

## Cutie Please Marry Me Again Chapter 17

After a while, Gu shengxia didn't hear the man's voice.

She slightly, carefully raised her head, with the corner of her eyes to see what the man is doing.

But I don't want to. As soon as I look up, I see that the man just stares at her in his spare time. Gu shengxia's heart shudders again because of his unclear eyes.

"Until the day I'm tired of it, you can go away."

In this way, Gu shengxia looked at the man's mouth, word by word to let her more scared words.

So, she said this man is a devil, a Satan from hell!

.....

"Mommy?" Ruirui is aware that Gu shengxia's hand is shaking. He immediately realizes that his mother is not right.

Hearing Ruirui's voice, Gu shengxia suddenly reacts.

Xi Nianchen is still standing by the bed, beside her, just don't know when the doctor went out.

"Mommy, what's the matter with you?"

Gu shengxia was stunned for a moment, then said with a smile: "it's OK, Mommy is OK."

"Really?"

Obviously, Ruirui doesn't believe it at all.

"It's true. Mummy is thinking that Ruirui will soon get better, and mummy's wish that she promised Ruirui's third birthday will come true."

As soon as Ruirui listens to this, the smile on his face brightens up, which makes Xi Nianchen standing on one side curious to know what Ruirui's wish is on his third birthday.

"Mommy, when Ruirui is discharged from hospital, you should take Ruirui."

Gu shengxia nodded.

The deep breath of the men around is not easy to ignore.

She could only change the topic and said, "Ruirui, you stay with daddy for a while. Mommy will ask the doctor what you can eat now, OK?"

Ruirui nodded.

As Gu shengxia left, Xi Nianchen stood at the edge of the hospital bed, slowly bent over and gently stroked the little guy's cheek.

It was like caressing his whole face.

"What is your wish?"

Xi Nianchen is a little excited in his heart, but he is very calm, but he will still be betrayed by his true feelings in peace.

"The secret." It's a little secret between him and her mom.

Looking at the person in front of him, Ruirui suddenly feels that Xi Nianchen's hand is shaking.

This is the first physical contact they have had since their father and son met him, and even the first time Xi Nianchen took the initiative to touch him.

Unconsciously, Ruirui suddenly thinks of the Xi Nianchen he saw before the operation.

In the heart a Leng, can't help but show a smile on the face.

It turned out that his father, whom he had never met in three years, was not as calm as he had shown!

But will he like him?

Ruirui secretly thinks, his heart is very uneasy, although he can say let daddy and Mommy divorce words, but now face Xi Nianchen, he is still uneasy.

Moreover, no matter how clever and sensible he is, and no matter how mature his performance is, he is still just a three-year-old.

A child who is eager for father's love!

Therefore, he will also worry about whether this daddy will like him.

He also hopes very much to win the favor of his father and get his favor.

This daddy didn't grow up with him since he was a child, so he was more or less unhappy.

But in view of his illness, he did not hesitate to give him a liver transplant. For this point, he is still a good man.

Every time when the kindergarten is over, he can see other children with their parents, but he doesn't.

But he never quarrels with Mommy because he doesn't have a daddy.

Because he knew he had a father, but he didn't want to come back to see him.

Now the atmosphere between them makes Ruirui a little flustered, and some don't know how to react.

It was the first time that he was touched so gently by his father.

For the first time, he was so close to daddy that he could see his pores.

For the first time, he was looked at so seriously by his father. In his dark eyes, there was him, and only him!

For Ruirui Rui, who has never been treated like this, it is a very special feeling that makes him very happy.

Astringent.

It's hot.

Although at the beginning of the face of daddy, he is always light expression, tone is no emotion, but his heart, for the emergence of daddy, boiling.

He really, really likes this daddy.

There are photos of Daddy at home, and granny will let him read those magazines and reports about daddy every day.

So, Ruirui adores Xi Nianchen very much!

I just don't know if daddy likes him or not?"Can't you tell me?" Slowly, Xi Nianchen asked again in a softer tone.

"You want to know?"

Ruirui blinks.

Xi Nianchen's empty hand gently grasped his little hand that he didn't give a drop.

Xi Nianchen and Ruirui's fingers are very beautiful, thin and long.

Hold the little guy's little hand in the palm of your hand, but don't dare to use too big one for fear of hurting the little guy.

At that moment, he only felt that his heart, which had not been warm for a long time, became hot and burning because of his soft hands.

But it made him very comfortable, even satisfied.

At the first sight of the child that day, Xi Nianchen knew that he liked this little guy who had the same eyes as him and even had a similar personality.

"If I wanted to know, would you tell me?"

Xi Nianchen's voice, already stretched not to live of start some shiver.

In fact, he wants to talk about others and ask others.

For example, do you like me?

For example, do you hate that I haven't been with you for three years?

For example, do you want me to be your father?

Just words to the mouth, but found that the throat is too dry to make a little voice.

He is Xi Nianchen, heartless, cold-blooded scissors with iron wrists.

But in the face of the little guy, all the coldness is like being put away by another one he doesn't know.

Although he didn't worry that he would frighten the little guy, he didn't want to let the little guy alienate him because of him!

The more he looked at the little guy, the more obvious the emotion from his heart became.

The feeling that filled his heart constantly was all clamoring for him to love, care and pity the little guy in front of him.

These feelings, these sudden feelings, for Xi Nianchen, have never been strange in the past 28 years.

Reason tells him that the little guy is his son and needs to be treated with his heart.

There is a relationship with him that blood is thicker than water!

It's the one he can't give up all his life!

Imperceptibly, I want to face the little guy's good decision, deeply imprinted into the heart of Xi Nianchen, can no longer be lingering.

It's just Will the child like him?

"Ruirui..."

Xi Nianchen was uneasy.
