chapter 78

He must be crazy and there must be a plot. He couldn't be so careless.

Then Ning Xi asked again, "what did you say?The line was busy just now. I didn't hear it clearly. "

This stupid woman, she must have done it on purpose.

"Don't worry about it. I'll handle the rest."

gu jin yi said again, with a trace of King's demeanor and all kinds of tenderness and consideration in his tone.

It was the first time that Ning stream had heard such a gentle voice from him.

And for some reason, he was also so patient with Nina.

He had never said it a second time before.

Ning Xi snickered. It seemed that his trick worked.

"Thank you, Mr. Gu. I'll wait for your good news!"

Ning Xi teased with a playful smile.

"Okay."

gu jin yi answered indifferently.

Then the two hung up the phone.

gu jin yi and Ning Xi went back to the company respectively.

Sitting in the cafe, Richie looked out of the window thoughtfully.

ning xiao xi, he, the Ye Ling City, will definitely get you!No woman would refuse him!

Ning Xi hurried back to the company. When she was about to enter the hall, a s\*\*y and enchanting woman suddenly appeared in front of her.

Ning Xi suddenly stopped and walked fast.

Looking down at the woman in twelve centimeter red high heels, Ning Xi knew who the woman in front of him was.

"Ning Xi, what have you done secretly?"

If she opened her mouth slightly, it would be a satire.

Ning Xi wanted to curse her, but she controlled herself.

In the face of an unreasonable person like Susie, she would rather not lower her level.

“As the VL’s design director, what do I need to ask for your permission to do?”

Ning Xi squinted at Ruyu and said calmly.

“Ning Xi, don’t be so complacent here!”

She glared at Ning Xi with her slightly angry eyes.

Ning Xi shrugged slightly, indicating that he was telling the truth. He had nothing to say to her.

“Ning Xi, you are so brilliant! I guess your position as the design director should also rely on men.”

Leona said sarcastically, and her cold and beautiful eyes were full of jealousy.

“What do you mean?”

Hearing what she said, Ning Xi was extremely unhappy.

What did she mean by saying that she relied on men to get the position? All she had now was earned by herself, not by anyone.

“Don’t pretend. It’s said on the Internet that the CEO of the Empire group, gu jin yi, and the movie star, Richie, are against each other for you. How can you do that? Two famous people are on the hot search because of you!”

Rufus sneered.

Ning Xi stood still in a daze. He didn’t expect that she would see the video.

But now, this video was used as an excuse to mock her.

“Thank you for your praise. I also think that my ability is not bad! I have done many things that no one can do.”

Ning Xi raised his eyebrows and answered indifferently.

“You! ning xiao xi, stay away from the city!”

He said in a commanding tone.

In fact, Susie was also confused. Why did Ning Xi know ye Ling City? She even attended a party with him. Were they familiar with each other?

But if she didn’t ask, she didn’t want to ask either. She just needed Ning stream to be far away from the city.

“Why should I listen to you? I’m a well-known celebrity.”

ning xiao xi pretended to be angry and said disdainfully.

“I warn you, you’d better stay away from the city, or I’ll teach you a lesson!”

She glared at Ning Xi, her eyes full of anger and jealousy.

“Do you like the city?”

Ning Xi said with a suspicious smile, narrowing his eyes.

With a determined look on her face, Leona said, “he can only be mine. If I find that you continue to badger him, I will let you pay the price you deserve!”

Then she turned around and walked to the company hall.

On the other hand, Ning Xi stood still and shook his head helplessly as he watched Ruyu’s receding figure.

What did he mean by saying that she was pestering him? It was him who entangled her with Ning Xi, OK? She wished that he could stay away from her. Who would like that arrogant devil?

Ning Xi hadn’t told her yet. Just now, her sweetheart, Ye Ling, had confessed his love to her. If he told her about it, she would go crazy and eat him.

Ning Xi shivered with jealousy.

Then he walked to the company hall.

.....

When it was time to get off work, Ning Xi wanted to go to the kindergarten to see the two kids. He hadn’t seen them for a long time.

She just came out of the company and met someone she shouldn’t have met.

Dressed in a white coat, grey loose pants with holes, and a pair of black rimmed sunglasses, Richie stood lazily next to the latest version of the white Porsche. The Royal aristocratic aura was frightening.

Ning xiao xi picked up her bag to cover her side face, trying to hide from Ling City, and sneaked past the stream beside.

“Ning stream!”

A charming and magnetic voice entered the ears of Ning stream as the air spread.

Ning Xi suddenly stopped and looked as if a disaster was imminent.

Then, he walked slowly to the front of Ning stream and asked, “are you hiding from me?”

With a guilty conscience, Ning Xi put down her bag and pretended to be serious. “Who is hiding from you?”

“That’s good. I’ll drive you back,” he said with a smile

Then, he held Ning Xi’s hand and walked towards the black Porsche.

“The night Ling City! Let go of me! ”

Ning Xi tried hard to pull away the powerful hand of Ye Ling City, but failed.

She could do nothing but let him drag her to the car.

When they were about to reach the car, Richie loosened Ning stream's hand a little. At this time, Ning stream took back her hand suddenly.

"What the hell do you want?"

Ning Xi frowned and said impatiently.

Ning Xi noticed that there were many people outside the company looking at them with strange eyes.

The company's staff and pa\*\*ers-by were all watching her and the night Ling City.

After all, a movie star was standing here. How could there be no onlookers?

chapter 79

"That's the Ye Ling City. It's really him..."

"Why is he here at this time? Are you here to meet me by chance? Hahaha..."

"Look, the woman next to him seems to know him. I envy her so much. You can talk to him so closely."

"....."

When the crowd saw that the people in the city were talking about it, all kinds of jealous eyes and envious eyes were fixed on Nina.

Ning Xi felt uneasy. She wanted to leave here right away, but

Ning Xi glanced at Ye Ling City. It's all your fault! Are you free, a famous star?

"I'm going back."

Ning stream said lightly.

"Ning stream, don't you want to see me so much?" he asked, leaning against her again

Ning Xi looked up and said, "you're right. Can I leave now?"

A hint of weirdness flashed across the enchanting eyes of the city. "Ning Xi, if you dare to leave, I will announce to the world that you are my woman!"

When Ning stream was about to leave, she heard a sentence from Ye Ling city that made her speechless.

Ning stream didn't bother to pay attention to him. She thought he was just joking, but Ning stream didn't pay much attention to it. Then Ning stream pa\*\*ed by Ye Ling City.

"Ning Xi, I like you! I want you to be my girlfriend. No matter you accept it or not, I'll take you as my girlfriend!"

As soon as Ning Xi took a few steps forward, he heard the masculine voice of Ye Ling City expressing his love loudly.

“Hey!It was the night Ling City!You!Don’t talk nonsense here! ”

Ning Xi angrily walked back to the front of the Ye Ling City and roared at it.

Then Ning Xi secretly glanced around with a guilty conscience. He seemed to have become the focus of public attention.

“Wow, is he confessing his love to me?”

“Oh ! my God ! I’m going to faint. My prince charming is confessing his love to another woman here? ”

“Oh my God! It’s breaking news!It seems that this woman is going to be the new favorite of the city. ”

“.....”

They looked at Ning stream in disbelief.

Not far away, a pair of s\*\*y and charming eyes were fiercely staring at Ning Xi, full of jealousy and evil.

ning xiao xi, you forced her to do this. She had warned you not to pester the Ye Ling City any more. But now, it has come to this point. It seems that I can’t let you off!

“So what?Are you leaving or not? ”

He raised his eyebrows and looked at Ning Xi with his charming black eyes.

“Get in the car.”

Ning Xi had no choice but to get on the Porsche of Ye Ling City.

The first thought in Ning Xi’s mind was to escape from here and from so many strange gazes on her.

A cunning smile appeared on his face.

In the car.

Ning Xi sat still on the pa\*\*enger seat and said nothing.

“Ning Xi, I’m here to pick you up and drive you home. Didn’t you say anything?”

He teased.

Oh my God! Did Ning Xi ask you to come here?Did I ask you to pick her up from work?

Ning Xi turned to look at Ye Ling City and asked, “did I ask you to come here?”

“Although you didn’t ask me to come, you should feel honored that I pick you up in person.”

He said word by word arrogantly.

Ning Xi was also drunk. It was normal for others to say that.

It's indeed an honor to be a movie star, but from what you said by yourself, you are so shameless.

Ning Xi secretly rolled his eyes at Ye Ling City and kept complaining in his heart.

"Ning Xi, you are the first woman I want to pursue voluntarily. What do you think? Are you moved by this?"

He asked with a smile.

Ning Xi sneered.

"I'm so moved!"

But she didn't think so. She was so moved!! don't know if he will be besieged, discussed and even attacked by others when he is on the street in the future.

"It's good that you know it. There are many women who want to be the women of our city, and you, Ning Xi, have earned it."

With a proud look, he said proudly.

Damn it! How narcissistic you are! Ning Xi really can't stand it.

What bad luck did she have in her life? The men she met were more and more narcissistic. Of course, she was referring to the freak at home, gu jin yi.

"Here I am. Let me off at the next intersection."

Seeing that they were about to arrive home, Ning Xi was excited. He didn't need to hear the narcissistic Ye Ling boast here anymore.

The car stopped and Ning Xi got off without hesitation. Then she ran quickly towards her home. She didn't want to stay with him any longer.

"Ning stream! You will definitely promise to be my girlfriend!"

Looking at the back of Ning stream, he shouted, and his charming voice reached Ning stream's ears.

Ning Xi covered his ears with his hands and ran forward without looking back.

Whoever wants to be your girlfriend, just do it. Anyway, Ning Xi will never!

With a faint smile on his thin lips, he looked at Ning stream with longing eyes, and then drove away.

Ning Xi walked on the road, thinking that he would go to see the two babies on the weekend the day after tomorrow.

When Ning Xi returned home, he found that the lights in the house were all on. He wondered if gu jin yi had already gone home at this time?

Ning Xi quietly walked into the hall.

No one? Is he upstairs?

When Ning Xi was about to go upstairs, a deep and magnetic man came.

“Susan!”

Ning Xi panicked. He missed his left foot and leaned back.

“Ah!”

At this moment, he put his arm around the slender waist of Ning stream.

Ning Xi leaned his head against gu jin yi’s strong chest muscles. His masculine breath swept over Ning Xi’s ears, and his heart fluctuated.

In an instant, Ning Xi’s pink face and ears turned red.

Wow, she suddenly felt that gu jin yi was so handsome at the moment.

chapter 80

On the other hand, with his deep black eyes, he looked at Ning stream, who was in a daze.

Ning Xi seemed to be intoxicated. He came to his senses and asked, “youWhy did you come back so early? ”

“What did you do?You can also fall on the stairs. ”

gu jin yi said coldly.

Then, he picked up Ning Xi from his arms.

“If you hadn’t called me suddenly, how could I fall down? I’m not that stupid.”

Ning Xi curled his lips and said confidently.

“Really?”

An unpredictable expression appeared on gu jin yi’s cold face. He looked at Ning Xi with a puzzled expression.

“Or what?Do you think I’m stupid? ”

Ning Xi narrowed her clear eyes and stared at gu jin yi seriously.

“I’ll give you a look and feel it by myself.”

gu jin yi gave Ning Xi a meaningful look.

Ning Xi rolled his eyes at gu jin yi, “I don’t understand your eyes.”

“I didn’t say you are stupid, but you can’t understand even a look from yourself. You should know the answer, right?”

gu jin yi said indifferently. There was no emotion on his delicate face.

“It’s him!You! ”

ADVERTISEMENT

Didn’t she know that he did it on purpose?Obviously, it meant that she was stupid and beat around the bush, but Ning Xi held it back.

Thinking that he had to deal with the video incident by himself, he couldn’t afford to offend this God at this time.

“By the way, how is the video going?”

Ning Xi stopped talking about that topic with gu jin yi and asked.

“Don’t doubt my efficiency.”

gu jin yi glanced at Ning Xi with his deep and narrow eyes and said in a deep voice.

Ning Xi glanced sideways at gu jin yi and said indifferently, “Okay, I’d like to see how efficient you are.But it feels good to be on TV with a movie star. ”

ning xiao xi pretended to be an anthomaniac, trying to provoke gu jin yi and show off her feelings of being in the same frame with a movie star in front of him.

“Susan, what did you say?Say it again! ”

Hearing Ning Xi’s words and seeing her anthomaniac expression, gu jin yi felt displeased subconsciously. A trace of displeasure flashed through his sharp black eyes, and he said in a low and angry voice.

“I think it’s not bad to be on the news with a big star. Many people want to be on the same picture with him, but none of them has the chance.But it just so happens that I am so lucky. It seems that I am really lucky. ”

Ning Xi said word by word, showing a look of honor from time to time.

On the other side, gu jin yi’s face had already been cold to the end. He stared at Ning stream with a dark face and asked, “where is he?There must be something wrong with the brain of those who like him. ”

Ning Xi stared at gu jin yi in a daze. It was the first time that he had spoken ill of others. Although he didn’t say it directly, his implication was obvious.

How much he hated the city! People who said they liked the city were all brainless. This was not only complaining about him, but also people who liked him.

If his fans who liked the city heard what they said, gu jin yi would probably be cursed by them.

“What’s wrong with her?He is a super famous movie star. Not only is he handsome, but also his dressing style is so beautiful. ”

Ning Xi had been praising the Ye Ling City against his conscience.Although he was indeed handsome, he was still a little inferior to the man in front of him now.

If he heard Ning Xi praise him like this, he would be very happy.

However, it was impossible for Ning Xi to praise him like that in front of Ye Ling City. Now he just wanted to annoy the man in front of him who always made fun of her.

The man in front of her had to admit that he was very handsome. If his personality changed, she might really fall in love with him.

Nina, what are you thinking about? Like him? Never in my life!

gu jin yi was irritated by Ning Xi's flattery.

"Susan, how dare you praise another man in front of me? Do you want to die?"

gu jin yi glanced at Ning Xi with his dark eyes and said coldly in a low and magnetic voice.

"You asked me what was good about him. Did I tell you the truth or did I make a mistake? I won't tell you the truth next time."

Ning Xi looked at gu jin yi with disdain, but snickered in his heart. He, gu jin yi, would also be teased by Ning Xi one day.

gu jin yi didn't know what to say. This stupid woman had learned to be smart. She must have done it on purpose.

"Then tell me about his dressing style."

He didn't know why, but he just wanted to know what kind of style Nina liked to wear in the Ye Ling City, so he asked indifferently.

"Well, am I telling the truth or..."

ning xiao xi said slowly on purpose.

"Of course!"

gu jin yi said excitedly.

"The casual style he usually wears is very beautiful. Unlike you, who always wears a heavy suit."

Ning Xi curled his lips and said.

In fact, he was also very handsome in a suit. But she was curious about his casual style.

"You dislike me?"

gu jin yi raised his eyebrows and said in a depressed tone.

"No, no, No. I just said that you could learn from others' dressing style."

Ning Xi hurriedly waved his hands, looking innocent.

"I don't think I need to be more handsome. If I were more handsome, you would be in danger."

gu jin yi raised his big V shaped white chin and said proudly.

Ning Xi stared at gu jin yi in a daze.

It seemed that he was getting cheekier and cheekier.

It was understandable for Ning Xi to be narcissistic sometimes. After all, everyone needed it, but it was not good to be so narcissistic.

What's more, Ning Xi will be in danger? Are you afraid that you gu jin yi will be taken away by others?It was so funny.

“Yes, you are very handsome. You don't need to be more handsome. At that time, I will be the one to suffer losses.”

Nina said with a flattering look. She couldn't make him really unhappy. If he didn't help her with the video, no one could help her.
