### Chapter 58 - Christmas Eve

Yangyang originally simply sent a holiday blessing. Unexpectedly, Lv Qiujian was also in New York, so he immediately sent an invitation to invite him to participate in a holiday party held by international students in New York.

As for Lu Qiujian's side, if they don't go to their party but stay with Jason, maybe there will be a large-scale activity for a while, in order not to be harmonious with his mother for his behavior, he did not hesitate Accepted Yang Yang's invitation.

His business seems to be particularly busy today. He didn't go far after he got on the bus. The phone rang again, and he took a look at his mobile phone. It turned out to be Natalie, "Hi Nat! Christmas ... Oh, sorry, happy holidays!", As soon as Lu Qiu built his words, he remembered that Natalie believed in Judaism, and Judaism was just Christmas, and he quickly changed his mouth.

"Thank you!", Natalie did not care about this little misunderstanding, "How do you plan to avoid this holiday?"

Ok? What do you mean? There was a ripple in Lu Qiujian's heart, but unfortunately his vacation time was not enough! "This is not a holiday for me. I will meet the challenge of Dartmouth on the third day after Christmas. I still have a paper to complete!" This is not the time to stare at the stock market, "Yes Alright, I remember your home seems to be in New York? Are you going home now?"

"Yes! I'm reading" Sabbath "in my study room now!" In a high-end community on Long Island, New York, Natalie walked slowly to the balcony, looking at the mottled sunlight from the leaves and the corners of her mouth. With a slight smile, if she was not reading this book, how could she think of calling Lu Qiujian.

"Abraham-Joshua-Hirschl's writing?", Lv Qiujian certainly will not forget how he used to talk to Natalie when he was at Harvard, "I'm in New York now, I'm going On the way to a party, do you also want to walk out?"

"Oh? What kind of party?", Natalie asked with some curiosity. If it is a party in academia, you can consider it. If it is a social circle, forget it!

“Some gatherings of Chinese students in New York, you can rest assured that they will not be as exaggerated as the gatherings in the United States!” Lu Qiu Jian knew what the other party was worried about, “You can feel the life of another culture.”

“But Christmas doesn’t seem to be a Chinese festival?”, Natalie said with a smile. She didn’t give a definite answer until the end of the phone. Lu Qiu Jian told her the address of the party.

Arrived at the place where Yang Yang said, Lu Qiu Jian saw many inviting Chinese faces coming in and out through the gate of the building opposite, getting off and walking over!

“Hey, are you here alone?” Yang Yang, who served as a welcoming guest at the door, asked a few glances behind him.

“Who do you think I will come with?”, Stella was going home for Christmas, and Patrice was thrown into the hotel by herself. He was only one person.

“I still think you will bring your girlfriend over! Isn’t Christmas Eve going to spend it with my lover?” Yang Yang took his arm by himself, “I’ll take you in!”

Where is this Christmas custom? Lu Qiu Jian shook her head and followed her inside. It seemed that she was waiting for herself outside the door. After walking a few steps, he suddenly felt that something was wrong, “Huh, Fu Wei? Why didn’t you come today?”

“Well, isn’t that right?” Yang Yang pointed to the most central position in the room. Fu Wei proudly hugged a big ocean horse and was enjoying the envious eyes of all the students studying abroad.

“Wow, this kid is a good mix!” Hey, this kid finally did something that the second generation should do, Lu Qiu Jian ridiculed.

“Why, are you envious?” Yang Yang whited Lu Qiu Jian with a glance.

“No, I’m just happy to find a girlfriend for a friend!” This girl can’t compare to Stella except for her slightly longer legs.

“Yao! Qiu Jian is here!”, Fu Wei’s eyes just swept over here, watching Yang Yang’s hand frowning unnoticeably when he took Lu Qiu Jian’s hand.

“Oh! You are Lu Qiujian! I have been seeing your news on the Internet recently! You breathed a sigh of relief for us Chinese!”, Someone immediately recognized that he was the one who had taught him hard. The grammatical people, Yao Ming’s basketball fever and the patriotism of overseas students made him quickly the focus of this party.

“I watched the NCAA schedule. You will be playing Princeton with us at the beginning of next month, and I will go to the scene to cheer for you!”, Someone said excitedly.

“Thank you so much! But you also have to pay attention to your safety! Don’t let your school fans fight!” Lv Qiujian quipped, with a few words of kung fu, he has already become one with these people.

“Are you going to participate in the NBA draft this year? Just go to the Rockets and Yao Ming as a partner!” Finally, someone asked the question that everyone is very concerned about.

“Oh, now I just exchange to read a year’s books, and I should return to my country when the next semester ends. I have to study at Beijing Normal University for one year before graduation!”, Lu Qiujian vaguely dealt with this topic in the past.

“Come on, let me introduce you! This is my girlfriend Elena!” It wasn’t long before the scenery was taken away by Lv Qiujian. Fu Wei felt uncomfortable and immediately hooked himself up again. The oceanic horse was used to show off, “Elena is a model and only appeared in New York Fall Fashion Week some time ago!”

Fu Wei blew a little bit of bullsh\*it, and it was true that Elena was a model and participated in New York Fashion Week, but not as a model, but just as a helper. Otherwise, Fu Wei will not be able to match her, the girl who can show in New York Fashion Week is not a few bags!

“Wow! You are too good!” As expected, everyone immediately made a sound of envy when they heard it, and Fu Wei was a little floating for a while!

He proudly hugged Elena’s slim waist and began to brag about how he showed his charm to take this beauty.

“Let’s go! Let’s go over there!”, Yang Yang pulled Lu Qiujian to leave.

“Hey, Lu!” At this time, there was a cry from outside the door. Lu Qiuqian looked back, and Natalie waved at his tiptoe at the door.

“Wow, it’s Natalie!”, “She seems to be looking for Lu Qiuqian!”, “That Natalie in Hollywood?”, The crowd was noisy again.

Fu Wei looked down at Elena next to her, this \*\*\*\* girl is not as charming as Fang Cai! Looking at Natalie who is talking to Lv Qiuqian, he wants to cry without tears. Brother, I just found a model. You do n’t have to pull a Hollywood star to face immediately? Still letting people live?
