### Chapter 34 - First appearance

“Hah, I have made more progress than last year. Last year’s evaluation seemed to be C-?”. For this result, everyone did not accept it. Spencer made a joke with irony.

“Don’t worry about these sensational things! Do we all know what’s going on?” Thompson was fortunately black, otherwise these children will now see themselves blushing. The article contains numerous references to the Princeton Tigers. Many praises were placed on him, and everyone knows that these credits should be attributed to Lu Qiuqian!

After appeasing these children, looking at Lu Qiuqian who showed no dissatisfaction, coach Thompson felt that it was time for the child to come and feel the atmosphere of the game. “Lu, do you want to go to activities in this game?”

“Ah? Can I play now?”, Lu Qiuqian closed the book she was reading with a little surprise.

“The Monmouth Eagles are not a very powerful team! If we can create five minutes of garbage time, I will let you feel the atmosphere of the game!” Coach Thompson stopped before continuing, “But Don’t take out all your strengths, practice passing, and deepen your understanding with your teammates, understand? “

Hey, it turned out to be soy sauce, Lu Qiuqian nodded listlessly, “Okay, I understand how to do it.”

“Don’t worry, one-third of the preseason has passed. It won’t take long for you to have the opportunity to show your talent!” Coach Thompson patted his shoulder and comforted.

Seeing that Lu Qiuqian had accepted his suggestion, he got up and clapped his hands to focus all the players’ attention on himself, and then said, “Boys! I just told Lu that if you can put it in thirty minutes today The Eagles defeated, I will let him play! Can you do it? “

“Relax! Great Patrice can only cry those weak chickens in twenty minutes!”, Patrice first came out and patted his chest.

“This is what you said, if the score difference is not before 20 minutes before the end of the first half of the game, you will stay on the bench next time!”, Coach Thompson said with a smirk.

“Ah!”, Coach, I just expressed my excitement, although the tone of the expression may be exaggerated, but you can’t do this to me! Look at Spencer, Ed, etc., if Lu starts, there will be no problem, but with these people ... Even O’Neill needs someone to pass! Patrice was dumbfounded at the time, “Coach, there are too many 20s, can you cut it down a bit?”

“If the score difference is too low, wouldn’t I be too underestimating Patrice?” Coach Thompson said in his tone, “How can you be our core player so confident?”

Everyone laughed in unison, “Patrice, I will pass for you!”, Ed said with a smile.

“I will make room for you!”, Spencer kept up.

“I will help you block the opponent’s center!”, Gardson bulged his muscles.

“I’m always ready to catch your pass!”, Will made a gesture of shooting.

“I ...”, Lei looked around, and all the work seemed to have been snatched by them. “I will prepare you for Gatorade!”

The talk room has arrived at the stadium. After the warm-up, Patrice, Gardson, Ed, Will and Spencer started. At the beginning of the game, Patrice first jumped the ball and successfully put the ball into Ed. Quickly rushed into the basket, slam dunk successfully when the Eagles defensive formation is not set.

Patted his chest and yelled, Patrice pointed his index finger at Lu Qiujian, as if to say, man, look at me, I will definitely let you play early!

“It looks like he is very motivated today!” Black said to Thompson with a smile. In the next few rounds, Patrice showed an amazing state, completely exploding his opponents on both ends of the offense and defense, and quickly pulled the Tigers. Open score.

“Are you saying that I usually have too lax demands on him?” Thompson glanced at his assistant. “How come he didn’t see him play so well in the previous game!”

“It is true, I also think he should take heavier responsibilities! After going back, increase his training amount by one more!”, Black nodded in agreement.

I do n’t know that the two coaches have arranged for Devil training in private, and Patrice is still fighting \*\*\*\* the field. There was no rest for the whole first half. The score is from 5:12 to 13:22, and then from 21:35 to 28:44, the score difference starts infinitely close to 20.

In the first half of the first half, the score was 30:49, which was one point short of reaching Thompson ’s standards. The ball was in the hands of the Tigers. Ed slowly dribble the ball through the half while watching the time While looking for opportunities, he hung the ball into Patrice’s hands with five seconds left in the game.

“Look, I’ll have a perfect lore!” Patrice yelled and squeezed the Eagles against him, throwing the ball to the basket.

It’s almost 20 minutes away You are still lore! The Eagles burst into tears, staring at the basketball hooping around the hoop.

No shot, no shot, maybe the Hawks’ curse played a role. At the same time as the red light at the end of the first half came on, the basketball also rolled out of the rim and landed on the ground.

“Oh, no!”, Patrice looked at the difference of 19 points and was crying without tears.

“Congratulations, you won the power to rest in the next game!” Thompson patted his shoulder with a smile.

Another eight minutes passed in the second half, and the field difference had already reached 25 points. The Hawks head coach began to replace their players one after another. The game entered garbage time, and Lu Qiuqian finally won the chance to play.

“Beautiful pass!”, As soon as he played, he easily shook off the Eagles’ defensive player, sent the ball to the open Thunder’s hands, and Thunder’s hands fell and cut three points.

Hey, it’s not challenging at all! The Eagles’ point guard couldn’t even hold Ed, let alone Lu Qiuqian. In just ten minutes, Lu Qiuqian sent five assists and made two three-pointers. This was still his suppression. For their own strength, the Tigers won the game with a difference of 32 points, and the total record became three wins and one loss.

However, this game did not attract anyone's attention, and the newspaper only marked the score of this game in the corner, not even the player statistics, yeah, who would be curious about the game of the two fish belly teams?

It's just one game after the game. By the end of December, the Tigers' record was five wins and three losses. Lu Qiujiang usually played soy sauce at garbage time. It was extremely boring!
