

### Cutie Please Marry Me Again Chapter 30

Seeing Ruirui's smiling face, Gu shengxia feels that all his tiredness in the past week has disappeared.

"Thank you for your dinner, Mommy. I'll finish it with my most sincere heart."

Ruirui stood in front of Gu shengxia and made a standard little gentleman etiquette.

Gu shengxia smile, said: "you ah, don't eat too much, after Mommy back to you."

"I see." Ruirui then smiles, but suddenly thinks of something. Looking at Xi Nianchen, he says, "Daddy, you don't want to eat the meal made by mommy, do you?"

Ruirui said this on purpose. After all, Xi Nianchen ate the breakfast Gu shengxia had prepared without saying a word.

Who knows, Xi Nianchen did not say a word directly to the table, just to Ruirui said: "people are iron, rice is steel."

In short, he won't skip dinner.

And, although he had breakfast sandwiches prepared by Gu shengxia before, tonight is the first time he has eaten her cooking in his true sense.

"Daddy, I'll tell you, my mommy's craftsmanship is very good. If you have a meal, you will definitely want to eat it again, and then you won't be able to quit. It's more delicious than granny Zhang's cooking."

Looking at the proud look of the little guy, Xi Nianchen's indifferent expression didn't show anything.

Anyway, as long as there is a chance, the little guy will try his best to say Gu shengxia's good words in front of him.

Gu shengxia had a feeling of embarrassment when she heard her son praise her.

She didn't know what Xi Nianchen liked to eat, so she prepared some light and delicious home dishes in the evening, nothing.

"Well, if you don't like it, I'll let my aunt come again." Gu shengxia looked at, slightly lowered his head, embarrassed to say.

When she got off work today, she called her aunt. Today, she didn't have to go to the old house to prepare dinner, but she forgot that there was another person at home besides ruiruirui.

Xi Nianchen ignored Gu shengxia's words and picked up chopsticks and steamed fish with a piece of flour.

Looking at Xi Nianchen put into the mouth of that moment, Ruirui and Gu shengxia unconscious heart all mentioned the throat.

Ruirui is afraid that his father doesn't like the food cooked by his mother.

But Gu shengxia is worried that what he does is not to his taste, he will lose his temper.

"Well, not bad." Xi Nianchen finished eating and said calmly.

So, for the next dinner, Gu shengxia only concentrates on eating. During the time, Ruirui speaks, and she will say one or two words.

After cleaning up the kitchen, Gu shengxia got a call from the old lady as soon as she got back to her room.

"Grandma, have fun?" Gu shengxia asked the old lady over the phone with a smile.

“Happy, of course. I went back on Monday when I saw my sisters.” The old lady’s tone was still sonorous.

“Well, I’ll pick you up at the airport then.”

On hearing this, the old lady quickly said, “Xia Xia, you don’t have to go to the airport to meet the old lady. It’s just that something so big happened in your studio, and you didn’t even contact grandma?”

There was some blame in the old lady’s tone.

Xia Xiadu has been married to their Xi family for three years. Except for the dowry she gave to Xia family, she never asked for a dime. Even Ruirui Rui’s degree was earned by her.

No matter what she says, Xia Xia always refuses the money she gives.

“Ah, Xia Xia, I’ve wronged you.”

The old lady suddenly sighed, the tone is full of heartache, helpless.

Gu shengxia naturally knew why the old lady was like this, so he comforted her and said, “grandma, the studio is OK now. I’ve almost dealt with it. Don’t be angry.”

“You just love to be brave, and don’t let Grandma help you with anything. It’s so strange.”

As soon as the old lady finished speaking, she asked Gu shengxia, “Xia Xia, what’s going on at home this week?”

after listening to the old lady’s words, she became a little cautious. Gu shengxia thought she was cute, but when she thought about the things that had happened between her and Xi Nianchen in the past week,

she suddenly felt big headed.

What is she going to tell the old lady?

“Summer summer?” Without hearing Gu shengxia’s voice, the old lady could not wait to call Gu shengxia’s name again.

“Well, grandma, it suddenly occurred to me that Ruirui was going to have a rest. Did you just ask my family? Everything’s fine at home, and Ruirui and his dad get along very well. ”

Gu shengxia said, avoiding the heavy and taking the light.

“Xia Xia, you know what grandma said!” Hearing this, the old lady lowered her voice. She knew Gu shengxia was escaping.

But they are husband and wife after all, and they will live for a lifetime.

Although she didn’t want to interfere too much, she didn’t want them to be nervous all week, which was really not her wish.

“Grandma, it’s all right. It’s all right.” Gu shengxia has a dull voice. The old lady knew it, said nothing more, asked for two more words, and hung up.

In Sanya seaside resort villa, the old lady sits on the sofa in the living room. Her face is a little dim. She puts down her mobile phone. Zhang Kun, who always stands beside her, asks softly, “old lady, what happened at home?”

“Lao Zhang, do you think Xia Xia and a Chen will try to be together for Ruirui?”

The old lady is a little less determined.

After all, her grandson is real. Once he identifies something, he will never change it again.

The woman in B city is the only one who has been with Xi Nianchen for such a long time in the past three years.

When Zhang Kun heard the speech, his face showed a look of embarrassment.

Seeing this, the old lady shook her head and said, "well, it seems that I have to worry more about their future."

Zhang Kun was stunned and couldn't help thinking, old lady, aren't you afraid that the more you join in, the more chaotic you will be?

But as a servant, he didn't have the courage to say it.

However, he also sincerely hopes that Xi Shao can cherish Xia's grandmother. She is really a very suitable girl for Xi Shao.

The next morning, Gu shengxia was just about to go to the company when he was stopped by the man sitting on the sofa in the living room.

There was a moment when Gu shengxia heard a man's voice, his whole body shrank subconsciously, his legs were more like lead, standing in the same place, motionless, waiting for Xi Nianchen's next words.

See Gu shengxia back to him standing still, Xi Nianchen this time very good mood to go to Gu shengxia side.

But with his approach, Gu shengxia's body began to shake constantly.

"I'll have someone pick you up at the door of your studio at seven in the evening."

Then he turned and walked back to the living room.

Gu shengxia stood in the same place, a little confused, why did he want people to pick her up?
