chapter 281

“Whoosh, brother, handsome uncle, go play with the traffic jam. I’ll have a rest.”

“han han, are you tired? You can sit there and have a rest. By the way, we are in a traffic jam.”

an played with the two babies in the yard for a while. han han said she was tired and went inside.

an zi hao and chen chen wanted to play the game of traffic jam, because the game was very attractive to an zi hao and chen chen.

In the game, an zi hao found more magical things and brought him more different inspirations.

As for chen chen, he liked to study the aspect of computer, so he was interested in anything about it.

The two of them were ready to sit on the cushion, while han han, carrying the other cushion, ran to the middle of the two of them and sat down.

“han han, what do you want to do?”

Seeing his sister sitting between him and zi hao, chen chen thought she was going to make trouble, so he asked in advance.

“I’m here to cheer for my brother and handsome uncle!”

han han answered seriously.

“Really?”

chen chen stared at his sister han han with his big dark eyes and didn’t believe what she said.

Last time when he was playing the game, han han turned off the power. After a while, bai bai disappeared, so chen chen was very careful this time that his sister would make trouble.

“Don’t worry, brother. I won’t make trouble this time! My friend is here. How could it be? ”

han han turned to look at an zi hao and winked at him. han han’s long and black curly eyelashes were fluttering up and down, and anyone who saw her would be tempted.

chen chen was stunned by han han’s words. Blue basin friend? Who?

‘forget it. Let’s play the game first.’.

Then chen chen quickly found the game on the computer.

Noticing how fast chen chen was playing computer, an zi hao sighed in his heart.

‘it’s amazing that a kid can play computer so fast. He will be a computer expert in the future,’ she thought.

But he didn’t pay much attention to it. It would be faster if he played more.

chen chen found the game and put it on the big screen. "Uncle, let's play this game."

an zi hao raised his eyes to look at the big screen, and his pupils shrank slightly.

This was the game he had studied for a long time. He had played it for a long time, but he couldn't get the first place.

Now he was always ranked second in the world. For some reason, he couldn't always surpa** the first.

She really wanted to pay a visit to the number one game master in the world and compete with him. Maybe she could be inspired by a lot of games.

an zi hao came to his senses and wondered if... Could chen chen play this game?

Only people over eighteen years old could understand it. Moreover, people who could play it were basically twenty-five to thirty years old who could play it directly, and they were very unfamiliar with it.

chen chen knows how to play?It was impossible. Did chen chen want to ask how to play this game?

an zi hao asked himself in his heart.

"Uncle, are you ready?It's about to begin. "

With the remote control in his hand, chen chen turned to look at zi hao and asked, indicating that he was ready.

"chen chen, are you really going to play this game with me?"

an zi hao asked again with certainty. After all, no one in the country could surpa** an zi hao in this game, thinking that chen chen hadn't figured it out yet.

chen chen nodded seriously, indicating that he was very sure.

an zi hao felt relaxed. He didn't have to take it seriously to play with a child.

"Can't uncle play this game?"

Seeing that zi hao was stalling, chen chen thought he wouldn't play.

"Are you kidding me? I'm a master player. How can I not know how to play?"

an zi hao smiled. It seemed that chen chen had to compete with him.

"Handsome uncle, be careful. My brother is very good at playing computer. At present, no one can surpa** him in this game."

han han kindly reminded an zi hao beside her.

an zi hao didn't take it seriously, nor did he care about han han's words. He thought that no one could compare with him except for the first place who had never shown up.He thought han han was just bluffing.

an zi hao thought that he could play games with a five or six year old child as he liked. After all, he was engaged in the research and development of games, and he was more than enough to play games. No matter how powerful chen chen was, she couldn't defeat him, a child?

"It doesn't matter. Uncle is also very powerful."

an zi hao confidently told han han not to worry about her.

chen chen had played this game with too many people on the Internet, but he didn't meet a powerful opponent. He slowly lost his interest in playing with others, and began to use a computer to play with a robot of his own strength.

It was fun to compete with a robot.

"Okay, you guys go for it!"

Then, the game began. chen chen and an zi hao were playing with the remote control.

han han added fuel to the fire.

"Come on, handsome uncle! Come on, brother! Come on, handsome uncle! Come on, brother! "

an zi hao and chen chen kept on competing with each other. The two of them gritted their teeth and swayed the remote control in their hands.

An innocent and handsome smile suddenly appeared on chen chen's little face.

It seemed that he had met his opponent. This was interesting.

The more chen chen played, the more energetic he became.

Finally, he met an opponent who could make him concentrate on the game.

an zi hao played with chen chen casually at the beginning, but now he went all out.

She had underestimated chen chen just now. How could he play this game at such a young age and be so awesome.

At this moment, the rankings of the two were the same, on par.

It made the two of them play more and more interesting.

Gradually, an zi hao's ranking was higher than that of chen chen's. He ranked first, with a meaningful smile on his face.

"Wow, handsome uncle is so awesome!"

Seeing that an zi hao was the champion and it was the first time that someone had surpa**ed her brother chen chen, han han praised him.

"chen chen is not bad. He is already so powerful at such a young age. But if you want to surpa** me, you will have a chance when you grow up. It's a little difficult to surpa** me now! "

an zi hao said confidently as he was ahead of chen chen.

There was no worry on chen chen's tender and delicate face. He put on an evil and attractive smile and said, "uncle, don't take it lightly. The competition is not over yet."

The two of them talked to each other while shaking the remote control.

an zi hao just smiled and said nothing.

When the competition was over, all the results would come out.

.....

The game was about to end. The last ten seconds

chapter 282

At this moment, an zi hao was so nervous that his palms were sweating, because he had fallen behind, and chen chen had caught up with him.

The style of chen chen's route racing was like that of the "mysterious man" who ranked first

Looking at the big screen, an zi hao saw a familiar picture. The profile picture and net name of the mysterious man who ranked first in the game suddenly flashed through his mind.

Sitting obediently in the middle, han han stared at the screen with her big watery eyes, full of expectation.

His expression was particularly concentrated, as if he was looking forward to the final result.

It was the first time that she didn't make any trouble when her brother chen chen was playing computer.

In the last three seconds, there was still some distance between an zi hao and chen chen, and chen chen had reached the finish line.

In the end, chen chen won.

"Wow!My brother won!Brother is the best!"

As soon as they reached the finish line, han han stood up excitedly, waving her little hands in the air. She was more excited than chen chen himself.

an zi hao had never thought that he would be defeated by a child.

In the second place of the world, he suddenly felt that his technology had been regressed, or in other words, he had met that... The first place in the world.

an zi hao was stunned. No one had ever surpa**ed him. It turned out that the feeling of being surpa**ed was like this, loss.

And it was surpa**ed by a child of five or six years old.

“Uncle, you are the first real opponent I met. Let’s practice more in the future.”

chen chen smiled at an zi hao, showing his two canine teeth.

an zi hao was dumbfounded by what chen chen said. His first real opponent was powerful. Now he really admitted that chen chen was powerful.

an zi hao was wondering whether chen chen was the mysterious man who ranked first.

But according to the level of the mysterious man, he should be around thirty years old, and the game net name looked like a girl. How could it be chen chen?

The more she thought about it, the more strange she felt.

“chen chen, chen chen, your stupid teammate sent you a message.”

The game profile picture of her brother chen chen flashed when han han saw it. At this time, there would be no one else except his pig teammate.

chen chen opened the main screen of his game unhurriedly.

an zi hao glanced at the main screen of chen chen’s game inadvertently. He was shocked and muttered to himself.

“The stream... It’s really him...”

“chen chen, are you the first mysterious man?”

an zi hao asked nervously and expectantly. He still couldn’t believe it.

The reason why she was nervous was that the mysterious man had always been his idol, an zi hao. She had always wanted to see him.

If chen chen was really that mysterious man, an zi hao would be overjoyed. He was looking forward to chen chen’s answer.

Since an zi hao had asked, chen chen decided to tell him directly.

He winked at zi hao with an evil smile on his cold and childish face. Then he nodded at an zi hao and said, “Hello, the vast sea is full of waves. No, I should call you big mouse now! Ha ha...”

chen chen’s answer surprised zi hao. It was him, really him! A long stream.

Now an zi hao was 100% sure that chen chen was his idol.

ADVERTISEMENT

Because the net name of the game ‘big mouse’ was given to him by chen chen. He wanted to see chen chen and play games with him, so chen chen asked an zi hao to change the net name of the game and agreed to see him at a suitable time.

And the right time was right now.

“I’ll calm down first...”

an zi hao was still in a daze. Although he was very excited to see his idol, he was a little boy and felt very conflicted. It was hard to describe his current mood.

chen chen and han han looked at an zi hao and smiled innocently.

“Handsome uncle, why are you so cold? My brother chen chen has always been so awesome! ”

han han looked at her chen chen with admiration. Since childhood, han han had always admired chen chen.

She couldn’t handle everything well. It was chen chen who helped her solve it. She couldn’t do anything in study, and it was chen chen who taught her. Besides, every time she saw him playing games and playing computer, she was super fast. So from childhood to adulthood, chen chen was the brother that han han admired.

Seeing the excited look on an zi hao’s face, han han was confused.

Although she had known that her brother chen chen was a computer game master, she didn’t find it strange.

han han, wow, you stay with chen chen every day. Even if he is a big star, you still think it’s normal.

“chen chen, why are you so awesome? You are only five or six years old. You are the number one in the world! How did you make it? ”

an zi hao approached chen chen and asked him to teach him some game experience. She suddenly admired him.

chen chen shook his head, “well... Of course I’m smart!”

an zi hao was expecting chen chen to tell him the secret of the game, but he was disappointed.

“chen chen, just tell me. I really want to know.”

an zi hao wouldn’t give up until Yellow River. He must know the secret of chen chen winning the first place.

She talked to chen chen in all kinds of ways in order to let him teach her.

“Take me as your teacher. I’ll take you to fly.”

chen chen squinted at an zi hao with a mischievous smile.

“Me!”

an zi hao was about to refuse. How could he accept a child as his teacher? But on second thought, although he was five or six years old, his level was much higher than that of an zi hao in the game. He could be considered an elder.

“Okay, please accept my apology!”

an zi hao stretched out his hands and clenched his fists, making a posture of apprentice in the game.

“Okay, you can come with me from now on.”

chen chen’s arrogant, cold and childish face looked like an adult in front of an zi hao.

“Master, let’s add it on WeChat. We can often contact and learn from each other.”

an zi hao hurriedly took out his phone and wanted to add chen chen’s WeChat account.

chen chen took out his phone and scanned the WeChat code for an zi hao.

In this way, they successfully became friends.

han han stared at them blankly. What was going on? So they became masters and disciples? Mom

chapter 283

In the living room.

Celia was trying to figure out a way for Ning Xi. Who should she ask for help with the game design?

Although ning xiao xi was an outstanding designer in the design field and knew famous designers in all walks of life, this game had not been published all over the country. In order to avoid unnecessary trouble caused by the exposure of the game design draft, she did not ask for help from outsiders, so she had to discuss it with her best friend, ye xiao xiao.

As for Celia, she was an actress, so most of the people she knew were also actors and actresses in the entertainment circle. She really didn’t know much about game design, and she didn’t know any masters game designers around her.

ning xiao xi was worried. What should she do? She would feel sorry if she couldn’t help him.

At this time, the two babies and an zi hao just came out of the room.

ye xiao xiao inadvertently glanced at an zi hao, and her head suddenly lit up.

“By the way, he can!”

Ning Xi looked at ye xiao xiao in confusion, “who did you say?”

ye xiao xiao looked at an zi hao with her bright eyes and said, “look, it’s far away and in front of us!”

Ning stream looked at Celia. Was she talking about an zi hao?

Now Ning Xi understood.

In this way, they found someone who could help Nina.

.....

The two kids knew that they had something to talk about, so they went to play with them.

On the other hand, an zi hao sat on the sofa. Ning Xi told an zi hao about gu jin yi's thoughts and difficulties to see if he could help.

.....

"If you ask me, I'll ask the right person. At present, I have set up a game studio by myself. I'm designing the game myself, including the game research and development."

Hearing the needs of Ning Xi, an zi hao could help.

"Really? That's great!"

Ning Xi's mood suddenly became hopeful and not so bad.

"By the way, have you brought your game design?"

an zi hao thought that if he wanted to modify the game design, he must see it before he could modify it. So he asked.

Ning Xi nodded hesitantly, indicating that he had brought the game design draft.

However, Ning Xi hesitated whether to show the design draft or not. It was risky.

Ning Xi quickly made a decision and decided to show the game design drawing to an zi hao. After all, if he wanted to solve the problem, he had to show it to him.

For others, he was her former boss after all. She knew him well.

Then Ning Xi took out the design sketch from his bag and handed it to an zi hao.

an zi hao took the phone and looked at the design sketch. At that moment, his eyes lit up.

This game hadn't appeared so far, and he had been studying it recently, but he didn't know where to start.

Now she saw the design drawing of the game with her own eyes and got an inspiration. If he was asked to design this game now, he would definitely be able to design it more perfectly.

She had planned to develop a domestic game, but she didn't expect it to be designed by others first.

It must be Empire group that designed this novel game.

What does that stream have to do with the Empire group?

Only the CEO of the Empire group, gu jin yi, could get the new game design drawing of the Empire group.

And now the game design drawing was in the hand of Ning Xi. It seemed that she had a special relationship with the CEO of the Empire group.

an zi hao found a series of things from a game design drawing.

“What do you think? Can you tell that the design is not attractive enough?”

Ning Xi asked anxiously.

“In fact, the design of this game is very good. I can only say that I haven’t finished some details yet. Give me two hours to show you the design of this game perfectly.”

an zi hao replied to Ning Xi confidently.

“Are you sure?”

Celia, who was standing next to them, said. Even the master level game designer hired by the Empire group couldn’t design a perfect design drawing. Could an zi hao design it?

ye xiao xiao stared at an zi hao in disbelief.

an zi hao nodded firmly, “don’t worry. I can design the game.”

ning xiao xi and ye xiao xiao could only wait for an zi hao for two hours.

Ning Xi stared at the revised design drawing of an zi hao as if he was a God.

She hoped that the final result would satisfy gu jin yi

In the room upstairs.

The two babies were playing games.

Seeing that zi hao and chen chen were playing the game so happily just now, han han thought she should join them. Otherwise, she could only watch aside when she played with them in the future.

“Brother, you are so excellent. Even uncle lian shuai has taken you as his teacher! Was it difficult to win the first place? I think handsome uncle knows that you are the first one to win the first place.”

han han said with an innocent smile as she pressed the remote control.

chen chen smiled, “it’s not difficult to get the first place, but they all want to see the first place, so I’m a five year old child when Uncle an sees the first place.”

ADVERTISEMENT

chen chen could tell that zi hao was shocked.

Indeed, it was rare for a five or six year old child to win the first place in an adult game.

“From now on, I have to learn from my brother and win the first place!”

han han clenched her fists and rushed up.

“Now you are my idol, my idol, my idol...”

han han, the little baby girl, came close to her brother chen chen. She blinked her big watery eyes and stared at chen chen. Her little mouth was slightly pouted, and her expression was full of anthomaniac worship.

However, chen chen knew his sister very well. He was daydreaming about prince charming and the prince charming in children's paintings. He was simply an anthomaniac.

"Your prince charming, you have so many idol. Don't count me in."

"NONONO ! They are nothing to me. Now, you are my only idol. The rest are fake love, hahaha..."

han han stretched out her little index finger and made a gesture to show that everyone else was nobody, and she looked absolutely loyal to chen chen.

"Eh?"

chen chen didn't believe what his sister han han said. She had met many handsome men and idol.

"Doesn't chen chen trust han han?I'm so sad..."

"Okay, I believe you."

Seeing that chen chen didn't seem to believe her, han han started to act like a spoiled child.

What chen chen could not resist most was his sister's coquetry. No one could resist her coquetry.

chapter 284

han han turned her head and snickered. She secretly waved a scissor to show her victory.

"Brother, please protect me from now on. You have become my idol now."

han han said in a sweet voice, clinging to her brother chen chen like a kitten.She leaned on chen chen's shoulder.

This scene was very warm.

.....

Two hours later, an zi hao finally revised the design.

"OK, done.Look at the stream. "

After an zi hao revised the design, he handed it to Ning Xi.

ning xiao xi took over the design drawing and looked at it carefully. The design drawing didn't change at all. She only felt that it was more eye-catching than it was at the beginning, but she couldn't see anything specific. After all, she didn't know much about it.

Only by showing it to gu jin yi could he know whether it would help him or not.

"Thank you, Mr. an."

Ning Xi put away the design drawing and thanked her habitually.She didn't say anything. She took it back and showed it to gu jin yi.

“These are some materials about this game I have made. You can take them back and have a look. Maybe it will help.”

ning xiao xi took it over without much hope, “Okay, thank you, Mr. an.”

Ning Xi still didn’t come to greet an zi hao, so he thanked him habitually again.

“You don’t have to thank me in such a hurry. Take it back and let Mr. Gu see if it will really help you if it is useful to him. Then you can thank me.”

an zi hao’s words surprised Ning stream and Celia. He had guessed it before they told him where zi hao got the game design drawing.

Ning Xi glanced at ye xiao xiao, thinking that she had told the relationship between her and gu jin yi to an zi hao.

Seeing the strange look in Ning Xi’s eyes, ye xiao xiao explained immediately, “don’t look at me. I didn’t say anything.”

Seeing this, an zi hao smiled.

Ning Xi turned around and smiled awkwardly. When he was about to speak, an zi hao spoke first.

“Do you want to ask me how I know the game design drawing is going to be handed over to the CEO of Empire group, Mr. Gu?”

Ning stream nodded, indicating that he was right. Ning stream was confused.

“This game is not on the market yet. I think only Empire group can design this novel and special game. Secondly, this design drawing hadn’t been formally developed, so it must only be available to the leader of the Empire group, gu jin yi. Others wanted to see it unless the game was on the market. And now the design drawing is in your hand, Ning Xi. You must be helping Mr. Gu. Now that the problem has been solved, you must show it to him. ”

an zi hao said seriously, while Ning stream and ye xiao xiao stared at an zi hao in confusion.

He was a man with developed brain cells.

That’s right. How could he solve a problem that no one else could solve?

“Now that you have guessed it, Mr. an, I won’t hide it from you. It’s indeed the game design drawing of the Empire group. Mr. Gu gave it to me. ”

ning xiao xi didn’t hide it from an zi hao anymore. Now that he had seen the design drawing, he was not afraid that he would know who it was.

“So you and Mr. Gu are...”

“Why do you care so much about our stream? If you want to ask her something, just call me. I know everything about her.”

When an zi hao was about to ask him about the relationship between Ning stream and gu jin yi, Celia glanced at him.

“No, I didn’t mean that. I... I just asked casually.”

Hearing that Celia misunderstood him, an zi hao explained in a hurry.

“Celia, what are you talking about?”

Ning stream thought that Celia would misunderstand her and think too much.

In fact, Celia just wanted to change the topic. She was worried that Ning stream didn’t know how to answer this question.

She didn’t expect that the two of them could not bear the fear. Alas, what two cute silly bao bao

“Ha ha... Why are you so nervous?I was just kidding! ”

ye xiao xiao suddenly snickered. It seemed that these two people really couldn’t bear it.

“Celia, you...”

an zi hao and Ning Xi didn’t know what to say to her.He knew that an zi hao cared about her.

“Well, now that the matter has been settled, I’ll go to cook at this late hour. Naomi, you can leave after dinner with chen chen and han han.”

“It’s been so long. chen chen and han han are still playing upstairs. I’m going to have a look.”

ning xiao xi then remembered that the two babies were still playing upstairs.

Then Ning Xi went upstairs.

There were only an, zi hao and Celia left in the hall.

They looked at each other.

“What are you doing?Why are you looking at me? ”

ye xiao xiao pretended to be calm and stared at an zi hao. In fact, she would feel embarra**ed to stay alone with him.

“I suddenly feel that you are very special today.”

an zi hao smiled gently. Celia touched her face and wondered what was special today?

“Well... I won’t tell you. Aren’t you going to cook?Let me go with you. ”

an zi hao’s words confused ye xiao xiao. He volunteered to cook with her.

ye xiao xiao glanced at him again, “can you cook?”

“A little bit. You can teach me. I’m a fast learner, ha ha...”

an zi hao put on a silly smile.

Upstairs.

“chen chen, han han, what are you doing? Why don’t you go downstairs to find Mommy?”

Ning Xi walked into the room and said.

ADVERTISEMENT

There was no sound inside. Ning Xi quickened his pace and entered the room.

As soon as she pushed the door open, she saw two lazy pigs sleeping soundly on the bed.

Ning Xi gave a warm smile from the bottom of his heart.

She walked to the bedside, gently stroked the two little babies’ white and red faces, and gazed at them affectionately and gently.

At this moment, han han moved and slowly opened her eyes.

“Mommy...”

When she woke up, she saw Ning Xi, her mother.

“han han is awake. Go on sleeping. Mommy will take you home.”

Ning Xi touched han han’s forehead.

“Let’s go home. I’m not going to sleep.”

han han got up from the bed and Ning Xi picked her up.

“Okay, let’s go home.”

“My brother is still sleeping. I’ll wake him up and go home with him.”

han han took a look at chen chen and found that he was still sleeping. When she was about to wake him up, Ning stream stopped her.

“Let me sleep. It doesn’t matter.”

ning xiao xi picked up chen chen from the bed and said, “han han goes downstairs with mommy.”

“Okay.”

han han followed Ning Xi obediently and took her downstairs.

chapter 285

“Celia, I have to go back first. chen chen is asleep. I’m afraid he’ll catch a cold.”

As soon as Ning stream went downstairs, she told Celia, who was busy cooking in the kitchen.

At this time, ye xiao xiao came out of the kitchen.

“How about sleeping here today and going back tomorrow?”

ye xiao xiao suggested, but Ning Xi refused.

“No, I have something to deal with at home today.”

“Then how can you go back in this way?By the way, take Naomi home. ”

ye xiao xiao said to an zi hao in the kitchen.

“No, no, No. I can take a taxi home. Enjoy your dinner. We can make an appointment next time.”

Ning Xi was worried. an zi hao knew that she lived with gu jin yi, so he didn't want him to drive her home.

When Ning stream was about to go out, Celia refused to let her go back by herself. It was not convenient to go back so late.

“Let him drive you home, or I'll be worried.”

Although she knew that Ning Xi didn't want others to know that she lived with gu jin yi, it was still safe at this late hour.

At this time, an zi hao also came out of the kitchen. “Celia is right. It's so late. You still take chen chen and han han with you. Let me drive you back.”

ning xiao xi couldn't refuse anymore.

In this way, Ning Xi took the two babies into an zi hao's car and let him drive them home.

ye xiao xiao waved at them with a smile. She didn't enter the house until the car went away.

In the car.

“Naomi, I have a question to ask you.”

an zi hao asked while driving.

“Go ahead.”

“Did you grow up with Celia?”

an zi hao wanted to ask something about ye xiao xiao. After all, Ning stream and her were good friends. Ning stream should know everything about her.

“No, Celia and I knew each other abroad. It has been almost six years.”

ADVERTISEMENT

Ning Xi answered, recalling the life he had lived abroad in the past few years. He felt it was good to think about it.

There were two babies with her, Celia

“Oh, I see. You two are so close. I thought you knew each other since childhood.”

an zi hao smiled. He was happy to know one more thing about ye xiao xiao.

“Celia has been independent since she was a child. She went abroad to study. We knew each other at that time.”

Ning Xi patiently chatted with an zi hao about her best friend, Celia.

The two chatted in the car.

.....

On the other side, in the villa of Gu family.

Ning Xi sent a message to gu jin yi, telling him that she was going to pick up the two babies, so gu jin yi didn't go to the kindergarten but went home directly.

She thought the three of them were at home, but to her surprise, there was no one at home.

Frowning, gu jin yi took out his phone and called Ning Xi.

gu jin yi seemed to feel uneasy as soon as Ning Xi was not with him.

“Sorry, the number you dialed cannot be connected for the time being. Please wait...”

The phone didn't get through, and he immediately turned around and ran out of the door.

an zi hao and Ning Xi chatted and soon arrived home.

“Mr. an, here we are. You can stop at the next intersection.”

Ning Xi pointed at the next intersection to stop the car.

an zi hao got out of the car and carried han han out of the car. Then Ning Xi carried chen chen, who was sleeping, out of the car.

“Mr. an, thank you for sending us home.”

“It's not a big deal. I have to thank you for telling me so many things about Celia.”

an zi hao and Ning Xi talked and laughed.

At this moment, not far away, he indistinctly saw someone at the intersection in front of him. He approached and saw that it was Ning stream and two little babies, but there was also a man.

“Then I'll go first. Bye. Bye, han han.”

When an zi hao was about to take a look at chen chen, han han said, “your master is asleep. Don't look at him!”

an zi hao turned around and smiled.

Ning Xi was stunned. Master?Who is his master?

Then an zi hao waved to Ning stream and han han and left.

“Bye, handsome uncle!When my brother wakes up, I will tell him that you sent us back.”

han han waved at zi hao excitedly.

As soon as an zi hao got in the car, chen chen woke up, kicking his shins from Ning stream’s arms.

“chen chen is awake.”

“Mommy, put me down. I’m so heavy.”

As soon as chen chen woke up, the first thing he did was to get out of Ning stream’s arms. He felt that he had grown up, and his mother Ning stream would certainly be very tired holding him.

ning xiao xi just smiled and bent down to put down chen chen.

“Brother chen chen, you didn’t wake up in time. You woke up as soon as the handsome uncle left.”

han han whispered in her brother chen chen’s ear.

“It doesn’t matter. We will see each other again.”

chen chen snickered.

Ning Xi was used to the whispers between the two babies, so he didn’t ask more.

In this way, the three of them watched the car drive away and turned around to go home.

As soon as she turned around, a tall man stood straight in front of her.

“Oh my God! I was so scared!Why are you here?”

Ning Xi patted his chest in horror.

“Daddy!”

“Daddy!”

The two babies were ecstatic to see their father, gu jin yi.

“What did you do?Why are you so scared?”

gu jin yi said coldly as an excuse.

“chen chen, han han, where have you been?It’s so late.”

gu jin yi’s face turned warm at once.

“Who did the wrong thing?You suddenly came out at night to scare us.”

Ning Xi cast a scornful glance at him.

“Who was the man just now? Why do I send you back so late at night?”

gu jin yi’s face suddenly turned cold and arrogant, and his tone was indifferent.

The two babies stood aside and snickered.

It turned out that daddy was jealous.

“Just now, it was Mr. an.”

Ning Xi answered casually, thinking that gu jin yi was just asking casually.

“Your boss? Isn’t he not in your company now? Why are you still in touch?”

“How do you know he is not in the company? gu jin yi, have you been watching me all the time?”

gu jin yi was so jealous that he asked several questions in a row. He spilled the beans, which made Ning stream empty.

“I... I was just worried about your safety.”

gu jin yi stammered.

“Don’t change the topic. Why did he drive you home?”

gu jin yi just cared about this problem. Other things were not important. He needed to figure it out now.

“I went to Celia’s house today and met her by the way. So I sent us back by the way.”

Ning Xi replied briefly.

chapter 286

“chen chen, han han, is that so? Children can’t lie to others, or they will become ugly and not smart.”

gu jin yi glanced at the two babies to frighten them.

The two babies were good at playing along with their mommy, Ning stream. They nodded hard.

Ning Xi had taught them all these things were fake. Don’t listen to others’ frightening words.

Now it came in handy.

Only then did he believe her.

“But he sent you back with no good intention. You can’t take his car anymore.”

gu jin yi still couldn’t get through this, but felt uneasy.

The two babies raised their heads and stared at their father, gu jin yi.

“Daddy, are you jealous?”

“Daddy, you are too jealous!”

The two babies stared at gu jin yi, blinking.

Hearing what the two babies said, ning xiao xi wanted to laugh inexplicably.

“I... are you jealous?”

gu jin yi was stunned.

The two babies nodded, indicating that their daddy was really jealous, and he had eaten a lot.

“You can only be mine forever. No one can take you away.”

gu jin yi suddenly hugged Ning Xi, and the two babies blinked with surprise. She didn't expect gu jin yi to do this.

Daddy

gu jin yi

Then, he slowly let go of Ning stream.

“What's wrong?”

Ning Xi felt something was wrong with gu jin yi.

“Nothing. I just want to hug you.”

gu jin yi smiled gently, revealing two small dimples. His smile could warm many girls' hearts~

“Let's go home.”

gu jin yi held Ning Xi's hand. Seeing this, the two babies cooperated with them and took the initiative to walk to their parents' side, holding Ning Xi's and gu jin yi's hands.

The four of them walked along the road. Their backs were warm and enviable.

.....

On the other side, after sending the three of them back, an zi hao returned to ye xiao xiao's house.

“Ding Dong, Ding Dong...”

He rang the doorbell.

Celia, who was listening to the music, didn't hear the sound outside.

an zi hao picked up his phone and called ye xiao xiao.

The phone was put in the living room and no one answered it. Celia still didn't hear it and let it ring.

“It's only been a while. Where did she go? It shouldn't be. The light is still on inside.”

an zi hao thought for a while and finally felt that Celia was at home. She must be listening to the music and didn't hear the phone ring.

When the two of them met for the first time, Celia had worn headphones. Besides, she had told herself that she liked music. She liked the feeling of music ringing, as if she could forget all the troubles.

an zi hao looked around and was about to climb into the room through the window.

Inadvertently, he saw the right window was open there, and an zi hao climbed up from it.

ye xiao xiao, who was in the kitchen, took off her headphones. She seemed to hear some noise outside. She picked up the broom and walked to the window warily.

She hid behind the curtain and waited for the thief to climb over the wall.

an zi hao finally climbed up the window and was about to come in. Celia raised the broom and waited for him.

“Ah!Thief, I’ll let you climb through the window, I’ll kill you, I’ll kill you...”

ye xiao xiao saw a figure through the window. Without hesitation, she closed her eyes and rushed straight to the thief’s head.

“Celia, Celia, it’s me!an zi hao!”

an zi hao was stunned by Celia’s smash. Was she a thief?

Hearing what an zi hao said, ye xiao xiao slowly opened her eyes and stopped putting down the broom in her hand.

“It’s you... What’s wrong with you? Why did you climb the window? I thought it was a thief coming in!”

ye xiao xiao pretended to be shocked. She glanced at zi hao and turned back to the living room.

“I called you several times, but you didn’t answer, so...”

ADVERTISEMENT

“So you came in through the window.”

ye xiao xiao said for zi hao.

She didn’t hear him when he called her just now, but now he climbed through the window in such a low voice.

“I was just afraid that something bad would happen to you. I was just worried and impulsive.”

an zi hao explained as he followed Celia to the living room.

“Why did you come back?”

ye xiao xiao asked casually as she walked to the kitchen.

“I want to come back for dinner.”

an zi hao followed Celia into the kitchen and followed her like a child.

ye xiao xiao put the dishes on the table, and an zi hao sat opposite her. "Eat. You look so pitiful. You have no food to eat."

Since ye xiao xiao didn't allow him to eat, an zi hao didn't dare to eat.

But he didn't expect that an zi hao was such a good boy.

ye xiao xiao teased. Then an zi hao began to eat.

an zi hao was full of passion. As soon as he ate the food cooked by ye xiao xiao, his face changed.

ye xiao xiao also realized that she seldom cooked at home, unless she could help Ning Xi.

ye xiao xiao had been living abroad all the time. She could only cook Italy noodles and fried eggs.

She really didn't know how to cook Chinese food.

"Is it so bad?"

ye xiao xiao asked deliberately even though she knew it was not delicious.

"It's okay. It tastes special."

an zi hao's answer was euphemistic. He couldn't say it was not delicious, or Celia would definitely ask him to stop eating.

So his answer was the best.

"Stop eating. I know it tastes bad. I've ordered takeout. Let's have it later."

ye xiao xiao took down the bowl and chopsticks in zi hao's hand.

"It's not healthy to eat take out. Wait a minute. I'll cook some dishes for you."

After saying that, an zi hao walked into the kitchen. Before Celia could say anything, he had already entered the kitchen.

"Can he cook?"

ye xiao xiao sat on the chair and talked to herself, confused.

.....

Soon, the hot food was served on the table. Celia swallowed and looked at the four dishes and a soup on the table. Not to mention whether they were delicious or not, just looking at their appearance was already fantasizing.

"Have a taste of my cooking."

an zi hao said with a smile and put the food into Celia's bowl.

ye xiao xiao took a bite. Wow, it was so delicious. She, who had been eating take out all the time, finally knew what delicious food was.

One, two, three

ye xiao xiao couldn't stop eating.

She didn't notice that an zi hao was smiling at her.

"Good!"

Before an zi hao could say anything, Celia ran upstairs.

She rushed downstairs and fetched two bottles of red wine.

Get herself and an zi hao drunk.

"No, No. I don't drink. I have to drive home later."

an zi hao refused Celia to pour him a gla** of wine.

ye xiao xiao paused. She agreed with him. He had to drive home later.

"Or you can take me in for one night."

an zi hao snickered.

"Go away. I'll drink it myself. "

ye xiao xiao drank alone.

She had a good time eating and drinking~

chapter 287

ye xiao xiao could only drink a few gla**es of wine and became dizzy.

"Celia, don't drink. You are drunk too."

an zi hao took the gla** from Celia's hand, but he didn't expect that she was so strong when she was drunk.

"No, I'm not drunk. I want to drink more."

ye xiao xiao picked up her gla** and kept drinking.

an zi hao walked to her and helped her up. "Come on, let's go back to our room."

"No, I want to drink. It's so delicious..."

ye xiao xiao moved her body and didn't want to go back to her room with zi hao.

Gradually, Celia had no strength to make a fuss and fell asleep.

an zi hao directly picked up ye xiao xiao and sent her back to her room.

He gently put her on the bed, took off her shoes, covered her with a quilt, and sat beside her bed. “ye xiao xiao, you broke into my world. You can’t escape.”

an zi hao put ye xiao xiao’s hand into the quilt and was about to leave when she pushed the gla** away.

“MMM ~ MMM ~”

an zi hao covered her cup again.

“Sleep, sleep...”

When an zi hao tucked her in, Celia held an zi hao’s arm.

He slowly moved Celia’s hand away, but she held her tighter.

an zi hao had no choice but to let ye xiao xiao sleep in her arms before leaving

On the other side, in the villa of Gu family.

After dinner, Ning stream took the two babies back to their room.

“chen chen, han han, go to bed early. Good night.”

“Good night, Mommy.”

“Good night, Mommy.”

Ning Xi watched the two babies lie in bed and closed the door.

As soon as Ning Xi went out, han han got out of bed.

“han han, what are you doing?”

Seeing his sister get up naughtily, chen chen didn’t want to sleep.

“I want to say good night to my blue basin friend.”

han han stepped on the bed, walked to the desk opposite the computer, opened the drawer and took out her phone.

She clicked on an zi hao’s WeChat and sent him a message, “good night, buddy.”

When han han was about to close the drawer after sending the message, she received a WeChat message from chen chen.

han han noticed that and said, “brother, you have WeChat message.”

“It’s okay. I’ll see it tomorrow.”

chen chen thought sleep was more important.

“Okay.”

han han ignored him and was about to close the drawer.

“Ding Dong!”

“Ding Dong!”

“Ding Dong!”

han han couldn't help but ask when she got several messages.

“Brother, are you sure you don't want to have a look? A lot of news.”

han han handed the phone to chen chen.

“It must be from your stupid teammate again, hahaha...”

han han guessed that it must be the pig teammate in chen chen's game who sent him the message at this late hour.

chen chen took out his phone and answered, “it's uncle an!”

ADVERTISEMENT

The two babies stared at the WeChat page with their big eyes. They didn't expect that it was a message from an zi hao.

“Marvin!”

“chen chen, check what message he sent!”

chen chen didn't see any excitement on han han's face.

At this time, a WeChat message from han han came, “han han, go to bed early. Good night.”

It was a message from an zi hao. han han sent him a message just now.

“If you don't go to bed yourself, let me go to bed early and send you a message. Humph! I want to see it too...”

han han pouted, indicating that the bao bao was unhappy.

chen chen opened the chatting interface with zi hao, and messages came continuously.

“Master grace, let's play a game.”

“When will you teach me the truth?”

“Are you asleep? Why don't you talk to me?”

“You really don't want to talk to me? Should I call you?”

“.....”

an zi hao didn't give up.

chen chen replied indifferently, “we'll talk tomorrow. Good night.”

“chen chen, your answer is too cold to Lancy.”

han han felt sorry for zi hao. She had sent so many messages to him, but he only waited for six words: "let's talk tomorrow. Good night." No, one, two, three, four, five, five words.

"Is it too cold? Well, I'll give him another reply. "

Blinking his eyes, chen chen was thinking about his sister han han's words. Was her words too cold? Then chen chen picked up his phone and sent a message.

"At night, you have to cultivate yourself so that you can use your brain to the extreme. So, the first disciple, go to sleep early."

After saying that, he specially glanced at han han and said, "is that okay? Isn't it cold?"

ADVERTISEMENT

han han was expressionless. Brother, can't you have a few more words with your friend? kidding me?

He must have sent you so many messages to chat with you, chen chen. You don't understand what he is thinking at all.

What should she do in the future?" Brother chen chen, if you find a female ticket in the future, your sister will worry about you."~

A boy who didn't know what a girl was thinking was just a nerd.

This was another mantra of han han.

han han had no choice but to nod her head. It was better to send this message than the five words.

Seeing that his sister han han nodded, chen chen sent out the message.

an zi hao was waiting for the reply of chen chen's master, but he didn't expect that his master would ask him to go to bed early.

She felt disappointed and sad.

But after reading it carefully, he found that this was the first secret that chen chen gave him.

In the evening, she went to bed early to cultivate herself. Yes, she had to go to bed early so that she could have a good rest and exert her cleverness to the extreme.

an zi hao sent a message to chen chen.

"Okay, master. I remember what you said. I will go to bed early in the future."

Seeing this, chen chen smiled wickedly.

Seeing this, han han said, "oh my God! You are so obedient to chen chen, aren't you? "

han han thought that an zi hao would say that he didn't want to sleep like this, but he did as she said.

Unexpectedly, han han held her brother's arm and asked, "brother, how did you make Lancy so obedient? If you tell me, I won't tell anyone else, hee hee... "

han han was full of expectation, waiting for her brother chen chen's answer. chen chen said, "well... The secrets of heaven can't be leaked. Sleep."

chen chen's shaking head made han han stare at him without blinking. She thought chen chen would say it out, but she didn't expect him to lie down and get into bed directly.

han han pouted and stamped her feet on the bed, "just go to bed. Go to bed early and get up early. You need to cultivate yourself."

Then, han han also got into bed.

chapter 288

After chatting with chen chen, an zi hao saw that ye xiao xiao had fallen asleep. He stood up gently and was about to leave.

ye xiao xiao was like a pet sticking to an zi hao. The more he moved, the tighter she held his arm.

an zi hao looked affectionately at the sleeping ye xiao xiao and said, "Okay, hold me for one night if you can."

an zi hao didn't think he would fall asleep. Since Celia was holding him tightly, he decided to be patient.

Unexpectedly, an zi hao leaned against the edge of the bed and gradually fell asleep

In this way, an zi hao and ye xiao xiao fell asleep in the same room.

On the other side, in the master bedroom of Gu's villa.

When he was about to take a shower, Ning stream stopped him and said, "wait a minute."

gu jin yi stopped.

Ning Xiao immediately took out the game design drawings and suggestion materials from her bag and showed them to gu jin yi.

Although she knew that there was little hope, she could only be regarded as a doctor.

"Look, is there anything different?"

gu jin yi looked at Ning Xi taking the game design drawing, and his dark eyes fell on the design drawing.

Looking at the unchanged expression on his face, Ning Xi guessed that he might have guessed one or two times. He failed again this time.

"Forget it. I can't help you..."

Ning Xi stretched out his hand and was about to take the design drawing from gu jin yi.

"Wait, brook, who modified it?"

However, gu jin yi refused. He flipped through the documents one by one, and then looked at Ning stream with his deep eyes. His tone was soft.

“A friend.What’s up?Haven’t you revised it yet?”

ning xiao xi was obviously a little disappointed. Although she knew that there was not much hope for gu jin yi to be satisfied, she still wanted to have a try.

“That’s great! I’m finally able to achieve the game design I’m thinking about.”

Without saying anything more, gu jin yi held Ning Xi and held her head.

Ning Xi was stunned. What happened?What he thought?Did he mean that the revised game design could pass the test?

ning xiao xi got out of gu jin yi’s arms and asked, “you mean this game can be developed?”

Ning Xi asked again in disbelief.

gu jin yi smiled gently and nodded.

“Who is your friend?I can see that he has a strong sense of game involvement. Can you introduce us to each other sometime?”

At the first sight of the game design drawing, he knew it was a person who was particularly dedicated to the game, so that he could modify a game design drawing so well.

Ning Xi was stunned. gu jin yi took a fancy to the revised design for an zi hao, and he also wanted to know zi hao

Nelson didn’t know what to say.

“Well... Well...”

gu jin yi could tell that Ning Xi was hesitating.

“What’s wrong?Do you have something to say?”

gu jin yi asked Ning Xi softly.

“I have to tell you in advance. You can’t be angry if I tell you, okay?”

ADVERTISEMENT

ning xiao xi winked at him and told him in advance, in case he got angry inexplicably.

ming ming and an zi hao were clear about each other. They were just boss and subordinate, so there was nothing wrong. But in gu jin yi’s eyes, as long as she knew too much about any man, she would be woolgathering.

gu jin yi stared at Ning Xi with his deep eyes.

ning xiao xi felt uncomfortable under gu jin yi’s gaze. “Why... Why are you looking at me?Just tell me if you agree or not.”

gu jin yi thought for a while and finally nodded.

Let her speak it out first.

“Well, the person who modified the design drawing is an zi hao, Mr. an...”

Ning Xi wanted to say something but stopped on a second thought. He looked at gu jin yi from time to time to see what he would look like at the moment.

Sure enough, when Ning Xi told him that it was an zi hao who modified the game design drawing for him, his face changed immediately.

“Didn’t you say that you wouldn’t be angry? Look, you are angry again. And no matter who that person is, it doesn’t matter, right? As long as he can help you, it’s not a problem for the company. Do you think so?”

Ning Xi quickly added, hoping to make him calm down. He was a little annoyed by the fact that zi hao sent him home just now, so Ning Xi had to explain at this moment.

“Well, that makes sense...”

gu jin yi answered slowly and naturally, showing no sign of anger.

However, before he could finish his words, Ning Xi said excitedly, “what I said makes sense. So, I’ll introduce you to each other tomorrow.”

Nina sighed in her heart. Fortunately, she had a quick brain turn and was smart. Otherwise, the scene would be awkward.

Looking at the complacent look of Ning Xi, gu jin yi couldn’t help smiling.

This silly woman... She was so silly and cute.

“But... It will still have an impact. I still mind.”

gu jin yi suddenly said and suddenly leaned forward. Ning Xi subconsciously stepped back and accidentally hit the wall.

“You... You just said...”

“I was just saying that what you said was reasonable, but it doesn’t make sense here.”

Before Nina could express her meaning, he interrupted her.

What was the reason? Ning Xi was thinking about it.

Nina was speechless. She wanted to dodge from his face at such a close distance.

With one hand on the wall, gu jin yi stared at Ning Xi with his evil eyes for a long time.

“You... Since the problem has been solved, aren’t you going to take a shower just now? Go ahead.”

Ning Xi was about to run away from gu jin yi’s arm, but was caught by gu jin yi.

“Where do you want to go?”

“I... I’m taking a shower!”

“You can take a shower.Let’s go. ”

gu jin yi directly took Ning Xi to the bathroom.

“Hey, hey, hey!gu jin yi!What are you doing?Let go of me... ”

.....

chapter 289

At five o’clock in the morning of the second day.

Ning stream was having a nightmare

“Mommy, come back quickly. We are waiting for you here.”

“Naomi, come back. Let’s go together...”

gu jin yi and the two babies stood in front of Ning stream, trying to persuade her to stay.

“Sorry, I can’t stay. I have to leave.”

Ning stream stood still, and she could only retreat.

Suddenly, the two little babies and gu jin yi were farther and farther away from Ning stream, and their figures were getting more and more blurred

“Mommy, we are leaving...”

“It’s time for us to leave here.”

At this time, a sea appeared behind them. As long as they retreated, they would fall into the sea.

“Don’t go!Don’t go!The sea is behind them. They will fall! ”

Ning Xi stretched out his hands to catch them, but his feet seemed to be t***** and could not move at all.

They could only watch helplessly as they left faster and faster. They were getting closer and closer to the sea

“Don’t... don’t step back!No! ”

The emotion of Ning stream was uncontrollable in her mind, and the nightmare had disturbed her mind.

gu jin yi, who was lying beside, sensed that something was wrong with Ning stream. Judging from its appearance, he knew that she must have a nightmare, so he turned to comfort her.

“It’s okay. I’m here with you.”

gu jin yi gently held Ning stream and stroked her head.

In her dream, the three of them fell into the sea. Ning stream's heart wrenching voice echoed in her mind.

ADVERTISEMENT

"Don't go down!No!"

Ning Xi suddenly woke up and sat up, with cold sweat on his forehead.

"Stream..."

When gu jin yi was about to say something, Ning Xi turned his head and looked at gu jin yi blankly for three seconds. Her eyes were a little red and there were some tears at the corners of her eyes, which made gu jin yi's heart ache. When gu jin yi was about to hold Ning stream and comfort her, Ning stream suddenly held him tightly.

"Don't leave me, please..."

"We will never leave you. We will always be with you. It's just a dream. Don't be afraid."

gu jin yi patted the back of Ning stream and comforted her.

"Don't go... Don't go..."

At this moment, Ning Xi was like a child, leaning in gu jin yi's warm arms and tightly holding gu jin yi, unwilling to let go. The dream made Ning Xi lose his soul.

"Silly girl, dreams are always reversed. Have you forgotten?"

gu jin yi kept caressing Ning Xi's head and comforted her patiently.

The words gu jin yi told Ning Xi were exactly what Ning Xi had told him, so he had always kept them in mind.

Ning stream slowly calmed down and gradually recovered.

Then she got out of gu jin yi's arms. There were still tears in the corners of her eyes. She avoided gu jin yi's eyes and wiped them quietly.

But gu jin yi had noticed it.

He looked at the time. It was over five thirty. Thinking that Ning stream couldn't fall asleep at this time, he decided to chat with her, so that he could help Ning stream relieve the tension caused by the dream just now.

"Do you still want to sleep?"

gu jin yi asked Ning Xi first. If she wanted to sleep, he would comfort her.

Ning Xi shook his head to show that he didn't want to.

gu jin yi had expected that.

ADVERTISEMENT

It was difficult to fall asleep after having a nightmare.

“How about I have a chat with you?”

gu jin yi picked up a pillow for Ning Xi and let her lean against it. Then gu jin yi sat down and leaned on the head of the bed side by side with Ning Xi.

“Did I get a little emotional just now?”

Ning Xi lowered his head and asked in a low voice.

Because she realized that she was too emotional just now.

“Yes, a little excited.”

gu jin yi replied with a smile.

ning xiao xi looked down and said nothing.

gu jin yi thought he had said something wrong, so he explained hurriedly, “you weren’t too excited just now. I just thought you were excited.”

“No, no, No. I mean you were not emotional just now. It’s normal.”

On the contrary, gu jin yi was like a child when he explained, fearing that his words would affect Ning Xi.

“I just dreamed that both you and chen chen and han han left me...”

Ning Xi said sadly.

“Silly girl, don’t worry. chen chen and han han will always be with you. We won’t go anywhere.”

gu jin yi was Ning Xi’s slender hands. He said gently and gazed at her with affection.

ning xiao xi looked at gu jin yi at the same time and wanted to say something.

Yes, they wouldn’t leave. In the end, she was going to leave them

Time pa**ed day by day. A week would soon pa**.

Facing gu jin yi, Ning Xi felt very guilty.

ADVERTISEMENT

She was leaving him. She couldn’t really say goodbye to him.

The two babies must be taken away by Ning stream, so they couldn’t stay here.

If she didn’t marry him three months ago, she might live a carefree life now. She didn’t need to think about the things that bothered her

“I’m going to ask for a few days off.”

Ning Xi said softly.

She hoped that gu jin yi wouldn't ask her why, or she really didn't know how to make an excuse to reply him.

She said she was too tired these days?She said she didn't want to go to work and stay at home for recuperation?

"Just stay at home. You don't need to go to work anymore. I'll support you."

She thought he would ask her why, but he suddenly asked her not to go to work.

Ning Xi was confused. What the hell?Her answer was completely out of her expectation.

"I don't want you to support me. I'll go to work after resting for a few days."

Ning Xi curled his lips and replied.

"Look, you can't take good care of chen chen and han han at work every day. If you stay at home, can you take better care of them?"

gu jin yi said in the name of the two babies, because he knew that chen chen and han han were the only ones who wanted Ning Xi to change her decision.

Sure enough, Ning Xi was thinking about what gu jin yi said.

"Well... We'll talk about it later."

"Well, you can have a good rest at home these days."

gu jin yi didn't say anything more. He knew Ning Xi well, so he had to let her figure it out herself.

chapter 290

On the other side, something "breathtaking" happened in ye xiao xiao's room.

an zi hao and ye xiao xiao slept on the bed together. The pink quilt had fallen to the ground. They fell asleep in one direction and the other. They put their legs on each other. The posture made people imagine what happened last night.

"Okay."

ye xiao xiao turned over and lay down beside an zi hao, with one hand on his face heavily.

ye xiao xiao woke up and slowly opened her eyes.

an zi hao was awakened by the slap from ye xiao xiao.

The two of them slowly opened their eyes.

"Ah!"

"Ah!"

The two looked at each other in surprise at the same time.

At the same time, she jumped up from the bed.

ye xiao xiao looked down at her clothes and found that they were intact.

Then she raised her head and kicked zi hao out of bed.

She pointed at an zi hao angrily, "tell me!Why are you in my room?"

"Why, why am I in your room?It shouldn't be..."

an zi hao was also confused. Why was he in Celia's room when he woke up?He murmured to himself.

"Let me ask you a question. I went to bed early last night."

ye xiao xiao couldn't remember what happened last night, but she was sure that she had gone to bed early.

an zi hao recalled what happened last night and explained to Celia.

"I came to your house for dinner after I sent them back. I came in through the window..."

"Get to the point. I know that.I just want to know why you are in my room and on my bed!"

an zi hao's story was interrupted by ye xiao xiao. She cared about why an zi hao was in her room. Nothing else mattered.

And the memory she kept in her mind was from the beginning of eating, and then she forgot everything.

ADVERTISEMENT

"Generally speaking, I just drank a lot and got drunk. Then I took you upstairs to have a rest..."

"Who allowed you to carry me upstairs?"

Celia shouted at an zi hao.

"I haven't finished yet.And in that case, did I let you sleep on the ground?I don't want to part with you. "

an zi hao looked at ye xiao xiao innocently and retorted.

"Okay, go ahead. I'll see what you can say."

ye xiao xiao listened to an zi hao's explanation.

"I planned to leave after you had a rest, but you held my hand and didn't let me go. You held me even tighter when I moved. I planned to leave after you fell asleep, but I didn't expect that I would fall asleep first.So, it seems to be the case..."

an zi hao said a lot of words in one breath, which made ye xiao xiao confused. Is that okay?

"You mean I won't let you go?"

ye xiao xiao pointed at herself and asked in disbelief.

"All in all,"

an zi hao nodded. If so, he didn't do anything wrong.

"It's impossible! It's impossible!"

ye xiao xiao murmured to herself.

"Who told you to fall asleep first? If you didn't fall asleep, you must be lying at your own home now."

No matter who the reason was, Celia blamed an zi hao.

an zi hao could do nothing about it?

But indeed, what ye xiao xiao said was right. After all, she had to fall asleep?

"How can I sleep on the same bed with you if I don't fall asleep?"

"What did you say?"

an zi hao said in a low voice, and ye xiao xiao could only hear a little. She looked at an zi hao and asked coldly.

ADVERTISEMENT

"Nothing. It's time to get up."

an zi hao stood up from the ground. ye xiao xiao picked up her pillow and threw it at him.

"Hurry up and leave before I make a move!"

an zi hao took the pillow from ye xiao xiao and rubbed it. When he walked past the bed, he put it next to her and said, "I'll wait for you outside."

ye xiao xiao threatened an zi hao with her fist. As soon as an zi hao finished speaking, he ran out of ye xiao xiao's room.

On the other side, in the villa of Gu family.

After breakfast.

"chen chen, han han, daddy will drive you to school today."

The two babies had already carried their schoolbags and stood in the living room, waiting for their mommy to go downstairs.

"Mommy won't go with us?"

"Why did Daddy send us alone today?"

The two babies asked with the same doubt.

They frowned and thought their mommy wouldn't send them to school.

"Mommy doesn't go to work today, so we let her have a good rest at home."

"Oh, so Mommy doesn't go to work!"

han han sighed. No wonder. Otherwise, they would be sent to the kindergarten together.

“Okay, let’s not disturb Mommy. Let’s go.”

The two babies were very sensible. As soon as they heard that Ning Xi didn’t go to work today, their slightly frowned eyebrows and confused expressions suddenly became lovely.

“Our chen chen and han han are so considerate. Let’s go.”

gu jin yi caressed the heads of the two babies and smiled gently at them.

Then, the father and son walked out of the door together.

“Wait!”

At this time, Ning stream came down the stairs quickly.

“Mommy!”

“Mommy!”

The two babies and gu jin yi looked at the stairs at the same time.

Ning Xi walked to them and said, “let me drive chen chen and han han to school today.”

“Have a good rest at home today. I’ll drive the two of them home.”

Considering that Ning Xi won’t go to work today, gu jin yi asked.

“Mommy has a rest today? Go to bed now. Daddy will send us there.”

“Okay, okay. Mommy, have a good rest today. We will miss you.”

The two babies cooperated with their father, gu jin yi, and let Ning Xi rest one by one.

“Mommy is going out to buy something today, and I can drive you to school by the way.”

Ning Xi still insisted. He winked at the two babies. chen chen understood what Ning Xi meant at once and guessed that he had something to tell them.

“Then I’ll drive you there. Let’s go out together.”

Seeing Ning Xi so insistent, gu jin yi came up with a good idea.

“Daddy, how about Mommy send us there. Anyway, she is going to buy something by the way.”

chen chen looked up at gu jin yi and said.

han han took a look at chen chen. Didn’t he just say that mommy didn’t go to work and let her rest at home? Why did he ask mommy to send him to school now? It’s so strange. I don’t understand

“Okay. Mommy will drive us to school. Daddy, go straight to the company.”

But han han listened to her brother’s words and she would cooperate with him no matter what he said!

Because chen chen is han han's idol~

chapter 291

gu jin yi frowned and hesitated for a while.

"Well, you can go to work now. I will drive them to school. They can go out for a walk."

gu jin yi couldn't say anything more. Since the three of them said so, let them go.

"Okay, you drive them there. Call me when you arrive."

Ning Xi nodded and gu jin yi left.

Not long after gu jin yi went out, Ning Xi went out with two babies.

On the way.

Holding a little baby's hand, Ning Xi walked towards the kindergarten. The two babies had innocent smiles on their faces, and they were even happy to go to school.

"Mommy, why don't you go to work today?"

Walking on the road, han han looked up at Ning Xi and asked in a sweet voice.

"Mommy wants to go to school with you today."

Ning Xi answered han han with a smile.

chen chen remembered that his mother, Ning Xi, winked at him just now. She must have something to tell him. When they almost arrived at the kindergarten, chen chen couldn't help but ask Ning Xi first.

"Does Mommy have something to tell us?"

All of a sudden, chen chen jumped in front of Ning stream and stared at it.

Ning Xi was confused. What did he want to tell them? Why didn't I know?

"No? Why do you say that? When did Mommy say that she had something to tell you?"

han han also stared at her brother chen chen. When did her mother say that? She was also confused.

chen chen shook his head like an adult, "Alas, a great man forgets many things."

"Little girl, what are you talking about? Why can't I understand a word?"

Ning Xi touched chen chen's forehead with his index finger.

"When daddy was at home just now, didn't you wink at me like this?"

chen chen winked at Ning stream as he did at home just now, which made Ning stream and han han laugh out loud.

“Brother, can you stop imitating Mommy? You are so funny, hahaha...”

han han covered her mouth and tried to hold back her laughter.

chen chen made a face at his sister han han.

“Little girl, I blinked at you just now to ask you to help me persuade your father not to send you to school.”

It was not until Ning Xi explained it clearly that chen chen finally understood.

“Mommy! So you just want to send us to school! She blinked. I thought you had something to tell us, and I was looking forward to it.”

chen chen crossed his arms over his chest. Obviously, he was a little angry.

“Mommy, it seems that you can’t wink at your brother anymore, or he will misunderstand you again.”

han han snickered, so did Ning Xi.

“I know mommy wanted to say something but stopped on a second thought. Do you understand?”

chen chen said to han han like an adult.

ning xiao xi was amused by chen chen’s words. He knew what she wanted to say but stopped on a second thought

“But I really want to have a chat with you. If your Daddy takes you to school with me, I can’t talk with you alone.”

Ning Xi said calmly.

“Since you sent daddy away because you wanted to chat with us, I forgive you.”

With a proud look on his face, chen chen pursed his lips slightly. He was so self-sufficient that he had a good Eq.

“Thank you, chen chen. Come on, give me a kiss.”

Ning stream crouched down, chen chen covered his mouth, turned around and left.

What the hell? chen chen, how could you avoid your mother’s kiss?

han han stood still and stared at her mother. Seeing that chen chen had left and han han was standing aside, Ning Xi got close to han han. Seeing this, han han covered her mouth and quickly ran up with her brother, chen chen.

What was going on? Why don’t you even kiss xiao han?

“You all dislike Mommy, don’t you?”

Ning Xi stood up and pouted.

han han followed chen chen and held his hand, "brother, slow down. Wait for me."

"Why are you here? Mommy is still behind you!"

In chen chen's impression, han han was just like the cotton padded jacket on his mommy Ning stream, which never left her. Today, she left his mommy and ran over with him.

"Because my brother is my prince charming now. Of course I have to follow you."

han han said coquettishly, sticking to chen chen.

"What are you two whispering about?"

Ning Xi caught up with her and asked.

"Don't tell mommy the secret between us."

"Don't tell mommy the secret between us."

The two said in unison.

They smiled innocently at each other.

"Okay, I won't ask you about your little secrets."

After a while, Ning Xi joked and tentatively asked the two babies a question.

"chen chen and han han, if Mommy says that she will take you abroad and won't come back, are you willing to go?"

"Will daddy go?"

"Why do we have to live abroad as a family?"

As soon as the two babies heard the words of Ning stream, they pouted in confusion and frowned. Both of them raised questions.

"Your daddy..."

Ning Xi didn't know how to answer chen chen's question. Indeed, she had never thought about it.

If they left, would he be sad or not?

"If mommy has something to do abroad, will you go with mommy if your daddy doesn't go?"

ning xiao xi asked tentatively again.

"....."

The two babies didn't answer. This question was too complicated and they were both thinking about it.

If Mommy went abroad and daddy was at home, would they be separated again.

han han was thinking about the distance between China and abroad.

Why would Mommy ask this question? It's so strange? Was she going to live abroad and not with daddy? No, no, No. she had always been so attentive to help daddy and Mommy here. How could she leave?

chen chen had guessed the reason.

The two babies were confused and thinking. Ning Xi changed the topic as soon as he saw them. In order to avoid them from thinking too much, he told their father, gu jin yi, "chen chen han han, we're almost at school. Tell mommy what you want to eat tonight. I'll buy it later and wait for you to come back."

The two babies, who were lost in thought, came back to their senses and listened to the words of Ning stream.

chapter 292

"I want fish, fish without thorns, shrimps and prawns!"

han han was the first one to sign up for the school, and she even told them what she wanted to eat.

Ning Xi smiled, "han han, girls can't always eat meat. They should also eat vegetables, so that they will be more beautiful."

"Mommy will buy vegetables, because my brother wants to eat them. Haha... I'll be responsible for eating meat."

han han knew that chen chen liked vegetables, so even if she didn't say that their Mommy would buy them.

Ning stream could do nothing to her little daughter.

It seemed that chen chen didn't think too much about the food.

ning xiao xi knew that her son had a lot of thoughts. Judging from his expression, he must be thinking about what happened just now again.

"chen chen, why don't you tell me what you want to eat?"

Ning Xi interrupted him deliberately.

"I want to eat vegetables and beans!"

chen chen answered.

Ning Xi blinked his eyes and guessed that he was going to eat vegetables. She was born in a mother's womb, and they were twins. Why were they different in character and food?

One was a meat eating animal, and the other was a pure vegetarian. She couldn't do anything to them.

When they arrived at the kindergarten, Nina watched the two babies enter and then left.

On the way home, she took out her phone and called ye xiao xiao, wanting to tell her that gu jin yi wanted to see an zi hao.

“Celia, where are you?”

“I’m on the set. What’s wrong?”

“Give me the address and I’ll come to you.”

“Okay.”

ye xiao xiao didn’t ask more. She knew that she couldn’t make it clear on the phone.

Since Ning Xi must have something to talk to her at this time, he would talk to her later.

.....

On the film set.

ye xiao xiao was still filming. When she saw Ning Xi, she winked at her.

“Watch out! Look here! ”

The crew shouted when they found that Celia didn’t look well.

Seeing this, Ning Xi made a gesture to let her shoot well and waited for her by herself.

ye xiao xiao understood what Ning Xi meant, so she set her mind at rest.

Unable to get into the set, Ning Xi walked to a pavilion nearby and sat down, watching ye xiao xiao filming.

At this moment, the Ye Ling City was also filming in this neighborhood. Sitting on a chair and resting, the Ye Ling City inadvertently found Ning stream in the pavilion.

“Ling City, drink some water. You’ll have to act later.”

At this time, wan er, the assistant of the Ye Ling City, came with a glass of water and was about to hand it to him.

All of a sudden, he stood up.

brook? Why was she here?

He took off his sunglasses and walked quickly towards the pavilion.

His assistant was stunned and almost spilled the water on his hand.

“Ling City!”

wan er turned around and looked at the back of the city.

“Stream!”

The city called Ning stream towards the pavilion.

When she was watching her best friend Celia filming with great interest, she vaguely heard someone calling her.

She looked around four weeks and fixed her eyes on the city.

“What is he doing here?”

When Ning Xi came to his senses, the Ye Ling City had arrived at the pavilion.

“We haven’t seen each other for a long time. Why are you here? Are you here to see me because you know I’m here today?”

He looked very happy.

She was happy to see Ning stream. From inside to outside, she felt happy.

“You’re thinking too much. I’m just looking for my friend.”

ADVERTISEMENT

Ning Xi glanced at him, and there came another narcissist.

“If you don’t come to see me, then who are you looking for?”

He wanted to know who Ning Xi came to see instead of him.

At this time, Xia wan er, the assistant of Ye Ling City, glanced at Ning stream expressionlessly and walked over with a smile. “Ling City, it’s time for us to go. The director is urging us.”

“Let him shoot other’s scenes first.”

The only thing in the city was chatting with Ning Xi. Shooting was no longer important.

“The whole crew is waiting for you. You’d better hurry up.”

Seeing that her assistant was urging him, Nina didn’t want to stay with him any longer, in case of being seen and misunderstood.

“Okay, okay. Don’t forget to wait for me here. I’ll come to you after I finish photographing.”

The words of Ning stream were still echoing in the city. As soon as she spoke, the city turned around and walked back.

Her assistant, wan er, glanced at her with a sneer and then walked back with her.

Ning Xi was confused. He thought of the way his assistant looked at him just now. Did he offend someone again?

Ning Xi shrugged helplessly. She had no choice.

Half an hour later, Celia had finished shooting. As soon as she finished, she ran to the pavilion.

“Stream! Why didn’t you go to work today?”

ye xiao xiao ran to Ning stream in a hurry before she could take off her makeup.

Ning Xi hesitated for a while and said, "I have nothing to do in the company these days, so I asked for a few days off."

He'd better tell her about his leaving later in case she spilled the beans.

"Okay."

"Well, here's the milk tea I brought for you. Drink it while it's hot."

Ning Xi handed ye xiao xiao a cup of hot milk tea.

ye xiao xiao took it over and stared at Ning stream with a lovely smile. "Stream is the best for me."

"Stop joking. Drink it now."

"Okay."

Ning stream looked at Celia like a big sister.

The two chatted for a while.

.....

"By the way, I have something to tell you."

Ning Xi came back to the point.

"Okay, go ahead."

ye xiao xiao listened carefully.

"He is very satisfied with the modification of Mr. an's game design drawing."

Ning Xi summarized what she wanted to say.

"Really? Tell me what happened."

ye xiao xiao asked in surprise.

.....

In this way, Ning stream told the whole thing to Celia.

"I can't make a decision on this. How about I ask him and make an appointment with him?"

"But your family really likes the game design drawing he revised?"

ye xiao xiao asked in disbelief. She couldn't believe it.

Ning Xi nodded, "yes, he asked me who modified it as soon as he saw it."

"It seems that an pig is also a little powerful. He can make your CEO, one in a million, fall in love with his game design. I made fun of him at that time."

ye xiao xiao suddenly felt that an zi hao was quite capable.

“Celia, you mean at least he is the general manager of VL, the biggest design company in the country. Besides, he is not as cold and ruthless as we think he is...”

Ning Xi didn't think gu jin yi was as cold and heartless as others said. Instead, he felt warm in his heart.

“TSK, TSK, TSK. You are really different after you get married.”

ye xiao xiao teased Ning Xi on purpose.

chapter 293

“All right, all right. I don't want to talk to you anymore. Remember to ask Mr. an when he is free. I can tell him.”

ning xiao xi knew that Celia was going to gossip again, so she stopped talking.

“I know, I know!”

“Well, I'm leaving now. I won't bother you.”

Ning Xi stood up and asked ye xiao xiao in a hurry.

“Why are you in such a hurry?”

ning xiao xi didn't say anything. She took a look at the Yeling city not far away, so her eyes revealed something.

ye xiao xiao followed the gaze of Ning Xi and saw the Ye Ling City.

“He is also filming here today. Are you worried that he will come to you?”

ye xiao xiao knew that Ning Xi didn't want to have anything to do with Ye Ling City. He was here now, so he must want to leave here as soon as possible in case he saw her.

“I came here when I was waiting for you.”

Ning Xi said helplessly.

“It seems that he is also chasing after you.”

ye xiao xiao said with a smile.

“We'd better not meet each other too often, lest we cause unnecessary trouble. Okay, I'm leaving!”

After saying that, Ning Xi looked at the night Ling City not far away and quickly left the film set when he was not noticing.

Looking at the disappearing figure of Ning Xi, ye xiao xiao said, “silly girl, think about everything for others. Don't care about yourself.”

ye xiao xiao sighed for Ning stream.

Soon after Ning Xi left, Ye Ling City ran to the pavilion.

“Stream!”

ADVERTISEMENT

ye xiao xiao turned around and said, “the stream has left.”

“I told her to wait for me here, but she ran away again.”

He was now in a fit of pique.

“I can’t believe that the once aloof night phoenix of the Ling City has become so cute in order to chase after our stream.”

ye xiao xiao and ye Lingcheng worked in the same department, so they were familiar with each other.

Therefore, compared with the past, he had changed a lot.

“Naomi likes boys who are sunny and lovely. Then I will become sunny and lovely.”

The tone of ye xiao xiao was completely different from before. How lovely the sunshine was.

“But Naomi doesn’t like you. She’s married. You two are impossible. Just give up.”

ye xiao xiao said directly. If Ning Xi couldn’t say anything, she would say it for her. She wasn’t afraid that Ye Ling would feel embarrassed and mind.

But to his surprise, he didn’t mind what Celia said.

“It doesn’t matter if she doesn’t like me. I just like her. It didn’t matter if she was married. She could get a divorce. I’m willing to wait for her.”

What he said made Celia speechless. She didn’t expect him to be so open-minded.

He was not like the man who used to be proud.

‘forget it. What else can I do since he said so?’ She was also a spiky girl~

ye xiao xiao sighed in her heart.

He picked up his phone and called Ning Xi, but he didn’t get through.

“Naomi, don’t tell me you are leaving now. Why don’t you answer my phone?”

He murmured to himself.

ye xiao xiao looked at the man in front of her. It seemed that love could really make a person different

Ning Xi went back home and cleaned up the house.

She wanted to leave here and have a thought.

When she was about to sit down and have a rest, she received a call from Ellie.

“What’s up, Ellie?”

Ning Xi asked softly.

Ellie knew that she wouldn’t call him unless there was something important.

“Naomi, ou yang mu xue called the company to look for you just now and said that you were not here. She hung up the phone without saying anything.”

Ellie went straight to the point.

“What does she want from me?”

Ning Xi probably guessed that it was not about work, but about Anna.

Ning Xi wanted to confirm the reason. Besides the work relationship, she and ou yang mu xue should not be involved in private affairs.

“I don’t know. She didn’t tell me either. But she asked your phone number back. She should call you later.”

“Ellie, wait. I have a call.”

ning xiao xi put down the phone beside her ear, and the screen showed a strange number.

“It’s an unknown number. Who could it be?”

ning xiao xi murmured to herself.

On the other side of the phone screen, Ellie also heard the murmur of Ning stream.

“It should be ou yang mu xue! I just said she would call you, and then she called.”

Ellie guessed.

“Ellie, let’s put it this way. I’ll go back to the company first.”

ADVERTISEMENT

Ning Xi also guessed that it must be ou yang mu xue, so he hung up the phone and answered it.

“Hello.”

Although Ning Xi guessed it was ou yang mu xue, she still greeted her politely.

“Why aren’t you in the company today?”

Ning Xi recognized ou yang mu xue’s voice as soon as the sharp voice came.

“I’m off today. Miss ou yang, what’s up?”

Ning Xi asked.

“I... I have something to do! Besides, can’t I ask you for help if there is nothing else?”

It was the first time that ou yang mu xue took the initiative to call someone. It was not her brother, parents, nor her boyfriend. It was a girl she had just met once.

She liked Ning Xi's straightforward character. It made ou yang mu xue feel that there are still upright people in the world, and there are still people who can make friends with her.

ou yang mu xue had been in the entertainment circle for a long time and found that everyone had two sides, hypocritical. She was tired of it and didn't want to get involved in those trifles.

When she met Ning Xi, she found that there were still kind people. Although she was not kind, she had to make friends with kind people. Therefore, ou yang mu xue couldn't help but want to get close to Ning Xi. It seemed that there was an attraction that attracted ou yang mu xue and wanted her to be good friends with Ning Xi.

"What's the matter? Tell me."

As a customer of Ning stream, ou yang mu xue couldn't refuse her call, so she chatted with her for a while.

"Well... It's not a big deal. I just want to ask you something about Anna..."

Second, of course ou yang mu xue wanted to know something about Anna.

.....

The two of them continued to talk about this topic.

chapter 294

On the other side, Susie and Susan had an appointment to meet in a restaurant near VL company today.

As soon as she got off work, she arrived at the restaurant, but Susan was still on her way there.

She was wearing a pair of 10 cm red high heels, a black dress and a white fluffy coat, looking s**y and enchanting.

At this time, Richie was coming back from the film set and driving to the VL company to find Ning stream. He didn't notice that Susan was walking on the roadside in front of him.

Susan was walking on the road as she took out her cosmetics from her bag to fix her makeup.

At this moment, the car was speeding past Susan. Because of the remaining water on the road, Susan's red high heels were splashed.

"Ah!"

Susan overreacted and shouted.

She raised her head and shouted at the car, "how did you drive? Where are your eyes? It's so uncivilized! You didn't apologize even if you splashed the dirty water on her. You're so rude..."

Then she sat on the roadside chair and cleaned her shoes.

Because the window was open, he vaguely heard Susan's complaint.

He casually glanced at the woman on the side of the road behind him from the rearview mirror, but he suddenly stepped on the brake and stopped.

"Stream..."

When he saw a familiar figure, he quickly backed the car.

He got out of the car in a hurry and ran to Susan.

Susan had just wiped her shoes and was about to stand up from the chair when she saw a man walking in front of her.

She guessed that it must be her words that made the driver turn around.

In order not to let him run for nothing this time, the owner of the car was in front of him, just looking for him to extort a sum of money.

Susan didn't look at the man in front of her carefully. She just wanted to extort a sum of money. She pretended to sprain her ankle and cried out.

ADVERTISEMENT

"Ouch! It hurts! It hurts!"

"Are you okay?"

Seeing that Susan covered her ankle with her hand, he thought she was from the Ning stream and quickly helped her up.

"You..."

"Naomi, I'm going to find you. Why are you here? What's more, you don't look like your style. But it's very beautiful. You look good no matter what you wear. "

He wanted to ask why Ning Xi left without waiting for him, but what he said didn't matter anymore.

Susan was about to tell him that she had sprained her ankle and asked him to compensate for the medical fees, but he grabbed her arms excitedly and blurted out a lot of words.

Susan was confused by what he said. Was he crazy? Do you want to compensate me for pretending to be so familiar with me? What a wise man.

"Hey, who are you? If you don't want to compensate me, just say it. Why are you pretending to be an acquaintance with me? I've seen a lot of people like you. Don't pretend in front of me! "

Susan didn't want to pretend to be familiar with him, so she broke out into curses.

"Naomi, what's wrong with you? She was in a bad mood. Don't pretend that you don't know me. "

He thought Susan was joking and stared at her with his charming eyes.

Susan was annoyed and disgusted by the man in front of her, "you!"

Susan raised her head and looked at the man in front of her. When she was about to curse him again, she stopped in an instant.

Indeed, she was attracted by the appearance of the city. He was completely a handsome man.

But what she noticed more was that he was the one she liked, the famous star that she had mentioned to her abroad.

Thinking of the video he watched abroad, he and Gu Jin Yi, the CEO of the Empire group, fought for Ning Stream at a party, which aroused a hot discussion.

One was the president of the biggest group in the country, one of the best in the business world, and the other was the superstar of the entertainment circle, the king of music.

ADVERTISEMENT

And the man in front of her was exactly him.

She, Ning Xi, had two outstanding men. Why?

Susan finally understood that he didn't pretend to be an acquaintance with her, but mistook her for Ning Stream.

Ning Xi looked exactly like her.

Susan thought about the relationship between them.

Gu Jin Yi and Ye Ling City were rivals in love and both liked Ning Xi. And the reason why Susie hated Ning Stream so much now was that Ye Ling City liked Ning Stream.

In this case, it was her who married into the Gu family and the CEO of the Empire group, Gu Jin Yi. She should have met the Ye Ling City. The main character of the two men fighting for a woman should be her, not her, Nina. She was just a substitute.

At the thought of this, Susan was even more anxious to drive Nina away and become the heroine.

"Naomi, what's wrong with you?"

Seeing that Susan suddenly stopped talking, he seemed to be a little worried.

"Oh, nothing."

Susan thought that she should talk to him in the tone of Ning Stream now.

"Where are you going? And why did your hair change color and hair style?"

He was still not used to the way Ning Xi dressed. He pinched her hair and pretended to dislike her.

Susan looked down at her clothes and smiled, "I just want to change a style all of a sudden. Don't think too much."

"I don't think too much. I just think it's very cute, ha ha..."

With a playful smile, he looked Susan up and down.

Susan glanced at the city expressionlessly. What was so funny? Didn't she look good in this dress? It's true! A person with no taste.

ADVERTISEMENT

"Where are you going? I'll drive you home."

Richie asked.

Susan had made up her mind that if she couldn't get the money, she would ask him to drive her to the restaurant, which also saved a sum of road fee.

"I'm going... I'll give you the address."

Susan suddenly couldn't remember where the restaurant was, so she showed the address to him.

"Are you going back to the company? Just tell me the address. Let's get in the car."

Susan just smiled helplessly. What company? She was confused.

Because she didn't know many things, and she needed to know them at one point one.

Susan didn't know the company where Nina worked, so she couldn't tell her.

"Yes, it's the company. Go back to the company."

So she answered as he said. He was definitely right. After all, the two of them knew each other.

"By the way, let me carry you to the car."

Suddenly, it occurred to him that Susan had sprained her ankle, so he walked up to her and said.

Susan hesitated for a while and thought for a while, but she quickly agreed. She stretched out her hands, as if she couldn't wait, and said, "Okay, you can carry me to the car."

To his surprise, he took a look at Susan. He didn't expect that she would ask him to hold her. In the past, he was never allowed to touch Ning stream.

But he was happy that Ning Xi was finally willing to let him get close to her.

chapter 295

Her Highness held Susan in her arms. She was very proud of herself. If her shoes were dirty, she could get the princess of the famous star, Richie.

Many people couldn't get it, but she got it easily.

Holding Susan in his arms, Richie walked all the way to the car. She was satisfied and enjoyed it.

Susan deserved all this. She had enjoyed it for a long time, and it was time for her to end up like this.

Susan wrapped her arms around his neck tightly and smiled complacently.

Although he didn't say anything, he was confused the moment Susan agreed to his hug.

But he didn't think too much. He thought it was because Ning Xi had thought it through and slowly accepted being with him.

But when he held Susan, he frowned and felt something wrong, but he couldn't tell.

As soon as Susan got in the car, she asked directly, "by the way, how much do you call?"

"Now that you know you want my phone number, I'll give it to you. I said you would ask me in the end. Give me your phone. "

He answered proudly while driving.

He reached out his hand and realized that Susan gave him the phone.

"What?"

Susan asked in confusion.

"Save my phone number. When did you become so stupid?"

His casual words made Susan very uncomfortable. He meant that she was not as smart as that b*****.

But she still gave the phone to him in order to get his number.

"Call me if you need anything. I'll be with you at any time."

He gave the phone back to Susan and said to Nina from the bottom of his heart.

But Susan didn't care about it at all. Since Richie said it in front of her, it was what he said to her.

A few days later, Nina was going to leave, which was what Susan deserved. Susan felt good about herself and said to herself, 'it's just ahead of time.'

"Okay, I will call you if I need anything."

ADVERTISEMENT

Susan answered without hesitation.

On the way, Susan was always trying to find a topic to talk with Richie, and soon arrived near the VL company.

"That's it!"

Susan pointed at the restaurant in front of her and shouted, not like a daughter of an eminent family at all.

He frowned slightly, but soon recovered.

The car stopped outside the restaurant.

He still got out of the car and walked to the passenger seat to open the door for Susan. She looked at him in surprise. It was the first time that someone had been so careful to her.

At this moment, sitting in the opposite restaurant, Susie was drinking coffee leisurely, waiting for Susan. His eyes inadvertently swept over the city outside the restaurant.

“Ling City, he is also here...”

As soon as she put down the coffee cup, she saw a big smile on her face. When she was about to stand up and say hello to him, she found a woman getting out of the passenger seat.

Susie stopped and looked at them in confusion.

Susan? How could the two of them be together?

The two of them talked and laughed as if they had known each other for a long time.

At this moment, Susie felt a little uncomfortable. Although she knew that Susan was her friend, she was unhappy to see them talking and laughing.

Rose stood up from her seat, walked out of the restaurant and walked towards Susan, Greg and others.

“I’ll take you to an interesting place next time.”

“That’s great. Ask me out next time.”

Susan never refused every invitation of the city, and she agreed 11 times.

This gave him hope. Ning stream might have a different feeling for him.

“Ling City!”

ADVERTISEMENT

Susie trotted quickly to Susan and Richie, pretending to be out of breath.

Susan panicked. What if she called her real name when she ran out? How should she explain it to him later.

He would soon find out that he was not Ning stream.

Susan frowned and glared at her. She kept winking at her and reminded her not to call her name.

“Who are you? Do you know me?”

The sudden appearance of ruo huan yan scared the Ye Ling City.

He stared at the pretty woman in front of him and asked in confusion.

At this moment, it occurred to her that she had a plastic surgery. Now she was not the same as before, but ruo huan yan.

“I am...”

“Roger, why did you come out?”

Just as Susie was about to answer, Susan interrupted.

She was afraid that she would forget her identity if she saw the person she liked.

At this time, the key point of the city was, of course, the Ning stream. He only cared about the matter of the Ning stream.

“Naomi, you two know each other?”

He didn't know what was going on.

They knew each other, and this woman seemed to be familiar with him. But he had never seen her before. How could he know her?

Susan knew what was wrong with him, so she explained to him quickly.

“By the way, this is my friend, ruo huan yan.”

Susan held her arm and introduced.

“Oh, I see. She is your friend!”

Only then did Richie realize that the woman who suddenly appeared was a friend of Ning stream.

“Yes, we just met at that restaurant.”

Susan pointed to the restaurant opposite.

“She likes you very much. She will watch any TV series you play and buy music albums.”

Susan explained in advance before he could ask.

“Yes, I like you very much since I was a child. I know almost everything about you.”

She had no choice but to answer him in accordance with Susan's words.

Otherwise, everything would be exposed.

“Really? No wonder I feel that you are familiar with me.”

A smile appeared on his face.

“Then you can go back first. I have something to talk with my friend.”

Susan looked at him with a smile.

“Okay. Remember to call me if anything happens. No, No. you can call me if you have nothing else to say.”

Holding Susan's arms tightly, he stared at her and said.

Susan nodded, “I will.”

At the same time, seeing the intimacy between Susan and Richie, Susie felt even more uncomfortable.

“It's getting late. Let's go!”

Susie said to Susan expressionlessly. Anyone could tell that she was a little impatient.

“Then I’ll go first.”

As he stepped back to the car, he smiled at Susan while making a phone call.

He didn’t care about her feelings at all. He only cared about the person he liked.

chapter 296

As the car drove away, Susie couldn’t help but scold in a low voice, “Susan, why are you with Richie?”

“It’s a long story. Let’s go to the dining room first.”

Susan got on the car of Richie. She wanted to get his phone number, but he still cared about her so much. She was really happy in her heart~

He ignored the question and walked proudly to the dining room.

Susie wanted to know how Susan and Richie knew each other, so she followed her into the restaurant.
restaurant.

Susan and Susie were sitting opposite each other. Susan didn’t mention the fact that she knew Richie at all.

He just wanted to wait for her to ask.

“Susan, we’re going to meet in a restaurant. Why are you in the car in the city?”

If vivi had to figure it out, she wouldn’t be able to get through.

“It’s just a coincidence. He must send me here. I have no choice.”

Susan leafed through the menu and replied casually.

It could be seen from her proud face that she deliberately flaunted in front of her even though she knew that she liked him.

“He recognized you as Ning stream, so he didn’t want to send you here, but to send Ning stream, right?”

Since Susan showed off in front of him and didn’t explain, he didn’t have to save her face.

So when she heard this, Susan stopped flipping through the menu awkwardly.

In fact, when the Ye Ling city called Susan “stream” just now, she knew that he had regarded her as stream, so she was so concerned about her.

Although she knew it in her heart, she still felt uncomfortable. Why did Ning stream get his care? Even she, a fake, could get his care. She had done so much and liked him so much, but he did not respond at all. It was unfair! She was not reconciled!

“I guess so. When he called me stream, I scolded him and thought he was crazy. Then I knew...”

Susan answered, pretending to be innocent.

“Stay away from him from now on. Don’t blame me for disregarding our friendship.”

Without saying anything more, Susie just said to Susan.

She knew what kind of person Susan was. When she was a child, she would grab anything she liked. But that was in the past. Although she had become a good friend now and had grown up, she still had this mentality, so she had to guard against it.

She didn’t want any woman to get close to him, including her good friend Susan. As long as she got close to his woman, she would turn against him.

“Roger, why are you so serious? Do you think I will be interested in him? You’re thinking too much. My goal is the CEO of the Empire group, Gu Jin Yi. I don’t like only him, the Ye Ling City. The two of them are more attractive than my boss.”

Susan had never seen Susie so serious, which was a little scary.

So she joked for a long time, hoping that she could rest assured.

“I hope so. I don’t want a man to affect our relationship for so many years.”

Susie picked up a cup of coffee and took a sip.

“How is that possible? Don’t worry about it for one hundred times. A man is just a tool for me.”

Susan sneered, with a touch of coldness in her evil eyes.

.....

After coming back from Celia’s house, Ning Xiao Xi went to the supermarket and bought some food. Now she was going to the vegetable market to cook something delicious for the two babies and Gu Jin Yi.

On the way back to the Ye Ling City, he recalled the attitude of Ning Xi to him today. He seemed to be much gentler, completely different from before.

Thinking of this, the corners of his mouth lifted subconsciously.

He had a chance. Ning Stream had slowly accepted him.

At this moment, Ning Stream walked by the road with two bags in her hands. By accident, Ye Ling City caught sight of her.

“Naomi, why is she here at this time? And she has changed her clothes. What’s going on?”

At the next intersection, he turned around.

But she found that Ning Stream had disappeared.

“Where is the stream man? Why is he missing?”

When he turned his head, he found that Ning stream was gone.

“Am I wrong?”

He scratched his head and frowned.

She thought about it for a while and agreed. She had just sent Ning Xi to her company. Why was he here? He must have missed her so much that he had an illusion.

After thinking for a while, he understood and drove away.

On the other hand, Ning stream had just walked to the intersection and turned into the alley, so Ye Ling didn't see her.

Ning Xi went to the vegetable market to buy the ingredients for cooking

On the other side, Celia remembered what Ning stream had told her since she came back from the film set. She wanted to make an appointment with zi hao and gu jin yi.

So she called an zi hao directly.

an zi hao was busy in the studio and answered the phone of ye xiao xiao.

“Hello, Celia.”

an zi hao greeted.

“Where are you? I have something to tell you.”

ye xiao xiao said coldly. Anyone could tell that.

She was still fighting for what happened this morning.

“I'm in the studio. I have something to deal with. Why don't you come to me?”

an zi hao also knew that, but he guessed that it must be something urgent since ye xiao xiao took the initiative to call him. Otherwise, she wouldn't have come to him.

“Okay, send me the location.”

an zi hao also guessed that Celia would go to his studio to look for him, and it was for the game design drawing of the CEO of the Empire group, gu jin yi.

ye xiao xiao hesitated for a while, but finally agreed. This was the matter of her best friend Ning Xi, so she had to go there for the sake of her. It was hard to explain it clearly on the phone.

“Jonny, who is Celia?”

One of the children in the studio looked at an zi hao with a snicker.

“It must be him who seduced her again.”

Another colleague wang yang xian replied before an zi hao answered.

“Jonny has a unique taste. What kind of sister is she this time?”

“Hahaha...”

The three colleagues in the studio teased an zi hao on purpose.

“Don’t laugh at him. You will know when he comes.”

ou yang shi rui said calmly.

“You’re right. I’ll see it when someone comes over.”

One of the colleagues raised his eyebrows with a bad look in his eyes.

“Go and do your own things. You will know the gossip every day.”

Although zi hao sent them away, an could see that although they were gossiping about him and ye xiao xiao, an zi hao was still smiling.

Then, an zi hao walked to ou yang and discussed with him about the design of the new game.

.....

Soon, ye xiao xiao arrived at the place an zi hao sent him.

And an zi hao was waiting for her downstairs.

chapter 297

“Celia!Here! ”

an zi hao saw ye xiao xiao not far away and waved at her.

ye xiao xiao saw an zi hao walking towards her.

“Here you are. Let’s go.Let me show you around my studio. ”

an zi hao asked Celia to go ahead and he followed her.

“The front is right.”

an zi hao pointed at the studio ahead.

ye xiao xiao pursed her lips and nodded.

As soon as the door of the studio was opened, what came into view was a white grey color. The well was arranged in order, making people look very comfortable. On the left shelf, there were all kinds of game character models and various design drawings.

Although this studio was not big, it looked good on the whole.

“Jonny, Joyce is here!Hello! ”

As soon as the door was opened, an zi hao and ye xiao xiao came in. wang yang looked at them with bad eyes, stood up excitedly and greeted them.

In fact, he mainly greeted Celia.

ye xiao xiao was stunned. Does everyone like to call others sister now?

But it was reasonable. It was obvious that they were not fully developed. When they saw a girl, they all knew that she was a little sister.

“Jonny, you never bring girls to your studio. This is the first time you bring a girl here. Tell me the truth. What’s your relationship?”

chen hao said as he squinted at an zi hao.

At this moment, Celia heard the first sentence. She was the first girl an zi hao brought here, and she was inexplicably happy.

“Jonny, you are so lucky to have such a beautiful xiao xian nv by your side.”

Then they began to talk about it one by one, which made an zi hao a little overwhelmed.

“Do you have nothing to do now? Do you need me to give you more work?”

an zi hao didn’t say it seriously, but joked with them.

“Oh my God! I’d better shut up!”

“Me too. I have to go now. Bye...”

They hurried back to their seats.

“Celia, don’t mind. They are still young. They are innocent.”

an zi hao explained to Celia in case she thought too much.

The three of them glanced at an zi hao. They always said that they were young. They were all twenty years old?

ye xiao xiao looked at them and smiled. It was interesting to work in this studio.

“It doesn’t matter. I don’t mind. They are quite interesting.”

ye xiao xiao was in a good mood.

She had thought that since everyone in the game studio was busy studying games and she didn’t know anything about it, she would be very bored. Unexpectedly, it was out of her expectation.

“Ray, you take care of them. We have something to talk about.”

an zi hao said to ou yang shi rui, who was watching the game files carefully.

ye xiao xiao frowned. He just called out the familiar name

ye xiao xiao felt that she had heard of it before, but she couldn't remember where.

"Okay, go ahead with your work."

ou yang ray raised his head and replied to an zi hao.

"Mr. ou yang! Why are you here? "

ye xiao xiao inadvertently saw ou yang and ray. After a closer look, she remembered that this was the name of Ning Xi's dress design teacher.

She and Nina had been abroad for five years, and Nina had been learning from ou yang and ray.

"Who are you?"

ou yang chenrui forgot ye xiao xiao and didn't seem to have a good impression.

"I'm Celia, a good friend of Naomi."

ye xiao xiao walked up to ou yang and explained.

When he heard the name of Ning stream, he thought for a while and remembered that there was indeed a good friend who came to see her every day when he was abroad.

But she didn't pay much attention to it at that time, and her current change was quite big as it was a few years ago, so she didn't recognize it at once.

ADVERTISEMENT

"I remember, a friend of stream."

"Why are you here?"

ye xiao xiao thought he had gone abroad again, but she didn't expect to meet him here.

When they were abroad, ou yang and Ray had helped them a lot, so Celia and Ning stream had always been grateful to him.

"I've been planning to stay at home. It happens that zi hao's studio has opened and he works here by the way. "

ou yang said softly.

"Are you familiar with him?"

"Do you know each other?"

ye xiao xiao and an zi hao said at the same time.

ye xiao xiao took a look at an zi hao, and then turned to look at ou yang shi rui. She felt that the world was too small. Her friends were also people she knew.

an zi hao also glanced at the two of them. In his memory, it was the first time that Celia and ou yang and ray met. How could they know each other?

She looked at them in confusion. Now the three of them knew each other. It seemed that there was no need to introduce each other.

"It's a long story. I'll talk to you later."

"We have known each other since we were abroad. Celia, we have known each other for five years, haven't we?"

ou yang said briefly.

ye xiao xiao nodded with a smile.

Obviously, an zi hao was jealous. They had known each other five years ago, so they had known each other much longer than him.

"Mrs. ou yang, you can go ahead with your work. Let's have dinner with Naomi when you have time. Let's go first. "

"Okay."

Then, Celia took an zi hao to his office.

In the office.

The two sat on the sofa, and an zi hao didn't say a word.

ye xiao xiao felt a little strange. Why did a talkative person suddenly become so quiet today.

ADVERTISEMENT

"Hey, why don't you speak?"

ye xiao xiao patted an zi hao.

"You don't want to talk? Humph!"

an zi hao lost his temper.

"What's wrong? Did I offend you again? "

ye xiao xiao thought an zi hao was so cute and ridiculous.

"How did you know ray? We have known each other for such a long time. "

an zi hao couldn't help but speak out what he was thinking.

ye xiao xiao blinked. Did he get angry because of this?

"We have known each other since we were abroad. Is there any problem?"

ye xiao xiao asked expressionlessly.

"Why don't you know me first? You can know me first. "

Hearing what an zi hao said, ye xiao xiao couldn't help laughing.

“What are you talking about? If I could control this kind of thing, I would have become an international superstar long ago.”

“I don’t care. Anyway, you should show that you are familiar with me in front of others in the future.”

At this moment, an zi hao was like a child.

“Why are you so childish? You are so childish.”

“I’m so childish.”

ye xiao xiao couldn’t do anything to an zi hao.

.....

After a while, she gradually calmed down and began to talk about business.

Chapter 298

“I come here to tell you a good news.”

ye xiao xiao’s mysterious expression made zi hao guess.

“Did Mr. Gu take a fancy to my revised game design drawing?”

an zi hao said calmly.

ye xiao xiao was stunned. Three crows flew over her head

She hadn’t said anything yet, but she could guess it? No wonder Naomi said he was smart. His intelligence was indeed high, well, smart

“Yes, I’m here to talk about it.”

ye xiao xiao didn’t let zi hao, an, know that she was frightened, in case he was overconfident.

“Mr. Gu wants to see you. Maybe he wants to talk about the cooperation. I don’t know the details.”

ye xiao xiao told an zi hao the truth.

“Mr. Gu, do you want to cooperate with me?”

an zi hao didn’t expect that gu jin yi would ask him out for cooperation.

ye xiao xiao nodded in confirmation.

“So he wants to talk to you when you are free.”

“I’ll check my schedule later and reply to your message, okay?”

an zi hao didn’t agree immediately because he thought it was necessary to be cautious.

“Okay. Check the time and send me the message as soon as possible. I’m leaving now.”

Celia stood up. She came here mainly to tell an zi hao about their cooperation. After that, she also planned to go back.

Seeing that Celia stood up, an zi hao also stood up. "It's still early. You can stay here longer."

an zi hao wanted to keep Celia for a while.

"There's nothing interesting here. I'd better go home."

an zi hao looked around. Indeed, the game studio was a place for work, and there was nothing interesting.

"Okay, I'll drive you home."

"No, thank you. I'm going shopping, so I don't need your help. Will I be polite to you?"

ye xiao xiao refused. In fact, she didn't bother him because he was busy with his work.

Then, an zi hao sent Celia downstairs.

"Remember to text me back earlier."

ye xiao xiao said before leaving.

an zi hao nodded with a smile. He didn't go upstairs until Celia left.

.....

This day pa**ed in this way.

Not long after ye xiao xiao returned home, an zi hao sent a message to her, indicating that she could arrange a meeting with gu jin yi tomorrow evening.

ye xiao xiao told the news to Ning Xi at once.

Ning Xi wanted to tell gu jin yi the news as soon as he got the news. If he could help him finish it, it could be considered to help him.

ning xiao xi was preparing dinner at home, waiting for gu jin yi and the two babies to come back.

On the other side, in the Empire group.

gu jin yi went to the kindergarten directly after he finished his work. Ning Xi was at home today, so he should pick up chen chen and han han earlier.

When gu jin yi came to the gate of the kindergarten, the two babies just finished school. "Daddy, why are you here today?"

han han and chen chen ran into gu jin yi's arms.

"Mommy has a rest today. She cooked delicious food for you at home, so I come to pick you up."

gu jin yi rubbed han han's nose and answered with affection.

“Let’s go.”

gu jin yi held chen chen and han han’s hands and walked towards the car.

After getting in the car, the two babies sat in the back seats and chatted.

gu jin yi glanced through the rearview mirror and saw the lovely and sunny faces of the two babies. He couldn’t help smiling.

“Mommy’s sister is not good at all. She is so mean to us.”

Somehow, the two babies talked about this topic.

han han grumbled, pouting.

“Anyway, we will listen to Mommy. If we meet her again in the future, we will not talk to her.”

ADVERTISEMENT

han han nodded hard to show her agreement with her brother chen chen.

On the other hand, gu jin yi, who was driving, heard the conversation between chen chen and han han. He was confused. He hadn’t heard of her sister, who was the only child of Ning family?Where did her sister come from?

gu jin yi couldn’t help but ask the two babies.

“chen chen, han han, who is Mommy’s sister?”

gu jin yi asked softly.

“Daddy, you are so stupid. Mommy’s sister is Mommy’s sister!”

han han pouted, with an innocent snicker on her little face.

chen chen, who was sitting next to them, and Jean, who was sitting on the driver’s seat, looked helpless. Three crows flew over han han’s head. What was the explanation?

And he was even ridiculed by his precious daughter.

“Daddy, don’t you know mommy’s sister?”

Hearing what his father gu jin yi said, chen chen didn’t seem to know that his mother Ning Xi had a sister.

He shook his head and said, “Mommy didn’t tell me. As far as I know, she has only one daughter.How could she have a sister? ”

The two babies frowned.

“But Mommy told me that Auntie is her sister, and they look exactly the same!”

han han was confused and didn’t understand what they were talking about.

“Yes, Mommy did say that to us.”

chen chen nodded and didn't deny what his sister han han said.

"Do you think they look exactly the same?"

gu jin yi noticed han han's words.

The two babies nodded at the same time.

This time, it was a little mysterious, and he couldn't understand either.

She could only ask Ning Xi about the reason.

Soon, the three arrived at home.

Without waiting for their father, gu jin yi, the two babies ran into the house.

ADVERTISEMENT

"Mommy, we are back!"

"Mommy, we are back!"

The two babies called their mommy Ning stream as soon as they entered the room.

ning xiao xi came out of the kitchen when she heard the two babies' voices.

"It's so early today."

Ning Xi checked the time. They should be back in half an hour.

"Daddy said you would have a rest at home today, so he asked us to go home early to accompany you."

chen chen walked to Ning stream and answered.

"Really?Where is daddy? "

Hearing what chen chen said, ning xiao xi felt gratified.

"Look, it's still behind us."

chen chen pointed at the door, where he was changing his shoes.

"chen chen, take your sister to the living room first."

Ning Xi looked to the door and saw gu jin yi, who was changing his shoes, holding a suit jacket in his hand.

"Okay."

Then, the two babies ran to the living room, and Ning Xi went to gu jin yi.

"Give me your coat."

Ning Xi walked to gu jin yi and picked up his suit jacket.

"My wife looks so beautiful in an apron."

gu jin yi looked at Ning Xi with his deep black eyes and said gently.

Ning Xi was stunned and looked down at his apron. No one would look good in an apron?She wouldn't wear it if it weren't for the dinner.

She didn't expect that gu jin yi would say something like that.

While Ning Xi was still thinking about this, gu jin yi changed his shoes and took her hand into the room.

chapter 299

"Let's see what my wife has cooked for us today."

With a smile on his face, gu jin yi was about to go to the kitchen to have a look, but was stopped by Ning Xi.

"You go to the living room to keep chen chen and han han company. You can have dinner after I finish it."

Pushing by Ning stream, he came to the living room to keep the two babies company.

In fact, he wanted to take this opportunity to be alone with Nina and ask her if she had two daughters.

Because it would have something to do with five years ago

However, there was still no chance. Let it go. It was not very important now.

Now that she was with Ning Xi, everything else was meaningless. It didn't matter anymore.

.....

After a while, the food was ready.

The family of four were having dinner together.

"Mommy's cooking is so delicious today!"

han han picked up a piece of beef and chewed it with relish, as if it could taste another flavor.

"Then eat more."

Ning Xi picked up some vegetables for han han and was about to put them in the bowl of han han, but she dodged.

"I don't want to eat vegetables!"

han han pouted and frowned.

ADVERTISEMENT

"Doesn't han han eat vegetables?Then I won't let you eat this meat. "

Ning Xi pretended to take the beef away.

han han cried, "Mommy is a bad guy! Mommy is a bad guy! I want to eat meat! Give it back to me!"

han han began to be naughty, and Ning stream could do nothing to her.

At this time, gu jin yi picked up some vegetables and said to han han in a soft voice, "han han, you know what? Girls should eat more vegetables to be more beautiful. Look at your mommy. Her skin is so fair and smooth because she has eaten a lot of vegetables and fruits."

Hearing his father's words, han han stopped crying and slowly calmed down. She looked at her mother Ning stream with a pair of doubtful eyes and stared at her for a long time.

Her big watery eyes blinked, "Mommy's skin seems to be good, white and tender. Well, I'll eat a little."

Slowly, han han took the bowl back, took the vegetables that her father, Jean, picked up and ate them.

Ning Xi was also stunned by the scene in front of him. What was going on? Was gu jin yi praising his good skin? Or just a lie made up to make han han eat vegetables.

But just now, han han had been staring at her for a long time, and she had eaten so many vegetables obediently. He must be telling the truth. Her skin was so good that she couldn't do anything about it~

Hearing gu jin yi's praise, ning xiao xi felt happy and elated. He couldn't help smiling.

"I want to eat more vegetables. In the future, my skin should be as white, tender, smooth and delicate as mommy's."

han han kept eating vegetables for the sake of her skin.

Seeing han han eating vegetables, gu jin yi smiled with relief. Then he glanced at Ning stream. Seeing her smiling face, he felt even more relieved.

It was not easy for his daughter to eat vegetables obediently. He praised her and even took her mother with him.

But it was worth it. A word could not only coax his daughter to eat vegetables, but also make his wife happy. Killing two birds with one stone. All of a sudden, he felt that coaxing children and his wife was very simple. Everything was settled with a few sweet words.

gu jin yi also felt that he had learned something that he had never touched or wanted to know before.

ADVERTISEMENT

Looking at her stubborn daughter, Ning Xi had no choice but to yield to her father, gu jin yi.

"Come on, chen chen, have some meat."

Then Ning Xi picked up some spareribs to chen chen's bowl.

Although chen chen didn't like it, he still took the spareribs from his mother Ning stream.

"Thank you, Mommy."

chen chen replied politely.

Ning Xi had taught chen chen and han han to be polite since childhood, no matter to strangers or relatives. So the two babies got used to it.

“chen chen, you are the best. You should eat with him.”

Seeing that chen chen took the spareribs she gave him, Ning Xi praised chen chen.

“Brother, you don’t like meat, do you?”

Seeing that their mommy picked up a piece of sparerib for chen chen, han han was a little confused. He didn’t like it at all.

“I just took mommy’s ribs and put them in the bowl to have a look, haha...”

chen chen grinned wickedly.

“I see. Hahaha...”

Ning Xi narrowed his eyes and looked at them. He had just praised chen chen for being obedient, but now he said it. He just wanted to see if he would eat anything. He really wanted to beat his son. It was a waste of your mother’s painstaking efforts~

It turned out that they were on the same side.

“Don’t eat, don’t eat, all of you!”

ning xiao xi was pissed off by the two babies. She didn’t understand why they gave them delicious food.

Sitting next to them, gu jin yi couldn’t help but smile. He touched Ning Xi’s head and said, “they are still young. They have to get used to eating. Why should they be angry? Don’t you think so?”

“Mommy, don’t be angry. I can eat vegetables. I have a lot to eat.”

Seeing that her mother Ning Xi was angry, han han pouted and acted like a spoiled child.

“Mommy, don’t worry. Our nutrition will follow.”

chen chen added.

“Look, chen chen and han han are so sweet.”

gu jin yi and his three sons were comforting their goddess.

ning xiao xi smiled innocently.

“Mommy, you look so beautiful when you smile.”

“She looks like a fairy descending to the mortal world. Haha...”

The two little babies praised their mommy Ning stream one by one. Their glib cooperation made Ning stream helpless.

But it was indeed a good way to comfort people. Her irritable mood would instantly become better because of some words.

gu jin yi was gratified to see the three of them like this.

chapter 300

“By the way, Naomi, you have a sister. Why haven’t I heard you mention it?”

gu jin yi said casually while eating.

However, ning xiao xi stopped eating because of gu jin yi’s words.

“Why do you suddenly ask me this?”

Ning Xi turned to look at gu jin yi in confusion.

In fact, she was nervous.

Knowing that it would not be long to hide the marriage, gu jin yi had never had the courage and opportunity to tell him. Now that he had mentioned it, it was time to take the initiative to tell him.

“Oh, I heard chen chen and han han talk about it today, so I just want to ask you.”

gu jin yi remained calm. He didn’t think it was an important thing. In fact, it didn’t matter whether Ning Xi said it or not.

But it was an extremely important thing in the Ning stream.

“I do have a sister. She has been abroad all the time, so I didn’t mention her to you.”

Ning Xi summoned up the courage to tell gu jin yi everything.

gu jin yi just nodded and didn’t care.

gu jin yi thought it didn’t matter if Ning Xi had a sister or she didn’t have a sister. Anyway, it wouldn’t affect the relationship between the two of them. It didn’t matter.

“There is one more thing I want to tell you...”

Ning Xi closed his eyes and bit his cherry lips.

“What is it? Tell me. ”

gu jin yi said in an indifferent tone.

“Actually...”

“Daddy, your phone is vibrating!”

When Ning Xi was about to say something, his daughter han han’s high-profile voice interrupted him.

gu jin yi picked up his phone, which was a call from his assistant, Darren.

“I have to answer the phone first.”

gu jin yi stood up and walked to the other side.

ning xiao xi took a deep breath. Alas, I’m afraid it’s impossible to say it again.

.....

After dinner, the two babies returned to their room as usual.

When ning xiao xi just finished bathing, he had already sat on the bed and read a book.

Ning stream was dressed in a white bathrobe, and her long hair was disheveled. There were some water drops on her face, which indistinctly revealed the natural beauty of her fair skinned face without any makeup.

Ning Xi walked to the bedside table and took out a hair dryer, intending to dry his hair.

“Lie down. I’ll blow it for you.”

gu jin yi took out the hair dryer from Ning Xi’s hand.

Ning stream didn’t refuse. Of course someone would dry her hair!She lay obediently on the bed and leaned against gu jin yi’s slender legs.

gu jin yi began to dry her hair. Ning Xi enjoyed it with his eyes closed.

Wow, it’s so comfortable. It’s comfortable to use the meat cushion as a pillow.

She couldn’t help smiling, with a sense of happiness on her face.

gu jin yi looked down at Ning Xi. Seeing the happiness on her face, he couldn’t help smiling.

“Isn’t it a good treat?”

gu jin yi asked gently while drying Ning Xi’s hair.

“Good job. Let’s continue.”

Ning stream enjoyed it very much.

“By the way, I have a good news to tell you.”

Ning stream suddenly opened her eyes and jumped up from his lap. She suddenly remembered that she had something important to tell him.

“What good news?Why are you so excited? ”

Looking at the silly and cute woman in front of him with a smile, gu jin yi felt helpless.

It was always her style to be surprised and confused.

“Didn’t you say that you would meet Mr. an?He has made up his mind to meet you tomorrow night. I’ll make an appointment for you.”

ADVERTISEMENT

Ning Xi asked for gu jin yi’s opinion.

Hearing Ning Xi mention an zi hao, gu jin yi’s smiling face suddenly became expressionless.

“You went to see him again.”

“No, I asked Celia to ask for me.”

Ning Xi answered truthfully.

Suddenly, he put his arm around the neck of Ning stream and knocked her down.

“Ning Xi, let me tell you. You can’t meet another man alone except me.”

He bent down and lowered his head, staring closely at Ning stream. His deep black eyes exuded a domineering aura.

With her eyes wide open, Ning Xi resisted gu jin yi in his heart. What did he mean by saying that she couldn’t see any other man except you? Then she couldn’t even see her male friend when she met her male teacher. What a strange person.

“Okay!Besides, I didn’t go to see him.”

ning xiao xi pretended to agree with gu jin yi.

ning xiao xi knew that it would be another torture if she didn’t promise him.

gu jin yi stared at Ning Xi in his arms and said nothing.

“You...”

Seeing that gu jin yi didn’t say anything, Ning Xi was about to talk about something else, but he suddenly kissed her.

Ning Xi’s eyes widened. What was going on? Did they force a kiss just because they didn’t get along with each other?

When Ning Xi came to his senses, gu jin yi had already left.

“I just want to tell you that Ning Xi belongs to me, gu jin yi.”

gu jin yi stared at Ning Xi firmly and affectionately.

Mr. Gu, is it really appropriate for you to force a kiss every time?

Ning Xi thought to himself.

“I know. I’m married now. I’ll be careful!”

Ning Xi pouted, but his words were very obedient.

She had no choice. She was afraid that their CEO would attack her all of a sudden.

“Come on, keep drying your hair.”

gu jin yi picked up the hair dryer again to dry Ning Xi’s hair.

“Your hair is too long. It’s troublesome. I want to cut it off.”

Ning Xi said casually.

Every time she washed her hair, it would take twice as much time as others. Sometimes she really wanted to cut it.

However, the speaker didn’t mean it, but the listener did.

“I don’t allow you to cut your hair.”

gu jin yi’s overbearing tone made Ning Xi want to refute him again.

What did he mean by saying that he didn’t allow it? This was her hair from Ning stream. She could cut it if she wanted.

“You don’t allow my hair.”

Ning Xi curled his lips and answered unconvinced.

“All of you belong to me. Your hair and your whole body belong to me. So I have the right to decide whether you can cut your hair or not.”

Ning Xi was rendered speechless. He knew that Yun Shang was a domineering woman, so he didn’t want to argue with her.

gu jin yi always had his own reason. His youngest daughter, han han, was just like his father. No wonder she was his biological daughter.

“It’s too troublesome. Why don’t you keep your hair long?”

ning xiao xi said those words on purpose. Although she knew that the man didn’t have long hair, she still lost to gu jin yi in order to make him speechless.

“It’s okay. I’ll take care of your hair from now on.”

gu jin yi rubbed Ning Xi’s black and slender hair, gazed at her affectionately and opened his thin lips.

Ning Xi blinked. Well, she admitted defeat. It seemed that gu jin yi didn’t want her to have her hair cut.

Well, as long as he was willing to take care of her, she would be willing to keep Ning stream. Her long hair was beautiful.
