

Cutie Please Marry Me Again Chapter 2

Gu shengxia looked at and listened. He was so stiff that he couldn't move, but he didn't feel too much in his heart.

She never expected anything from this relationship.

In the brightly lit hall, although Xi Nianchen is only sitting on the bronze leather sofa at will, he is full of domineering and strength, which makes it hard to ignore.

Gu shengxia slightly stopped, did not go to see the man, but turned around, standing upright, drooping eyes, respectfully toward a gray haired, but amiable old lady sitting in the middle of the sofa, said: "grandma, I'm sorry, I'm late."

"Xia Xia, come and sit with grandma. Are you better? Tell me about you, how can you not take good care of yourself when you are such a big person, and you don't know how to ask for leave when you have a fever to 40 degrees? "

As soon as Mrs. Xi saw Gu shengxia, she immediately asked her to sit beside her. She really liked this girl from her heart.

Thinking of this, the old lady took a look at her grandson, who was sitting on the side and looked on coldly, but sighed in her heart.

"There are only two things for you to come back. When you're done, you can go wherever you want." The old lady holds Gu shengxia's hand and looks at Xi Nianchen on the other side of the sofa.

Even in the face of the old lady, Xi Nianchen still had a cold face and said in a gloomy tone: "the matching is successful. I'll stay."

In short, if he doesn't succeed, he won't stay one more day.

"No way."

The old lady also cold face, with the tone of no say.

“Grandma, three years ago, regardless of my wishes, you forced me to marry this woman. I promised and married her. But at the same time, I told you that she and I were just a witness. In addition, we were strangers!”

“If you want me to live with this woman, it’s even more impossible, because I won’t touch her again.”

He will not let Xi Nianchen’s children give birth to this kind of very resourceful woman.

Once designed, he will never be designed by this woman again.

Xi Nianchen said, with a fierce glance at Gu shengxia.

Touch the man’s eyes, Gu shengxia’s body suddenly stiff.

No, no, how can this be?

If the matching is not successful, they have to have another child. Only then can Ruirui survive.

So, he had to touch her!

Ruirui is the child she and Xi Nianchen gave birth to on the night of absurdity three years ago, but it is also the treasure she loves in the palm of her hand.

Just did not think, God did not give that naive and lovely Ruirui a good angry, from the time of birth, the body has been because of liver disease, always suffering.

But he is very sensible. Every time he feels bad, he always turns around to comfort her and let her not worry.

Although Ruirui has been on the list of liver transplantation for a long time, there is no news.

If it wasn't for Ruirui's three-year-old birthday some time ago, his condition would have worsened. The doctor said that without a suitable liver source, Ruirui's condition would have worsened. Even if it had, it would not have helped.

Therefore, she can only ask Xi Nianchen!

Gu Shengxia's panic, the old lady immediately felt, she gently patted Gu Shengxia's hand, let her at ease, everything has her.

"Ah Chen, our Xi family has come to you for four generations."

"Three years ago, you took that woman away from my city on the second day of marriage. In the past three years, you have been indifferent to Xia Xia's mother and son. Don't you feel guilty?"

"Ruirui is your son!"

The tone of the old lady's voice couldn't help getting bigger.

On one side, the housekeeper quickly whispered to the old lady, you whispered: "old lady, the doctor told, don't be angry."

Gu Shengxia was also worried, and quickly comforted the old lady, "grandma, don't be angry, pay attention to your body."

The old lady waved to the housekeeper and Sheng Xia to let them not worry.

"You don't know how serious Ruirui's illness is."

Gu shengxia listen to, heart pull pain more severe, she does not know what is wrong in her last life, this life will let her baby Ruirui suffer so much pain.

If she could, she would like all this to happen to her.

“Ah Chen, a month, a whole month, you just intend to come back, your heart, really so hard?”

“Remember, whether you admit it or not, Ruirui is your son, not someone else’s.”

“When Xia Xia rushes about for Ruirui’s illness without any rest time, or even falls ill, where is your father?”

“Grandma, s City, very busy.”

Xi Nianchen frowned tightly. His beautiful and suffocating face seemed to be covered with a layer of frost. It was sending out a chill. His thin lips were cut tightly, and his lines were cold and hard. It was chilling. He had never been so scolded by the old lady.

And today, all this is because of the hypocritical woman in front of me!

“Busy? Busy making plans to travel around the world with that woman?” The old lady’s tone was cold again, and her eyes became sharp.

She said that now, in fact, she has been waiting for this grandson to take the initiative to ask about ruiruirui’s illness, but now it seems that he really has no mother and son in his heart.

The old lady thought, can’t help but to the side of summer summer is distressed.

“The first thing, you go to the hospital to match the rescue Ruirui.”

Smell speech, Xi Nianchen pick eyebrow, express no objection.

“Second, you and Xia Xia must have another child.”

The old lady frowned and said with a serious face.

Xi Nianchen smell speech, face instant dark, Mo Mou squint, thin beauty tight pursed, Li drink a: “want me to touch this woman again, impossible.”

“it can’t be my has the final say, ah Chen, as long as the next healthy child is reborn, when you are willing to go where you want to go, who you want to be with, you will be with whoever you are, and I will not go to say more.”

“Grandma, I just ask him to save Haohao.” Gu shengxia’s eyes are full of tears.

Hold the old lady’s hands tightly and pray.

Ruirui is all she has, so she can do anything.

She can’t live without Ruirui!

“Xia Xia, grandma has grandma’s consideration. I’ll go to the hospital tomorrow to match the model. If it doesn’t work, you have to have another child with ah Chen.”

They must have a healthy successor!

“Grandma...”

Xi Nianchen just wanted to speak, he was interrupted by the old lady unhappily: “I’m tired, I’m going to have a rest.”

“You just came back today, so go to rest early. You have to do all kinds of examinations when you go to the hospital tomorrow.”

With that, the old lady got up and went to the bedroom upstairs.

For a moment, only Xi Nianchen and Gu shengxia were left in the living room.

Xi Nianchen’s deep narrow eyes narrowed slightly and his indifferent eyes glared at Gu shengxia deeply:
“this is your real purpose, isn’t it?”
