them felt tired and relaxed each other. The two of them just stared at each other face to face for one minute.

Facing his deep eyes, Nina’s heart beat faster inexplicably. She wanted to escape from his eyes for a moment.

When she was about to turn around, gu jin yi held her by the neck.

“I... I want to sleep...”

Ning Xi blinked and said in a low voice.

gu jin yi held Ning Xi’s arm and gave her a gentle kiss on the forehead. Then he held her in his arms and said, “go to sleep. Good night.”

Ning Xi snuggled up in gu jin yi’s arms and pressed against his chest. She felt a little strange and thought he was going to do something.

“Good night.” Ning Xi replied to each other.

The night gradually became more and more meaningful

chapter 258

The second morning.

Ning Xi's eyes hadn't opened, but she felt the weather was good today. She stretched and said, "well, it's so comfortable. The sun is bright and I'm in a good mood."

"Good morning, honey."

At this moment, a deep and hoarse magnetic voice came.

Ning Xi was stunned.

She suddenly opened her eyes and asked, "why... Why haven't you gotten up yet?"

gu jin yi usually got up early to do some sports, but he didn't expect to sleep on the bed today.

"Good morning."

gu jin yi lowered his eyes and answered Ning Xi's question gently.

"....."

Ning Xi didn't know how to answer.

"Don't you need to go to the company today?"

Ning Xi found a topic.

"I want to be with you."

gu jin yi answered indifferently, with an affectionate smile on his charming handsome face.

"....."

ning xiao xi was speechless again.

Her big amber eyes blinked, "then I'll get up to make breakfast for you."

Ning Xi was about to get up, but gu jin yi got up before her, "I'll go with you."

"....."

What else could Ning Xi say? Then they could only go downstairs to make breakfast together.

ADVERTISEMENT

The couple got up and went out together. When they were about to go downstairs, two little babies in fluffy pajamas came out of the room.

chen chen was wearing a sky blue kangaroo jumpsuit, and han han was wearing a white and pink rabbit jumpsuit. The two babies were sleepy, rubbing their eyes with both hands, and then their big watery eyes blinked and blinked expressionlessly.

“Awoo...”

“Awoo...”

The two babies yawned and stretched at the same time, looking sleepy.

No wonder they were two brother and sister. They even yawned in the same posture.

“Good morning, chen chen, han han.”

When Ning Xi saw the two babies, he said good morning to them with a smile.

gu jin yi looked at Ning Xi jealously and whispered in her ear, “why didn’t you say good morning to me?”

Ning Xi remained silent and cast a glance at gu jin yi, indicating that he should understand why.

“Good morning, daddy, Mommy!”

The two babies took a deep breath and greeted their parents.

Wearing fluffy pajamas, they ran towards gu jin yi and Ning Xi.

Perhaps it was because the fur of the animal pajamas was too long, they all fell down vertically.

Moreover, they were wearing the pajama hats, which covered their whole faces. On the hats, there were two big round eyes, which were like a little kangaroo and a little rabbit, bouncing up and down.

Super cute~

“Did chen chen and han han sleep well last night?”

gu jin yi squatted down and asked softly.

The two babies nodded vigorously. “I slept well last night.”

“I dreamed of my parents yesterday!Haha...”

There was an innocent smile on han han’s little face, which looked a little bad.

“Really?I dreamed of daddy and Mommy. What’s wrong?”

gu jin yi was curious. Judging from han han’s expression, he guessed that it might be a good thing.

“Daddy, do you want to know?”

han han asked with a smile.

gu jin yi nodded, showing his curiosity, “yes, I do.”

han han waved her hand at him and asked her daddy to come closer to her. han han whispered in his ear, “I dreamed that you and Mommy hugged each other tightly. Haha...”

Hearing this, gu jin yi couldn’t help smiling evilly.

Standing aside, Ning Xi looked at the father and daughter talking and laughing, and then saw the 'evil' smile of gu jin yi. He couldn't help but ask, "what dream did han han have? I want to know."

"Mommy, if you want to know, let daddy tell you, ha ha."

han han winked at gu jin yi, indicating that she had created another opportunity for him.

Ning Xi pretended to be angry and jealous, pouting, "han han doesn't like mommy now, does she? Mommy is sad."

Then, Ning stream looked sad.

Seeing this, chen chen hurried forward and hugged his mommy, "Mommy, I'm here with you."

Ning Xi couldn't help laughing and gently touched chen chen's head.

"Purr..."

"Purr..."

"Purr..."

"Purr..."

The four of them looked at each other awkwardly and then burst into laughter.

"Daddy, Mommy, we are hungry... Are you hungry too?"

The two babies covered their bellies and laughed.

"We are hungry. Let's go downstairs and have breakfast."

gu jin yi and Ning Xi took the two babies downstairs hand in hand.

Soon, a simple and nutritious breakfast was ready.

The four of them were having breakfast happily, with happiness on their faces.

"Mommy, drink more hot milk. You drank too much yesterday to wake up."

chen chen handed a cup of hot milk to Ning Xi.

"Thank you, chen chen. But I won't get drunk so easily."

Ning Xi felt a little dizzy yesterday, far from being drunk.

"Mommy vomited all over daddy yesterday and said she was not drunk."

Then, the han han baby girl added. While eating her toast and bread, she made a face at Ning stream.

Hearing this, Ning Xi was stunned. What? Did she vomit all over his body yesterday? Really? No way... Why didn't she remember anything?

Ning Xi tried to recall what happened yesterday, but he really couldn't remember anything.

“I... I vomited all over your body yesterday?”

Ning Xi turned to gu jin yi and asked hesitantly.

gu jin yi nodded slightly, his long and dark eyelashes fluttering up and down. The profile of that side face was carved like the hero coming out of a comic book.

“Otherwise, why would I change your clothes?”

gu jin yi turned to look at Ning Xi with his dark eyes.

“Wow!”

“Eh?”

As soon as the two babies heard their daddy changing their mommy’s clothes, they couldn’t help but sigh, showing a particularly shocked expression.

As soon as Ning Xi heard what gu jin yi said, she was so nervous that she covered his mouth tightly.

“Shut up! I haven’t remembered it yet. Who told you to change my clothes? What?”

Ning Xi asked gu jin yi unfriendly, as if he was interrogating a criminal.

“Mommy, you vomited all over your body when you were drunk. You should be happy that Daddy changed clothes for you. He didn’t dislike you.”

“Mommy, don’t be so fierce. You’ll be ugly later, haha...”

The two babies spoke for their father, gu jin yi, word by word.

“I...”

Ning Xi was at a loss. Indeed, the two babies were right. He was dirty, and it was good enough for gu jin yi to change his clothes.

“But, but...”

ning xiao xi wanted to say that she was naked by gu jin yi. Couldn’t she complain? It was hard for her to say it out.

The next moment, the three of them had a lot to talk about.

“There are many things that chen chen and han han don’t know, such as...”

gu jin yi said to the two babies in front of Ning stream on purpose to arouse their interest.

“It’s him! Stop!”

Ning Xi quickly covered gu jin yi's mouth before gu jin yi could say anything.

In fact, he didn't intend to say anything. He just wanted to see how Ning stream would react

Seeing the angry look of Ning stream, he stopped teasing her.

"Well, honey, don't be angry. We are a couple now. There is nothing that can't be done. It's my duty to change your clothes. I've seen everything I should see, haven't I?"

"You... You did it on purpose, didn't you?"

Feeling exposed, Ning Xi blushed and lowered his eyes. Since the two babies were still here, Ning Xi didn't directly refute gu jin yi's words, but whispered in his ear.

In fact, the two babies had already seen it.

And he deliberately showed his relationship with Ning Xi in front of the two babies, indicating that they were very close.

In order to make the two babies more confident to help him get their mommy back.

"Daddy and Mommy are a couple now. Don't be so shy!"

Seeing their mommy Ning Xi's red face, chen chen knew that she was shy.

"Daddy is right. No problem! Heart to heart competition..."

han han reached out her fair skinned hands and made a heart to heart gesture to gu jin yi and Ning Xi.

"chen chen and han han, you are getting worse."

Ning Xi pouted unhappily.

gu jin yi looked at Ning Xi and smiled.

"Hee hee..."

"We are full!"

Two babies jumped off the table.

"Let's go upstairs and get changed. Daddy will drive you there."

Then the family of four went upstairs to change their clothes.

.....

After changing their clothes, the two babies immediately went to the living room to carry their schoolbags. They could forget everything, but they couldn't forget their schoolbags.

"Daddy, Mommy, are you done?"

The two babies were ready, waiting for their parents to come down.

“We are fine.”

ning xiao xi and gu jin yi went downstairs together.

The two babies looked up at gu jin yi and Ning Xi who were walking down the stairs together, with an innocent and lovely smile on their childish faces.

“Daddy, Mommy, they are a perfect match!”

“What a perfect match!”

The two babies sighed in jian jian.

gu jin yi blinked at the two babies, and a faint smile flashed across his well carved handsome faces.

“chen chen and han han, aren’t you afraid of being late for school?”

Ning Xi changed the topic. She knew that the two babies were very punctual and couldn’t be late for school.

Speaking of this topic, as expected, as soon as the two babies heard that they were late for school, they immediately ran out and got into the car obediently.

“Daddy, Mommy, come here quickly!We can’t be late. ”

The two babies crooked their hands at their parents.

Then, they got on the car and drove chen chen and han han to the kindergarten.

.....

“Bye, daddy, Mommy!”

When they arrived at the kindergarten, the two babies waved at them. At the same time, gu jin yi and Ning Xi stood outside the door and waved back to them. They didn’t leave until they saw the two babies enter.

In the car.

“Thank you.”

“Thank you...”

gu jin yi ning and his wife two spoke at the same time.

Nina lowered her head and whispered her thanks to him.

Unexpectedly, gu jin yi also said this. At this time, Ning stream and gu jin yi looked at each other.

“For what?”

The two men said at the same time.

Then, the two of them smiled.

“Thank you for giving me this special birthday.”

gu jin yi's tone was gentle, and his dark eyes were full of love.

“Thank you for remembering us... We have known each other for three months...”

Ning Xi didn't directly say that they had been married for the third month, but changed to say that they had officially known each other for three months.

Because she knew that this marriage would not last long... And it did not belong to her. Perhaps, in the near future, she would leave him.

Therefore, she had no chance to say “thank you” again. At this moment, she put down everything and thanked him sincerely.

Indeed, he had helped her a lot in the past three months. She had always been clear about it, but she didn't show it.

.....

Soon, they arrived at VL company.

“I'm leaving. Drive slowly.”

Ning Xi said to gu jin yi when he was about to get off the car.

It was the first time that he cared about gu jin yi so much.

“Okay, I'll pick you up after work.”

gu jin yi didn't know how to describe his feelings when he heard Ning Xi's words. In a word, he could forget all the troubles now.

He was in a good mood because of the words that Ning Xi cared about him today.

Ning Xi nodded, got off the car and walked into the company.

gu jin yi didn't leave until he saw Ning Xi walk in.

Now he didn't need a driver to pick him up to work because of Ning stream and the two babies.

Because the four of them happened to be in the same car and she was the driver. He was also happy to send Ning Xi and the two babies to the village.

As soon as Ning Xi entered the company, his phone rang.

It was her father's phone number. Looking at the number on the screen, Ning Xi hesitated for a while. He called at this time. Should he answer it?

Finally, Ning Xi answered the phone, because he still had the property ownership certificate of his grandmother.

“What’s the matter?”

Ning Xi asked coldly, expressionless.

“A stream...”

“What? Do you have to be busy to call me? ”

When Ning Hui was about to speak, yan pei fen s\*\*\*\*\*ed the phone and said in an unfriendly tone.

chapter 260

“Well, just say it. I have something else to do.”

Ning Xi sneered coldly.

“Oh, now you’re the wife of the CEO of the Empire group. You don’t even want to talk to your poor parents. Oh my God! You’re going to make a huge difference...”

yan pei fen chattered a lot of words, all of which were unpleasant to hear.

Ning Xi couldn’t stand it anymore. He didn’t want to talk to them anymore. He said coldly again, “I don’t have time to listen to your nonsense. If there is nothing else, I’ll hang up.”

His tone was calm and gentle, without any ups and downs.

The current Ning stream was not the one five years ago. She would return all the cold words that others had said to her.

“Don’t forget that we still have the property ownership certificate of your grandmother. Don’t you want the house?”

yan pei fen sneered and mocked.

“You...”

As soon as Ning stream heard that her grandmother’s property ownership certificate was still in their hands, she became nervous. She could give up anything in the Ning family, but except for her grandmother’s old house, she could only swallow insult and humiliation at the moment.

“Tell me, what’s the matter?”

ning xiao xi took a deep breath and asked calmly.

“If you want your property ownership certificate, come back as soon as possible. Now, immediately, we don’t have so much time to wait for you.”

After saying that, yan pei fen hung up the phone without waiting for Ning Xi’s answer.

Ning Xi was stunned for a while. When he came back to the Ning family this time, he inexplicably had a bad feeling.

Susan was back. Should she quit

When she came to her senses, she immediately turned around and ran out of the company.

.....

In the Ning mansion.

Soon, Ning stream took a taxi to the Ning mansion.

Ning stream didn't even want to take a look at this place, and went straight into the Ning family.

If it weren't for her grandmother's house, Ning stream wouldn't have come to this place at all.

Ning Xi walked into the hall of the Ning family. Ning Hui and yan pei fen were already waiting for her on the sofa.

"The stream is coming. Come and sit here."

When Ning Hui saw Ning Xi coming, he stood up and was about to walk towards her, but yan pei fen stopped him and glanced at him. "She will sit by herself when she comes. You don't have to say that."

Ning Xi ignored them and went straight to them. "I'm here. Let's get straight to the point."

ning xiao xi was not as cold as a stranger to the Ning family.

"Naomi, you have been married to the Gu family for such a long time. Why don't you go home to have a look? You don't want to come back so much."

"She is such an ungrateful woman. She has forgotten everything about the family after she married someone. Do you still expect her to come back?How ridiculous! "

The scene of a couple singing together was really disgusting.

Ning Xi was so speechless that he didn't want to say anything more.

"What?You don't even want to talk to us now?You hate us so much?Don't forget that your surname is Ning! "

Seeing Ning Xi expressionless and silent, yan pei fen felt uncomfortable.He wanted to mock her.

"Ha ha, now you admit that my surname is Ning. Why didn't you say that I was a member of the Ning family when you kicked me out?"

Ning Xi asked with a sneer.

"You bad girl, you've learned a lot from talking in the past five years!How dare you talk back? "

yan pei fen stared at Ning Xi angrily as if she was going to eat him up.

"Oh, I have to thank you for sending me abroad five years ago. If you hadn't sent me abroad, I might still be the coward Ning Xi five years ago. How could I be so eloquent?"

Ning Xi still sneered. Since yan pei fen mentioned the time of five years, Ning Xi decided to continue the topic and let her regret what she had done.

“Ning stream! You... You sent you abroad five years ago, and you came back to treat us like this, right? It seems that there is nothing wrong with saying that you are an ungrateful wolf!”

Hearing Ning Xi's words, yan pei fen was so angry that she almost cut off her feet.

Ning Xi glanced at yan pei fen with his amber eyes and smiled coldly.

“What happened?”

Suddenly, Susan ran downstairs.

She noticed Ning stream, which she hadn't seen for five years. It was indeed different after five years.

His temperament and aura were totally different from that of five years ago.

Susan just glanced at Nina, but she quickly looked away.

“Susan, slow down, my dear daughter.”

Seeing that Susan ran downstairs in a hurry, yan pei fen frowned and worried. Then she went to the stairs to pick her up.

With the sound, Ning Xi turned to the stairway.

What she saw was a familiar figure, a person she didn't want to see.

Susan ignored yan pei fen and walked directly to Ning stream, looking excited and happy.

“Sister! You're back! I'm so happy. I'm sorry. I didn't know you were here. I came back very late yesterday and was too tired, so I just woke up.”

Susan held Nina's hands and explained to her excitedly.

Nina stared at the woman in front of her meaningfully. Susan was wearing a black s\*\*y slip Pajama and a shawl coat. Her blond curly hair was disheveled and she wore heavy makeup. It was obvious that she didn't just wake up.

And she also explained to him that she just got up. Was it necessary for her to make such a fuss as soon as she came back?

Susan had changed a lot from five years ago. The only thing she hadn't changed was her pretending.

Nina withdrew her hands subconsciously and looked at Susan expressionlessly. “It's okay. You don't have to explain so much to me.”

In fact, Susan could feel that Ning Xi was on her guard now, and her expression and tone were very obvious.

However, she had to show her weakness in front of their parents, which would be helpful for her plan.

“Susan, you are such a silly girl. There is nothing to explain to her. You haven’t seen her come to see you since you came back!”

yan pei fen came over from the stairway, took Susan’s hand and pulled her away from Ning stream. She let her sit on the sofa subconsciously.

“Mom, sister is also busy. We can’t blame her like that. We have to understand. Sister, how have you been these years?”

Susan innocently looked at her mother yan pei fen with her purple beautiful eyes, and then turned her head, pretending to speak for Ning Xi, and pretended to care about her.

“Susan, it’s been five years. Is it necessary to pretend? Is it interesting?”

ning xiao xi hated this family from the bottom of her heart. They all pretended to be innocent, making her feel difficult to breathe in this place.
