

Chapter 123

Harold only felt a “buzz” in his head, and a wave of jealousy hit his forehead. He didn’t even touch Elsa’s hand, she was undressed by a strange man, and he was still touching and pressing on her thigh. How the hell can this be accepted! Harold didn’t care at this moment that Elsa was extremely disappointed in him. He gritted his teeth and said, “I don’t think this person wants to save you at all, but wants to take advantage of the fire, and try to insult!” As soon as Harold’s voice fell, all the eyes of the Willson family were focused on Elsa. Everyone thought the same as him. A beautiful and attractive woman lying in front of a strange man with dishevelled clothes, letting the other person rub her, the inner feelings of this make people think about it. Elsa was swaying with anger, extremely disappointed in Harold! Not only did he escape first, but now he is maliciously speculating about her accident, and in front of so many people, it is not only unscrupulous but shameless! Elsa said coldly: “Harold, the person who saved me didn’t do anything wrong with me. I took off my own pants! It has nothing to do with you!” After that, Elsa gritted her teeth and cursed: “It’s you, Harold, everything is caused by you tonight. When the other party brought people to seek revenge, you ran so fast and left me where I was. I was stabbed, and you still say this now? Are you not shameless?” Harold choked, his face flushed, and he was speechless. Elsa didn’t look at him at all, she immediately got up out of the ward, stopped a car, and returned to the hotel where she was staying. The Willson family was also stunned. No one thought that the truth of the matter turned out to be this way! It turned out that Harold caused the trouble and left Elsa again, which caused Elsa to be stabbed. As soon as Elsa walked away, the Old Mrs. Willson slapped Harold’s face with anger. Harold was beaten up and Lady Willson scolded: “How do I usually teach you? Let you please treat Elsa, you are good! You leave Elsa to fend for herself, you have done this kind of animal behavior, how could she like it? It is all on you?” “Grandma, I was wrong.” Harold clutched his hot face and suddenly woke up, regretting it greatly. Only then did he realize that he and Elsa would never be together! Charlie returned home and did not tell his wife what happened tonight. And his wife knew nothing about Elsa’s experience. After all, Claire’s family has always been rejected by Lady Willson, so they are not qualified to live in Willson’s villa, and naturally, there is nowhere to learn about these things. The next day, as soon as Claire got up, she received a call from the Lady Willson. The Lady Willson said to her: “Claire, you go to Tianhao Building Materials Group today, find a way to talk with their boss, see if they can you first credit us with 10 million building materials, and wait until we settle the payment from the Emgrand Group.” Claire hurriedly said, “Grandma, Tianhao Building Materials Group has done a lot of business, and they have a high right to speak. They have never used credit.” Lady Willson said: “There is no way. The Willson family has some problems with the capital chain now. We can’t afford to advance so many costs and expenses. It is also very difficult to obtain loans. We can only find a solution from Tianhao Building Materials Group.” Then, the Lady Willson said again: “Claire, now that the family is suffering from internal and external troubles, your cousin doesn’t give me strength. Now I only rely on you. Think of a way to have a good chat with Zhou Tianhao, the boss of Tianhao Building Materials Group. As long as he nods, we have a chance!” Claire hesitated for a moment, but reluctantly agreed, and said, “Grandma, let me try.” “Well, good!” The Old Mrs. Willson breathed a sigh of relief and said, “Grandma believes you can do it!”

Chapter 124

After hanging up the phone, Claire was a little melancholic. Charlie couldn't help asking: "What happened?" Claire probably told Charlie about the matter again. Charlie nodded and said, "Why don't you tell the Emgrand Group and let them prepay 20 million for the project?" Claire hurriedly said: "Well, how can we cooperate with Emgrand Group. We have already climbed high. If we ask someone to pay for the project, we will be looked down upon." Charlie wants to say, the Emgrand Group is your husband's, what is the 20 million? Who dares to look down on you? But Claire didn't know. She said: "Well, let me talk to Mr. Tianhao." Charlie said: "Then I will go with you." "Inappropriate." Claire said: "Isn't it too unprofessional to take husband to discuss business." After that, Claire said in a convenient way: "You just stay at home. If you are really bored, go out. There is nothing wrong anyway." Seeing her resolute attitude, Charlie didn't say much. He knew that his wife had always been independent and wanted to work hard on her own for many things. Then he might as well ask her to try, if it doesn't work, he will come out to help secretly After breakfast, Claire made an appointment with Zhou Tianhao, the boss of Tianhao Building Materials Group, and drove there alone. The Tianhao Building Materials Group is one of the largest building materials groups in Aurous Hill and even in Jiangnan. It is mainly engaged in various aluminum alloy building materials and is an indispensable supplier for large-scale real estate projects. Zhou Tianhao was born in a not so well-off family, but he was lucky enough to get a wife with a strong family, so he took the help of his wife's house and developed to the present stage. However, Zhou Tianhao has a strict wife. Although his wife is very ugly, he never dared to mess around outside, so Zhou Tianhao has a good reputation locally, saying that he is a good man who never forgets his wife. Tianhao Building Materials Group is located on the outskirts of the city, with a largescale factory with thousands of acres of land alone. After Claire drove to Tianhao Building Materials Group, she came to the office building. After stopping the car, Zhou Tianhao had been waiting in the lobby of the office building for a long time. Seeing her coming, Zhou Tianhao immediately put on an enthusiastic smile, walked to Claire, proactively stretched out his hand, and said, "Oh, Mr. Willson, welcome!" Claire stretched out her hand, shook it politely, and said with a smile: "Mr. Tianhao, you are too polite." After speaking, she wanted to withdraw her hand. But she found that Zhou Tianhao grabbed her hand and didn't let go, and he even tightened his grip. Claire pulled out her hand hard, and said with a wary expression: "Mr. Tianhao, what are you doing?" Zhou Tianhao hurriedly scratched his head and smiled: "Oh, I'm so sorry. I always heard of you all around and saw you today. I could not hold back. Please forgive me!" Seeing him, Claire was also frank and was able to apologize directly, a little relieved. At this time, Zhou Tianhao hurriedly made a gesture of inviting and said with a smile: "Ms. Willson, please come to my office for a chat!"

Chapter 125

Zhou Tianhao took Claire to his office, and the moment the door closed, there was a burst of heat in his eyes. He quietly locked the door and then invited Claire to sit down on the sofa. Claire looked cramped and sat opposite him with her hands folded. Zhou Tianhao smiled and asked, "Ms. Willson, I don't know if you came to me this time, what cooperation do you want to talk to me about?" Claire was a little embarrassed and said: "I'm telling you that Mr. Tianhao, our Willson Group's cash flow is a bit tight recently, so I want to ask you, can you first let us credit a batch of building materials?" "Account on credit?" Zhou Tianhao said with a look of embarrassment: "As for the situation of our Tianhao Building Materials Group, Ms. Willson, you must be aware of it. We never pay for credit or send out materials first. Get Materials but first release the funds. "I know." Claire said apologetically, "I really can't help it, but you can rest assured that the company we cooperate with is Emgrand Group, which is

the largest company in Aurous Hill. They will definitely not default on our projects. If the payment is paid back then, we will fill in the material payment for you immediately!” Zhou Tianhao chuckled and said, “That’s what I said, but Ms. Willson, I’m not targeting you. Do you know why I set the rule that no credit is allowed?” Claire shook her head: “Why?” Zhou Tianhao said: “I was also very good at talking before. Customers must get the goods first, and then settle the settlement later. I also agreed to expand the business and maintain the relationship. All customers said that if Party A settles it for them, they will settle the settlement immediately. But what happened? I lost more than 300 million in payment, and they haven’t returned it yet!” “So much?” Claire was also stunned by this number. All the assets of the entire Willson Group add up to just over one billion. Unexpectedly, Zhou Tianhao couldn’t collect more than 300 million in payment for goods alone! Zhou Tianhao sighed and said: “There is no way. These partners who are reluctant to settle the account using the same rhetoric. They all say that they will give me soon and immediately, but they just don’t.” Speaking of this, Zhou Tianhao shook his head and said with emotion: “In the end, there is really no way. I cannot stop all credit cooperation channels. You can get the goods. I have more goods here, but you must pay first.” Claire’s expression was particularly disappointed. It seemed that this matter could not be settled the way she wants. However, she also knows that since others have this principle, it is not good to tell them to give up the principle, so she stood up and said, “I’m sorry, Mr. Tianhao. I will go back and talk to my grandmother. I should raise funds as soon as possible. Come to work with you then.” When Zhou Tianhao saw her getting up to leave, he immediately said: “Oh, oh! Don’t worry, Ms. Willson!” With that said, Zhou Tianhao hurriedly stood up and continued: “What I said just now was for ordinary partners, but with Ms. Willson, naturally I have to count it separately!” Claire asked with some puzzlement: “Mr. Tianhao, what do you mean?” Zhou Tianhao squinted his eyes and looked at Claire greedily. To be honest, Claire is so beautiful! The beautiful ones make Zhou Tianhao out of breath! In all these years, Zhou Tianhao faced the yellow-faced woman at home, and that ugly and shriveled woman was a thousand miles worse than Claire. Claire looks impeccable, and her figure is even more irritating. Such a woman is simply the best! Why can’t he have such a blessing? Why should such a superb woman marry a famous waste in the city? Is her rubbish husband stronger? Thinking of this, Zhou Tianhao seemed to have countless ants crawling around some parts of his body.

Chapter 126:

He felt that he hadn’t had a chance to cheat for so many years, let alone touch the best beauties, seeing that half of his life had passed, he had been paying tribute to the disgusting, yellow-faced woman. Today is the best opportunity to break the shackles of fate! Correct! He wants to try this girl in front of him! Try this super beauty that all men in the city are crazy about! Thinking of this, he smiled and said: “Oh, Ms. Willson, since you have this need, then we can have a good chat. I am Tianhao, not as bad as you think.” Claire thought there was a play, and hurriedly sat down and asked with joy, “Mr. Tianhao, would you like to give us building materials on credit?” Tianhao deliberately didn’t say everything thoroughly, but rather vaguely said: “If it’s someone else, I will definitely reject it directly, but if it’s Ms. Willson, then I can consider it.” Claire hurriedly said: “In fact, our cooperation with Emgrand Group is really close. If you give us the building materials on credit, we will be able to give you the money immediately after the first batch of settlement from Emgrand.” Tianhao nodded and said, “Wait for me, I will make a pot of tea and we will talk over it.” With that, he got up and went to take out a teapot from the cupboard. With his back facing Claire, he put the tea in the pot while taking out a box of sleeping pills from his pocket. He usually took this box of pills by himself. He had some insomnia recently. The doctor prescribed some

powerful sleeping pills for him. One pill will basically give him a good night's sleep. Tianhao wanted to take the opportunity to handle Claire in the office, so he put six sleeping pills in the water. In this way, if Claire drinks a cup of tea, it is basically equivalent to taking medicine. When the action of medicine comes up, isn't she at the mercy of him? You can put her to sleep first, then use your mobile phone to take some exposed videos and photos, and then use this to blackmail her for good! If Claire called the police or told others what she was thinking, he would threaten her and publish these photos and videos, so that she would not be able to lift her head for the rest of her life and be pointed out for the rest of her life! He believes Claire will never call the police or make public announcements. At that time, he will have all the initiative! He can fix her to have a relationship at any time, if she disagrees, he will threaten her with videos and photos and force her to submit! In this way, wouldn't she be equivalent to having a best friend? Hahaha, is that still unhappy ending for him? The more he thought about it, the more excited he became. After making the tea, his complexion returned to normal, and he returned to the sofa to sit down. While pouring Claire a cup of tea, he said: "Ms. Willson, don't worry, let's talk slowly with a cup of tea." Claire didn't think much about it. After speaking so much, she felt a little dry and dry, so he picked up the teacup and took a big sip. Tianhao is so excited now! He stared at Claire with fiery eyes, watching her slender and straight legs, slender waist, perfect figure, and pretty face. This woman really exudes a charming aura everywhere, which makes his heartbeat more and more. Today is a godsend gift day for him! When he thinks that he can enjoy this perfect woman in a while, Tianhao feels like he will burn all over!

Chapter 127:

Seeing Claire drink his tea, Tianhao was very excited. Now, just wait for the effect of the drug to take place! After Claire drank the cup of tea, she soon realized that something was wrong! It seems that her head is a little dizzy and heavy! What is going on? She was shocked. Did Tianhao mixed medicine in the tea this time? Thinking of this, Claire trembled in shock! She wanted to get up, but she felt that her legs were a little weaker. Looking at it this way, she is afraid it is difficult to escape on her own! she said to Tianhao: "Mr. Tianhao, I feel a little dizzy. There is nothing wrong with this tea, right?" Tianhao laughed and said, "No problem! This tea is top-notch. It costs more than 10,000 a catty. It is delicious. Would you have another cup?" Claire said: "No thank you, Mr. Tianhao, I'm a little uncomfortable. Could you please send me out?" Tianhao laughed a few times. He was sitting on Claire's side, but at this time, he got up and walked to the side of Claire and sat down next to her. Looking at the restless Claire, Tianhao smiled and said: "Mr. Willson, everyone says you are the top beauty in Aurous Hill. I saw you today. It really is a well-deserved reputation. I really admire it!" Seeing that he posted it, Claire moved to the other side, shook her head, and said, "Mr. Tianhao, can you please stay away from me?" Tianhao smiled and said, "What's wrong with Ms. Willson? We are partners. It doesn't hurt to get close, right?" With that said, Tianhao's body once again stuck to Claire's side. Claire wanted to hide again, but he had reached the edge of the sofa and could only shrink her body vigorously to prevent Tianhao from touching it. Tianhao has been leaning towards her, his eyes are constantly looking at her. Claire's brain became heavier and heavier.

e, his eyes were like a wolf's, full of desire and greed. He said, "Of course, Ms. Willson. I'll take you out." Tianhao helped Claire up, but she felt weak and couldn't stand up straight. She could only lean on Tianhao's body. Tianhao took the opportunity to put his arm around her

waist and held her tightly. Claire felt a cold sweat on her back. She knew that something bad was going to happen.

Tianhao walked towards the door, but suddenly stopped and turned around to look at Claire. He said, "Ms. Willson, you know, I've had my eye on you for a long time. You are so beautiful and charming. I can't resist your temptation." Claire felt a chill in her heart. She knew that she was in big trouble. She struggled to break free from Tianhao's embrace, but her strength was no match for his.

Tianhe, he moved closer and whispered in her ear, "Ms. Willson, why are you in such a hurry? You haven't even tasted the real tea yet." Claire could feel Tianhao's breath on her neck, sending chills down her spine. She knew that she was in trouble and needed to get out of there as soon as possible. But before she could even stand up, Tianhao had already pinned her down on the couch.

"Let me go, Tianhao! What do you want from me?" Claire struggled to break free from his grasp, but it was futile. Tianhao was too strong for her.

"What do I want? Isn't it obvious, Ms. Willson? I want you." Tianhao's eyes were filled with lust as he leaned in to kiss her. But Claire turned her head away, refusing to give in to his advances.

"Stop it, Tianhao! This is not what I came here for!"

He looked at her hungrily, and his eyes darkened as he moved closer. His hands were rough as they reached out for her, undoing the buttons of her shirt as he pushed her up against the wall. She gasped in surprise and tried to push him away, but he was too strong. He pinned her wrists above her head and kissed her neck, working his way down her body.

His hands roved all over her body, caressing her Read the next part in detail! Here [Click here](#) support me please.
