

SUPER STRONG LITTLE DIVINE FARMER

Chapter 4 - 004 Xue Ying

Xue Ying saw that Lin Chen was in some difficulty and quickly said, "Mr. Lin, please just say what your requirements are. As long as you can cure my illness, I can agree to anything."

Lin Chen nodded, "I can treat you, but there are two conditions. The first is that the treatment must be carried out in a very quiet environment, so I will need to ask everyone else to leave."

"No problem, brother, you guys go back first. I'll return on my own after Mr. Lin has cured my illness," said Xue Ying to Xue Shan beside her.

Xue Shan nodded and led the others away.

"Phew!"

Lin Chen took a deep breath, and Xue Ying's body suddenly tensed.

Embarrassment appeared on both their faces as they were too close; the breath Lin Chen had exhaled just then gave Xue Ying a certain feeling.

Finally regaining her composure, Lin Chen began the treatment.

"Thump, thump, thump!"

Lin Chen could feel that Xue Ying's heartbeat was getting faster and faster.

"I'm about to start." Lin Chen took a deep breath and placed his palms on the acupuncture points he visualized in his mind to begin the treatment.

"Such a wonderful massage technique," Xue Ying secretly marveled in her heart, becoming more and more curious about this boy.

After clearing all forty-nine of Xue Ying's acupuncture points, Lin Chen felt almost drained.

"Is that it?" Although Xue Ying already felt a change in her body, she still couldn't quite believe it.

"Yes, your illness shouldn't recur in the short term!" Lin Chen let out a breath of relief.

"Ding dong, congratulations to the host 'Lin Chen' for garnering 10 points of popularity for his benevolent medical practice."

"System, why do I feel as if I'm drained after curing the illness."

"It's because the host's cultivation level is too low, that's why you're suffering from symptoms of weakness."

Having cured Xue Ying's illness, the two of them chatted as they walked towards the village. As they passed Lin Chen's home, he smiled and said, "Why not stop by my place for a drink of water?"

"Sure!" Xue Ying followed Lin Chen into the yard.

As they had just reached the entrance of the courtyard, they heard a shrill voice coming from inside the house.

"Sister-in-law, this marriage is a rare good match, one you couldn't find even with a lantern. The Yu family are the largest landowners in our village, having your son married into their family would be a fortune for the Lin family."

Upon hearing this voice, Lin Chen couldn't help but frown; the speaker was Wu, the village matchmaker.

"No way, how could my son possibly marry into the Yu family, and besides, their daughter has an intellectual disability," Lin Chen's mother's voice came through.

"Hmph! This marriage proposal is not up to you to accept or not. Old Yu said that if you don't agree, your family will have to repay the ten thousand yuan immediately," Wu the matchmaker said with a cold snort.

"Wu Sister, wasn't it agreed that the debt would be repaid at the end of the year? The harvest hasn't been good this year, how can we possibly come up with the money right now?" There was a clear hint of panic in mother's voice.

"That's why, sister-in-law, the Yu family said that if your son marries into their family, they'll write off the debt. This is like a pie falling from the sky," Wu continued persistently to persuade.

"No, I can't let my son suffer such indignity," Lin Chen's mother refused decisively.

After listening to her mother's words, Wu suddenly chuckled coldly, "Having your son marry into their family is them looking up to you. With all the sickly burdens in your family, can Lin Chen even find a wife? I reckon he'll stay a bachelor for life."

Right after Wu, the matchmaker's words fell, Lin Chen pushed the door and walked in.

"Mother, I'm back," Lin Chen said with a stern face.

Seeing Lin Chen return, with a fashionable and pretty girl behind him, his mother was taken aback.

"Lin Chen, who is this girl behind you?"

Before Lin Chen could introduce her, Xue Ying preempted, "Auntie, I am Lin Chen's girlfriend!"
