The Domestic Hero - Chapter 531

“Slap! Slap! Slap!”

Crisp sounds sounded three times in a row.

Liu Lang even pumped his palms back a few times and said, “Lang Brother, no, you must not do this. She is a zombie, even if she looks beautiful, she is also a zombie. This must be known to the old king. Jokes die? “

“It’s not right, there seems to be something wrong.” Suddenly, Liu Lang seemed to think of something, and carefully looked at Shen Mengting with his chin.

Get together and sniff the smell.

“It’s not right, it’s not the relationship of taste.” Liu Lang frowned, and suddenly, he snapped his fingers, suddenly realized, “I almost forgot, Pharaoh knew Shen Mengting, if she took her with him Attending classmates ... Okay, okay, I remember redeeming a piece of “War Equipment” last time ... “

With that said, Liu Lang began to toss and turn in his storage bracelet. Pulled out a transparent mask thin as cicada wings, if you look closely, you can also see some mysterious mysterious runes decorated on the edges of the mask.

Liu Lang put the mask on his face, and suddenly his image and temperament changed dramatically. It turned out that his face was thin and pointed, and his temperament was awkward.

However, after wearing this nearly transparent soft mask, his face was much more correct, and his temperament also became full of affinity, making people easily feel close.

“Alas, this ‘war equipment’ cost me three thousand merits, but it hasn’t been used a few times. The few girls I met are still in the fishing stage.” Liu Lang looked at the mirror and admired the image

with a high image Yourself. Subsequently, he reluctantly took off the mask and put it on Shen Mengting.

In fact, Liu Lang's so-called "war equipment" is officially called "Charm Mask", which is worth three thousand points of merit, but not everyone is willing to spend this blood, just to make himself look better.

Sure enough, after wearing it, Shen Mengting's face changed a lot, but his temperament did not change much. Obviously, that's because her own posture is already high enough, and this 'enchanted mask' can no longer help her.

The change of image, on the contrary, reduced her overall beauty level by half a grade. But even so, Shen Mengting, whose image has changed, is still the image of a top beauty, and her face is less pale and more ruddy, and looks more like a personal beauty.

"Okay, very good, the image has changed a lot. If you wear a pair of sunglasses ..." Liu Lang took out a pair of sunglasses and put on her, snapped her fingers, praised, "Perfect, really perfect. If the old king can recognize you, my surname. "

Liu Lang was around Shen Mengting, and after turning around a few circles diligently, the more he looked, the more he praised.

Then I answered the phone, and I ran out. When I ran to the door, I patted my head and said something. I forgot to touch it again. Forget it, and then touch it again.

Liu Lang dangled out the door, but he didn't know that he had slipped back from the ghost gate and returned.

...

Two days later.

Danghu Scenic Area.

It was already the twelfth lunar month, and it was a bit cold. There are fewer tourists than usual, and the scenic area looks deserted.

A five-star standard hotel that has just been in use for a few months. It is built by the lake and includes the best water bay near Dang Lake and the corner of the wetland park.

Even in this low season, its occupancy rate is as high as 50%.

“Squeak ~”

A bus stopped at the door and walked out dozens of young men and women in sequence. Most of them look like twenty-four or four-year-olds. In their youth, they have faded out some of the youthfulness and tenderness that has just left the campus.

“Brothers and sisters.”

A passionate greet sounded, and Liu Lang trot all the way from the door to greet him. He was wearing exaggerated sunglasses and wearing a Burberry trench coat.

However, his original temperament was insidious enough, and since the cultivation of “Nine Yin Xuan Corps ~ Law”, his temperament has become more insidious. Even if it’s a big name, it has a feeling of being a monkey and wearing a crown.

“Oh, Brother Lang, you’re so mad.” The first to be greeted were a few friends in the same dormitory. They circled around Liu Lang diligently, tweeting, “It really has the upstart demeanor.”

The rest of the male and female students usually have a slightly longer relationship with Liu Lang, all keeping a certain distance. But their eyes are very different.

Some looked at Liu Lang, with more envy and restraint.

Some are disdainful and a little jealous.

There are also two female classmates who usually play games, and have begun to shine their eyes, wondering how to climb high branches. In fact, this is nothing. Stepping down and climbing up is inherently human instinct. Everyone has their own choice.

This fast-paced open society has already stripped them from fairy tales to reality.

At this moment, da da da!

A few steady but crisp high-heeled shoes stepped on the floor. A tall man with a tall figure and a gorgeous temperament seemed to walk on the lotus step with the women of these two worlds, the college students who had just been out of college.

“Wow, Lang Brother Lang Brother, look quickly, goddess.” Several male students surrounded Liu Lang and whispered in excitement. “Wouldn’t this be a new star who debuted? I heard that because of the Lake Scenic Area The environment is very good, many crews are willing to come here to film. “

“Don’t talk nonsense, look at her temperament, better than those first-line big stars.” A spectacled man named Huang Lang with his roommate said, holding the frame, “This kind of self-confidence and temperament, only the heart It’s very powerful, and it can be brewed. If she is a movie star, she’s already very popular. I think her eyes are very fierce. It is estimated that she is a female CEO of a top big company. “

“Weasel, she is wearing sunglasses, how do you see her eyes are harsh?” Another roommate Shao Deliang said unconvincedly.

“It’s just because wearing sunglasses that you can still feel her sharp eyes, so I think she is amazing. Alas, forget it, brothers, don’t look at it. The goddess of this level, the brothers are upgraded to dozens of levels. It ’s hard to reach others. If you look at it more, you will have a feeling that once the sea is difficult, except that Wushan is not a cloud. ”Huang Lang said with his hands on his back and sighed.

“Is it still the sea, have you ever seen it before?” The male students teased for a while.

But everyone agrees that this goddess-level character is too far away from them, even if you can see it from a distance, it will be a blessing, and it will not be enough in the next life.

Just when everyone thought the goddess was just passing by, she stopped on high heels, stood side by side with Liu Lang, and then said coldly, “Hello everyone.”

These words, like a blast of thunder, shocked everyone to be dumbfounded and sullen.

This!

This!

This!

What is the situation?

“Hehe.” Liu Lang felt like eating an ice cream on a hot day, and he swept the audience from scratch, and he smiled, “Hey brothers, please wipe your saliva. Brother and wife, don’t bully, If you look around so brazenly, do n’t blame me for cursing. “

Brother wife ...

What the hell! This is too scary. Is it possible that this unattainable goddess is Liu Lang ...

Isn’t it?

Everyone’s eyes were horrified, full of incredible colors. Everyone knows Liu Lang, these two goods, wouldn’t it be to pack a peripheral girl to pretend to be a girlfriend?

Right or wrong, this woman’s image is higher than the first-line actress, and she can never be a peripheral woman.

Everyone glanced at Liu Lang’s eyes, full of shock and conviction.

“Cool!” Liu Lang cried secretly and did so much work, isn’t it just for this moment? Looking at the old classmates, the words “service” in capital letters on the face, Liu Lang was so happy that he was almost floating in the sky.

“Students, what are you doing silly, packing up and packing, check-in first.” Liu Lang waved his hand and said with a smile, “I have already arranged the room, one by one, check-in, we will You can get up straight, everyone is an old classmate, and you can play more freely. “

“Long brother, good job.”

“Long Brother, I’m brave enough.”

In a compliment, Liu Lang just felt like he was standing at the pinnacle of his life, and was so happy that he was in the bones.

Several girls fell behind, and two of them surrounded a girl with a weak face, flattering and said: “Xiaowei Xiaowei, I heard that you have a good relationship with their 302 bedroom. I will accompany us to find it later. Liu Lang said hello. Well, why did n’t I see it before? This Liu Lang turned out to be such a bullish potential stock? “

“Lily, haven’t you seen that Liu Lang already has a girlfriend? I don’t know how many times stronger than you.”

“Xiaomei, don’t you understand? What’s the matter with a beautiful girlfriend, this man, there is no stealing. The overall taste of that mountain and seafood will always get tired. When the time comes, we will Growing small seafood porridge will be useful. “

“Lily, why are you so shameless?”

“Shame, how much is the shame worth? We have friends for four years, and the old lady will not believe it.”

At this moment, a 28-inch old bicycle creaked into the hotel. Xiao Wei, who had been silent for a long time, suddenly turned pale.

The Domestic Hero - Chapter 532

“Squeak!”

The 28th parallel bar stopped in front of several female classmates. Wang Yan stepped on the ground with his feet obliquely supporting the bicycle, and greeted with a smile and said, “Hello

ladies, how are you, Wei, eh? Isn't this Tingting?" ? I have n't seen you in a long time. How do you seem to be a little unhappy? "

At this time, when Wang Yan saw Xiaowei again, he was able to calmly deal with it. As for Tingting, the name is Gu Tingting, that is Xiaowei's roommate and girlfriend. Wang Yan was in love with Xiaowei before, but he did not deal with Tingting.

"Wang Yan, hello, I haven't seen you for a long time." Gu Tingting's mood was a little low, but he still managed to squeeze out a smile. "Sure enough, like the classmates, you have become so handsome that you can't recognize you anymore. "

Xiaowei lowered her head and said hello, Wang Yan.

But he dare not look at him more.

In addition, Lily and Xiaomei seem to have faded the adolescence of their school days. They are very fashionable in dress and dress, and they already have a distinct mature female atmosphere.

They glanced at each other, and then looked at the shabby twenty-eight bars and the ordinary clothes on him, and slightly mocked Wang Yan's tone: "Yo, isn't this Wang Yan handsome boy?" It 's a lot more handsome, but unfortunately, can handsome be eaten? You talk slowly, we 're going to check in first. "

After talking about his hair, he dragged his suitcase and walked to the hotel lobby.

Wang Yan's expression was slightly stunned. He always had nothing to do with the two female classmates, nor offended them? This complexion seems to be a bit inexplicable?

"Wang Yan, don't pay attention to them. They are the kind of women who tend to be inflamed." Gu Tingting comforted Wang Yan and said, "We are still young, even if we fall, we will stand again sooner or later. Get up. "

Wrestling?

Wang Yan was a bit stunned. What is the situation?

Last night, he was in his villa. Because of the short distance, and because the Land Rover was found to be borrowed by Lang Brothers, he came on an artifact-grade bicycle.

Are they not superficial to this extent? With this bike, you think you fell into a fight and lost your power?

Just when Wang Yan was embarrassed, Xiaowei bit her lip and bravely courageously said, “I believe you, you are not that kind of person, and will definitely stand up again.”

“Wait, what kind of person am I?” Wang Yan touched his nose, crying and laughing. Depending on the situation, it seems that it is not that simple.

Gu Tingting sighed and said: “Wang Yan, you don’t have to hide everyone. Now the classmates are spreading, because your style is wrong, you have been expelled from the unit, and you can’t get mixed in Huahai City. A big film and television industry can’t even take the road of acting.”

Incorrect style! Fired by the unit? Can’t get mixed in Huahai?

“Snapped!”

Wang Yan slapped his forehead. Why don’t I know such a big thing? In addition, what is the blockade of the performing arts? When are you going to enter the acting world ...

“Okay, okay, before you were so poor, you looked average, and our family Xiaowei didn’t bother you.” Gu Tingting glared. “Don’t look like a bitter gourd. The man’s husband should cheer up. Don’t stay here. There is a place to stay, look at it, my sister is optimistic about your comeback.”

“Wait! I’ll make a phone call ...” Wang Yan looked inexplicably. After a phone call, Liu Lang got it in two times. “Hey, I said Lang Brother, can you tell me what happened?” ?”

“Pharaoh, you wait.”

Liu Lang seemed to take the phone and ran out for a while, and then lowered his voice and smiled and said, “Lao Wang, you are now an arrogant person. The unit has already declared to you the top

ten outstanding young people in the world. The things on the board. You are always a figure in the sky, a classmate gathering, you have a large number of adults, don't grab the limelight with me. "

You're a girl, Wang Yan can't help crying, but when will I be ready?

At this stage of development, Wang Yan could not have predicted that it was a trick made by Lang Brothers. It's just that your brother Lang wants to be in the limelight, there is no need to send me to the pit of death?

You fooled me to a classmate's party and deliberately played a trick where red flowers need green leaves?

"Lao Wang, don't be angry. Your brother Lang has been suffering for a whole life, and finally he has come to the fore. He just thought about the scenery in front of the old classmates, and he didn't have any bad thoughts." Liu Lang was quiet on the phone. He pleaded and said, "You think about it, when you were in college, you were both in pairs, and pity I could only go to the hair salon and take a sauna. This is my heart knot, my liver stabs. In time, maybe Will evolve into a demon and affect my impact on land immortals. Is n't our country losing too much? "

You are a soul.

Wang Yan sweated on his forehead, so are you still going to land fairy? Think too much, think too far?

Come on, Wang Yan is too lazy to care about him. Anyway, with this classmate gathering, Wang Yan also intends to be low-key and low-key, so he will gather with some of his better brothers.

If you are pitted, be pitted, so that you can be more clean.

After hanging up the phone, Gu Tingting specially took out his phone and searched for the words "Danghu male god": "Well, you look at it yourself. Don't admit it, isn't it just to fall into a fight? Is there any embarrassment to admit . You mix well, we bless you, you do not mix well, and we will not despise you. "

Wang Yan glanced at the phone, which showed that according to national laws and regulations, the search results were not displayed. Eh, it is estimated that the National African Affairs Bureau banned some information about itself and searched for a treatment with some sexual terms.

Ok, okay, although it was just pitted. But Gu Tingting's words made Wang Yan's heart warm. At least, she was thinking of some old feelings, not climbing up and down.

"You, you, have encountered difficulties, and don't call your old classmates." Gu Tingting gave Wang Yan a glance and said, "And Xiaowei, she and I didn't plan to come this time at the classmate party. Yes, but after hearing about yours, you have to drag me together."

"Well, thank you two beautiful women for encouraging them." Wang Yan said with a dry nose, "Go and check in." He locked the bicycle and helped the two beautiful women pull their luggage into the hotel lobby.

When several familiar roommates saw Wang Yan, they ran over to all kinds of comfort and encouragement, but it made Wang Yan feel quite ironed, even if he was really bad, some brothers' feelings were still very simple.

However, after spreading Wang Yan's "unlucky" incident, some snobbish students pretended not to see him and greeted each other without calling one. On the contrary, Liu Lang, the best-selling local magnate, talked and laughed and talked about the interesting things in the school and the "old days" sentiments.

Ok, okay, Wang Yan has to admit that the world is still very realistic, and the influential people are indispensable. Everyone was a classmate at first, and the society changed after two years of hard work.

Wang Yan ignored them, placed the two beauties and waited a moment, then took their ID cards to register, and directly helped them get two sets of senior suites. Money, of course, is remembered by Liu Lang, who made him like it so much.

As for myself, I lived close to home, so I went back to live at night.

Unexpectedly, when Wang Yan was about to leave the front desk.

The former Lily stopped Wang Yan with a bad look and said, "Wang Yan, why do you want Gu Tingting and Xiao Wei to get two senior suites?"

Afterwards, Xiaomei quickly pulled Liu Lang over and coquettishly said: “Lang Brother Lang Brother, this is too much of Wang Yan. He helped others to get two senior suites and hanged your account. Isn’t this a clear bullying? ? “

Liu Lang was slightly stunned, a drop of cold sweat. Xiaomei, are you trying to kill me? Pharaoh don’t say to hang up two senior suites, even if he wraps up the whole hotel, and then hangs him on Liu Lang’s account, he will not put a half fart.

As soon as there was a stir, everyone’s attention was focused.

“It’s okay, Pharaoh wants to hang as much as he wants.” Liu Lang was sullen and wiped his forehead with cold sweat. “He is my own brother and can do anything.”

“Huh, Brother Lang. I’m afraid you treat people as brothers, but others don’t treat you as a brother.” Lily fanned the flames, “You want to be lenient, pay for yourself, and take our Lang Brother’s money to borrow flowers to offer Buddha Ability? “

“Enough!” Liu Lang was a little bit angry. “This matter ends here. If you two are willing, you will also open a suite and hang my account.”

“Longge’s pride.”

“Langge domineering.”

The two girls ran away to change rooms, but the defendant no longer had a senior suite, and then ran back to spoil Liu Lang, “Lang brother, you have to decide for us. Why do they live in the suite, We live in a standard room? Is n’t this a revolutionary friendship between classmates. Your brother is just slapping you. “

Gu Tingting and Xiao Wei also got together, and upon seeing this, they understood that Lily and Xiaomei were preparing to use Wang Yan as a cannonball, and then took the opportunity to narrow the relationship with Liu Lang.

“Okay, don’t you whisper.” Gu Tingting frowned. “You want to live in a suite, we will give it to you. I don’t want to embarrass Wang Yan here, Wang Yan and Liu Lang are roommates, good buddies.”

“Yo, Tingting, what are you talking about?” Lily hugged her hands and sneered. “If he is a good brother, why would he squander the money of a good brother? Whose money is not caused by the wind.”

Xiaomei also said ecstatically: “Gu Tingting, I heard that you climbed the dragon and attached the phoenix, and climbed a wealthy young master. The result was that you were eaten and wiped away. You are shameful, really shameful. You still have a face Attending classmates’ meetings, he also instructed Wang Yan to use his brother’s feelings to help you find a suite.”

“You ...” Gu Tingting looked pale and white, raising her hand, but hesitated, after all, she didn’t really do it.

Wang Yan frowned, but when he wanted to speak, he saw a tall woman a few meters behind Liu Lang. With her breath, Wang Yan vaguely felt a little familiar, but she couldn’t recognize the woman.

At the same time, the other party’s eyes also looked to Wang Yan.

In the eyes of the glamorous woman, there seemed to be a faint hint of anger, passing by.

...

The Domestic Hero - Chapter 533

“what?”

Wang Yan’s heart was slightly surprised, did he remember it wrong? The woman, with her breath and face, was a little familiar. He always felt that he had seen it.

At the same time, Liu Lang pulled Xiaomei and Lily aside with a straight face, whispering and not knowing what to say, coaxing them into a brow and smiling, even Hulang brother, you are a good talker.

Liu Lang patted his chest, looking like a grandpa with little things.

And Wang Yan's side.

"Huh, you dead guy. I almost got into a fight with those two women to help you." Gu Tingting saw Wang Yan looking at the beautiful woman, pinched his arm and said, "You're good, you have leisure. Look at the beautiful woman."

"Hi ~ Tingting, you are so dexterous, when did you learn to pinch people?" Wang Yan withdrew his eyes and said with a smile, "I just think she is familiar, as if I have seen it before, I just looked a few more times."

As for the two female classmates who are sloppy, he is not angry. He has experienced more things, and he has also matured in many aspects. Where can he get angry casually?

"Then, that's Liu, Liu Lang's girlfriend." Xiao Wei whispered slightly in her face.

girlfriend? Long Brother's?

Wang Yan choked with air, and he was really drunk. Actually, she really brought a big beauty to come to the school party. This kind of compulsion makes him quite worried.

But the woman was n't like a girl from the shampoo room or the casual list. Very beautiful, very temperament ...

"Why? Envy, jealousy and hate?" Gu Tingting glanced at Wang Yan angrily and said, "Goddess of that level, don't take it out of your reach. Even if you can reach it, I advise you not to recruit. I personally think that if you want to live at home, you have to have Xiaowei in our family."

Xiaowei blushed suddenly, turned her head down.

"I think you can do it too." Wang Yan smiled. "I heard that you have just been abandoned, and I have reached the bottom of my life. Otherwise, if we both have LOSER, we can live together and live together, so as not to go Blame others."

“Yeah, Pharaoh, you’ve been out here for a few years now, and you’ve become slick, no one is doing right now.” Gu Tingting stared at Xing’s eyes and said angrily, “Although Miss Ben is falling in love, it’s because the other party has no vision, you But the rumored style was expelled, and you will be compared to you, Miss Ms. Ben. “

“Well, why bother to hurt each other if they are the same people in the world?” Wang Yan looked innocently wronged. “My style is not correct, but I can still look alive.”

“Xiaowei, this guy is bad at school, you have to hide away from him.” Gu Tingting dragged the suitcase and said, “Lest you little white rabbit, be taken away by this big bad wolf.” Now. “

“Huh.” Xiaowei lowered her head and responded gently.

Afterwards, the two girls flew away, got on the elevator and settled in the room, leaving Wang Yan alone in the hall.

“Lao Wang.” Liu Lang sent Lily and Xiaomei somehow. Hippie smiled together and said, “It really made you wronged. After this, we will pick the place in Huahai City, I invite you.” During the speech, he also patted his chest.

“Come on.” Wang Yan glared at Liu Lang angrily, and then looked at Shen Mengting, who was independent in the crowd, and whispered, “Lang Brother, I don’t know where you provoke the beauty from. But, you have to be careful. That woman, I seem to smell a dangerous smell. “

Disgusting and disgusting, but Wang Yan is still very concerned about Liu Lang.

“Relax, I have a few.” Liu Lang smiled indifferently. “However, your brother-in-law is not polite, you have to hide from her. Although your kid’s temperament is a little worse than me, it is still a bit charming.”

“roll!”

Wang Yan said contemptuously, this person’s shamelessness has exceeded the limit of humanity.

Then Liu Lang went fart.

After that, Wang Yan ordered a cup of coffee in the lounge area and drank slowly. After a while, several roommates from the previous university came downstairs.

The brothers drink coffee together, talk about the interesting things of the past, and make fun of each other.

But it also reminded Wang Yan of the long-lasting memory of Feng Chen. The young years of the green onions are as deep as the brand in the core memory area of the brain, and will never be forgotten.

Time passed quickly, and it was time for lunch.

The location of the lunch was selected by Liu Lang in the “Chi Wei Lou”.

Speaking of Zhiweilou, Wang Yan remembered the scene with Zhou Zhiyi, Shen Mengting and others eating dinner in Zhiweilou. At the beginning of the meal, everyone had a good time. It was just that things were impermanent, and Wang Yan and Shen Mengting turned their backs and finally staged a life-and-death fight on Danghu.

“Ugh!”

Wang Yan sighed, and didn't know why Shen Mengting, such an excellent woman, would go down the blood angel's path. In fact, even if the blood angel is not necessarily evil, it can be a good life by registering and making a book with the National African Bureau. But in order to speed up her cultivation, she even hunted sacrifices, which violated the law and could not allow her.

Under the guidance of Liu Lang, a group of dozens of people walked through ancient streets and alleys, walked through several stone arch bridges, and reached the “Zhiwei Tower” standing in the heart of the lake.

The exquisitely built “Zhiwei Building” is well known. Even in the low season, business is very hot.

The wooden carp of a red carp hanging on Zhiwei Building is vivid and vivid, which attracts students to watch and take photos together. A beautiful waitress dressed in ancient costumes

whispered the story of Miss Zhou's mistress and Danghu Lake gods, and traversed stories for hundreds of years.

Her voice is very beautiful, and the story is artistically beautiful enough to make everyone feel sad and sad.

Seeing the students so excited and immersed in the story, Wang Yan remembered Brother Li Hualong who had not seen him for a long time. He took out his phone, swiped WeChat, and asked Li Hualong: "Brother, where is it? These two days I was in the lake and I had time to drink together."

Just a few seconds later, Li Hualong sent back a message: "I and Chimei are playing in the United States. After returning home, I will ask you to drink together."

These are photos of him playing with Huo Chimei in the United States. The male figure is burly, and the female fiery red enchanting is quite suitable.

Uh.....

Wang Yan remembered it, Huo Chimei, that huge red snake. A horn has been made on his head, and he is moving towards Jiaolong.

"Well, then you play well ..." Wang Yan replied helplessly. I thought that this year, the honest carp essence will play like this.

If the female classmates who were listening to the story and had some tears in their tears, and weeping for the carp spirits who were waiting hard, learned of this news, they might be disturbed by their jaws.

Sure enough, the legends are deceptive after beautification.

After some emotion, the crowd bustled upstairs. On the fourth floor, Liu Lang opened a total of five tables.

Of course, Wang Yan had a table with the brothers in the 302 bedroom, including Liu Lang's mysterious girlfriend. Seeing this, Gu Tingting dragged Xiaowei to rub the table together.

Everyone was familiar before, so it was reasonable to sit down like this.

But at this time, Lily and Xiaomei both rubbed at this table, and were particularly close to Liu Lang. A bitter brother, called very affectionate.

Liu Lang was also quite intoxicated in this atmosphere, and didn't even want to drive them away.

Ok.

Wang Yan touched his nose, and wanted to drink and drink with his brothers. This is good ...

In the noisy and noisy atmosphere, a series of exquisite and delicious lake fresh came on stage, and the fresh taste was elegant. The hot rice wine is mellow and long.

“The trip of this class meeting is three days. Anyway, you don't need to drive, and everyone opened up.” Liu Lang looked like a big money, and everyone began to make a noise. “Brothers and sisters haven't seen each other for a long time. Toast.”

For a time, the plan was staggered, and the atmosphere soon became lively.

Lily and Xiaomei seemed to see that the mysterious woman and Liu Lang were quite cold and even more energetic. They toasted Liu Lang with their heads away from each other, their voices became more and more greasy, and their small movements became more and more exaggerated.

Wang Yan looked speechless.

Even if you want to seduce the big money, trouble you a little reserved. Or find a place where no one is around and love it.

In this way, the wine can't be drunk.

Wang Yan simply put the glass aside and asked the waiter for a cup of tea. Wait for the brothers to be called out to eat supper together at night.

However, the tree was still and the wind was still there. Lily and Xiaomei saw each other and picked up the glasses and said, “Wang Yan, today our brother Lang invited us to talk about drinking. You drink tea and do n’t drink, yes. Isn’t it too shameless? Come and come, we will give you a drink for Brother Lang. “

“I have a bad stomach, just drink tea.” Wang Yan lifted the tea lightly, “Replace the bar with tea.”

“Yeah. You said tea was used instead of wine, grandma, I have been holding you back for a long time.” Lily said, staring at Mei Mei. “Aren’t you just relying on the friendship with Brother Lang? That’s us There are a lot of Langge adults, and they do n’t care about you. ”

“That’s right, Brother Lang, your brother is too pretended, and he obviously doesn’t give you a face.” Xiaomei also spurned aside, “Some of our brothers can make it, some don’t know what to say, obviously they have no ability, If you pretend to be like a guy who likes to take advantage of a small price, you have to scold, you do n’t have to give him a color, and you start a dye shop. “

“Shut up, you say a few words, everyone is a classmate.” Liu Lang frowned, a little uncomfortable, “Lao Wang is my brother who inserted the knife.”

“Yes, Brother Lang, you have the final say.” The two women sat in anger, each throwing their eyes at Wang Yan.

The entire large private room was silent for this reason. Some people look at Wang Yan’s gloomy eyes, while others have sympathetic eyes.

This is really cool, and everyone pushes the wall down.

Gu Tingting poked the glass, when he just wanted to talk. The box door was opened, and under the guidance of the waiter, a group of people came in.

Each of them has an aura that has long occupied a high position. At first glance, they are characters who are either rich or expensive.

...

## The Domestic Hero - Chapter 534

Although all the people present were young people, but after graduating for more than two years, after some hardening in society, there will be some vision.

The few who came in were middle-aged men, but they were not only dressed up but also imposing. They were obviously not low-level figures in society. Two of them have sharp eyes, as if they can see through the heart.

For a time, the box was quieter, and many people were inexplicable and panicked. Is it possible that everyone just talked about drinking too loudly and disturbed others, and others came to the door to settle the accounts?

If you switch to the student era, it is the time when you are full of flesh and blood, most of you will not be afraid. But after two years of contact with the society, I realized many things. If I use the stunned way to deal with it, it will only cause bad luck.

Just when everyone was silent and nervous, a man with a sharp face and sharp eyes suddenly smirked and hurriedly walked to the table of Liu Lang. His voice was hearty: "It really is you, the waiter told me just now I still do n't believe it. Come, waiter, help us get our wine. "

He seemed to change his face very well. The first second was still awe-inspiring, and the next second became affable, and there was still a flattering taste between the eyebrows.

"Hoo ~"

All the students in the big box secretly relieved themselves. It turned out not to be troublesome, but it seems to be flattering.

Everyone's eyes were on Liu Lang.

Among the classmates on the scene, it seems that only he is qualified to toast the big man who looks like a good prospect. The eyes that looked at Liu Lang one by one were filled with a word, "Serve!"

Unexpectedly, the man with the Guozi face had not walked halfway, and was stopped by another middle-aged man with his hands on his hips, smiling: "Liu Baomin, even if he wants to toast, he has to pay attention to his age. ? Why are you so anxious? Come back to me. "

Several people around the middle-aged man also laughed: "Director Liu, you're going to have to eat some heads this time.

Guozi stopped his pace and said with a smile: "It's extremely, very extremely. I saw my old friend. It was too anxious. I will fine a few more glasses later." Carefully poured a glass and handed it to the middle-aged man, "Secretary Wu, please first."

The students in the whole private room were in a hurry. Is this Guozi face a director? This year, even the Director of the Environmental Protection Bureau is very bullish.

What's more, that Secretary Wu's status seems to be even higher?

The guy in Liu Lang seems to be better than expected, taller. Many people looked at Liu Lang's eyes, not just a word, but a bit more flattering.

Then Secretary Wu took a glass of white wine and walked to Liu Lang's table with a smile on his face. The rest, including Director Liu, were all accompanied.

Lily and Xiaomei both flushed excitedly.

Langge's status seems to far exceed their imagination. Is it possible that the guy from Lang Brothers is a famous family? In those years of low-key in school, just to cover up identity?

Probably, very likely! Otherwise, how could a young man of this year climb so high?

For a time, their hearts were filled with annoyance.

I knew that Lang Brother was not only a potential stock, but also a golden golden phoenix. When I was in school, I should talk to him and fall in love with him.

But now, it seems not too late. Although his girlfriend looks beautiful, her temperament is also outstanding. But the relationship with Langge was cold, and it seemed that the relationship could easily be torn apart.

Their rippling up, like a blooming delicate flower in full bloom, each holding a crispy ~ chest, showing a flavor. Must give Lang Brother a face-saving, as long as he has a face-saving, everything is logical.

In their minds, several schemes have been transferred in an instant, how to help Langge communicate with the hostess.

The most inexplicable is Liu Lang.

He didn't know any of these people. Undoubtedly, they heard that they are the young masters of "Xuan Zong Zong"? Or it has something to do with the National African Bureau! ?

However, Liu Lang still enjoys the admiration and admiration of his classmates. This made him a little flirtatious. At that time, he was rejected by various schools, and the feeling of indifference turned upside down.

"Wu, Secretary Wu."

The group of middle-aged men, Secretary Wu, had come to the table. Lily stood up with a glass of yellow wine, and she smiled very charmingly and very charmingly. "Thank you for toasting. I will thank you first for Lang Lang."

Seeing this, Xiaomei was in a hurry. Well, this chance to please Liu Lang and show his face was taken away by Lily's demon.

She hurriedly stood up with a smile: "Classmates, how rude is it for everyone to sit down? We would like to thank Secretary Wu and Secretary Liu for your behalf."

At her call, almost all the students in the big box stood up one after another.

Even Wang Yan smiled, holding a tea cup and preparing to stand up. Although he is not very willing to deal with these official people, but at least people come to toast, it must be rude.

But Gu Tingting seemed to be very stiff, tug on Wang Yan, grab on Xiaowei, and let them stand up, and then swept the audience with a disdainful look, and his face was a little uncomfortable.

The middle-aged man's expression of laughter was a bit stunned. He looked at the two, and then looked at the classmates who had all stood up, and Wang Yan, who had not stood up, and three others.

Long brother? Who is Langge?

"Tingting, isn't this right?" Xiaowei struggled slightly, hesitating a little, "People are here to toast, it's not polite."

"Xiaowei, people come to Jinglang Brother, what's the matter with us?" Gu Tingting sneered, eating with a piece of fish beautifully, "Wang Yan, we two LOSER, can't catch their pulse, simply. Just entertain yourself. "

Obviously, she was very unhappy about Lily and Xiaomei and directed against Wang Yan. They don't give face, why should she ask Gu Tingting to give face?

"You! Gu Tingting!" Lily and Xiaomei were very angry, originally a good communication atmosphere, but she was completely destroyed. Did n't you see those guests who came to toast, their faces became weird?

"What's wrong with me?" Gu Tingting said with a sneer. "Just allow you to sneer at Wang Yan? After being humiliated, we have to kneel and lick you with a smile on your face? Lily, Xiaomei, don't say you haven't climbed yet Go to Liu Lang. Even if you climb up, can you still manage to be a bit of a fart? "

Lily and Xiaomei were dizzy each other, so they didn't die. Obviously, it is a good opportunity to express merit, and to be able to have a further relationship with Liu Lang, and it can also have a profound impact on the high-ranking senior officials.

However, now, this was caused by Gu Tingting, and the scene was smashed. Shameful, it is really shameful, they have strangled her heart.

The atmosphere was silent for a while.

“Oh, you, it was such a stinky and hard straight temper in the university before.” Wang Yan shook his head and smiled as he rounded the field. “Why have you polished in the society for so long, and you haven’t learned well? Anyway, People are here to toast and guests, can we lose our temper in front of the guests? “

With that, Wang Yan stood up smilingly, holding a teacup and said, “Secretary Wu, Director Liu, and everyone, thank you for toasting your face. I don’t drink today, I’ll replace it with tea.”

Gu Tingting gave Wang Yan a dissatisfied glance and whispered, “You’re good-tempered and good at it. People humiliate you so much, you can still cooperate with a smile.”

But she also gave Wang Yan a face, since he said so. Although she was still angry, she pulled La Xiaowei and stood up with her tea cup in place, ready to take her breath away temporarily, not wanting to make things too rigid.

As the saying goes, the tree is quiet and the wind lingers. She is preparing for a truce, but others are not doing it.

Lily blushed and sneered with a sneer and mocked, “Wang Yan, Gu Tingting, what do you mean? What is the identity of Secretary Wu and Director Liu? They came to toast in person, it was to give us face. To replace wine with tea Also you can come up with it? “

Secretary Wu, Director Liu, and a few of them are old seas and lakes. For a while, the exercises basically saw the problem, frowned, and looked at each other.

“It’s okay, it’s the same if you don’t drink, and you use tea instead of wine.” Director Liu wiped his sweat and grinned slightly.

This Director Liu was naturally Liu Baomin, the former director of the Danghu Police Station. Now he has been promoted to deputy director of the Public Security Bureau, but he dare not dare to be bigger in front of Wang Yan.

Not to mention that Wang Yan replaced tea with wine. Even if he was holding a bowl of boiled water, Liu Baomin would also be happy to get white wine with him.

“Wang Yan, look at the level of Director Liu’s family? Just like your stunned youth who just came out of the campus, I only know about rampage, no wonder, hehe ...” Xiaomei turned and smiled, “Secretary Wu, Director Liu, everybody is good. My name is Xiaomei and I am Liu Lang ’s classmate. Let him give you a drink first. “

With that, she sipped the yellow wine from the glass. It seemed to drink too quickly and choked his throat. But she gritted her teeth to stop her cough, and still put on a smile.

Lily did not want to be outdone, and hurriedly showed a drink.

Just as they stared at the group of middle-aged people, ready to wait for their response.

But Secretary Wu laughed, and walked quickly to Wang Yan with a glass of wine, and said with a hearty smile: “Xiao Yan, today my old Wu will hold a big one and call you Xiao Yan.”

Seeing that Wang Yan had no objection, he smiled more happily, “Xiao Yan, why don’t you go home and hold a classmate’s meeting, and don’t notify me of the old Wu? Secretary of the Committee, I can’t help you very much. But I can at least send some special police to help you maintain order. “

what! ?

The whole audience was shocked. Was Secretary Wu actually a secretary of the Political and Legal Committee? Still in front of Wang Yan, claiming to be Old Wu? Do not hesitate to use public power for private use, help his classmates use special police to maintain order?

God, what’s the situation? Is it too exaggerated?

For a time, many people’s brains were dizzy and could not turn.

The Domestic Hero - Chapter 535

“Secretary Wu is polite, and your lord is safe and has a heavy responsibility. How can we have a small classmate get together and trouble you?” Wang Yan smiled and said, holding a tea cup, “I use tea instead of wine, respect You have a drink. “

After all, Wang Yan took a sip of tea.

“Good.” Secretary Wu, with great old comfort, sipped out a glass of white wine, and said with a smile, “Xiao Yan, you and I are all ourselves, there is nothing troublesome or troublesome.”

He said, he poured another glass of wine, and smiled and said: “Everyone is Xiao Yan’s classmate? I welcome everyone to come to the lake and have fun. Anything in the future, please come to me at any time, and I respect you A glass. “

Wang Yan ’s classmates were still in a state of extreme shock. They raised a glass together and drank together.

The most shocking is Lily and Xiaomei. Their expressions are like they have just been struck by thunder. They are silly, shaky, crumbling, and there is a roar in their heads, which has become a paste.

This is impossible! This is impossible!

Wang Yan, an unlucky man, how could the safe chief of the public security bureau come to toast actively?

“Everyone is drinking and having fun. My old man will not disturb your young people.” Wu Shuji smiled and waved his hands. Finally, his eyes fell on Lily and Xiaomei, and they didn’t talk much, just smiled and shook their heads. .

Then he said goodbye and walked to the door of the private room.

Afterwards, Director Liu Baomin and Liu also toasted, and after a few words of confusion with Wang Yan, they left consciously. The others did not dare to honor Wang Yan alone, and after a joint tribute, they took the initiative to withdraw.

Everything happened in just a few minutes.

But everyone has been frightened by this peak circulation.

Especially Lily and Xiaomei, although those people did not take the initiative to blame them, the look before leaving was clearly a kind of sarcasm, just like watching a pair of mentally idiot.

They just felt like their faces were on fire, burning hot, standing there innocently. They felt the eyes from the students, scorn, ridicule, sneer.

Those eyes pierced their faces and hearts like a thorn. They were so embarrassed that they could not find a hole in the ground.

“Cough ~”

Gu Tingting smiled and opened her mouth, squinting at Lily and Xiaomei, her tone mockingly said: “Two big beauties, say, you can continue to speak as you please. Yo, you will blush again? I thought you I do n’t know how to write the word bashful. “

“Tingting, forget it, everyone is a classmate.” Xiaowei pulled her sleeve and said softly, “Don’t worry about them too much.”

“Xiaowei, you are soft-hearted.” Gu Tingting flirted at her and turned to Lili Xiaomei.

“Unfortunately, some people only regard your kindness as a shame. This year, greed Vanity is nothing. If you want to climb higher, we also understand. But you want to step on someone else’s height, what’s the matter? “

“Humph!”

After Lili and Xiaomei’s faces were hot, they were a little bit angry and became angry. “Gu Tingting, you rarely buckle your hat here. We just don’t see Wang Yan bullying Liu Lang. Besides, everyone can play, and everyone can play. .Wang Yan, your family, just casually got a few mass actors to walk around, really thought he was awesome? Now in this turbulent lake, hundreds of group plays can be found anytime, anywhere. Do n’t say let them act Secretary, even if you pretend to be an emperor, you pretend to be like it. “

“Actor? Pouting, Wang Yan, he kept quiet and quiet from beginning to end, is he the one?” Gu Tingting said contemptuously, “I think you two have lost heart and are crazy.”

“Okay, Tingting. Everyone is old classmates, and I haven’t seen each other for many years.” Wang Yan smiled and said, “I think it’s all trivial, don’t worry too much. The purpose of everyone getting together is to tell the old, Happy. Let ’s not disturb the interest of other students for a trivial matter.”

“Well, I’m too lazy to worry about them.” Gu Tingting raised their glasses and said, “Classmates, toast for our friendship for a long time.”

“Cheers!”

The atmosphere warmed up at once. The embarrassment just now seemed to be swept away. Everyone started to eat and drink again, co-strategizing, exchanged feelings with each other, and made jokes.

“Lao Wang, I think it’s rare to pretend to be one, but unfortunately, it will disturb you.” Liu Lang was thick-skinned anyway and took a bottle of wine to drink with Wang Yan.

“I didn’t do anything, blame me?” Wang Yan looked innocent. “I neither show off my wealth nor pretend to be poor.”

“This is even more abominable.” Liu Lang said disgustingly to Wang Yan, “I blame me when I said it, and I considered that the lake is near your house and the environment is good. I forgot that you are a ground snake here ... I It’s like the typical villain in the novel, dressed up, you will be pretended to be a face. “

“I also think he is abhorrent.” Gu Tingting stared at Wang Yan fiercely, “I thought he was really out of luck, and comforted him for a long time. Are you really an old lady thinking about it?”

“Okay, okay, this thing is my fault.” Wang Yan smiled bitterly, poured the tea, and exchanged a cup of warm rice wine, said, “Ting Ting, thank you for your righteous speech, help each other, I respect you A glass. “

Gu Tingting just smiled and said with a smile: “Because you have a conscience, so many leaders just came to honor your wine, you have dealt with tea instead of wine. Now you drink with me, and

it is enough for your buddy. “Finally, as soon as she and Wang Yan touched the glass, they drank the wine in the glass and drank too fast, and a faint blush appeared on Qiao’s face.

Wang Yan also drank the wine and smiled and said, “Who makes us good buddies.”

Say it’s a buddy, I’m really not wrong. This Gu Tingting looks female, but the heart is very straightforward. At the beginning, Wang Yan and Xiao Wei got together, but she also helped a lot.

Speaking of, she has a good relationship with the entire 302 bedroom, especially with Wang Yan. Even when Wang Yan and Xiaowei are dating, she often works together as a light bulb.

After a few glasses of wine, Gu Tingting’s face was already ruddy, and she stared at Liu Lang with her eyes wide open: “Woggy man, old lady looks down on you. Just like you, even if men all over the world die, old lady would rather Gnawing cucumber for a lifetime. “

Have you eaten cucumber for a lifetime?

Wang Yan dripped cold sweat, how dare this girl really say anything?

“Good speaking, Gu Tingting, you are an outspoken female man.” Some brothers in the 302 bedroom also applauded.

The other students at the table also came in twos and threes, and ran over to toast.

“Acting, this must be acting.”

Lily and Xiaomei, seeing that everyone started to frustrate Wang Yan. And they have been completely left out. Even if they look at them, they are contemptuous, disdainful, and taunting.

Shame and indignation increased, and anger rushed to the heart. The two women jumped up again and shouted, “Don’t believe in Wang Yan, he must have designed a costume ~ forcing the game deliberately. I didn’t believe it. A secretary of the Political and Legal Committee even wanted to please him.” Well, Wang Yan , You pretend to be too much. “

Their voices were sharp and sharp, making the whole private room silent and attracting attention.

After a few seconds of silence, Gu Tingting slammed and took a severe shot on the table and said, “You two, it’s not over yet, right? Wang Yan doesn’t care about you, what do you want?”

“Gu Tingting, Xiaowei, Wang Yan’s ex-girlfriend, didn’t come out to hug, what qualifications do you have for arrogance?” Lili hugged her hands and mocked, “It’s impossible, you still want to be a good girlfriend’s pick-up man? Also right Now, the longer Wang Yan is, the more handsome he is, and even I am tempted. Unfortunately, he is so handsome that he can’t eat for dinner. “

“You!” Gu Tingting’s pretty face rose blushing, and she glanced at Wang Yan and Xiaowei in a panic. “I, I really don’t mean that, I just don’t see them bullying you like this.”

“It’s interesting, it’s not their business.” Wang Yan was too lazy to take care of them, and toasted, “They don’t care about me, they look down on me, and they won’t let me lose half of their hair. They love to call Let them go, we drink our wine. “

It was at this time.

The waiter opened the door of the private room again, and a middle-aged man with glasses and a Confucian business atmosphere walked in with a smile. He wore a simple dress, a elegant silk shirt with a string of beads in his hands.

His aura is different from that of Secretary Wu, but it is undoubtedly more powerful and eye-catching.

Wang Yan’s classmates were all attracted to him. After stunned, they whispered.

“This is ... I seem to have seen him in People Magazine, screaming, what is Zhou called?”

“Zhou Zhiyi! Yes, yes, they are famous overseas Chinese businessmen. I have also seen him in an interview with Chen Yu. Their Zhou family, known as the Rothschild family among overseas Chinese, have industry tentacles in every industry. , Every corner. “

“By the way, this Danghu Scenic Area was established by him and the government. I heard that this Guanhu Zhiwei Building came from his handwriting. I saw it in a TV interview last time.”

Zhou Zhiyi has become more and more famous now, and many students recognize him. For a time, the emotions were very exciting. Compared with those big stars, they admired successful businessmen with knowledge and culture more in their growth period.

But why did he come to this box? Is it also toast?

Sure enough, Zhou Zhi swept his eyes and fell on Wang Yan, carrying a wine bottle and walking over with a smile: “Xiao Yan, this is what you are doing wrong. Bringing my classmates to me for dinner, even more Booking by someone else’s name really looks down on my old Zhou. If Liu Baomin hadn’t reported the news just now, my old Zhou’s face would have been wiped out to you. When the Secretary of the Municipal Party Committee came, I had to make a good complaint. Come on, don’t say a word, you give Lao Zhou three fines! “

What the hell!

Everyone started to explode his scalp and his body became numb. Is this really a dream? Zhou Zhiyi, but a world-class celebrity gentry, he took the initiative to come over and toast.

Moreover, the secretary of the municipal party committee Tian said in his mouth? Is it that the city’s top leaders are also coming?

This is too funny, too incredible?

The Domestic Hero - Chapter 536

“Brother Zhou, you are too polite.” Wang Yan said with a helpless face. “It’s just that my classmates are together, how can you bother you.”

This time, Wang Yan really wanted to be low-key. Because everyone is a classmate, it becomes very restrictive if you fail.

“Xiao Yan, you’re getting a little bit of a word.” Zhou Zhiyi said with a smile, “If you come to your brother’s restaurant to eat and pay money, who do you think of Zhou Zhiyi? Waiter, let me know the foreman, The consumption of this box is fully accounted for by me. In addition, add a few more dishes and bring the eighteen-year-old Chen daughter red from Shitan. ”

“Yes, Mr. Zhou, I will do it now.” The waiter immediately went down to work with respect.

“Brother Zhou, don’t be so polite.” Wang Yan smiled bitterly. “Anyway, it’s also the Chinese New Year anyway. I’ll see you for New Year’s greetings. We will talk about old times.”

“Don’t change the subject. Three cups are fined before you speak. I know how much you drink.” Zhou Zhiyi said “arrogantly”. “My cup is with you.” He said, he drank his own wine.

“Walk around, I drink, I drink.” Wang Yan couldn’t help it. He took the yellow wine from another waiter.

After three consecutive cups of diarrhea, Zhou Zhiyi just pretended to be a little better, and drank one with Wang Yan.

Then Zhou Zhiyi one table toasted a cup and gave enough face.

Suddenly, a blond, very hot young woman appeared at the door of the box. She glanced inside.

When Zhou Zhiyi turned around to see her, his face was slightly stiff, and he smiled and said, “Xiao Yan, my old guy doesn’t have much time to gather with your young people. The partner asked me something and left.”

After saying hello, Zhou Zhiyi went out and left with the beautiful foreign woman.

“Oh, I didn’t expect Zhou Zhiyi, a famous Confucian merchant, whose taste was so unpretentious. It was really unexpected.” Liu Lang was amazed at the side, enviously said, “Not only the old cows eat tender grass, but also open the meat. . .”

“Shut up, Teacher Zhou is a cultured person.” Wang Yan said glaringly, “You think everyone is a virtue with you.”

“What’s wrong with cultural people? I’ve also read the good things about college. Among cultural people, except for a writer named Laoao who has the right nature and admires me, there is no one else.” Liu Lang said dissatisfiedly. In a word, he laughed instead, “But this week the teacher, the taste is still very good, this foreign girl needs to have a figure, a face, a face, \*\*\*\* ...”

“Snapped!”

Wang Yan bluntly chopped a chopstick on his head and said, “Shut up! With so many students here, can we not be so embarrassing?”

“OK, OK, you are the boss, you have the final say.” Liu Langan laughed twice.

During the speech, Gu Tingting pulled Xiaowei and began to bombard Lily and Xiaomei again, humming and sneering and said, “Actor, huh, huh, what else do you have to say now? You will not be stupid, Wang Yan has the ability to please Zhou Zhiyi come to act. You do n’t know Zhou Zhiyi without culture? You can search for it. “

Lily and Xiaomei’s faces were red and white, and they lost. Everything has been lost. I never imagined that Wang Yan did not lose his spirits, but instead mixed up stronger than they could imagine.

And they had tried their best to please Liu Lang, and they seemed to be very dissatisfied with them. Not only did they not help them, they also smiled hippie with Wang Yan. With ridiculous eyes, they stabbed them with depression, anger, regret, shame, and wished to find a hole in the ground.

At this time, the waiter brought up the eighteen-year-old daughter Chen Chen. At the same time, a middle-aged man with a straight suit and a pretentious manner walked in with a male secretary.

“Secretary Tian, why are you bothering to come by yourself?” Wang Yan touched his nose and greeted him with a smile. “I’m still searching for two days to visit your house.”

With that, Secretary Sun Zhaozhi, Secretary of Chaotian, nodded and said, “Senior Brother Sun.”

Sun Wise also smiled friendly to Wang Yan without much talk.

“Xiao Wang, don’t be fooled by your family’s old field.” Secretary Tian said with a smile. “I know you are a busy person now. It’s not easy to see all over the world. It’s not easy to see you once. This time I caught you. Drink two glasses. “

Sun Wise whispered to the side and said: “Secretary Tian, how about Xiao Wang’s classmates gathering ...”

“That’s right, too.” Secretary Tian said with a smile, “This is a gathering of your young people. I am an old guy, and I am afraid that I will be rejected. Whatever, Xiao Yan, you fined three glasses of wine. Uncovered. “

“Okay, okay, you are the secretary and the official of my parents. Everything is up to you.” Wang Yan smiled and said, “I also wish you every success and contribution to the people.”

With that said, when Wang Yan was just about to drink, he was caught by Gu Tingting. She smiled blushing and said in disappointment: “Secretary Tian, Wang Yan just drank several cups. You can let him punish him for three more cups. I’m afraid he can’t stand his stomach. Let me punish him instead.”

“Yo, Xiao Yan, is this pretty girl your girlfriend? Not only does she look pretty, but she also protects you very much.” Secretary Tian laughed heartily, “Look at the face of such a beautiful girl, Just punish you for a drink. Either of you can drink. “

“Teng”, Gu Tingting’s face instantly turned red to the base of the neck. Hurry to explain: “Tian, Secretary Tian, me, I am not Wang, Wang Yan’s girlfriend.”

“Oh, it doesn’t matter, if it’s interesting, it’s just everywhere.” Secretary Tian was affable at this time, there was no such thing as a shelf, and he joked, “I really envy you young people, You can squander your youth casually. “

“Secretary Tian laughed, let me drink it.” Wang Yan smiled and sipped out the wine in the glass.

“Okay, okay, the young people are really refreshed.” Secretary Tian held the glass again and supported Wang Yan. Every table gave a drink, pushing the atmosphere of this classmate’s party to the highest level.

Many people are very excited. They have n’t even had a drink with such high-level officials.

But Secretary Tian, Secretary Sun did not call anyone, but Secretary Sun pulled Wang Yan aside and whispered, “Xiao Yan, are there any of your classmates that you can see, do you want to help by the way? Old Brother in our province, there are still some connections. “

Wang Yan knows, knowing that Secretary Tian is selling his favors. It's just that it's not convenient for me to come forward and let Secretary Sun do the work.

After thinking about it, Wang Yan greeted him and said, "Huang Lang, Ting Ting, Xiao Wei, come over and send me to Secretary Tian."

Huang Lang is Wang Yan's roommate at 302, and everyone has a good time. Moreover, even if he knew that Wang Yan had fallen, he didn't dislike it at all, and he also encouraged Wang Yan to mix with him.

Wang Yan took them together, accompanied Secretary Sun and Secretary Tian to the outside.

This move has not been too deliberately evasive. Everyone has been debuting for two years, knowing that Wang Yan may want to use his connections to help his classmates. Since it caused a lot of people to envy and jealousy, they just wanted to help, but it was not enough.

I secretly regretted that when I was in college, I didn't find Wang Yan to be such a potential stock. If I knew it, I would have been stagnant. They were wondering in their hearts, now they have to use any way to frustrate Wang Yan.

The last regret is Lily and Xiaomei. If it wasn't for them to bet the wrong bet, to sympathize with Wang Yan's downcast at the beginning, and then that point ...

Now even if he asks for Wang Yan, he can have a brighter way.

Unfortunately, now they have offended Wang Yan. Even if he kneels and licks, Wang Yan will not take care of them.

After stepping out of the big box, Wang Yan deliberately fell a few steps later and whispered to Huang Lang: "Brother, last time I heard that you applied for a civil servant in the provincial capital, what happened?"

Huang Lang sighed and said: "I got good grades in the written test, ranking third. But I did not get good grades in the interview. Although I was admitted to the civil service, I was assigned to the environmental protection bureau in the district. The system develops slowly. "

Wang Yan looked a little uncomfortable in his face, and knew that he was not well in the environmental protection bureau. However, it is no wonder that the state unit said that it is good to mix, and if it is said to be difficult to mix, it is not easy to mix. Ability and background are indispensable.

He nodded, didn't say much, and then asked Gu Tingting, "What about you, I heard you entered the district committee team? Is the situation better?"

Gu Tingting changed her face and gritted her teeth and said, "That was entered by the ex-boyfriend's father. Now that we broke up, what's the situation like?"

"Oh." Wang Yan understood. He didn't ask Xiaowei afterwards, because he knew that Xiaowei worked in a branch of a Fortune 500 company and had already passed the internship period, and was considered a regular employee.

He sent Secretary Tian and Secretary Sun out of Zhiwei Building to the edge of the town. Then Secretary Sun took the initiative to call Wang Yan and others aside and said, "Xiao Yan, you first talk about the current situation of your classmates."

Wang Yan sincerely wanted to help, but it was also a piece of cake, so he said it honestly.

Secretary Sun pondered for a few seconds, he said with a smile: "Then you talk about, how do you want to arrange these students?"

Gu Tingting and Huang Lang on the side were dumbfounded, and they were considered to have been in the organization for some time, knowing some ways. Secretary Sun so straightforwardly asked Wang Yan how to arrange it, which was counterintuitive.

Is it true that Wang Yan really arranges what he wants? It's impossible, unless Secretary Tian will work hard. However, there is a big house in the world. Why should we help at no cost?

"Since Brother Sun said that, I'm welcome." Wang Yan smiled, and said very unwelcomely, "Huang Lang and Gu Tingting, I hope they have the opportunity to follow a good leader and work harder. In three or four years, I have the opportunity to become a township party secretary or something. "

“puff!”

Huang Lang sprayed directly and hurriedly took Wang Yan to say: “Brother, you are too exaggerated. How could there be such an embarrassing family secretary?”

“No embarrassment, no embarrassment.” Secretary Sun hurriedly said with a smile, “If the arrangement is a little bit, as long as you are able to perform well at the time, you can still do it. Xiao Yan, as such, I’m going to a county recently Long, if they want, they should first go with me to sharpen, that is, the conditions are not as good as the provincial capital, and it is more difficult. “

Huang Lang and Gu Tingting were dumbfounded. Is that okay? Is it too exaggerated? In one sentence, Wang Yan could manage things like this ... Gosh, he really has his hands on his eyes.

The Domestic Hero - Chapter 537

“This, this, is this true?” Huang Lang asked the glasses frame, swallowed and said consciously underwater.

Gu Tingting was also stunned and dragged Wang Yan’s arm and said, “Wang Yan Wang Yan, you pinch me? See if I’m doing it ... Ouch, it hurts, so you pinch you really pinch! “

“Oh, Brother Sun is doing things calmly. Since he dares to say this, he is a little sure.” Wang Yan chuckled a little. “Later, you will be Brother Sun. Remember to study with Brother Sun. , Remember to be down-to-earth and do things for the people. “

Helping these old classmates is a handy effort for Wang Yan now. Why can’t I help? Of course, he is not a gang. Like some people who are not worth helping, even if it is a relief, he is not willing to help.

Otherwise, those who provoke something will only drag Sun Wise into the water.

“Yes, yes, I will definitely learn to do things with Brother Sun.” Huang Lang shivered with excitement and said respectfully to Sun Wise, “Brother Sun, I will be yours in the future. If I were I do n’t understand. I’ve done the wrong thing. Despite the lesson, you have to fight and scold without any complaints. “

Gu Tingting was also excited, glanced at Wang Yan gratefully, then saluted Sun Wise and showed his loyalty.

They are all clear, knowing how difficult it is to find such a background in the officialdom that will cover them wholeheartedly. Moreover, although Wang Yan can lead them into the door and pave the way, in the future, he still has to hold it in his own hands and Sun Wise.

“Support each other, support each other in the future.” Sun Zhizhi also secretly breathed a sigh of relief. He was also afraid that Wang Yan would get two ignorant and unreliable people to come. Such people often cause him a lot of trouble.

And now it seems that Gu Tingting and Huang Lang are at least the ones who can handle it. Sun Zhizhi smiled, “When the classmates’ meeting is over, I invite you to drink, everyone knows each other.”

Huang Lang and Gu Tingting naturally nodded one after another, and it was really stupid that they wouldn’t go with the Tongtian Avenue in front of them. The road is very clear now. They are covered by Brother Sun Wise, and Brother Sun Wise has Secretary Tian on the background. As for who is Secretary Tian, they don’t know or need to know.

Both of them were full of surprises. In the sea of eunuchs, this situation called the standing team, and later the brand of Secretary Ueda’s faction. This is not a bad thing. Many people who are new to the system, even if they want to stand in line, have no chance.

And they still have this relationship with Wang Yan. It can be seen that Secretary Tian values Wang Yan very much, and even has the feeling that Secretary Tian has to rely on Wang Yan.

Kangzhuang Avenue, this is really a Kangzhuang Avenue.

At this point, things are basically settled. Wang Yan also said: “This is Xiaowei. Currently working in a Fortune 500 company, if Brother Sun has the opportunity, it will be one or two.”

“It’s easy to talk and talk.” Sun Zhizhi smiled kindly and gave Xiaowei a business card. “Student Xiaowei, you turn around and tell me the details, and then we look for ways and relationships.”

“Thank you Brother Sun.” Xiaowei nodded gratefully, then glanced at Wang Yan secretly.

“Okay, Xiao Yan, go back and get together with your classmates sooner.” Sun Zhizhi said to Wang Yan, squeezing his eyes, “Secretary Tian still has a meeting to host in the afternoon, and we will not be blind to your young people. . “

After talking, Sun Wise kept up with the former Secretary Tian, and everyone waved goodbye.

Then, Wang Yan and others went back to the box, and naturally they ate a lot. It's just different from the cold reception that Wang Yan received at the beginning. Nowadays, students from all walks of life are not familiar with them, and they all come around and talk about the past.

Although this is not the situation that Wang Yan likes, but how can the powerful A-level strong man be unstable for this matter? Instead, the visitors did not refuse and gave everyone a face.

The meal was only over two o'clock in the afternoon before it was declared over. During the period, people from all walks of life heard that Wang Yan was there, and the number of people who came to make a toast was countless. In the end, Wang Yan did not bother to let the waiter stand at the door of the box. After all he blocked the drive, it was considered a stable meal.

Singing K is inevitable when classmates get together.

Liu Lang had already made a reservation and was in the venue inside the hotel where he stayed. In this way, if you drink too much, you can still go directly to your room to sleep.

A ghost crying and a wolf howling, full of trouble until eight or nine in the evening.

Many male and female students, did not know whether they were really drunk or fake drunk, and returned to the room halfway. As for which room you returned to, it was your privacy.

This situation has always been a high-risk place for resurgence of old feelings, and it is a pair to break apart.

Wang Yan also sent Xiaowei and Gu Tingting back to the room. Unexpectedly, they got off the elevator on Xiaowei's floor. I saw a snow-white shadow swiftly rushing into the arms of Wang Yan, and then squeaked and spoiled.

This whole body is white, the tail is fluffy, the body is a little fat, and the little things that look cute, are naturally Wang Yan's pets, no, it is his wife Xiao Ferret. She squeaked and complained of grievances.

Then, her watery eyes stared at Xiaowei and Gu Tingting, seeming to be picky and hostile.

Squeak ~

The eldest brother was really bad, and sent the female classmate back to the room, it must have been a bad brain. Huh, these two girls are so sloppy, much worse than the beautiful Xiao Xue.

Well? This girl who looks very clever seems to be Xiao Wei, who has some unclear relationship with her big brother. Last time she was in distress on Huxin Island, I saw her once.

Huh, fortunately, Xiaoxue arrived in time, otherwise the elder brother and her might have to narrate old feelings.

Xiao Wei and Gu Tingting were startled, and then after looking closely at the image of Xiao Ferret, they were shocked and happy, and they all woke up: "Wang Yan, is this your pet? Really beautiful, so cute."

"Squeak!" Xiaoxue protested by waving his paws, his wife, not a pet. Brother, hurry up with these two foxes to show Xiao Xue's identity.

"Oh, this is Xiaoxue, it's mine ..." Wang Yan smiled and said, "Well, it's my wife."

"Squeak ~" Xiao Xue screamed proudly, waved his paws, waved his tail, and demonstrated to the two female students. Two foxes and foxes, if you hear that, Xiao Xue is the big brother's main room.

"Oh ~ Wang Yan, you're so funny." Gu Tingting smiled and touched the soft and delicate fur of Little Ferret. She was so cute that she was so cute that she couldn't help but praise, "Wang Yan, your pet is so beautiful and cute, I bought one where I bought it. "

Wang Yan's cold sweat, this thing can not be bought.

The so-called ferrets on the market are not the same thing as Xiao Xue. The appearance of Xiao Xue, I do n't know how many times they are more like them.

The little ferret family should be regarded as a ferret, otherwise it is impossible to have such a huge potential. If you look at the old ferret, you will know that once the cultivation is successful, the strength is simply against the sky.

“Squeak ~” Little Ferret was a little irritated. Didn't you hear that Fox Fox? It is a wife, a wife, not a pet.

“Cough ~ Master, Xiao Xue's guess is really good. Let me leave you alone to participate in classmates, and you will definitely be prepared to sneak in to do bad things. This is no, Sister Xiao Xue is caught right?”

A series of charmingly laughter sounded, and on the left corner came a tall and hot OL beauty. Her black hair is like a waterfall, her face is charming, her steps are graceful. Each step seems to have a charm that charms sentient beings.

Compared with her, the top Victorian secretaries on the T stage, in terms of body and temperament, are inferior to her.

“Meier, what are you talking about nonsense?” Wang Yan said with a wry smile, “I just sent two classmates back to rest, and then I was ready to go home. Come, let me introduce, this is Meier, It 's a colleague from my unit. This is Xiaowei, that 's Gu Tingting, all of my classmates in college. ”

Wang Yan said, introducing each other.

Xiao Wei and Gu Tingting suddenly became restless. This newly emerged woman is so beautiful. Compared with the one brought by Liu Lang, the appearance looks similar, but the charming and charming temperament is even better.

Her words, every move, every move seemed to charm Tiancheng. Even if the two of them were unknowingly affected by her aura, some were dry, blushing, and their hearts were bumping like a deer.

Colleagues, they simply don't believe it. Xiaowei also remembered the woman who drove a sports car and sent Wang Yan to meet her. These two women, no matter which one, she consciously compared to the ugly duckling and the white swan.

This is also normal. Although Xiao Wei and Gu Tingting are among ordinary people, they are pretty. But compared with the succubus and Nanlian, there is no way to compare.

"Wang, Wang Yan. You, you go back. I, we can just go back to the room ourselves." Xiao Wei's face was pale and her eyes were a little firm.

Wang Yan smiled for a moment, then smiled: "Well, you have a good rest tonight, tomorrow I will come before noon."

After being told, Wang Yan said goodbye to each other.

After leaving the hotel, Wang Yan rode the artifact-level two or eight bars, placed the little ferret in the basket, and began to ride home. The evening breeze was chilly, but Wang Yan was very refreshing.

Wang Yan still enjoyed the old school party. Every bit of the four years of college has also come to mind. Those lush years are simple but extraordinary. Those memories will always be engraved deep inside.

...

at the same time.

In that five-star hotel,

"Ding" was heard!

The elevator door opened, and a few young men and women were drinking out of the way. They talked in excitement and walked upstairs to the room.

A phantom in a cloak followed them from the elevator and appeared in the corridor. Where he passed, there was a slight fluctuation in space, but in the surveillance camera, there was no trace of it.

Those young people did not find any more people in the elevator they took.

He walked steadily and slowly, stepping on the bright aisle, gloomy and strange, as if he were a demon messenger from hell.

...

“Jingle Bell!”

The little snow in the basket fiddled with the bicycle bell with claws, blowing the evening breeze, the soft hair fell with the wind, an unspeakable happiness and comfort. It’s been a long time, and I haven’t ride a bike with my big brother.

The winding paths are all in the Danghu Scenic Area. Only the winter scenery is obviously not as good as spring and summer. However, in winter, it means that all things are dormant and accumulate energy. They will soon flood the world with the spring breeze.

At the corner of the path, a figure slowly emerged. She wore a black trench coat, her hair fluttered, and her eyes were scarlet.

She stood on the road so quietly, as if blending into the night.

“Squeak!”

Wang Yan’s 28th bar stopped.

“Squeak!” The little ferret cried out to the woman with her teeth open.

Wang Yan stroked the head of Little Ferret and calmed her. Then, frowning, she looked at the windbreaker in doubt. He is very familiar with this woman, that is, the sister Liu Lang brought to the classmate’s party today.

She has a strong sense of presence at classmates' parties, but she seems to have a very indifferent personality and does not like to talk or talk, as if she refused to be thousands of miles away.

Wang Yan was still vaguely surprised at the time, but she was a woman brought by Liu Lang after all, so it was not easy to ask.

"Miss, are you drinking too much and taking a walk outside?" Wang Yan said politely, "Do you need me to call Liu Lang to pick you up?"

With that said, he took out his phone.

"Your name is Wang Yan?" The windbreaker said coldly.

"Yes, you didn't know before?" Wang Yan's face was slightly surprised, feeling something wrong. Her eyes seemed strange and faintly familiar.

"I think you are familiar, but I can't think of it." The windbreaker's voice was as cold as a thousand years of ice, and it was cold in the bones of the person. She frowned slightly and said, "Can you tell me why?"

"Familiar?" Wang Yan parked his bicycle strangely, "I also think you are a bit familiar, but I can't remember your face. It's really strange. My memory is not so bad."

"That's it." The cold jade hand of the windbreaker woman gently touched her face and took off a thin cicada-like mask, revealing a stunningly beautiful face, with a scarlet breath in her eyes. , "Do you recognize me?"

"This face!"

Wang Yan was shocked and took two steps backwards, looking at her with a surprised expression, "You, you, Shen Mengting, why are you here?" He was a little stunned, and after the woman took off her mask, she grew up. Zhang and Shen Mengting have identical faces.

His brain roared, right? Some time ago, she discovered that Shen Mengting's body was missing. Did she really recover into a zombie? No, no, why is she with Langge?

God, isn't it Liu Liu's second thing?

Wang Yan's thoughts were overwhelming.

"Shen Mengting, it turns out that my name is Shen Mengting." Shen Mengting's increasingly scarlet eyes, slightly blurred, said indifferently.

Suddenly.

There was a scolding in the sky: "Master, be careful."

Shen Mengting's eyes rose sharply, his ten claws skyrocketed, and rushed to Wang Yan like lightning. Her arms and claws showed a rich golden color.

The violent wind screamed and swelled the eardrums!

The Domestic Hero - Chapter 538

Her speed was extremely fast, and a lingering afterimage appeared in her trench coat and delicate body, and the distance of just a few dozen meters quickly arrived.

When Wang Yan responded, a pair of sharp claws had been pulled toward his chest. He hurriedly extended his arms to his chest, Chunyang real fire burning on his arms.

At the same time, the foot kicked backwards at a rapid speed.

"Uh!"

The fight between the two is between the Huoguang movies. In an instant, the two flew backwards.

Shen Mengting's pair of claws showed a faint color of black, obviously she didn't get the benefit under the pure Yang real fire. And Wang Yan's arms also have two more claw marks, and his bare skin is actually dark and cyan.

Corpse poison!

What a deadly poison.

Wang Yan's arms shook, and the pure sun in the body burned, and the blue and black corpse poison gradually faded. The pure yang real fire is just as early as the sun, and it can overcome all evils in the world. Although these corpse poisons are powerful, they melt like snow under the pure yang real fire, and disperse in the body into a blue-black smoke Qi diffused from the wound.

How could Shen Mengting's strength surge so much? When she was alive, her strength was only level B. After turning into a zombie, the strength suddenly increased to A level, and it is not a simple A level?

"Why?" Shen Mengting was confused, and murmured at a loss. "Why can't I suppress my anger and want to kill you? Could we be an enemy!? No, no, I feel like you There is a sense of familiarity connected by blood, how could it be? "

Wang Yan frowned, did she lose her memory? It is reasonable to consider him Wang Yan as an enemy. Perhaps the original hatred turned into her subconscious.

But what is the sense of familiarity connected by blood? I have half a cent with her ...

Not right, Wang Yan remembered it.

In the final battle between him and Shen Mengting, he was bitten in the neck by Shen Mengting and sucked a lot of pure Yang blood. But she was killed before she could digest it.

Her own blood should have been frozen in the cold room with her body frozen. Perhaps because of this, when she transformed into a zombie, she digested his blood of pure yang, and her strength increased a lot.

Waiting for Wang Yan to speak, there was an angry rant at the air: “Dare ~ man, do you dare to attack my host?”

“Snapped!”

With a whip, the gritty barbed bone whip emptied Shen Mengting.

The corpse Shen Mengting had ten paws and fought back.

Pappa!

The succubus and Shen Mengting both fought together. For a time, energetic surroundings exploded, and the space was volatile. The trees and grass were turned into debris, and the ground was plowed with a gully.

The little ferret squeaked aside, cheering the succubus.

The strength of the two women, He Ran Shen Mengting is still a little bit higher, overall suppress the succubus.

It's not that Shen Mengting's strength has exceeded the succubus' A + level. It's just that Shen Mengting is good at fighting, but succubus is good at spiritual charm.

Although her charm technique is very strong, for a female corpse, the effect is greatly reduced.

“Shen Mengting, since you are dead, please go back to your morgue.” Wang Yan shook the warhammer in his hand and flicked a reddish shadow.

The warhammer is like a meteorite, and it is bluntly blasted to the corpse Shen Mengting.

Shen Mengting had two claws and was blown out with a bang, and ten claws broke three. The blood spilled from the corner of her mouth was dark gold mixed with light gold.

With one enemy and two, she has no chance of winning. Although she has become a zombie, it does not mean that she has no IQ.

Wow!

A pair of \*\*\*\* wings spread across her back. She fluttered her wings and burst a residual image, disappearing into the night sky at a rapid speed. Her speed was originally very fast, and now she has become a zombie, and her speed has increased even faster.

Wang Yan and Succubus chase away without saying the same thing. However, it was too late at night, and the opponent's speed and body were extremely ghostly. After more than ten minutes, they chased him.

Holding a small ferret on the ground, Wang Yan felt a little helpless and took out the phone to call Liu Lang directly. His tone was very serious, saying that there were important things to discuss.

In a few moments, Liu Lang rushed over with his ghostly body all the way, and as soon as he met, he smelled like alcohol: "Lao Wang, what are you doing with me in the middle of the night? I'm still working with the girl, uh, classmate We are drinking right now. "

"Xiao Xue, let him sober and clear his head." Wang Yan gave him a cold look.

"Squeak ~" Xiaoxue led his life, jumped into the air and opened his mouth with a blast of ice mist. The ice mist enveloped Liu Lang, and the surrounding temperature suddenly dropped to minus eighty or ninety degrees.

"Click!" The water around Liu Lang vaporized ice, and frost had formed on his hair, face, and body. He was so excited that he stomped his feet and begged for mercy, "Grandma Xiaoxue, please don't want me, Pharaoh. I am sober, sober."

"Humph!" Wang Yan waved his hand, and a fire light enveloped Liu Lang, dispersing the cold mist around him. "Do you know what mistake you made?"

Suddenly, Liu Lang seemed to be in the sauna, his body was steaming and sweating. The two sides of the ice and fire, he seemed to be really sober, and he cried and said: "Lao Wang, we have something to say. I am wrong, I admit that I am wrong. I should not defame you, let the students look down on you. I regret it. , Really regret it. "

Yes, Liu Lang regretted it. This time it was obviously pretending to be too much, and stealing the chicken would not kill the rice. Obviously all the dirty work was done by him. For the student association, the money was also spent a lot.

In the end, Lao Wang shocked the audience and he was the biggest winner in life. Moreover, Liu Lang was also despised by many students.

“Who told you this? You deliberately pretend to defame me, I don’t care.” Wang Yan frowned, and said angrily, “You tell me the truth, what is Shen Mengting?”

“Shen Mengting?” Liu Lang shook his eyes and said with a grunt, “Lao Wang, why did you suddenly mention this? Shen Mengting, did you see her?”

“Oh, you dare to pretend to be with me. Do you know that the mistake you made this time is serious? If you fail, you will be caught in the demon prison and locked up for a few years.” Wang Yan was very angry, succubus. A wink.

“Giggle ~” The succubus made a series of charming and ecstatic laughter, twisting the enchanting lotus step, pressing forward step by step excitedly, waving the barbed bone whip in his hand, “Little handsome boy, I like you most It ’s a kind of unyielding man. I want to see if you can hold on to my charm for a few minutes. “

In her laughter, mental waves have covered Liu Lang.

Liu Lang’s second-handed willpower is already weak, and his mind is full of obscene thoughts. Within half a second, he hit the trick. There was a daze in the eyes, and the expression was demented.

He grinned and giggled nonstop, his face full of rippling expressions. He also yelled in his mouth and said something obscene.

I don’t know what is going on in these two goods.

“Snapped!”

As soon as the succubus pulled the bone whip, Liu Lang shivered, his expression showing awe of fear.

“Say, what’s going on with that corpse Shen Mengting?” The succubus made a deceptive voice, and people were immersed in psychedelia unconsciously.

“No, I heard from the master before. The old man and the old king beat and killed a beautiful female blood angel. When the master said, he asked the director for it. If the secretary didn’t give it, he blasted him out.” Liu Lang Demented expression, honestly explained the cause and effect, “Later, later I, I asked the little black brother of the logistics department, begged him to let me take a look at the dead blood angel. Little black made a lack of monitoring, I went to sneak a look A glance. After that, I was thinking about the beautiful blood angel. Woooo ~ The old king is so cruel, so beautiful girls are willing to kill. “

“Hot hands destroy flowers, it’s almost humanless.”

“Poor beautiful girl, it’s so sweet and soothing.”

“Oh, it’s really jealous.”

A series of emotions popped out of his mouth.

“The key point.” Wang Yan heard cold sweats, and this guy was almost endless.

“Snapped!”

The succubus drew a whip directly and landed on Liu Lang’s chest. The barbed bone whip made a \*\*\*\*\* whip mark. Such a ferocious whip made Wang Yan feel terrified.

However, Liu Lang not only did not feel pain, but groaned like an ecstasy, and then continued with satisfaction: “Later I thought, the nine-yin mysterious corpse I practiced was not a bad puppet corpse? This blood angel is not only beautiful, but also powerful, and has outstanding qualifications. When I think about this, I can’t control it anymore. I choked Xiao Hei and let him create opportunities for me again, I secretly stole the blood angel, offering Made into corpses of natal puppets. “

“Hiss ~” Wang Yan took a breath of air and was bold. He was really brave. Dare to steal corpses from the National African Bureau to refine corpses of natal puppets.

“Who had expected that after her awakening, her strength was even stronger than in my image.” Liu Lang explained honestly, “I have very weak control over her, but fortunately, she still listens to me.”

Speaking of which, Wang Yan has understood the ins and outs. This guy, Liu Lang, is already too wavered to save. Once this kind of thing happened, it was estimated that I had to close the little black house.

Even if Wang Yan doesn't report, this kind of thing can't cover the fire, and sooner or later it will be bad luck.

The succubus snapped his fingers.

Liu Lang came awake staggeringly, looked at himself up and down dumbly, and then covered his chest in horror and said, “Old, old king, what did you do to me just now? I am not such a person.”

Wang Yan dripped cold sweat. Are these two goods filled with paste in their heads? They are too lazy to talk nonsense with him.

“Cough, master, your brother is really-enough waves, but this gorgeous body looks really good.” The succubus giggled and said, “She also has some special emotions for you, if you treat her It's a beautiful thing if you close it. “

Take Shen Mengting away? Wang Yan felt that the proposal was also drunk, and he refused to accept it when he was alive. This kind of divine turning really made his little heart unbearable.

“No, Ya ~ Li ~ Butterfly.” Liu Lang panicked suddenly. “Lao Wang, no no no, brother Yan, don't \*\*\*\* my mortal corpse.”

“You have stolen her and made it into a zombie yourself. You have made a big mistake. Are you still thinking of leaving her?” Wang Yan stared angrily. “I'm not like you, the taste is not as heavy as yours.” . No matter how beautiful she looks, that is also a zombie. By the way, you will not have done anything trivial to her? “

With that, Wang Yan looked at him suspiciously. According to the character of this guy, it is really possible to do such a thing.

“How is it possible?” Liu Lang said with a straight face, “Am I that kind of person? Besides, she is now A-class, a majestic golden armor. I, I’m a little afraid.”

The second half of the sentence directly exposes his nature.

“Yes, I’m too lazy to care about you.” Wang Yan really didn’t want to pull it off, said, “First, you immediately found her out for me. A vampire with a class A strength lives near my house, I’m afraid I can’t sleep at night. Second, after catching her, you go and explain to Director Feng yourself, how to listen to him. “

“Isn’t it? Tell me ...” Liu Lang swallowed hard. “I’m not, isn’t it?”

“It may be only two or three years for you to explain to yourself. If you are found out, I guess it will be off for decades. How do you choose to think about it yourself.” Wang Yan was too lazy to talk nonsense with him. Target it. “

“Yes, yes!” Liu Lang looked hard, closed his eyes, pinched the tactics, and said something in his mouth. Unexpectedly, a few minutes later, he opened his eyes dumbfounded and said, “How could I not feel her breath.”

“Isn’t she your natal puppet corpse?” Wang Yan frowned and said, “Who can’t sense his natal puppet corpse? Liu Lang, won’t you lie to me?”

“Cough ~” Succubus smiled with her mouth covered. “Master, he shouldn’t dare to lie to you now. Probably his strength is too weak, and the corpse is too strong. If she intends to cut off the spiritual connection, just rely on It ’s impossible for him to find her.

Wang Yan glared at Liu Lang. Do you dare to waste more of these two goods? Even the corpse of one’s own life puppet can be lost.

“Master, I have said that he is simply not worthy of such an excellent corpse.” The succubus once again bewitched the proposal, “I think it is not as good as you received, but also a lot of help. With his current strength, How deep can the so-called natal life be sacrificed? Meier can cut off the connection between them with just a little means. “

“A zombie, Meier, can you stop fooling around.” Wang Yan said helplessly.

“Mei’er is not a nonsense, zombies are just another kind of life.” Succubus covered his mouth and said with a smile, “Master, don’t you think it’s no good to take a corpse? Don’t worry, I can help you to take her Tune well and make her the pet of her master. Be as clever as you want ~ “

The Domestic Hero - Chapter 539

What are these words?

When Wang Yan slapped his forehead, he was really crying and laughing. There is such a succubus that thinks about his master everywhere, which makes him drunk. Even Yan Yan’s body can be collected, Wang Yan always feels a bit creepy.

Liu Lang was about to cry without tears, staring at Wang Yan and the Succubus, his heart collapsed.

This is like a criminal who is about to be sentenced. According to the truth, Liu Lang should choked with tears to his brother and said, “Brother, I’m going in here, and I’ll ask you to take care of me.

But for the moment, he hasn’t entered yet. The two masters and servants of the old king have already begun to discuss how to collect his baby corpse ...

You know, as a descendant of the mysterious corpse, the puppet corpse is the most important existence. She is connected with his life, and it is more closely connected than the couple in the world.

This gave Liu Lang an ominous hunch that he was about to wear a green oily hat.

“Okay, you don’t have to look at me with that kind of look.” Wang Yan’s goose bumps all came up. “I’m not really as serious as your taste. Don’t mention it in advance. The top priority is to find Shen Mengting. , Lest she cause harm and panic in the society. Brother Lang, you call Director Feng yourself, and you will surrender yourself. “

Liu Lang made a call with a hard face, and as expected, he was sprayed with blood on the phone by Director Feng. Afterwards, Director Feng and Wang Yan talked with each other and asked him to resolve the Shen Mengting incident. If you need support, you can call anytime.

It is enough to deal with Shen Mengting with Wang Yan and Succubus. As for some secret agents, they do not even need it. Their strength is up to Shen Mengting, and there is only one end.

That night!

Wang Yan and three others searched for more than two hours in succession, and it was almost midnight. But Shen Mengting was like a drop of water disappearing into the sea, no trace at all.

If a master of her level is hidden, even if an S-level master comes, it will be extremely difficult to search.

It seems that she can only wait for her to show her tracks again.

Wang Yan finished work and went home, taking a good night's rest.

Go straight to the hotel the next day, ready to dissolve this class meeting. Unexpectedly, when Wang Yan arrived at the hotel, Xiaowei called and said anxiously, "Wang, Wang Yan. No, no, Tingting is gone."

"Don't worry, I will be downstairs and come to you immediately." Wang Yan asked her location quickly and quickly reached her room. As soon as she entered the door, she saw that Wei Wei had been crying and the pear blossoms were raining. Can't help but say, "Xiaowei, don't cry first, something is going to be said slowly."

She rushed directly into Wang Yan's arms and choked with sobs, "I called her in the middle of the night last night, she, she turned off. I, I thought she was tired and rested, so I did n't bother. This morning, I called her After breakfast, I still couldn't make a phone call, and no one answered her phone. I hurriedly found a waiter. The waiter said she left the room at about 11 midnight and left the hotel with luggage. "

Wang Yan frowned, checked out more than 11 o'clock in the middle of the night, and the phone was turned off. This is unreasonable.

“Wang Yan, you said Tingting, wouldn’t she think about it?” Xiao Wei said anxiously, “her former boyfriend has the right to have money at home, but it’s because Tingting refuses to talk to him, and his , He stole and ate outside. As a result, Ting Ting knew about it, so he broke up. You said, she, would n’t she think of it and disappeared deliberately? ”

“Intentional disappearance? Unreasonable.” Wang Yan said with his chin in contemplation. “I discussed it with her last night. Afterwards, I did a good job with Brother Sun. Her performance was also very positive, not like being disheartened. . “

“You think so too? Wang, Wang Yan. You said, she, will she have an accident?” Xiao Wei said anxiously.

“Don’t worry. By the way, I’ll ask you something. You just said that Tingting refused to be the one with her ex-boyfriend, so she finally caused the ex-boyfriend to derail and break up?” Wang Yan frowned and asked, “Is Gu Tingting still the same?” That one?”

“You!” Xiaowei’s cheeks were flushed, and he panicked slightly, “You, what are you asking about this? You won’t be ...”

“Don’t make trouble, I won’t have bad thoughts about Tingting.” Wang Yan sighed and said, “This question is very important. Xiaowei, you are her best girlfriend, should you know?”

“I, um ~” Xiaowei blushed and lowered her head weakly, “Yes, it should be. She said to me, no, I don’t accept pre-marriage, the pre-marriage ...”

really!

Wang Yan sighed with excitement.

Because he has never been exposed to a man’s yang, the yin inside the body will be pure. Whether in the East or the West, the Huanghua Girl Girl has some special meanings.

For example, the Huanghua girl is sacrificed as a sacrifice, for example, some evil magic or exercises.

Wang Yan is worried about Shen Mengting. According to Wang Yan 's impression of her, she is a woman with a strong cleansing habit. And before she became a zombie, she was a blood angel.

Today, she is very likely to become a zombie blood angel. Blood angels are bloodthirsty, as are zombies. If Shen Mengting had stared at Gu Tingting during the class meeting, things would be in trouble.

“Did you call the police?” Wang Yan wanted to check the hotel’s surveillance video.

“No, then, that would be missing for 48 hours?” Xiao Wei whispered.

Without saying anything, Wang Yan directly dialed Liu Baomin’s phone.

“Yo, Xiao Yan. Ha ha, ready to find a brother to drink?” Liu Baomin answered the phone quickly, his voice smiling brightly.

What wine to drink early in the morning?

Wang Yan did not talk nonsense and directly said: “Brother Liu, I call the police. Last night I had a classmate missing. You brought two capable police officers. I want to check the hotel’s monitoring.”

Liu Baomin was agitated over the phone and did n’t dare to shake his mouth. He hurriedly said, “Wait a moment, I will arrive within a quarter of an hour.” He did n’t care how long it took to be missing. Wang Yan’s thing is a big thing.

After a quarter of an hour.

Wang Yan, Succubus, Liu Lang, Xiao Wei, as well as Liu Baomin and the two police officers, gathered in the hotel monitoring room.

When the camera switched to Wang Yan and Xiao Wei, they went back to their suites. The surveillance camera was directly locked in Gu Tingting’s room.

At around 10:30 in the evening, Lily and Xiaomei suddenly appeared in the surveillance.

They knocked on Gu Tingting's door and talked to her at the door. Everyone seemed to have a dispute. Subsequently, Lily and Xiaomei left indignantly.

After another ten minutes, Gu Tingting's door opened again. It was only at this time that she was well-dressed, dragged her suitcase and took the elevator straight, then checked out at the front desk and left the hotel door.

Everything seems to be her active behavior, nothing unusual. Surveillance outside the hotel is not under the jurisdiction of the hotel.

Liu Baomin immediately called the nearby surveillance video, and at the same time, sent two police officers to invite Lily and Xiaomei to come up.

They had just quarreled with Gu Tingting, and Gu Tingting ran away carrying the suitcase. Perhaps Gu Tingting's abnormal behavior is related to them.

Soon, the two women entered the monitoring room in fear.

"You two, what happened to Gu Tingting last night?" Liu Baomin's face fell.

"Me, we are just looking for her, talking to her." The two women were frightened when they saw the battle was great.

When Liu Baomin just wanted to show the interrogation method in front of Wang Yan, he didn't expect Wang Yan to wink at the succubus.

The succubus giggled, and the two women immediately fell into a state of obsession.

"What is the purpose of the two of you to find Gu Tingting?" The succubus snorted and said in a spirited way.

"We want to apologize to Gu Tingting, reconcile, let her help to talk good things in front of Wang Yan. I hope she can help Wang Yan out, just once." The two women dumbly explained.

"hiss!"

Everyone in the room felt a horror. Is this hypnosis? Isn't it right? Even if it's hypnosis, won't it be so quick?

Especially the two policemen, staring at the succubus with horror: "What means did you use?"

"Cough, it's quiet." Liu Baomin swept the circle with "august", "Don't ask if you shouldn't ask." Then he smiled at the succubus again, "This lady, please continue."

The succubus threw a wink at Liu Baomin, and then continued to ask, "What is your purpose for Wang Yan?"

"Going with him, our sisters, we must use all means to serve him comfortably, whatever." Lily and Xiaomei said, "He has great energy now, as long as he climbs him, we have The opportunity is up. "

"you guys!"

Xiaowei on the side, blushing and red ears, and a little embarrassed. How could these two women be so shameless that they could do such things.

The succubus sneered with disdain, and then asked, "Where are you confident?"

"Men, which one does not steal?" Lily said honestly. "What's more, we have prepared some exciting drugs, even a honest man can't escape our palms."

"Yeah. As long as the video can be recorded, even if he grabs his handle." Xiaomei also "honestly" confessed, "Anyway, didn't he break up with his ex-girlfriend Xiaowei? Just like Xiaowei's The woman, besides being good at what she looks like, where does she know what fun is? "

"you guys!"

Xiao Wei was so embarrassed and annoyed that she couldn't wait to find a hole in the ground. These words are the most shameless words she has ever heard in her life. Apart from being embarrassed, she glanced up at Wang Yan secretly, and her heart was straight. Was she really uninterested in that respect?

If Gu Tingting did not agree to the appointment, would you really be fooled by Wang Yan?

“Giggle, son, listen to what they said so seriously.” The succubus smiled, “If you don’t, you’ll always count on it, how about trying their means? Maybe, there will be some surprise.”

...

## Chapter 540: Suspicious Clouds

Surprise?

I think it’s frightening. Wang Yan glanced at the succubus angrily. Can’t you stop? Don’t always give me Zhang Luo a life so actively.

Not to mention that I haven’t reached the S level yet, some modes haven’t been unlocked, even if the lock is unlocked, I can’t look down on these two.

Seeing their turbulence, they know that they haven’t done much good outside these years. Alas, when I wanted to be in school, everyone was not like that.

Perhaps, they had already been like this, and Wang Yan didn’t know it.

But in any case, now everyone is a person in two ways. The friendship of those classmates that year was now completely disappeared.

“It should have nothing to do with them, let them go.” Wang Yan waved his hand.

“Oh, Brother Wang, they count you.” Liu Baomin joked with a smile, “Do you want to catch them in and detain them for a while.”

The succubus lifted the charm, and the two women gradually recovered their minds. They said in horror: “Just, what did you do to us just now?” The charm is different from hypnosis. What they said and done just now can be remembered. .

Liu Lang on the side also thought of the end after being charmed. He was full of excitement. He didn't dare to say anything more. The Lao Wang is now more and more unpredictable. Even the maid beside him is so powerful ... ..

He felt like a weak lamb in front of her, with little room for rebellion.

“A new type of interrogation method. For the sake of classmates, I won't care about you this time. If there is another time ...” Wang Yan's eyes were cold, “I keep you from eating and walking around.”

The two women were excited, somehow, fear filled their minds. Trembling, he left the monitoring room. They did not know that the succubus had quietly planted the seeds of fear in Wang Yan's subconscious.

After seeing Wang Yan, they kept it like they saw a natural enemy, and even the rebellious mind could not be born. They never dare to resist what they do.

Every succubus is an expert who plays with the soul.

After the two women were taken away, the monitoring of the scenic spot mobilized by Liu Baomin was also sent over. On the computer monitor, Wang Yan and others clearly saw Gu Tingting get in a taxi.

Without saying anything, Liu Baomin immediately launched an investigation and directly contacted the taxi driver by phone.

Soon after, he hung up the phone and said to Wang Yan: “Brother Wang, the situation is not good. The taxi driver said that she had said that she wanted to go directly to the provincial capital, and the result was a dozen kilometers away. When approaching the highway, she said she wanted to get out of the car and let her go for a while. Let the taxi go first. “

“Moreover, I also made people try positioning technology.” Liu Baomin frowned and continued, “Through the last data record of the adjacent signal base station, she used an Apple phone. After shutting down, it should be directly removed the SIM card. . This also led to the final location is in this hotel, the shutdown time was 22:50 last night. Various signs infer that this is a premeditated disappearance. “

Premeditated disappearance?

Wang Yan frowned, why should she be premeditated to disappear?

“Lao Wang, will she be fascinated too?” Liu Lang shivered when she thought of the succubus of the succubus. That was terrible. It was so terrible. I remember everything, but I am not myself. What the subjective will says and does.

But he thought about it, if he had learned this spell, would he be worried about not finding a girlfriend? Liu Lang immediately frowned and smiled, feeling as if he had found his future life.

But he thought about it again, and in the next few years, he is very likely to spend in demon prison. Even if you learn this psychic spell, I'm afraid it won't be useful.

Wang Yan glared at him. Why is this guy's face so volatile? , Forget it, too lazy to care about him, turned around and said, “Charm, how do you think?”

“Gu Tingting's behavior is not much, I can't be sure if he is enchanted.” The succubus said with his chin. “But one thing is possible. No matter what kind of mental control ability, it needs the caster to be nearby, and the flow is constant , Continue to affect each other. “

“Nearby? If she is enchanted, the caster should be nearby.” Wang Yan's eyes flicked and she looked at the monitor again.

From this look, I saw some strange things.

When Gu Tingting dragged his luggage out of the room, according to the design of the hotel room door, it usually closed automatically. However, after she came out, she stood at the door for two seconds, as if waiting for someone.

More obviously, when the hotel door was closed, it seemed to be blocked by someone in the middle, and pushed a few centimeters away. After two seconds, the door closed again.

Not only that, the situation is similar in the elevator. At the front desk, there was a carpet under my feet. There seemed to be two footprints on that carpet.

“This is, stealth?” Wang Yan froze slightly.

In fact, after spending so long in the National African Affairs Bureau, the stealth technique of various principles has also been seen much. If it is not on the scene, you can use the other party's breath, magnetic field, heat and other induction, it is really difficult to judge by the camera alone.

Many stealth techniques are said to be superpowers, but in the eyes of the strong men of this level, it is undoubtedly a joke. Only the mental power investigation can make the other party escape from nothing.

“Yes, it is indeed stealth.” The succubus also expressed his opinion, “And it seems that it is very superficial, that is, it can deceive the camera. If I am on the scene, he will be exposed in a few breaths.”

“Stealth?”

Liu Baomin felt a little collapsed. This kind of magic he never saw was actually nothing in the eyes of Wang Yan and his female companions. But one thing is certain, since the stealth technique is determined, it means that this is definitely not a case of intentional disappearance.

Wang Yan and others drove directly to the road where the taxi driver stopped.

Here, there is a small earth \*\*\*\* with a small pond beside the earth slope, which looks very desolate. Wang Yan knew this place, that was the place where people were shot in the local prison.

Wang Yan had heard that during the severe crackdown in the 1980s and 1990s, there were countless dead souls here. It was just that most of the sentences were excessive, and I didn't know how many people died.

A group of people walked in it, even in the daytime, there were some ghosts and lushness. If you do not notice the presence of invisible people around Gu Tingting, you will really wonder why Gu Tingting appears here.

“Sniff ~”

Little Ferret played a role at this time, she already remembered Gu Tingting’s taste last night. Smell left and smell right in this wasteland. Within a few moments, Xiaoxue with a keen sense of smell found a cell phone that was squeezed and burned.

Near the phone, the little ferret’s hair exploded, and squeaks indicated that the enemy’s smell was found.

“Huh?” Wang Yan sniffed the phone that was fused into a ball, and there was indeed a faint atmosphere on the other side.

“It’s the smell of dark magic.” The succubus also sniffed, and said with a small smile, “It’s the smell of dark magic, there is a sign of the existence of dark matter ability, son, it’s a dark creature.

“Isn’t it? Is it really her?” Liu Lang was anxious on the side, hurriedly pinching the law, sensing Shen Mengting’s position.

If this is really done by Shen Mengting, then this account must be counted on him Liu Lang. I am afraid that he will stay in the demon prison for a few more years. What’s more, Gu Tingting is still his classmate.

“Director Liu, in our Danghu Scenic Area, is there a series of missing cases?” Wang Yan sniffed the cell phone after being burnt and burned again, Shen Sheng asked.

“There are a lot of people playing in the lake this year. There must be some cases of disappearance.” Liu Baomin said with a somber face.

“Xiao Xue, no blood stains were found here, Gu Tingting may still be alive.” Wang Yan said to Xiao Ferret, “If you find some special flavor, see if you can trace it.”

“Squeak ~” Little Ferret was lying in Wang Yan’s arms, rolling with coquetry. Is n’t it just a female classmate, or a female classmate who covets her big brother, she is very reluctant. Xiao Xue is a cute ferret, not a hound.

“Xiaoxue, you found her by following the taste and bought ice cream for you,” Wang Yan said confoundedly.

“Squeaky, little ferret came to the spirit all at once.” She sniffed upside down, and then rushed out like lightning.

Wang Yan and others followed the little ferret in a flat manner. Only in this way, Liu Baomin and Xiaowei were temporarily pulled down. They were not capable, and followed the small ferret running across the mountains.

After half an hour, Wang Yan and others tracked down to an old mansion by the lake.

Wang Yan’s wings fluttered, and volley flew up, overlooking the entire old house.

Suddenly, the scene he saw made him stunned. I saw two people standing face to face in the back garden of the big old house. One of them is Zhou Zhiyi, the boss of Zhou Da, and the other is Shen Mengting and Miss Shen Da.

No, to be exact, Shen Mengting. At this time, she opened her claws, and forced the fierce and evil to push Zhou Zhiyi.

“Huh? He could track it down here? Damn, why is it at this critical moment.” Shen Mengting snorted softly, annoyed in his words.

Her \*\*\*\* wings flew abruptly, rushing straight into the sky like a shooting star.

“Meier, stop her and pester her.”

Wang Yan suddenly found that Shen Mengting’s pair of blood-colored wings seemed to have evolved. During the speed shuttle, he broke the space barrier from time to time and escaped at speed.

Wang Yanfei fell down and asked with some worry: “Brother Zhou, are you okay?”

Zhou Zhi was panicked and said slightly, “Xiao Yan, this, what’s going on? My niece, Shen Mengting, isn’t it ...? God, how can she appear again? She has already died, I’m windy Scenery and Lights held a funeral for them, there is no reason to come to me for revenge. “
