

Cutie Please Marry Me Again Chapter 22

“I’ll stay.”

Looking at the little guy’s dark eyes, full of expectation, Xi Nianchen said his answer with a smile.

He will stay, at least not for a short time.

After all, there are so many people here for his return, have become covetous.

In that case, how could he disappoint them?

“Really?” the excitement in Rui Rui Mou son became more obvious.

Xi Nianchen’s guilt is incomparable when he thinks that he can make Ruirui show such a satisfied smile because he just says he wants to stay.

“Really, I’ll stay.”

Xi Nianchen very patiently said again, eyes in the dotting deepened.

Cold, soft cheeks.

If his subordinates saw this appearance, they would think it was the eve of the storm!

I’m afraid even Zhou Lijiang, who is his assistant, feels like hell!

It’s just who Xi Nianchen is and how he can care about what others think of him. What he cares about most now is how his son sees himself.

On hearing Xi Nianchen's affirmation, Ruirui immediately jumped off the sofa and ran out of the study.

Along the way also constantly called: "Mommy, Mommy, daddy said not to go."

Xi Nianchen is completely frightened by Ruirui's sudden action.

As soon as he was discharged from the hospital, how could he jump like this? Without waiting for his brain to respond, his body immediately stood up from his chair and ran out.

What little guy doesn't know is that his performance has long lost the serious momentum at the beginning.

As if a moment back to the sensible, but still three years younger baby.

Xi Nianchen looked at the little guy's happy, unconscious smile, but full of worry said: "ruiruirui stop, you just discharged, will pull the knife edge."

That smile, full of father's love!

The old lady and the housekeeper both looked at the scene in surprise, but there was a satisfied smile on their lips.

The housekeeper even said to the old lady excitedly, "old lady, was that the young master just now?"

The old lady heard the speech and nodded with a smile.

She took a deep breath to suppress the ecstasy in her heart. She had been waiting for this scene for three years.

It would be better to see the brains of the three members of their family.

However, the old lady was not worried. She felt that day was not far away.

“Are you fierce at me?” Ruirui, who hasn’t run two steps, is directly held up by Xi Nianchen in the next second, and his hand skilfully bypasses his knife edge.

Before I could reason with the little guy, I heard the little guy full of angry complaints.

“Do you have one?” Xi Nianchen is in a better mood.

This little guy, he likes more and more.

Moreover, he was sure of his temperament. Although he was only a three-year-old, his EQ was much higher than that of his peers.

Maybe IQ is higher than other children. After all, he is an example.

In addition, the little guy is the kind of child who won’t show weakness. He hopes that even adults will speak to him from the same angle.

This point can be seen after the little guy enters the study.

“Yes.” Ruirui frowned.

“That’s right. As my son, it’s a common thing to be disciplined in the future.”

Rui Rui a listen, small mouth Qiao of high, Ao Jiao of turn head no longer to see Xi Nianchen.

Just escaped Xi Nianchen’s line of sight, just collided with the line of sight of grandma downstairs.

At this moment, Ruirui is very happy.

He grew up so big, it was the first time that he was so cherished by a man named daddy.

The old lady who saw this scene from beginning to end said deeply, "ah Chen has begun to change slowly."

His heart is no longer as cold as before, and his smile is no longer as warm as before.

The old lady looked, not to mention how satisfied she was!

And she also hopes that through Ruirui, he can see Xia Xia's good and know that Xia Xia is the most suitable person for him.

The next morning, Gu shengxia was in a hurry to go out.

As soon as she saw Gu shengxia, Zhang Ma, who was in charge of the food and drink in the old house, said, "young grandma, are you going out now?"

Gu shengxia heard the news, while anxiously changing shoes, said: "Mom Zhang, there is something wrong with the company. Now I have to go there. Please help me talk to grandma."

"OK, young lady. I'll go to the kitchen and get your lunch box. Just a moment."

With that, he turned and ran to the kitchen, but heard Gu shengxia's voice behind him and said, "Mom Zhang, don't bother. I'm out."

As soon as he turned on the engine, Gu shengxia speeded up. I really don't know why this kind of thing happened suddenly, how could a good fire happen!

Those high-grade custom-made dresses are all in the company. If the fire is serious, the consequences will be unimaginable.

It doesn't matter if they lose money. The key is that they can't deliver the goods on time, which will threaten the reputation of their company.

Wen Jing on the phone, also can not say clearly, helpless, she can only rush to the company as soon as possible to solve.

Ruirui wakes up and sees the post it note at the head of the bed.

The excited little face broke down immediately.

"Ruirui, there's something wrong with mommy's company. Now we have to rush to deal with it. We'll come back as soon as possible."

Mommy Stand him up!

When Xi Nianchen went downstairs to have dinner, he saw Ruirui sitting on the dining table sullen.

This little guy didn't go to bed well last night. Why did he have a small face in the morning?

Although looking at a pair of don't provoke my expression, but I don't know why, Xi Nianchen is that flying general lovely.

He couldn't help but tease him: "this morning, who provoked you?"

the old lady was happy to see their father and son get along with each other, so naturally she would not speak.

"Mommy."

“Strange, don’t you say your mommy is the best mommy in the world?” Xi Nianchen said jokingly with what the little guy said last night.

Ruirui hears the words, but he listens to them clearly.

Although he was angry that mommy stood him up again, only he could bully his own Mommy.

“My mommy is the best Mommy, and much better than someone else.”

Someone?

Xi Nianchen’s good-looking eyebrows picked again, noncommittal.

In the little guy’s eyes, his status still can’t compare with Gu shengxia’s hypocritical woman.

But he is confident that he will be the most important one in his son’s heart.

Seeing that the father and son had no more words, the old lady cleared her throat. Looking at Xi Nianchen, she said, “are you going to the company today?”

“Well.”

Still light tone, completely not like just talking with Ruirui Rui colorful.

“I’m not at home today. If your company is not busy, you’d better take Ruirui Rui to the company. Someone must take care of Ruirui Rui, right?”
