chapter 98

After saying that, Mr. Xu turned around and went back to his seat.

“Well, I will inform you of the shooting time. You can take them back first.”

“Okay, we are leaving now.”

After saying that, Celia walked out of the office with two people.

“Oh my God! You’re awesome! You don’t need to take an examination and get admitted directly.”

ye xiao xiao looked at the two babies with admiration.

“Of course! Invincible all over the world! ”

The two babies looked at each other and smiled.

When she arrived at the hall on the first floor, she happened to pa** by Richie.

He stopped and turned to look at their backs.

“jie lun, who are the two kids? I haven’t seen her before. ”

“Oh, I heard that the twins in the new play went abroad and the company found a subst**ute.”

jie lun said clearly.

There were all kinds of complicated emotions in his deep eyes. He had just walked past him, but why did he feel familiar from the side? She seemed to have met him somewhere before?

“Let’s go.”

Then he walked straight to the elevator without thinking too much.

At ou yang shi rui’s house.

“Why did you come to my house today?”

ou yang said calmly.

“What? You don’t welcome me? ”

an zi hao teased.

ou yang said with a smile.

“By the way, I haven’t had time to ask you why you suddenly came back.”

an zi hao asked while drinking his coffee.

Hearing that, ou yang chenrui was stunned for a moment. He gently put down the coffee cup in his hand, with a deep and sad expression on his face.

“I think she has returned to China.”

“Did you come back for Amanda?”

an zi hao asked seriously.

“Well, I won’t let her leave me this time.”

Ray nodded and looked out of the window. His deep eyes were full of affection.

“What happened between you and Amanda in the past few years?”

an zi hao asked in confusion.

They had been in love for seven years from high school to university. Everyone thought that ou yang and Yvonne would get married forever, but they didn’t expect that Yvonne suddenly disappeared on her twenty-three year old birthday, and ou yang and ray looked for her crazily.

He had searched everywhere about her, but it seemed that God was always against him, ou yang and ray. He had been looking for her for three years, but there was still no news about gu yi ran.

Just a few days ago, when he heard that she might be in China, ou yang and ray immediately rushed back.

In the past, when they were in college, the two of them were envious of each other

“I’ll tell you something later.”

It seemed that ou yang ray didn’t want to mention anything unhappy.

“If you don’t want to tell me, I won’t force you. If you need my help, please tell me.”

an zi hao said seriously.

ou yang said with a smile.

‘Amanda, where are you?Why did she hide from him, ou yang and ray?How have you been these years?’

“It’s getting late. I have to go to the company now.”

an zi hao stood up gracefully, followed by ou yang and ray, and then left.

While driving, an zi hao was thinking about the affair between ou yang, ray and gu yi ran.

It took a lot of things for her good friend to change from a lively and cheerful boy to a deep and heavy man.

Thinking of the two people who used to love each other so much, why did it end up like this?

Ray, he, an zi hao, will help you find gu yi ran!

On the other side.

“chen chen and han han, you can eat cakes here. Celia is going to buy something. You can sit here and wait for me. Don’t run around.”

ye xiao xiao said to the two babies.

“Okay, aunt Celia. Don’t worry.”

She nodded obediently while eating strawberry cream cake.

ye xiao xiao smiled with relief and walked out of the door.

The moment Celia walked out of the restaurant, she saw a white BMW off-road vehicle speeding over not far away from the road, and a brown puppy was running towards the road.

“Damn it, puppy!”

Without thinking too much, ye xiao xiao rushed to the road as fast as she could, and then squatted down to protect the dog with her whole body.

“Watch out!”

The moment Celia rushed to the car, an zi hao drew back his thoughts and suddenly stepped on the brake.

ye xiao xiao fell back out of fear and her skin was broken.

Celia was almost there.

an zi hao got out of the car and walked quickly to ye xiao xiao.

“Miss, are you okay?”

“Puppy, don’t be afraid. It’s all right.”

ye xiao xiao didn’t seem to hear an zi hao’s words. She caressed the dog’s head and said to it in a soft voice.

an zi hao looked at the girl hiding on the ground in front of him with his deep eyes. Did she break into his car to save the dog?

She stared at the back of Celia. Her flaxen hair was t***** in a bun. She was wearing a white high necked sweater, a short sleeved denim coat and a blue and black tight jeans.

“Hey, you...”

ye xiao xiao put down the puppy and stood up suddenly. She was about to say something to an zi hao, but before she could see his face, she bumped into his arms by accident.

ye xiao xiao took off her clothes subconsciously, but her hair was tied tightly to the b***on of an zi hao’s suit.

“Ahh it hurts.”

“Don’t move. Your hair is tied to the b***on. I’ll take it off for you first.”

an zi hao said gently.

ye xiao xiao calmed down and waited for an zi hao to fix her hair.

At this time, the two little babies who were eating cakes saw this scene through the gla** window.

Seeing this, han han quickly covered her eyes and said, “eh, aunt Celia kissed someone in public.”

Then they jumped off their seats and rushed to Celia.

“All right.”

an zi hao took off the b***on. Celia immediately stood up from an zi hao’s arms and rubbed her head with her head down.

“Are you okay?”

an zi hao looked at Celia and asked.

“Why are you driving?”

When ye xiao xiao raised her eyes and was about to say something, a handsome face came into view. ye xiao xiao was stunned. She looked at the man with dignity and arrogance. His handsome face was particularly dazzling in the golden sun.

There was a rou rou smile in his eyes. His s**y thin lips were very beautiful, and the corners of his lips were naturally raised, as if he had always been a gentleman with a smile.

At the same time, an zi hao stared at ye xiao xiao. A fresh and exquisite face came into view. With beautiful starry eyes, a small nose and a slightly soft cherry lips, he looked cute and pure.

The two of them just stared at each other.

ye xiao xiao forgot what she was going to say.

chapter 99

“Aunt Celia!”

The two babies encircled their arms and stared at ye xiao xiao strangely. Then they squinted at an zi hao.

ye xiao xiao came to her senses and asked, “chen chen, han han, why did you come out?”

ye xiao xiao walked to them and asked.

“Aunt Celia, you are not honest.”

chen chen squinted at Celia and said shrewdly.

Standing aside, an zi hao looked at Celia and muttered in his heart, 'it turns out that her name is Celia.'

"Is this handsome uncle your boyfriend?"

han han kept her eyes on an zi hao and looked at him up and down, as if she was checking on Celia.

"No, No. He, he just..."

ye xiao xiao wanted to explain, but she was too anxious to do so.

"Aunt Celia, you don't have to hide it from us. We have seen it just now."

chen chen smiled weirdly.

"What?What did you see? "

ye xiao xiao didn't understand what chen chen meant.

Then, han han blinked her eyes and asked ye xiao xiao to get close to her. She whispered in her ear, "aunt Celia, we just saw you kissing your man..."

After saying that, han han giggled.

Celia's face turned red at once. When did she kiss him?When did he become her male ticket again?

The two kids were trying to make a match for her again.

"Who are they?"

an zi hao couldn't help asking when he saw the sudden appearance of the two children.

"Oh, they are..."

"Hello, uncle. My name is ning chen xi. Just call me chen chen."

"Uncle is so handsome. My name is ning han xi, and you can call me han han.We are super invincible twins! "

Celia was about to answer an zi hao's question, but she didn't expect to introduce herself to the two babies first.

Celia was stunned by the two names.

And she called him uncle. What the hell?What uncle?It was not good for the two babies to recognize their relatives randomly here!

At the same time, an zi hao was also stunned.

He was a little embarra**ed when he was mistaken for the first time they met.

"I'm sorry. The two kids are so naughty."

ye xiao xiao apologized awkwardly.

an zi hao thought the two babies were so cute that he smiled and said, "it doesn't matter. They are very cute."

"What a nice name! You are both beautiful and delicate."

an zi hao squatted down and talked to them patiently.

"Uncle, you are also very handsome! But it's a little worse than my daddy."

chen chen said arrogantly.

"Yes, yes. My uncle is not bad either. He and aunt Celia are a perfect match."

han han said excitedly with her little hands bulging.

"chen chen, han han, don't talk nonsense. He is not..."

ye xiao xiao panicked and didn't know how to explain.

"What?"

The two babies looked at Celia in confusion.

ye xiao xiao looked helpless.

At this time, an zi hao explained for Celia, "we are just friends."

ye xiao xiao looked at an zi hao. How could he say that he was her friend? It was the first time that ming ming had met him

"Don't be shy. We won't tell anyone."

They looked at each other.

an zi hao also smiled helplessly. These two kids really couldn't do anything to them.

"chen chen and han han, it's time to go home. Let's go."

ye xiao xiao was really confused by these two babies. She took the hands of the two babies and was about to leave when an zi hao suddenly spoke.

"Your hand is hurt."

an zi hao said as he noticed that Celia's hand was bleeding.

"Oh, it doesn't matter. It's just a little bruise."

ye xiao xiao raised her hand, looked at him casually and answered.

"Let me take you to the hospital to get some medicine."

an zi hao said softly.

"Be careful when you drive. Don't hit animals."

After saying that, Celia took the two babies and left.

an zi hao strode to ye xiao xiao and handed her a business card. "Your hand was injured because of me. Since you insist on not going to the hospital, call me if you have anything."

ye xiao xiao took the business card, nodded and left.

Looking at the backs of ye xiao xiao and the two babies, an zi hao couldn't help smiling.

After they left, an zi hao drove away.

When ye xiao xiao returned home with chen chen and han han, they began to ask questions again.

"Celia, when did you get such a handsome man?The problem is that we don't know yet?"

chen chen looked surprised.

"Long leg oba Celia, you've hidden it well."

han han, on the other hand, had a scheming look, with a weird smile on her face and bright light in her watery eyes.

"chen chen and han han, how could he be my boyfriend?Have you ever seen me with him?Isn't boyfriend and girlfriend always together?"

ye xiao xiao explained helplessly.

These two words were more verbose than his own parents.

Hearing Celia's answer, the two looked at each other.

That's right. They knew that Aunt Celia was in love.Besides, she only went to work every day and took care of them. How could she have time to fall in love?But who was that man just now?

The two babies were confused again.

"Then who is he?"

"Here is the thing..."

"....."

ye xiao xiao told them what had happened after she came out of the restaurant. It was not until now that she realized what had happened.

"Oh, I see!"

"You called me boyfriend and girlfriend the first time we met. I'm going to be pissed off. If we meet again next time, it will be so embarra**ing."

ye xiao xiao pointed at the foreheads of the two babies.

"Ha ha, but aunt Celia, I think you two are a perfect match. They are a perfect match."

“Yes, I think he looks like my future uncle!”

The two babies said word by word.

“Oh, what do you think your future uncle will look like? Do you think I can play the female lead in a year?”

ye xiao xiao asked, raising her eyebrows.

“I have predicted that he will kiss you again when you meet him next time.”

chen chen touched his two little fingers and gave a sly smile.

“Not only kisses, but also hugs and hugs. More things have happened...”

han han continued.

“chen chen and han han, say it again.”

ye xiao xiao squinted at them with a weird look.

The two babies blinked their round eyes and withdrew quickly. “The teacher hasn’t finished her homework yet. Let’s go upstairs to do it!”

Before she could finish her words, the two babies ran upstairs in dejection.

chapter 100

Looking at the backs of the two babies, ye xiao xiao smiled helplessly.

Then she suddenly thought of an zi hao. By the way, she hadn’t asked his name yet?

Thinking of the name card he just gave her, she took it out of her bag and saw it was an zi hao, the general manager of VL company.

‘what? Is it the same company as stream company?’

ye xiao xiao stared at the business card with a meaningful smile on her face.

In the room upstairs.

“Brother, lend me the computer. I want to chat with Daddy.”

han han sat beside chen chen and mumbled.

“Okay!”

chen chen agreed without hesitation and logged in the WeChat.

He hadn’t talked to his father for a while, and he was looking forward to it.

“What do you want to talk to daddy? He must be busy at this time.”

chen chen asked han han while skillfully operating the computer.

han han narrowed her beautiful eyes and said, "let me tell you. You can type."

The brother and sister quickly reached an agreement. han han asked questions and chatted, and chen chen was responsible for typing.

After all, chen chen typed more quickly than ordinary people, so he chatted more quickly.

"Handsome uncle, are you busy now?"

After sending a message, the two babies' eyes did not leave the computer screen for a moment. They were full of expectation for the other party's reply, raising the corners of their mouths slightly.

One minute pa**ed, one minute pa**ed

The chat window didn't open. The two babies were a little disappointed, and the corners of their mouths slowly turned from rising to curling.

"Daddy didn't reply..."

"It doesn't matter. Maybe he is busy now."

han han pouted with disappointment.

In fact, chen chen felt a little disappointed when he comforted his sister.

"I just had a meeting. Have you been waiting for a long time?"

Suddenly, a message popped up in the chatting window. The two babies were so excited that they didn't want it.

"Yes, yes. Daddy texted back."

"Well, the flowers waiting for you are all gone!"

han han was still talking and chen chen was typing.

"Then make a request. I will try my best to meet your requirements as compensation."

"Really?"

Then, he sent an animated Emoji of "yes".

"Then I have to think about it carefully."

"Well, think it over and tell me."

"By the way, handsome uncle, do you have anything happy to share with me recently?"

The two babies asked tentatively, indicating that they were asking him about his relationship with their mommy.

With his slender fingers resting on the keyboard, gu jin yi raised his eyebrows and slightly lifted the corners of his mouth. Indeed, he was happy to meet Ning Xi, the other half of zhen zhen in his life. He always lived so fast, happy and stable with her.

“Yes, I met a special girl.”

gu jin yi sent a message. He looked at it with a sly smile.

It seemed that their father had been brought into the topic by them.

“But she doesn’t seem to like me very much. She always refuses me.”

gu jin yi sent another message.

“Does the handsome uncle want her to fall in love with you?”

han han gave a meaningful smile and chen chen replied quickly.

Unknowingly, gu jin yi started to chat with the two babies.

.....

“So, handsome uncle, I can help you. If you want a harmonious couple, I have one hundred and twenty moves to flirt with girls.”

Sitting on the chair, gu jin yi couldn’t help smiling brightly.

Suddenly, his assistant, Jacob, knocked on the door and came in. He walked up to gu jin yi and said softly, “Mr. Gu, there is something you need to sign here.”

However, he was so engrossed in the conversation with the two babies that he didn’t seem to hear what Jacob said, so he didn’t respond.

“Okay, I’ll be the first one to ask for your help if I encounter any difficulties in the future.”

“Boss, boss...”

Jacob called him several times before he came to his senses.

“What’s the matter?” He said coldly.

“This document needs your signature.”

Jacob handed over the document gingerly.

xu chen wondered if he had interrupted him. Judging from his cold and stern face, even if he didn’t speak, he felt that the heavy atmosphere in the office made him out of breath.

“Put it here first.”

gu jin yi said coldly.

Then, Jacob didn’t say anything more. He put down the documents and left.

"I have something to deal with. Let's talk next time."

gu jin yi didn't forget to reply to han han in case she waited too long.

"Okay, bye, handsome uncle!"

Then he closed the chatting interface and began to read the doc**ents.

Jacob left the CEO office and went back to his seat. He was in a trance for a while.

Was the CEO talking to someone else just now?He didn't even hear her shouting. Instead, he seemed to be laughing, and he was indulged in it.

Was he still their CEO?Why did she feel that he had changed.

Jacob frowned and thought, 'forget it. I don't want to think about it anymore. How can I think of Mr. Jacob's idea?'

There were a lot of things to deal with today, and it was already evening.

Ning Xi had a rest today and could go to work tomorrow. She was happy from the bottom of her heart. Staying at home every day would make her bored.

"It's so late. Why hasn't he come back yet?"

Ning Xi sat on the sofa in the hall. It was almost eight o'clock. He should have been home early even if he had dinner outside.

Ning Xi walked back and forth in the hall.

Why did she care about him?Isn't it better not to come back?In this way, she didn't have to worry that he would force her to sleep in the same bed with him.

Then, Ning Xi picked up the remote control and turned on the LCD TV, watching TV.

It suddenly occurred to her that they were going to act in TV series. She didn't know if they would be known by the public. She hoped that they wouldn't.

As time pa**ed, Ning Xi looked at the door from time to time, but still didn't make any movement.

Somehow, she felt a little anxious and worried. She frowned and thought, 'gu jin yi, do you have any sense of time?It was so late now, but he still didn't come back.

ning xiao xi just waited and fell asleep

Not long after, gu jin yi came back. The light in the hall was still on. Was this woman waiting for him?He couldn't help smiling warmly.

Then he walked into the hall, and saw a slender figure. Ning stream curled up on the sofa like a child.
