

### Cutie Please Marry Me Again Chapter 33

In Gu shengxia see Lengshen, Xi Nianchen's eyes can't touch the defense to her.

Gu shengxia forgets to avoid for a moment, and looks at Xi Nianchen straight. He stares at her like a cheetah.

Such Gu shengxia surprised Xi Nianchen.

His eyes can't help but squint slightly. The ink like eyes are more and more deep, like the ink abyss, but people can't see any emotion of him.

Not far away, also looking at Xi Nianchen are Wang Hua and Wang Linna, brother and sister.

Of course, they also noticed the eye contact between Xi Nianchen and Gu shengxia.

"Who is that woman?" When Wang Linna looked at Gu shengxia, her pretty face was twisted and terrible. Her eyes were full of anger, reluctance and jealousy.

She just went abroad to study for five years. Why did she hear from her father that Xi Shao got married as soon as she came back? The object was still the young lady who couldn't match her.

But no one has ever seen the woman.

"My dear sister, you are jealous, but that little beauty is mine." Wang Hua looked at Gu shengxia's eyes, full of lust, without any barrier.

In particular, the two-color squinting eyes are constantly floating back and forth on Gu shengxia's naked long legs.

Wang Linna glanced at Wang Hua's squinting look and sneered: "Oh, jealous? She deserves to make me jealous?"

"I heard that as soon as Xi Shao got married three years ago, he went to city B. he had been indifferent to the big lady who cared for her family for three years, and he just came back recently."

Wang Hua put down the wine glass in his hand, with a smile on his face, but the smile was more and more disgusting.

"The Gu group is nothing like our family. I really don't know how Xi Shao got married with the Gu family." Wang Linna said with disgust.

"Why, who knows? However, my dear sister, if you can win the banquet, our family will definitely be in Rongcheng, and no one dares to provoke you."

Wang Hua said, while paying attention to Wang Linna's expression, with his little 99 in his heart.

Wang Linna looked at Xi Nianchen and said to Wang Hua, "I'll go to Xi Shao and you'll take care of that woman."

With that, he stepped forward, picked up a glass of champagne from the plate of the waiter in the crowd, and went straight to Xi Nianchen.

Behind him came Wang Hua's low, excited voice: "good sister, come on, get him!"

She has been out for five years, constantly honing herself, in order to become a woman worthy of Xi Nianchen.

What if he's married?

As long as it's what Wang Linna wants, it must be her!

The more I think about it, the more confident my smile becomes.

Gu shengxia, who was still in a daze, turned subconsciously as soon as he saw Xi Nianchen coming towards her. But he didn't expect that he just turned around and ran into a man's arms.

"I'm sorry, I'm sorry." Gu shengxia apologizes in a panic.

"Don't apologize, miss. I'm fine."

Hearing this, Gu shengxia looked up and knew who he was.

Just now, when he was following Xi Nianchen, he met this man. He should be the son of Wang Dong.

"Sorry, Mr. Wang." Gu shengxia stepped back and opened the distance between them.

Wang Hua touched his chin, his eyes narrowed slightly, with a hint of pornographic eyes. He was staring at Gu shengxia. He bent over to apologize, revealing the beauty of his chest, and his eyes became more and more focused.

Gu shengxia looked up and saw the man's strange eyes. He stood up straight and his face was hard to see.

The tone of his voice became cold: "Mr. Wang, I'm sorry I just bumped into you. If I can, I'll pay for the laundry."

Looking at Gu shengxia's cold face, Wang Hua's smile is more meaningful.

Oh, it looks like a hot girl, but it doesn't matter. What kind of woman is still transferred / taught by Wang Hua!

Wang Hua takes a look at Xi Nianchen, who has been dragged by his sister not far away, and then continues to look at Gu shengxia with a lewd / smiling face.

He stepped forward, narrowed the distance between them, lowered his voice and said, "how can I let such a beautiful lady take the laundry fee for me?"

"Mr. Wang." Gu shengxia retreated, and his tone was full of warning, but he still showed a graceful attitude.

Just did not stand firm, he was grabbed by the man's wrist: "Miss, wait a moment, don't you want to throw yourself to other men?"

"Let go." Gu shengxia's face is even more ugly and his tone is extremely cold.

Today, she came with Xi Nianchen. No matter what other people think of her standing beside him, she must maintain Xi Nianchen's identity. She can't let others tell Xi Nianchen what to do just because of her performance.

"Let go?" Wang Hua said with a cynical smile.

"Mr. Wang, after all, I'm the one Xi Shao brought. Even if you don't give your father face, Xi Shao won't give you face?" Gu shengxia tried hard to suppress the nausea."Oh? With the relationship between my family and Xi's group, how do you think Xi Shao would choose between you and me?" Wang Hua said that the more proud he was, the more unscrupulous he was.

"What's more, you and Xi Nianchen are the same as me. How about double the money he gives you?"

In Wang Hua's eyes, CHIGUO's obscenity / laughter became more and more popular.

Gu shengxia see this, eyes suddenly cold, this damned man, take her as what?

Is money great? No matter how badly he was treated by Xi Nianchen, others were not qualified to treat her like this.

“Oh, I really have a son like you for Wang Dong. He thinks that life is loveless. Do you have the qualification to compare yourself with Xi Shao?”

“A beast like, but also want to pretend to be a gentleman, your face?”

Gu shengxia saw that the man even showed a touch of disbelief. He suddenly waved his hand and shook off his hand.

Wang Hua's face changed when he heard this. He didn't expect that the woman would dare to choke him face to face.

If it were not for her beauty, he would not waste his time with her.

People around because of their side of the movement, has begun to watch them constantly talking.

“Isn't this woman just brought in by Xi Shao? Now I'm talking to Mr. Wang. I don't know how Xi Shao can bring this kind of woman. ”

“Yes, I know it's a woman with a lot of sex.”

“But isn't the king too brave? Today is chairman Wang's birthday party. It's like this at his father's party. It's really... ”

That person's words didn't finish, was dragged away by the side.

When Wang Hua saw this, he became proud.

Not far away, Xi Nianchen looked at the woman who constantly flattered him, and his eyes became colder and colder.
