

Cutie Please Marry Me Again Chapter 18

After Gu shengxia came back from the doctor, he sat on the chair outside the ward and didn't go in to disturb the father son relationship inside.

Although she is still worried, she believes her son can handle it well.

Compared with children of the same age, Ruirui knows a lot and has strong learning ability.

Every time I pick him up in the kindergarten, the head of the kindergarten will tell her to test Ruirui's IQ and EQ.

Because in the view of the director, Ruirui, who is excellent in all aspects, is just like a little genius!

It's just that she doesn't want to go.

Because no matter whether Ruirui is a genius or not, she hopes that he can grow up ordinary and healthy in his life.

After that, he can do what he wants to do and live a carefree life.

She would never let her son go her way.

The more I think about it, Gu shengxia can't help thinking about Xi Nianchen.

"Xi Nianchen, you take revenge on me for what happened in those years, but what about me?"

Gu shengxia whispered to himself.

Yes, he can get revenge from her. Who will she get revenge from as a child of that?

Suddenly, a sudden mobile phone ring interrupted Gu shengxia's thinking.

She was just about to take out her pocket phone, but the ring suddenly broke, and then a pair of polished shoes appeared in front of her eyes.

Gu shengxia is stunned. What is this?

"Why are you here?" With a trace of dignified voice, let Gu shengxia instant echo, two busy stand up.

"Dad, why are you here?" Gu shengxia lowered his head and said humbly.

It's not someone else, it's Xi Dong.

Although Xi Dong is in his fifties, he seems to be in his early forties. His expressionless face is his label.

"It's said that Ruirui is awake. Let me have a look." Xi Dong's tone is mild when he says Ruirui.

Gu shengxia nodded, said: "just wake up, the doctor also checked, said is nothing serious."

"I've been sleeping all the time, because children take too much anesthetic needles." Gu shengxia stood, always with his head down.

In front of this person, with that kind of not angry but powerful momentum, she can't provoke, otherwise her family will be finished.

It's lovely to say that he lives by relying on the huge Xi group.

"Why don't you go in and watch Ruirui?" Xi Dong asked again.

Gu shengxia looked at the ward and then slowly said, "Ruirui and his father are in it. I think they should get in touch with each other more."

"So I'm not going in."

Xi Dong listened and opened the door of the ward, then walked in.

The father and son were interrupted by the sudden opening of the door.

"Grandfather..." As soon as Ruirui sees Xi Dong, his face immediately smiles.

"Ruirui, is it better?" Xi Dong bypasses the hospital bed and goes to the other side of the bed. Looking at Ruirui, he asks softly.

During the whole journey, I didn't go to see Xi Nianchen at all.

And Xi Nianchen also in front of the man does not exist in general.

After talking with Ruirui for a while, Xi Dong gets up.

Gu shengxia sees this, also quickly followed to stand up.

"Ruirui, grandfather, there are many things in the company tomorrow, so I won't be here with you. After two days, grandfather will come to see you again, OK?"

Xi Dong made his face as gentle as possible, and said lovingly.

"Good bye, Grandpa."

Ruirui clever sensible said.

Just as Xi Dong turned around, he looked at Xi Nianchen and Gu shengxia in a very indifferent tone and said, "you two come out, I have something to say."

Indifferent tone, but with a strong can not be refused.

Gu shengxia nodded, then turned to ruiruirui and said, "ruiruirui, wait for mummy, mummy will come back soon."

"Good." Ruirui nods.

Just walked out of the door of the ward, Gu shengxia felt chilly behind her. Without looking back, he knew who was staring at her at the moment.

Sure enough, the next second, he heard the man's words: "do not want to take Ruirui Rui, you have to understand what to say."

"You..."

Gu shengxia stood still, just wanted to open his mouth, he was scared by the cold light in the man's eyes.

At the end of the corridor, seeing Xi Nianchen, Xi Dong said coldly, "what's your plan next?"

"What are you going to do?"

Xi Nianchen's good-looking eyebrows slightly pick, it seems that he doesn't understand the meaning of Xi Dong's words.

"Do you still want to leave? Are you not afraid to let Ruirui be said to be an illegitimate child?" Xi Dong is angry.

“Oh, are you reminding me of the identity of the illegitimate child in disguise?”

Xi Nianchen’s face darkened and his hands clenched into fists. In his dark eyes, there was a raging storm, but in the twinkling of an eye, he hooked his lips with a smile. “Dad, if I’m an illegitimate child, I’ll still be your only heir, won’t I?”

The green veins on his hands burst, trying to suppress the anger in his heart. He said in a cold voice, “don’t forget, you gave me the identity of this illegitimate child!”

“Presumptuous!” Sidong cold anger exit.

But Xi Nianchen was not moved at all when he saw it in his eyes. He had a smile on his face that made Gu shengxia feel very distorted. “How presumptuous? Isn’t that what I learned from you?”

“Or, in my impression, you used to do the same to the old man, or is this the tradition of the Xi family for generations?”

Xi Nianchen sneered.

At first glance, it doesn’t matter.

But how could a smart elder like Xi Dong not recognize what he meant?

Xi Nianchen’s two simple sentences are a slap in the face to their elders!

No respect for people, to him, naturally.

Even more because he reminds him of his illegitimate son’s identity from time to time, let him know that everything he has now is given to him by him!

Since he doesn't think much of him as an illegitimate son, but he still wants to give Xi's group to him to manage, why?

Smell speech, Gu shengxia whole body is stiff a few minutes.

She knew the disagreement between Xi and Xi Nianchen, but she had never seen them face to face.

"Dad, thank you for coming to see ruiruirui today. It's very late now. You'd better go back to have a rest and go to work tomorrow."

Gu shengxia can't help but say that the atmosphere is too strange now.

If she doesn't open her mouth to break the atmosphere, I'm afraid father and son will say more irreparable words.

But as everyone knows, her mouth, let the two men become more angry at each other!

"Shut up

The man turns around and stares at Gu shengxia, squinting, but the contempt in his eyes is not covered.

"Think you've got someone to support you now?"

Xi Nianchen's eyebrows frowned coldly, looked at her dangerously, and his low alcohol voice came slowly.

On hearing this, Gu shengxia shivered all over. His hands were tightly clenched, and his fingers were slightly white.

"How long are you going to be fooling around?" Xi Dong's tone was even colder, and the light refracted by his clear eyes was even colder.
