Chapter 20 - Return home

“Humph!”, Playboy flushed blushing, and stood up and rushed out of the casino. The hot girl beside him twisted his waist and pushed a small note into Lu Qiu Jian’s hand, then disappeared. Among the crowd.

“Man, let’s go too! Tonight’s good harvest, let’s go have some fun!”, Lv Qiu Jian made a look of being fascinated by the hot girl, and quickly picked up the chips and left the table.

Dealers and other gamblers did not show a surprised look, good luck gamblers, charming girls, such stories happen almost every night.

After redeeming the chips, he came to the outside of the casino, and Lu Qiu Jian put the note in Patrice’s hand, “Come on, let’s go to the next casino!”

“Hey, what about that girl?”, Patrice was a little puzzled. Since it wasn’t to chase the girl, what was it like to go out and continue to win money in it?

“Patrice, no casino in Las Vegas will explicitly say that cards can be counted or not. The bottom line of the casino is that it has the right to refuse anyone to enter. That is, as long as the casino suspects you count cards, Thousands, and even some indecent behaviors have affected other guests and can drive you away! “, Lv Qiu Jian took Patrice away slowly,” If I continue to win like this, it will definitely cause Their attention is better than a new casino to start over! “

“Oh, how did you just do it!”, Patrice suddenly became excited, “Do you have a special way? Hurry up and teach me!”

Lv Qiu Jian counted out a thousand dollars and gave it to Patrice, “This is the loss you just made. The method I used is not complicated, but it requires extremely strong mental calculation ability! I am afraid that it will not be possible to achieve this level in a short time. “!” It’s not difficult to say exactly, but it needs to be transformed by 1A7488 just like Lu Qiu Jian.

“Well, I don’t think I can learn it!”, Patrice accepted the money without hesitation, and then he blocked Lu Qiu Jian’s shoulder intimately, “Lu, are we good friends?”

“Of course, can I help you?”, Lu Qiuqian knew that Patrice had been conquered by his card counting skills.

“Look, Lu, I almost guessed it. The reason why you came to Las Vegas is to make a lot of money in a short time!”, Patrice said in a gentle voice, “ But you only have 10,000 ... well, it ’s now 20,000 US dollars, and it seems that it will take a long time to rely on this large amount of capital. “

“Well, that seems to be the case!”, Lu Qiuqian nodded.

“So, the generous Patrice wants to help you from the standpoint of a friend. I can provide you with a considerable amount of principal, and you only need to give Patrice one after winning a large sum of money. Just a little bit! “, Patrice took out the checkbook and handed it to Lu Qiuqian.

If I hadn’t done it for this, what would I call you to do? The principal of 10,000 US dollars is not enough to complete your goal. “You can get 10% of the 100,000 US dollars, 200,000 20%, the highest 50%! How much can you give!”, Lu Qiuqian said simply.

“Hey! This price does not conform to the market rules!”, Patrice immediately received the checkbook back, “At least 30%!”

“There are fifty meters to reach the next casino. If you haven’t made up your mind before that time, just forget about it!” Lu Qiuqian refused to give in.

“Hello! You can’t do this ... Add a little more ... 20% is ok ..., okay, okay, 15%!” Watching Lu Qiuqian approaching the entrance of the casino, Patrice was helpless Rolling his eyes, “Well, you won, I’ll give you 300,000 dollars!”

“Wow, it turns out that my roommate is a rich man!”, Lu Qiuqian pretended to exaggerate, as a future star of a large family, how could there be no funds for him to expand his political connections!

With sufficient funds, Lu Qiuqian can participate in the higher stakes game, but the corresponding is to face stricter casino surveillance, so the win rate of this round of hands has dropped a lot, but By the time they left, \$ 320,000 had also become more than half a million.

Then the two rushed into the new casinos in partnership and won again and again. When they entered the fifth house, the game was not halfway through. Lv Qiu Jian had noticed that the dealer had doubts about himself .

Made! Has the blacklist in Las Vegas started to be shared? Lu Qiu Jian decided to leave at once, and being caught was not a good thing!

“Let’s go! The two of us are acting too much together! You first find a hotel to rest, I will go to the next casino alone!” Now that he hasn’t won enough, he doesn’t want to come again.

After arranging Patrice, Lv Qiu Jian changed his clothes and lowered his height by a few centimeters. By the way, he slightly changed the image of the lower part, and then he entered a new casino.

Rush into the casino, exchange chips, to start a new game, then come out, change clothes, change the image, and then take a taxi to the new casino ... Lv Qiu Jian swept five more casinos Only then was the plan terminated with satisfaction.

“Man! How much did we win?” Patrice asked as soon as he entered the door.

“Wow!”, Lv Qiu Jian looked around the extravagant five-star suite, and even after searching several rooms, he didn’t find what he guessed. “Patrice, I can’t believe it. You didn’t even find a few. A girl is with you! I have some doubts about your sexual orientation! It seems that I have to lock the door when I sleep! “

“I have no problem with my sexual orientation! If it were not for you to take the money away, I have called more than a dozen babes for a body!”, Patrice said angrily!

“Well, it’s my fault. Before leaving, I forgot to leave you some pocket money!”, Lv Qiu Jian took out the check from his pocket and bounced, “Man, look at our harvest!”

“Twenty-eight thousand seven hundred and six hundred dollars!”, Patrice immediately grabbed the check, and was almost dazzled by the long string of numbers! “Hahahahaha! We are millionaires!”

Woke up, the two came to the airport in a hotel Bentley car, and yozai boarded the plane from the VIP channel. Just a short time after sitting down, they saw a familiar face enter the plane.

“Hey, Mr. Williams!”, Lu Qiuqian gently waved his hand. Wasn’t it just the salesman he met on the incoming flight!

“Wow, first class!” Williams looked at his second-class boarding pass and felt sour for a while, “Lv, it seems that your harvest is good this time!”
